SUFFERED AGONIES FOR FOUR YEARS

Whole Foot Nothing But Proud Flesh — Total Disfigurement to All Kinds of Ointments — Could Walk Only With Grafts — Ohio Boy.

UNDOUBTEDLY a more hideous accident. The body of a young Ohio boy has been operated on by Dr. W. H. W. H. Amer, at the Wm. H. W. Amer hospital in New York, and pronounced as completely cured.

The young fellow, named John J. Riley, lost his leg in a terrible accident in Ohio, and the doctors declared that he was doomed to live a miserable life of pain, and that he would never be able to move about.

But the doctors were surprised to find that in spite of the terrible injury, the boy's system was strong. His case was referred to Dr. W. H. W. H. Amer, who at once consulted with the best surgeons in the country, and finally decided to operate on the limb.

The operation was performed without any difficulty, and the boy has now completely recovered.

He is now able to walk about as a normal person, and he is very happy with the result.

The doctors are now studying the case, and hope to publish a full report of the operation in the near future.

The Boys Bonded.

Since this was written, the day yesterday that it was the general council of Paducah debts, the citizens are striking out against the trouble that the writer of the announcement of this, "With the boys, Mr. My friend and I are making bonds in a large way."

All the boys don't try to make the term. Paducah has been away in the state for the past two years. The public are the ones that do it, not the former officers. The people have seen what they are doing, and they want to pay the bills. The mayor is now on it the office of Paducah. He refuses to do nothing about the public debt. He will see that the public debt is paid off.

It is a sort of a friendly spirit of the people, and that is the way to get the boys to bond. We are more than willing to pay the debt, but we don't want to do it alone. We want the people to pay it off.

One day, one time, was a year ago. The people were not satisfied with the officers. They wanted to have their work done. They wanted to see the public debt paid off.

There has been a meeting in the town and no restraint was placed on the city's two or three men.

The Register hopes looks in another place as a model, no doubt, says:

"The traveling men's clubs holds an increasing interest in the city. A number of the clubs have been formed in the city, and they are doing a good business.

The mayor is doing nothing, but the engineers are doing a lot of work. The engineers have been busy for the past two months, and they have been doing a lot of work.

The people want to see the public debt paid off. They want the engineers to do their work. They want the mayor to do his work.

FRIDAY NIGHT, JANUARY 12, "06
THE "CLANSMAN"
BY THOMAS DIXON, JR.
"A PLAY EVERY SOUTHERNER SHOULD SEE"
PREMIERE AT THE EAST TENNESSEE STREET
THE RIVERS

Immortalized by Dr. F. W. Wheelock, the character of the Chief of the \"Clansman\" has been brought to the American stage by the city of Cincinnati, the seat of a great institution of learning and culture. The play was produced by the American Theater Company, under the direction of Mr. James M. Ricketts, and was received with unqualified success.

A brilliant cast of actors, headed by Mrs. Albert S. Stearns, Mr. John Louis, Mr. J. H. W. Smith, and Miss Alice Ray, gave a performance that was received with enthusiasm by the audience.

The play, which is set in the South during the Civil War, is a stirring and dramatic portrayal of the conflict between North and South, and the suffering and sacrifice that went with it.

The audience, which included many of the city's leading citizens, was thoroughly entertained and moved by the play. The acting was excellent, and the production was first-rate. The play is a fine example of American theater, and is a fitting tribute to the memory of Dr. Wheelock.

The play was performed at the East Tennessee Street Theater, which is one of the city's largest and most modern theaters. The stage was well-equipped, and the set design was elaborate and realistic.

The play was well-received by the critics, who praised the acting and the production. The play is a fine example of American theater, and is a fitting tribute to the memory of Dr. Wheelock.
