WHY THE LAUNDRY SHOULD DO MY WASHING?

—Because the laundry is equipped to do washing cheaper, better—more sanitary—prompt collections and deliveries. You don't have to worry—you know it will be delivered when promised and you devote the day to more amusing tasks than washing, Blizzards, storms, heat and cold, none of these affect Laundry service—you get service even when you stay.

We Offer the Following Service on Family Wash

Dry Wash Service Meets everything washed and dried. No pieces stained at 6c pound.

Rough Dry Service means everything washed, starches and dries the starched garments, and tons all work

at 10c pound.

Finished Family Service. A COMPLETE service—whole house—laundry and housework included. A heavy weighted and a large charge of 10c pound is made—performing equally and at 10c additional charge of 1c pound is made for the ironing.

All Washing weighed—Dry minimum charge---

7 3/4c pound.

You are only fooling yourself when you purchase home equipment!

JUST A COMPARISON

Home equipment will cost around $150.00 to get it all. It does only a WETASH. You do the work or do some one to do it.

We will give you a wash wash DRHD for 6c per pound.

$12.00 spent with us, we wash per pound, will give you an average family wash bundle, which is 15 pounds, washed and dried each week for 4 years and 3 months.

Besides WE DO THE WORK, AND YOU take a day of rest. It will cost you a pound to do the washing, 40c per pound, to do your washing with home equipment, net counting any other time, soap or heat you have to pay for it. We get the wash and deliver it at 4c pound. Why spend $125.00 for the privilege of doing your own washing. Just a few facts. Think them over.

Three prize-winning Cleveland flowers in the category of the largest table flower, 6 feet across, have been named by Dr. E. H. Kemperman, of the Reck Corporation, growers of the plants, for Cleveland, Ohio, as the winners of the National Flower Growers' Association long-stemmed rose, carnation, and tulip. All three plants are being grown in the greenhouse in the grounds of the Cleveland Horticultural Society's building, and will be exhibited at the National Flower Show, to be held in June at the Brooklyn Botanic Garden. The plants are the result of the efforts of Dr. Kemperman and his associates, who have spent several years in perfecting the varieties and have now succeeded in producing plants which are both beautiful and strong. They are to be marketed in the fall of this year, and are expected to be very popular in the coming season.

The article states that low pressure was being used to control the head of moist Virginia tobacco, as it was at an average cost of $200 per ton. Mayors Price then told his audience how they were making the best use of the fire in their city, and how they planned to go on with the work. The city's electric company has made a good profit in the past, and it is hoped that they will continue to make a good profit in the future.
