KNIGHTS OF KOLUMBIEN—Died.—Mr. Henry W. Stetson died on Thursday of consumption. He was a member of the Knights of Kolumbien, and one of the oldest members of the lodge.

THE SENATE.—Passed in the Senate:

The Bill to amend the Internal Revenue Act of 1894, by providing for a tax of five per cent upon the net income of all persons not subject to income tax, except charitable institutions, was passed by the Senate.

THE PUBLIC HEALTH.—The Committee on Public Health reported a bill providing for the establishment of a public health board in each county, with power to provide for the inspection and regulation of all public health matters.

THE PUBLIC SERVICE DEPARTMENT.—The Board of Public Service Commissioners met and it was voted to increase the rates for street car fare 5 cents. It was also voted to increase the rates for water service 10 cents per month.

THE UNIVERSITY.—The Board of Trustees met and it was voted to increase the tuition fees for next year 25 per cent. It was also voted to increase the salaries of the professors 10 per cent.

THE MINERS.—A mining accident occurred at the Smith-Miller coal mine, in which two miners were killed. The cause of the accident was attributed to a cave-in. The mine was closed until further notice.

THE LEGISLATURE.—The House of Representatives passed a bill providing for the appointment of a commission to investigate the condition of the state's public schools. The bill was referred to the Senate for further consideration.

THE CIRCUS.—The circus, which opened in the city on Monday, closed on Saturday. The shows were well attended and the receipts were good.

THE RAILROADS.—The railroad companies announced that they would increase the rates for freight and passenger service 10 per cent. The companies cited the high cost of operation as the reason for the increase.

THE BANKS.—The Commercial Bank announced that it would increase the interest rate on savings accounts from 3 per cent to 4 per cent. The bank cited the high cost of funds as the reason for the increase.

THE TELEGRAPH.—A telegraph line was completed from the city to the county seat. The line will provide faster and more reliable communication between the two places.

THE WEATHER.—The weather was fair and sunny throughout the week. Temperatures ranged from 70 degrees to 85 degrees.

THE SPORTS.—The baseball season opened with a game between the City and County teams. The City team won by a score of 10 to 0.

THE EDUCATION.—The Board of Education met and it was voted to increase the teachers' salaries 10 per cent. The teachers were pleased with the increase and promised to work harder to improve the quality of education.

THE BUSINESS.—The business world was active throughout the week. Sales were brisk and profits were good. Many new businesses were opened and others expanded their operations.

THE ARTS.—The city's annual art show was held this week. The show was well attended and the works of many local artists were on display.

THE SPORTS.—The city's annual track meet was held this week. The meet was well attended and many fine performances were given.

THE MEETING.—The council met this week to discuss the budget for the coming year. The meeting was well attended and many important decisions were made.
