Opening Services Methodist Church Largely Attended

Sunday was a day of great and joyful worship, Sunday School and Church, nothing refreshes the soul like a day of worship. The present service is the result of the union of the Pilgrim and Methodist churches, and the new church building, which is in process of erection, will be ready for dedication in November. The new church building will be dedicated on November 19th.

The service was held at the new church building, and was attended by a large and enthusiastic crowd. The service was conducted by the Rev. W. H. Smith, and was a most enjoyable and inspiring service.

The day was marked by a joyous spirit, and the people were in high spirits. The service was concluded with a hearty and prolonged song of praise, and the people were in high spirits.

The new church building is a beautiful and spacious structure, and is a fitting place for the worship of God. It is a credit to the community, and is a fitting place for the worship of God.

There are two very necessary conditions that are right-

edly required of every undertaker.

**FIRST IS SERVICE**

We have arranged every detail of our business that our service is equal to that of any of the larger cities and far beyond many of them. Our motor equipment is the latest model, and built for comfort and reliable service. Our trained horses are always on hand, and all deliveries are made as promptly as they are needed. We maintain the highest standard of professional conduct, and it is our policy to give prompt attention to every order placed with us.

**SECOND IS THE CHARACTER OF THE PROFESSIONAL WORK DONE BY THE UNDERNEATH**

As no undertaker can ever expect to be successful in his calling unless he has a high standard of professional conduct and is willing to give prompt and efficient service, we are satisfied to accept the patronage of those who appreciate the value of our services and are willing to pay for the same from their own pocket. Some of the larger undertakers attempt to get their profits in the form of a commission on the funeral director's list, but we prefer to do business on a fair and equitable basis, and all members of our profession are welcome to do business with us.

**4-H STANDS FOR HIGHER IDEALS**

"If this crop is to be a success, it must be properly grown. The farmer who devotes his attention to the care of his crops and the cultivation of his land can have no better investment than the 4-H program." - President Wilson

**NEW CHURCH FOR MARYLOIS SOON**

"Rev. Dr. Adams plans to build a new church for the new church in our city. It will be a beautiful and imposing structure, and will be dedicated in the near future." - The Advertiser

MORE TELEPHONE IMPROVEMENTS

The long distance telephone system in the Southeastern States will be enlarged and improved to cover additional areas in the newly established telephone area of Fulton and Mound City.

New improvements and reconstructions will involve an expenditure of more than $1,000,000. Approximately 1,500 miles of new cable will be laid in the next few months. In addition, more than 150 miles of new cable will be added, replacing old cable.

This will connect Fulton with the Kentucky and Illinois shore, while the new cable will extend to the west of the Mississippi River to St. Louis. The new cable will be capable of handling traffic at a much higher rate than the older cable.

The improvements will provide for better service and a more reliable connection between Fulton and surrounding areas. The new cable will be capable of handling traffic for business, banking, and other matters.
