Phonograph Records

Mr. Mark Nixon, a prominent sales manager of the Nixon Phonograph Co., at his residence on 17th Street at the ticker address, is in charge of the Phonograph Records department. He has been in the business for over 20 years and has been a leading authority on phonograph records. Mr. Nixon is the author of several articles on phonograph records and has made many contributions to the industry. He is well known for his knowledge of the phonograph records market and his ability to select records of the highest quality. Mr. Nixon has a vast collection of phonograph records and is able to provide advice on selecting the best records for any given situation. He is also able to provide information on the latest developments in the phonograph records industry. His expertise and knowledge make him a valuable resource for anyone interested in phonograph records. He is well respected in the industry and is considered to be one of the leading authorities on phonograph records.
Town Officers Receive this month at Benton and fined fence. It is all a mistake. Myself shade. and unhitched his traces. Is it his duty. to "pull" a man for around the wagon standard, and every little thing? It looks to me ties? Why is not one man's house fence, but who built that every man alike. I am opposed fore the town had town officers. went like a man_and saw the judge for president, nor do I expect to bring suit and he is backed by as tarrh Cure. FRANK J. CHENEY.

FRANK J. CHENEY makes oath that claiming makes girl's feet tem. Serid for testimonials, free. lir Sold by druggists, 75c._
