Brisk Christmas Trade Reported

Christmas shopping has been fine everywhere, and time-saving, labor-saving devices are doing the same thing in the hardware department.

The more the merrier seems to be the motto of the small manufacturers, who are offering a vast variety of novelties to suit all sorts of families.

All the gifts in the world are not going to be made this year, but the merchants have a few surprises up their sleeves for the viewing pleasure of the customers.

The atmosphere of the stores is generally said to be happy, and the salesmen are doing a fine business.

"Mary's Castle in the Air." The best play of the season will be given by the seniors at the school on Friday, Dec. 10.

The concert characterizes the ability on the part of the students for the smallest play, which is under the guidance of Fred B. Grop, who is adding to it making this the best play that has ever been produced at our school.

The definite date will be given later. Watch for this and to be sure not to miss this splendid performance.

The Literary students are also putting a skit together, which was constructed by Mr. J. J. Blank and placed in the primary room.

WOMEN'S CLUB MEETING

The Women's Club held its general assembly in the Chamber of Commerce room with Mrs. J. R. Fields, president, present, and a large attendance of teachers and chaperones of the department.

Two of the members of the book committee, reported the book was in the hands of the printer, and the cover will be of black, embellished, turned in gold, and will soon be ready for distribution.

The club voted to give their hearty cooperation in the hospital drive that is soon to be started.

The vice-president, Mrs. Fred W. Barlow, took the chair, while Mrs. G. F. Fall gave a very interesting report of the first dinner meeting, which was held last Thursday and Friday in November in the Women's Club house.

The third meeting of the Women's Club, which was held at the school auditorium on Thursday, Dec. 10, was attended by a large number of teachers and chaperones from the department, and they presented Miss Blanch Graham, who shared in the program.

Mrs. Louis Weakley, Mrs. Ruth Fields, and Mrs. Katherine E. Fall, who gave a very interesting report of the first dinner meeting and presented Miss Blanch Graham, closed the program with a musical reading with Miss Eliza Clay Knox. Each in their portrayal of the characters they displayed gifted talent.

The program consisted of a skit, "I'll Holler on My High School," by Miss Wilder, presented by the seniors, and a clever little playlet, "For Every Woman," by Mrs. Elizabeth S. Brown.

The club was pleased to receive six new members, Mrs. Virginia Shepherd, Mrs. W. W. Shepherd, Mr. Harold Owen, Mr. C. F. Jackson, and Mrs. Harold Owen.

The hostesses for the day were Misses H. E. F. and Misses M. S. P. and Mrs. M. E. S. and Mrs. M. H. W., who did a splendid job.

The club voted to give their hearty cooperation in the hospital drive that is soon to be started.

Permanent Value in
Tree-Shaded Highways

If Missouri has been the last state to institute plans to improve its highroads, it can be said to be the first of the Great Plains States to have a permanent highroad plan. It is a plan of such broad and inclusive nature that it will make possible the construction of a system of highroads which will eventually extend throughout the state.

The state highway from St. Louis to Kansas City is said to be an example of the system. It is a broad, well-paved road which will be maintained and improved for the benefit of every motorist.
