"Hamlet" and "Othello" To Be Presented February 28

Avon Players Will Give Dramas at Murray

The Avon players, noted professional Shakespearean stage company, in their sixth annual Southern tour, will present two Shakespearean plays—"Hamlet" at 2 p. m., and "Othello" at 8 p. m.—on Friday, February 28, in the Murray State College auditorium.

These plays will be brought to Murray State College under the auspices of Murray State College, according to Dr. Charles Hire, head of the department of physical sciences at Murray State.

"Leading educators throughout the South have repeatedly stated that one performance of Shakespeare as presented by the Avon Players is worth six weeks of classroom study of the immortal Bard. Students everywhere have been given credits in their English courses for attending these splendid productions," the Murray College physical science head said.

200 More Expected For Second Half of Spring Session

With 723 students already officially registered at Murray State, Mrs. Cleo Gillis Hester, registrar, states that there will probably be 200 more for the last nine weeks of the spring semester, beginning March 30.

Since it is now possible for any student, having proper qualifications, to receive a master of arts degree from Murray State, prospects look bright for future enrollments of this school.

Many rural schools of Western Tennessee and other surrounding states of Kentucky were not closed in time for their teachers to enroll for the first half of the spring semester. Hence they will have an opportunity to enroll for the last half.

Many courses are to be offered for those who wish to take "first half" subjects. Others will be available for those who wish to enter for "second half" subjects.

May 24-25 has been designated as commencement week. The spring semester closes officially May 29.

Hicks-Herndon

Joe Herndon, lanky end of the Thoroughbreds of Murray State College, whose home is in Bruceton, Tenn., was married to Miss Anita Hicks, also of Bruceton, December 27, 1935, at Clinton, Ky., by the Reverend Mr. Gardner in the Baptist parsonage. Julian Henderson, captain-elect of the 1936 Murray College football squad, acted as best man.

Mrs. Herndon is the daughter of Dr. and Mrs. G. P. Hicks of Bruceton. The bride attended Murray State College during the 1935 spring semester, and later attended Milligan College. She is now registered at Murray as a sophomore.

Herndon is the son of Mr. and Mrs. A. R. Herndon, of Bruceton, and is a member of both the Thoroughbred varsity football and basketball teams. He will graduate in June 1937 with a B. S. degree in Physical Education.

He is the seventh member of the 1935 "Breds" to be added to the list of married men. The others are Greenwell, Organ, Taylor, Kiefer, Curran, and Alderson.

MISS WOOLDRIDGE IS PORTFOLIO HEAD

Miss Brown, Miss Bushart, Kemper, Shackelford Are Officers.

Miss Virginia Wooldridge, senior from Murray, was elected president of the Portfolio Art Club of Murray State College at the first meeting of the club this semester, Thursday evening, February 6. The meeting was held at the home of Miss Margaret Wooldridge, club sponsor.

The retiring president, Wesley Kemper, presided over the election. Other officers chosen were: Miss Christine Brown, Fulton, vice-president; Wesley Kemper, Mayfield, business manager; Miss Doris Bushart, Fulton, secretary and press-agent; and Max Shackelford, Murray, social chairman.

Harley Terry, chairman of the annual page committee, presented a plan for this year's page which the club approved. The time was set for the election of new members to the club.

More Men Read Books, But Women Read More Books

By Christine Brown

More men than women at Murray State College check out books from the library, but the women check out more books. This almost paradoxical fact was revealed by statistics kept by Ellison R. Brown, assistant librarian, during December and January, and can furnish fuel for either side in the age-old dispute about the comparative intelligence of the two sexes.

Eighty per cent of the entire enrollment at Murray State has used library books during these two months. Of these users, 53 per cent were men, but the 47 per cent that were women borrowed 58 per cent of the books circulated. This included both curricular and extra curricular books that are loaned for one or two weeks, but it does not include the circulation of reserve books.

To get these statistics and to discover the reading trends of the students, Mr. Brown has a separate card for each student on which all books, except reserves, that the student checks out are recorded. These cards are filed and a check is made each morning of books loaned the preceding day to get this information. The unfortunate thing about this method of compiling these statistics is that it does not indicate whether the students are reading the books they check out.

MUSICIANS WILL OFFER PROGRAM AT CHAPEL HOUR

Prof. W. H. Fox and Warren Angell to Appear

PIANO AND VIOLIN TO BE FEATURED FEB. 19

Prof. William H. Fox, instructor of violin, and Prof. Warren Angell, instructor of piano, will present an all-classic program at Murray State College at the regular chapel hour on Wednesday, February 19. The 45-minute program is scheduled to begin at 9:30 a. m. The recital will feature the Brahms Sonata No. 2 for piano and violin.

Mr. Fox will open the program with an all-Bach group. The faculty string quartet will accompany him in the Adagio and the Allegro Assai from the Concert in E Major. The string quartet is composed of Marcia McEwen Fox, and Earle Connette, violins; Franklin Ingalls, viola; and Arthur Meyer, cello. While Bach is better known for his organ and choral compositions, his compositions for violin reveal that he was a master of this instrument. The second number will be given unaccompanied—the Bourree and Double from the first Partita.

Professor Angell offers for the second group three compositions by composers of the early classic period. First Sarabande by Rameau, arranged by Godowsky with its arresting melody is fashioned after the old dance form, sarabande. The Allemande from Handel's Suite in G Minor follows, providing an example of the canon form, one of the highest developments of the contrapuntal art. The concluding number of this group is Gluck's Melodie, transcription by Sgambati, one of Gluck's finest contributions to the concert stage. The Brahms Sonata for piano and violin will conclude the program.

Professor Angell offers for the second group three compositions by composers of the early classic period. First Sarabande by Rameau, arranged by Godowsky with its arresting melody is fashioned after the old dance form, sarabande. The Allemande from Handel's Suite in G Minor follows, providing an example of the canon form, one of the highest developments of the contrapuntal art. The concluding number of this group is Gluck's Melodie, transcription by Sgambati, one of Gluck's finest contributions to the concert stage. The Brahms Sonata for piano and violin will conclude the program.

"America is more animated and much more theatre-minded than the old country. That is why I love it." These were the words of Miss Phyllis Flanagan, originally from Dublin, Ireland, now a resident of New York City.

She is with the cast of the Ethel Barrymore Colt Company and visited Murray State College when the Murray Playgoers' League sponsored "Accent on Youth" and "The Rivals."

Miss Flanagan appears on all the musical programs given by this company. She is a graduate of the Royal Irish Academy of Music, Dublin, Ireland, and has done graduate work in several music schools of the old country. She is a pianist, vocalist, and cellist. The cello is her favorite. She is now a naturalized American.

With a twinkle in her Irish eyes, she talked very pleasantly about her homeland. "I visit Ireland every year and look forward to the visit with much anticipation, but I'm just as anxious to get back to America. I have learned to love America because it is making so much greater advancement in science, dramatics, and real living than the old country. You native Americans should be the happiest of all people."

Miss Flanagan complimented the buildings and was very favorably impressed with the rapid strides Murray has made in the few years it has been in existence.

Bill Duvall, Paris, Tenn., former student of Murray State College, was a visitor on this campus February 3. He is now attending Northwestern University.

MURRAY LEADS SOUTH WITH 16 WINS; TO TACKLE WESTERN; M'KEEL IS OUT

MURRAY CENTER INJURES ANKLE WHILE TRAINING

Toppers to be Toughest Foe of Season for Blue and Gold

BOWLING GREEN TO BE HOST TONIGHT, FEB. 15

Seriously handicapped by McKeel's ankle injury, the Murray Thoroughbreds are predicted to face their toughest foe when they renew their rivalry with the Western quintet at Bowling Green Saturday night, February 15.

McKeel, probably the best center in Kentucky, injured his ankle while practicing Thursday afternoon. On the previous night, he established a record of 3 year's standing by scoring 22 points against Louisiana College. Coach Cutchin may be forced to put Burdette at center and use Kiefer at forward. Possibly Captain Phillips or Butler can be utilized at the center post.

The Murray squad, recent conquerors of the Louisiana College five by the score of 56-23, have a perfect record at stake. The Thoroughbreds have won 16 contests without a defeat, scored 702 points, and held opponents to 412 points. The team is at the top of the SIAA and KIAC standing, and is the only undefeated college team in the state, and claims rank with the leading teams of the South.

Western, with a record almost as impressive, has lost only one contest, that being to Murray earlier in the season, by the score of 31-15. Western points out that this game was played without the presence of Meacham, star guard, and the Hilltoppers are seeking revenge.

Wright and 'Fats' Are Mat Officials

Homer "Pete" Wright, tackle on the Murray College Thoroughbred football team, and Robert "Fats" Everett, ponderous Colonel on the staff of Kentucky's Governor Chandler, both of Union City, Tenn., officiated at the wrestling match between Karl Von Rittenberg and Roy Welch in down town Murray Tuesday night, February 11.

DR. CARR PRAISES N. E. A. EDITORIAL

Says Work is Greatest Gift to Mankind; Lauds Journalism.

Citing passages from the editorial concerned with the future of American youth in a current issue of the National Education Association Journal, Dr. J. W. Carr told the students of Murray State College in chapel Monday, February 10, that work is the greatest thing God ever gave to man.

The 76-year old educator declared that the art of journalism is growing in importance, offering marvelous opportunities to youth. He especially commended the Murray College department of journalism.

The public school system, he said, received its greatest impetus in 1837 in the midst of one of the greatest financial panics in America's history. "The world is on the verge of mass education," he stated, quoting from the N. E. A. Journal.

Showing that Murray basketball teams have won 71 per cent of all games they have ever played and that they have scored 60 per cent of all points in those games, Dr. Carr expressed the view that there was nothing to keep every department in Murray State College from getting as much advertising and as much publicity as the music and athletics departments.

Coached by the veteran mentor Carlisle Cutchin, the Murray basketballers have hopes of winning the KIAC tourney in Kentucky this month and of making a strong showing in the general SIAA tournament later in Mississippi. Murray's five aces this year are: Louis Graham and Floyd Burdette, forwards; Ethridge McKeel, center; and Carroll and Phillips, guards.

Thoroughbreds Are SIAA Leaders

TEACHERS' FORUM IS NEW GROUP ON MURRAY'S CAMPUS

Dr. Poret Is Elected President of Body February 4

PROF. CARMAN GRAHAM IS VICE-PRESIDENT

A teachers' forum was organized Tuesday evening, February 4, at a meeting of the faculty of the department of education of Murray State College and the faculty of the Training School. Dr. J. W. Carr presided at the meeting, which was held in the president's office.

Dr. George C. Poret, education instructor at Murray State, was elected chairman of the forum. Prof. Carman Graham, principal of the Training School, vice-chairman, and Miss Alice Keys, administrative secretary of the college, secretary.

The main purpose of the meeting was to get a general understanding in order to integrate the Training School and the college, especially as it refers to a department of education and the general education of teachers," stated Dr. Poret.

After a discussion of some of the imperative needs of the Training School, the group was in thorough agreement that the Training School is a necessary and fundamental adjunct to a teachers' college, according to Dr. Poret.

Another purpose of the meeting was to perfect the organization of the forum, which will meet at stated times to discuss problems of the Training School and college, and new methods and theories of education.

WOODWIND QUINT WILL BE INVITED

Murray Music Group To Give Concert at Louisville February 21

According to the latest announcement of Prof. Price Doyle, head of the music department of Murray State College, the Murray woodwind quintet will be one of the few groups invited to give a concert at Louisville during the meeting of the Kentucky Association of Bandmasters, to be held the week end of February 21.

The wind quintet is coached by Prof. Franklin P. Ingila, woodwind instructor in Murray College and is made up of Mae Balbach, Waupun, Wisc., flute; Miriam Reading, Centralia, Ill., oboe; Edward West, Chicago, Ill., clarinet; Russell Shriner, Chicago, Ill., horn; and Albert Seay, bassoon, Louisville, Ky.

In January alone, seven students checked out 25 or more books. These students and the number of books they borrowed are: Elizabeth Ladd, 37; Albert Seay, 35; Christine Brown, 35; Winnie McCusick, 28; Mrs. Will Miller, 27; Joe Horrell, 26; Col. "Fats" Everett, 25.

Above: Front Row: Left to Right: Wilms Kiefer, forward, Henderson, Ky.; Floyd Burdette, forward, Murray, Tenn.; James Phillips, captain and guard, Tolu, Ky.; Paul Fowler, guard, Murray, Ky.; Ethridge McKeel, center, Rector, Ark.; Clarence Butler, Clear Springs, Ky.

Back Row: Left to Right: Joe Mullins, manager, Humboldt, Tenn.; Wilford Baker, guard, Birmingham, Ky.; Willard Carroll, guard, Heath, Ky.; Louis Graham, forward, Heath, Ky.; Bourke Mantle, forward, Bardwell, Ky.; and Carlisle Cutchin, coach and athletic director, Murray, Ky.

Pictured above are the Thoroughbreds of Murray State College, Murray, Ky., who are leading in Southern basketball with 16 victories. Murray is the only undefeated college team in Kentucky.

Described as the "best balanced and best coached team in Murray's 13-year history, the 1936 squad at Murray State has averaged 44 points per game, winning over such strong teams as Western Kentucky, Union University of Tennessee, Berea, Arkansas State, Maryville, Mo., Teachers, Mississippi College, Tennessee Tech, West Tennessee, Union College of Kentucky, Berea, Eastern, Morehead, Georgetown, and Louisiana State.

PROF. L. R. PUTNAM PRESENTS PUPILS

First Musical Program of Term Is Given in Chapel February 5

The first musical program of the new semester at Murray State College was presented at the chapel hour Wednesday, February 5, by the studio of Prof. Leslie R. Putnam, music instructor of Murray State College.

The program opened with two vocal selections sung by Miss Louise Quettermous, Salem, who gave an interpretation of J. A. Carpenter's "Don't Care" and Weaver's "Moon-Marketing." She was accompanied at the piano by Miss Helen Roberts, Mayfield.

Phillips McCaslin, Murray, sang "The Song of the Toreador" from the opera "Carmen," with Miss Roberts as his accompanist. The college men's quartet, composed of John Travis, Providence, first tenor; Charles Miller, Murray, second tenor; R. H. Falwell, Jr., Murray, baritone; and Sam Wallace, Clay, bass, presented two numbers, "Homing," by Del Riego, and "Song of the Jolly Rover," by Candish.

Dr. C. E. Crume Is New Regent

An Associated Press dispatch today announced that Governor A. B. Chandler, on February 14, had appointed Dr. C. E. Crume of Clinton, Ky., a member of the board of regents of Murray State College to fill out the unexpired term of W. S. Swann of Murray.

"FIRST LEGION" TO BE GIVEN FEB. 20 BY PLAY LEAGUE

Dr. Hire Says Group to be Reorganized This Year

FOUR DRAMAS WILL BE PRESENTED AT MURRAY

Plans are under way in Murray's Playgoers League circles for a complete reorganization of the group in the interest of a second season of stage presentations here, according to Dr. Charles Hire, Murray State College department of physical science head, who is president of the local league. The first attraction of the series will be Emmett Lavery's "First Legion," on February 20. In the "First Legion" cast will be Ainesworth Arnold, who has been recognized by New York stage critics.

Miss Sylvia Meredith, representing the National Playgoers League, was in Murray February 5 assisting with preliminary preparations for the coming year of presentations which will be given on the stage of the college auditorium.

It is the plan of the local league to reduce the performances during the coming year from six to four, and to provide stage productions of higher quality, Dr. Hire said. In referring to the scheduled improvement in the "quality" of the plays for the coming year, the League president said that particular emphasis will be put on the types of presentations to be given and their casts.

The second year of Playgoers League will bring Walker Whiteside to Murray in "The Hindu." The second attraction will make its debut on the local stage during the latter part of March or the first of April. The National League has not arranged the third tour as yet, but "Petrified Forest" has been definitely booked by the New York group for a tour.

Miss Martin Accepts Chicago Position

Miss June Martin, Hardin, Ky., a junior and honor student in Murray State College, has accepted a position as kindergarten and grade instructor in a private school in Chicago.

Miss Martin is a graduate of the Hardin High School. She attended high school in Denver, Colo., before coming to Hardin. In 1933, she won a prize in the district extemporaneous speaking contest held in Murray.

On the campus at Murray State College, the young Marshall County society, being a member of the Marshall County Club, the Sock and Buskin Dramatics Club, the International Relations Club, and the Al-Jenian Society. She was a member of the editorial staff of the College News. She is the possessor of a collegiate scholastic rating of 2.7. Her hobby is writing poetry, some of her work having received wide acclaim.

LOUISIANA BOWS TO CUTCHINMEN BY 56-23 COUNT

Thoroughbreds Are Undefeated in 16 Encounters This Year

McKEEL LEADS WAY IN SCORING WITH 22

Louisiana College of Pineville, La., became the sixteenth victim of Coach Cutchin's Murray Thoroughbreds in a contest played on the Murray hardwood, Wednesday evening, February 12. The final score was 56-23, Murray.

The win left the Cutchinmen undefeated and with only three contests to play for a perfect season. It also placed the Thoroughbreds 'way ahead in SIAA and KIAC standings and left them the only undefeated college team in Kentucky.

The game started off as if to be a "real" battle, with the Louisiana team taking a 1-0 lead in the early stages of the game, only to have the Thoroughbreds come back strong to take a 13-1 advantage after 8 minutes of play. The score at the half was 39-11, Murray leading. McKeel, ace center, was the star of the game, making 22 points. The victory was the fourteenth in the SIAA for Murray.

With the usual run of substitutions going in for the Murray team in the last half, the winners of 16 straight started off rather slowly, but gathered momentum as the fray went along, and with McKeel, Murray center, pushing them in from all over the floor, proceeded to trounce the supposedly strong Louisiana.

McKeel, who towers 6'4", garnered 22 points before Coach Cutchin decided to remove him with 8 minutes of play still remaining. Crowell, visiting captain and guard, was next in line with 11 points, while "Lulu" Graham counted 10 for second Murray honors.

While in the battle, the Murray substitutes gave a good account of themselves.

Murray (56) Pos. Louisiana (23)
Graham 10 F Evans 4
Burdette 5 F Ledoux 2
McKeel 22 C Barron 2
Carroll 4 G Crowell 11
Phillips 4 G Lee 2
Substitutions: Murray: Mantle (3), Baker, Kiefer (4), Fowler, and Butler. Louisiana College: Kirkpatrick, and Whitley (2).
Referee: Ellis (Western).

Wayne Freeman Is New President of International Club

The International Relations Club of Murray State College met Tuesday, February 4, at the chapel hour, and elected Wayne Freeman, Symsonia, president of the group for the spring semester. Fred Phillips, Murray, was elected vice-president, and Miss Mary Cox, Benton, was chosen as secretary-treasurer.

The president appointed a committee to plan the club's page in the Shield, Murray College's annual publication.

It was the International Relations Club which sponsored the inter-sectional basketball game between Nebo and Brewster January 29, and which made the contest an annual affair. Prof. W. M. Caudill, geography instructor in the college, is sponsor of the club.

Prof. F. C. Pogue Speaks on Court

Prof. Forrest C. Pogue, of the Murray State College social science department, was one of the speakers at the Young Business Men's Club at its meeting, Monday night, February 3.

Professor Pogue showed the development of the United States Supreme Court since the adoption of the Constitution. He outlined the development of the power of the court since its inception to the present day.

Among the others on the program was W. E. Fowler, of the Murray CCC Camp, who played several numbers on the handsaw. He was accompanied by Charles Farmer, student at Murray State.

THE COLLEGE NEWS

The College News is the official newspaper of the Murray State Teachers College, Murray, Kentucky. It is published bi-weekly from September to August by the Department of Publicity and Journalism of the College.

Member of the Kentucky Inter-Collegiate Press Association and the First District Press Association of Kentucky.

Entered as second class matter at the postoffice of Murray, Kentucky.

AN ORCHID

Of the many who acclaimed the masked ball given by the Portfolio Art Club January 18 the most beautiful social ever held on the campus, we wonder how many had peeped the night or day before into the gym where the dance was held.

Those who did probably realized that these decorations did not mushroom up with the greatest of ease. They saw Miss Margaret Woodridge, art department head and club sponsor, planning and accomplishing a dozen things at once and telling others how to do a dozen more; they saw Wesley Kemper, club president, doing everything that anybody else was not doing and then some (Kemper even had his meals in the gym); Virginia Woodridge and Bill Carrier frenziedly splashing paint brushes to make the mammoth masks on the goal baskets that caused so much admiring comment; several Portfolios caricaturing what seemed miles of faculty and students in cartoon freizes; and others following Riley Dennington in climbing like monkeys among the girders on the ceiling, hanging crepe paper and helping "Mac" with the wiring. This did not go on for merely several hours, but for a half a night and a whole day.

Even then, this does not take into consideration the many hours of planning and arranging that preceded the actual work.

Miss Woodridge, the club president, and all members of the club are, to be congratulated on the splendid result of their efforts.

The masked ball proved the value of decorations. It also indicated that any organization can have the most beautiful and elaborate decorations if it will work hard enough to get them.

OUR SOCIETIES

What has become of our societies, the Allentian and the Wilsonian?

These two literary organizations, at one time, were the most popular on the campus, because nearly every member of the student body belonged to either one or the other. Then, too, trophies and special awards were given to the society that excelled in literary activities, such as writing, debate, oration, and declamation.

Keen rivalry was always a marked characteristic of these two societies, which strove to out do each other in every activity. As a result, valuable experience and entertainment were afforded students who belonged to either the

Wilsonian or the Allentian society.

It seems a pity to let such organizations die without a struggle, especially when the college is attempting to carry out Dr. Carr's 10 points for the social advancement of the student. This staff believes that if some prominent men could be induced to offer different awards for outstanding literary work by students belonging to these organizations (if they are revived) much would be done toward a recreation of interest in them.

NEWSPAPERS IN LIBRARY

At one table in the library this correspondent saw four students trying to share the Sun-Democrat. Two students were endeavoring to read the Courier-Journal co-operatively. During the hours preceding noon there are times when the pupil has to speak for one of these papers 45 minutes in advance, if he wishes to read it. Other students wait a while and then drift away without having their desires to read current events fulfilled.

Numerous teachers in this college have said that every college student should devote one hour to newspaper reading daily. There are only four other daily newspapers in this college beside the above papers mentioned. The library usually open 10 hours a day. So the reader can see the impossibility of 750 students reading 6 daily newspapers in 10 hours.

Very seldom does any newspaper remain idle. The College News staff believes that there should be more daily newspapers in the library, and at least three copies of some of the papers the library is now taking.

COMMUNICATION

Dr. John W. Carr has made every possible effort to establish a system of student-faculty relationship during his 13 years as dean and president. His question has been "How may I get closer to the student body—to those whom I live, and to those in whom I am most interested?"

Dr. Carr's efforts have not been in vain. Each year there has been an improvement made in the student-faculty network of communication for which there will be a greater demand as the college grows. Dr. Wells before him expressed and realized a desire to "become one of you."

Thinking People will Contemplate

THEY WILL CONSIDER the real advantages of public utilities - - the use of electric lights and pure water. . . . And the low cost compared to things much less essential . . .

SERVICES OF PUBLIC UTILITIES are the most economical and the most useful that you have in this age. . . . Thinking people will contemplate these things . . .

KENTUCKY-TENNESSEE
Light & Power Co., Inc.

The College News has a "closer union" editorial policy for the students and faculty and higher administrative circles on the campus. Student organizations in the past have contributed no small part to such a policy. The student councils have done their part. Let us all continue to foster and develop a "student relations" attitude that will aid in answering student problems as they arise.

WHY NOT A TRACK TEAM?

The College News suggests a new event in the yearly activities of the college—that of a track team. The new stadium faces a half-mile track which circumscribes the football field.

There are probably enrolled in this institution scores of young men too small to stand the pace of football or basketball. Why not give them a chance to show their athletic ability? It isn't that they do not have the nerve but their weight and size keep them in the stands urging their fellow classmates to victory, while they, themselves, wish they were large enough to win a letter.

"Q 20 1934"

(Or, We're That Near Heaven, That's Why!)

"Q 20"—At Murray, Calloway County, at the intersection of Main and Fifteenth streets, at the southeast corner of the State Teachers College campus, about 6 yards north of the Main street curb. A standard disk, stamped "Q 20 1934" and set in the top of a concrete post (168.584 meters or 553.996 feet).

"—and set in the top of a concrete post."

Have you seen it?—What? You've stubbed your toe against it! Many have—and without a second thought for what it may be!

Dr. Hire has revealed the identity of "Q 20 1934". He has said that "Q 20 1934" is a "bench mark," and that the United States Coast and Geodetic Survey put it "at the southeast corner of the State Teachers College campus" for the benefit of engineers, surveyors and others interested in determining accurate elevations in the vicinity.

Literally speaking, others have not been too presumptuous in saying that "168.584 meters or 553.996 feet" is only the physicist's calculation of Murray State's proximity to Paradise.

Nuther Colyum

The main purpose of this column (oh, yes it has one) is to spread the good gossip, if there is such an animal, to all readers of this paper if anyone reads this column . . . Well, the Racehorses are still undefeated. Wonder how bad they'll beat Western . . .

I predict that Murray will win the K.I.A.C. and then take the S.I.A.A. like Grant took Richmond. After this, they will prepare to have another undefeated football season. If all this happens, maybe that star backfield man who attended school here last spring will return . . .

February 14, 1928, Murray downs Will-Mayfield twice in basketball and the College becomes a member of the K.I.P.A. . . . February 12, 1929, Murray wins 51-9 over Logan and 62-19 over Lambuth. Also Margot Hayes, noted opera singer, appears in the auditorium . . .

February 10, 1930, Murray defeats U. T. Juniors 66-13 and Corinne Lowry is made editor-in-chief of the College News . . . February 16, 1931, Murray defeats Freed-Hardeman 53-21 and Herman Perdue is editor of this paper . . .

February 15, 1932, Murray leads the S.I.A.A. in basketball as they defeat Western 33-26 and 33-21 . . . February 13, 1933, Murray wins 77-29 over Middle Tennessee and the World Almanac honors Nathan B. Stubblefield, inventor of the radio, who lived across from the college campus, facing Wells Hall . . .

February 19, 1934, Murray beats Howard 43-39 and Tennessee Tech 41-26. The English debaters, who debated Murray, think that Hitler is a menace to democracy, as they stated in an interview . . .

February 20, 1935, Murray wins 53-22 over Millsaps and 25-22 over the Praying Colonels from Centre College . . . It seems that this time is a good time for Murray victories, so go to it! Thoroughbreds and take Western tonight . . .

Walter Winchell and Major Edward Bowes are the country's best-known celebrities, as was indicated by a poll in various Mid-Western colleges. Some of the men of the news got identifications such as James J. Braddock—Civil War general, and Franchot Tone—Mr. Joan Crawford . . .

Murray is blessed in at least one way. The names of the students are not the same as former celebrities. Think what a headache these names caused the University of Chicago registrar when they registered last fall: Woodrow Wilson, John Gilbert, Carter Harrison, James Braddock, Jane Addams, Walter Johnson, Walter Eckersall, Samuel Adams, Irving Berlin, and Gertrude Lawrence . . .

DORM DOINGS

The "right reverend" Romeo Walker has another worry now as he is taking practice teaching. He also reports that Mr. Lowry is another one of his worries.

Hugh Hawthorne "Cornwallis" Wallis attended a teachers meeting last Saturday.

Among the students in the dorm who are giving the history students a treat down at the Training School are Wayne Millard, "Tommy Tucker" Irvin, "Red Terror" Boyd, James Phillips, Joe Torrence and last, but not "least," Robert A. Everett.

Buck Taylor must be a trader's son because the report is that he is the biggest trader in the Dorm.

The long flannel underwear has come into prominence in the last few weeks since the cold weather set in.

A sure sign that it was cold the other morning was that Russell Shriner, "The Chicago Lad," came out with his sleeves rolled down.

Training School

The first grade children under the supervision of their practice teachers and Miss Manor, have as their activity now the building of a Post Office which will function during the Valentine season and later as well.

They have had excursions to the College Post Office and to the City Post Office also. They are learning how the postal service is carried on and much of their subject matter in reading, language, art, music, and literature will grow out of the unit of work.

Miss Desiree Beale, critic teacher of the third grade, left Saturday, February 6, for Tampa, Fla., where she will spend the winter. Miss Beale's place has been taken by Mrs. C. S. Lowry.

Miss Campbell has an exhibit of the letters of the students in her class who have corresponded with foreign pupils. The most interesting is the one from correspondent in England which tells of the people's mourning for their dead King.

The junior class had a Valentine party Tuesday night, February 11. The junior class officers are: Charles Stamps, president; Mary Elizabeth Hopson, vice-president; Dorothy Barnes, secretary; Angie Mary McNutt, treasurer. Miss Campbell is sponsor of the class.

The sophomores had a Valentine party Wednesday night, February 12. Games were played and Valentines were exchanged. Miss Whitnah is sponsor of the class.

Miss Maple has a very interesting activity going on in her room. The children are furnishing a colonial room. Several objects have been brought in by the students, such as an old spinning wheel, a grease pottery lamp, which is over a hundred years old, and a candle holder which is around 225 years old.

An old print of Washington has been brought in. They also have skins of goats on the floor that they have tanned themselves.

They are going to have a colonial party on George Washington's birthday. They have already started to make their costumes. Two grandmothers have already agreed to come and teach the children how to use the spinning wheel. The mothers are cooperating very well in this matter. Mrs. John Ryan has already given material to make several costumes.

Nearly all of the boys have decided to come as officers so that they will get to wear red coats. This activity is to last over nine weeks.

Miss Ruth Sexton, dietitian at Wells Hall, has been ill for the past week. She is improving.

DUCK!

Baseballs Fly From Screen In "Audioscopiks"

When you attend your local theatre some night and the man at the door hands you a pair of celluloid glasses, don't throw them away—for you are going to need them to enjoy Pete Smith's short for Metro-Goldwyn-Mayer, titled "Audioscopiks", coming February 23-24 to the Capitol Theatre. Don't be frightened by the name, for it is not a wild animal picture but one featuring the third dimension with sound.

Through the celluloid glasses you will be able to see:

A baseball pitcher throw a ball that will make you duck to keep from being hit.

A man squirting seltzer water in such a way that you will throw up your hands to keep it out of your eyes.

A musician playing a trombone and the slide poking you in the face.

The reason for all this is the use of the two-eyed camera—one having two lenses instead of the one used by the motion picture camera today.

Miss Western Heads Household Arts

Miss Helen Western, Webster City, Ia., was elected president of the Household Arts Club February 11. Miss Augusta Ray, Mayfield, was elected vice-president; Miss Martha Nall, Mayfield, secretary-treasurer; and Miss Dixie Stone, Paducah, reporter.

Sammy's Sayings

By Sam Boyd Neely

Nits and bits: Robert Everett is hard to beat as a chapel announcer. He always gets the floor, and the students know what he means regardless of whether he says what he means or not. Dallas Lancaster is the school's champion frowner.

Particularly at the beginning of every semester we hear outpourings of egotism among the students. Such statements as these are often heard on the campus "AND SO I SAID". "MY WEEK-END IS ALREADY FILLED WITH DATES". "YOU JUST DARE FLUNK ME". "PUT UP YOUR DUKES AND FIGHT, YOU BIG BUM!" "QUIT ME AND SEE IF IT BREAKS MY HEART". After some of these, all of us could sing "I'm an egotist, aren't we all?"

My ideal teacher would be that teacher that has the energy of Professor Horton, the patience of Miss Linn, the reliability of Dr. Hire, the perseverance of Dr. Carr, the enthusiasm of Professor Pogue, the kindness of Dr. Hicks, and the personality of Dr. Drennon.

Training School Has Two Debates

The Murray Training School debaters engaged in two verbal clashes with Lone Oak and Tighman debaters Thursday, February 6, at the high school auditorium of the neighboring schools. Murray lost by a close vote in each of the contests. The question was: Resolved that the several states should enact legislation providing for a system of complete medical service available to all citizens at public expense.

The following students from Murray discussed the negative side of the question: Versus Lone Oak: Geneva Hargis, Marjorie Wall, and Charles Stamps. In the clash with Tighman, Juanita Roberts, Murray, substituted for Geneva Hargis.

The next debates scheduled are with Reidland and Heath, there, next Wednesday afternoon, February 19.

Gentry Presides at Vesper Meet

The Christian Association of Murray State College held its reg-

ular meeting, Sunday evening, February 2, with the newly elected president, Cecil Gentry, Reidland, in charge.

Talks were made by several members of the college faculty. Among these were: "The Merit of College Discipline" by Dr. Mabel Gude; "Growth of Practical Christianity" by Dr. Charles Hire; and a short welcome to new students by Dean Otis Edmonds.

Others who took part on the program were: Miss Linda Sue McGee, Mayfield, and Cecil Gentry.

Announcement Is Helpful to Teachers

The announcement addressed to seniors and alumni of Murray State College, which was printed in the February edition of the College News, has brought results according to Prof. E. H. Smith, extension department head.

The bureau-announcement, the purpose of which was to intensify a "strenuous effort to place the graduates in desirable teaching

positions and to promote alumni", resulted in many replies from the two groups within the past two weeks, Mr. Smith said.

Within the next 90 days most of teaching positions for the school year 1936-37 will be filled. Members of the senior class who desire the assistance of the appointment committee in securing positions should fill out special forms furnished in the extension office, room 19, administration building.

Each puff less acid—Luckies are A LIGHT SMOKE

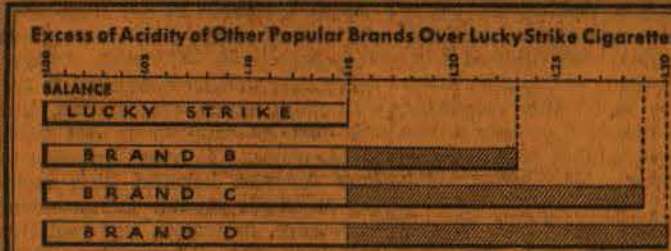

OF RICH, RIPE-BODIED TOBACCO

For twenty-five years the research staff of The American Tobacco Company has worked steadily to produce a measurably finer cigarette—namely, a cigarette having a minimum of volatile components, with an improved richness of taste—"A LIGHT SMOKE."

We believe that Lucky Strike Cigarettes embody a number of genuinely basic improvements, and that all these improvements combine to produce a superior cigarette—a modern cigarette, a cigarette made of rich, ripe-bodied tobaccos—A Light Smoke.

Luckies are less acid

Recent chemical tests show that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

OF RICH, RIPE-BODIED TOBACCO—"IT'S TOASTED"

Murray Concludes Trip by Topping Georgetown 39-25

Victory Is 15th In Basketball Season

Probably the biggest scare received by the Murray State College Thunderbolts on their entire Eastern Kentucky trip, came on the night of Thursday, February 6—their last night out, when the Cutchin-coached "wonder" team defeated Georgetown College at Georgetown, 39-25. The contest was the Thunderbolts' 15th in as many tries this season, left them as the only undefeated college team in the state of Kentucky, among the strongest in the entire South, and at the top of SIAA and KJAC standings.

Running onto a Georgetown quintet that was giving it all to stop the thus-far invincible Murray quintet, the Thunderbolts had to go at top speed throughout the entire first half and up until the final minutes of the last half before they could be sure of victory. The score at intermission was 16-9 in favor of Murray.

Racehorse business picked up in the last half, however, and with Burdette and McKeel, 6'4" forward and center, respectively, of the Murray team, doing most of the scoring, the Cutchinmen registered 23 points to 16 for the opposition and victory number 15, 13th in SIAA and 6th in KJAC competition, was "in the bag."

Burdette, forward, and McKeel, center, tied for high honors with 10 markers each. Hawkins, Georgetown forward, tallied 9 to lead his mates.

Thirty persons were called—18 against Georgetown, and 12

against the Thunderbolts. Burdette, Murray forward, and Bridges, substitute Georgetown center, were banished from the contest on four persons. Georgetown made good on 9 out of 12 free throws while Murray's average fell a little, the winners making but 10 out of 20 possible chances.

The lineups:
Murray (39) Pos. G'town (25)
Graham 9 F Green 2
Burdette 10 L Shields
McKeel 10 C Clark 1
Carroll 3 G Lusk
Phillips 1 G Shopshire
Substitutions: Murray: Mantle (1), Kiefer (5), and Fowler; Georgetown: Hawkins (9), Turner (4), Bridges (8), and Morgan (1).

Work Order Not Received by Staff For Structures

The long-awaited government order to begin work on the two new buildings at Murray State College has not yet been received, according to a statement released by the administration of the college today.

All necessary papers and contracts have been signed by the Murray officials and they are now awaiting the official work order from Washington.

The health building, incorporating all modern features of such structures, will be located on college property north of the men's dormitory and east of the old athletic field. The home management house will be on college property near the residence of Dr. Herbert Drennon.

MURRAY WINS 13; DEFEATS EASTERN CAGE QUINT 39-28

Victory at Richmond is Eleventh in SIAA Competition

CUTCHINMEN LEAD BY 16-12 AT HALF PERIOD

Richmond, Ky., the home of Eastern Kentucky Teachers College, was the scene of Murray State's thirteenth basketball win in as many starts, 11th in SIAA competition, February 4, when the Cutchinmen defeated Eastern, 39-28, as Dr. Richmond, and other Murray backers looked on.

With the score 16-12 in favor of the Murraymen at half time, the undefeated Thunderbolts were forced to turn on the "heat" in the last half of the contest in order to win and thus keep a perfect record.

Not so many substitutes were used in this contest by Coach Carlisle Cutchin as had been the case the evening before against Berea, and the Eastern five fought every inch of the way in a valiant but unsuccessful effort to put an end to the Murray winning streak. A crowd, almost as large as the one at Berea, greeted the visiting Murrayites and, as was the case the previous night, the spectators yelled for Eastern until the final few minutes before turning over to cheer for the invading "wonder" quintet from Murray.

Scott, Eastern forward, led the attack against Murray and also led the scorers of the fray with 12 points. Captain Phillips, guard, and "Jumping Lulu" Graham, forward, tied for runner-up honors to top Murray scorers with 9 counters each. Seventeen fouls were called during the event, 8 against Murray and 9 against the home club. The Cutchinmen made good on 9 out of 19 free throws while Eastern registered on 5 out of 8.

Murray (39) Pos. Eastern (28)
Graham 9 F Scott 12
Burdette 7 F Hinkle 5
McKeel 4 C King 2
Carroll 4 G Rankin 4
Phillips 9 G Demosiey
Substitutions: Murray: Kiefer (4), and Baker (2); Eastern: Douglas (1), Neikirk, Fulkerson (4), and Jenkins. Referee: Shively (Illinois).

Callahan Is Honored at Louisville

Lynn Tom Callahan, Jr., former student of Murray State College, has been appointed to serve on the advertising committee of the National Home Show, which will open at the Armory, Louisville, Friday, February 28.

John M. Hennessy, president of the Louisville Real Estate Board announced the appointment of Callahan February 5, and the Courier-Journal, Louisville newspaper, published a picture of the former Murray State student on that day.

Co-Ed Intramurals Organized by Miss Carrie Allison

Co-ed intramurals in basketball were organized February 13 at Murray State College under the supervision of Miss Carrie Allison, instructor in women's physical education. The round-robin tournament started at 3 o'clock in the women's gymnasium.

Student managers of the tournament are Margaret Trevathan, Paris, Tenn.; and Lucille Pollard, Murray, Ky.

There are four teams, captained by Misses Vivien Denson, junior, Arlington, Ky.; Kathleen Flowers, sophomore, Milburn, Ky.; Jo Rob-

ertson, freshman, Murray, Ky.; and Lucille Pollard, junior, Murray, Ky. Games will be played three days per week.

In the first game, Thursday, February 13, Flowers' team defeated Marshall's team by 23-19.

The schedule for the remainder of the tournament is as follows: Monday, February 17, Robertson vs. Denson; Tuesday, February 18, Marshall vs. Denson; Thursday, February 20, Flowers vs. Robertson; Monday, February 24, Marshall vs. Robertson; and Tuesday, February 25, Flowers vs. Denson.

MURRAY FROSH NIP WESTERN BY 22-19

Score at Half is 8-7 in Favor of Coach Miller's Quintet.

The Murray State freshman basketball team defeated the Western quintet in the Murray College auditorium Thursday night, February 6, 22-19. Western defeated the Millermen earlier this season.

The score at the half was Murray 8, Western 7. At the beginning of the second half, Robinson tipped one in to give Western a 1-point lead. Jasper, Murray forward, made a free pitch, tying the count. Field goals by Bland, Jasper, and Putnam placed Murray in the lead. Saddler, Western forward, was eliminated from the game on fouls. Hurley was Murray's outstanding floor man.

For Murray, Jasper led the scoring with 7 points. He was closely followed by Bland, guard and Pierceall, center with 4 each. A total of 7 fouls was called against Murray and 11 against Western. Reyerman was outstanding for Western with 8 points.

The lineups:
Murray (22) Pos. Western (19)
Jasper 7 F Sadler 4
Finley 1 F Cherry
Pierceall 4 C Roland 2
Bland 4 G Robinson 5
Hurley 3 G Reyerman 8
Substitutions: Murray: Putnam 3, Western: Meredith and Forsythe.

Dunkerson Is Named Chemists' Club Head for Spring Semester

Leland Dunkerson, Calvert City, Ky., was elected president of the Chemistry Club for the spring semester at a special meeting on February 4. The retiring president, Pope Johnson, called the meeting for the purpose of electing officers.

The retiring president was nominated for reelection and in a primary vote tied with the new president. Speeches were then permitted in favor of each candidate and the following vote favored Dunkerson (who then presided). Other officers elected were Goodloe Sargent, Kevill, retiring secretary-treasurer, as vice-president and William Crawford, Mayfield, as secretary-treasurer.

Dunkerson's first executive act was to appoint a committee for the purpose of securing a date for an early spring dance. Pope Johnson, Jack Covington, and Jane Meakin were named on the committee.

Darnell-Solomon

Miss Verda Darnell and Homer Solomon, both of Benton, Ky., were married Saturday afternoon, February 8, at Madisonville, Ky., at the home of the groom's brother by the Rev. Hollis Summers, pastor of the Madisonville Baptist Church.

Mrs. Solomon is the daughter of Mr. and Mrs. Jack Darnell, of Benton, and Mr. Solomon, a former student of Murray State College, is the son of the late James Solomon. He is at present assistant coach of basketball at Benton High School.

MOREHEAD STAGES FREEZING ACT, BUT MURRAY WINS 33-17

Cutchinmen Win Fourteenth Straight Victory in 14 Starts

THOROUGHBREDS HOLD 12 S. I. A. A. VICTORIES

Though unable to outscore Coach Carlisle Cutchin's rampaging basketballers, the Morehead College five was able to cut the average Murray score down in a "keep-away" contest played at Morehead, Wednesday night, February 5, Murray winning out, 33-17. It was Murray State's 14th win in as many starts, 12th in SIAA competition, and fifth against Kentucky teams.

Morehead took an early 4-0, lead and then decided to hold the ball and not let the visiting conquerors get said ball to put through the "hoop." The little game of "keep-away" continued throughout the first half with the Thunderbolts getting the sphere enough times to enjoy a 12-6 lead at half time.

After the intermission, the Purchase Warriors came back at the Morehead five with a dose of their own medicine, playing "keep away," and pausing only long enough to score 21 points in the last stanza while holding the host team to 11. The style of play furnished the Thunderbolts with some much needed rest.

As had been the case in the first two battles of the Eastern Kentucky trip, the Cutchinmen were greeted by many friends and old grads of Murray State, and a large crowd was on hand to see just what this undefeated M.S.C. team had in its bag of tricks.

Kiefer and Butler, substitute forward and guard, respectively, for the Murray "wonders," led the parade with 7 points each. Every "scrub" on the Murray roster, with the exception of Mantle, who is on the ailing list, got into the contest, and as a whole, the substitutes "did right well by themselves," accounting for 16 of the 33 Murray points.

Nine persons were called against each club, the visitors making good 7 out of 10 free pitches, while Morehead was "ringing the bell" on 7 out of 14 tries.

Murray (33) Pos. Morehead (17)
Graham 6 F Hosson 2
Burdette 5 F Byan
McKeel 5 C Carier 5
Carroll 2 G Shuey 6
Phillips 4 G Francis
Substitutions: Murray: Kiefer (7), Butler (7), Baker (2), and Fowler; Morehead: Leslie (4). Referee: Mohney.

Murray Opens Road Trip by Trouncing Berea Five 45-25

Victory Is Twelfth for Cutchinmen This Year

In their first contest played in Eastern Kentucky, the Murray State Thunderbolts defeated the friendly little mountain college of Berea, at Berea, the evening of Monday, February 3, 45-25. The game marked the first of four on a road trip into Eastern and Central Kentucky by the Cutchinmen and was their 12th win, 10th in the S.I.A.A., in as many tries.

Playing before the largest crowd ever to see a basketball game at Berea, the Murraymen waited until the final half before putting on the fireworks for the mountaineers. The score was 20-15 in favor of Murray at the end of the first half, with Burdette and McKeel doing the most of the Murray scoring.

In the second half, the Cutchinmen really put on a show for the howling mob of spectators present.

with Burdette, leading Murray scorer, battling in five field goals and contributing a foul to help toward the downfall of the gallant Berea five.

The large crowd of witnesses at the fray yelled frantically to cheer their team on to victory; then in the last few minutes of play, when the Berea five had definitely lost, the spectators showed their true sportsmanship and started cheering for the conquering Thunderbolts.

Floyd "Red" Burdette, Murray forward, with 17 points to his credit, led the Murray onslaught with Carroll, Blue and Gold guard, next in line with 8.

Murray (45) Pos. Berea (25)
Graham 3 F Clark 4
Burdette 17 F Gardner 7
McKeel 8 C Wright 6
Carroll 8 G Eversole
Phillips 4 G Blair 2

Substitutions: Murray: Kiefer (4), Mantle (3), Butler, and Fowler. Berea: Keith, Wheeler (3), Roberts (3), and Ray. Referee: McDonough.

VARIED PROGRAM GIVEN BY GROUP

Taylor and Gentry Are Heard at Regular Meet of Christian Association.

A varied program was presented at the meeting of the Christian Association, Sunday evening, February 9.

The first number of the evening was a solo, "Song of Redemption," vocalized by Gaston Taylor. Cecil Gentry, Reidland, Ky., a junior at Murray State, spoke on the subject "We should clean our own homes first, then help our neighbor, and then read the Bible more." The third and final portion of the program was a group of songs, sung by the entire group.

The Christian Association meets every Sunday evening at 6:45 p. m. in the little chapel for the purpose of discussing the modes and means of Christianity. President Gentry, expressed the wish that every student in the college as well as the faculty members and friends of Christianity would attend the weekly meetings.

Russell Shriner, Chicago, Ill., is in charge of the program for the next meeting.

Woosley Re-Elected Physics Club Head

Alvan Woosley, senior from La Center, Ky., was re-elected president of the Physics Club of Murray State College at the club's regular meeting January 28. The election of other officers was deferred until the next meeting February 18.

Dr. Charles Hire, head of the physics department of Murray State College will be the speaker at the meeting. Dr. Hire said he would lecture on and demonstrate "Absorption," which is the absorption of gases by solids.

President Woosley urges all members to be present so that the club can start the Spring semester in full swing.

Chapel Seats Are Assigned; Co-eds Have Assembly

After the Murray State students had been assigned regular chapel seats Monday, February 3, Dean J. W. Carr dismissed the men and the regular bi-weekly meeting of the Women's Organization took place.

Dr. Mabel Gude, dean of women and founder of the organization, welcomed the new students, telling them of the hopes, progress, and plans of the organization, stating that there was one rule under which all others were catalogued: "Act a lady at all times." She presented Miss Sue Gunter, president of the organization, who took charge of the meeting.

Miss Elizabeth Ladd, chairman of the social committee, presented several suggestions for an entertainment to be held in Wells Hall in the near future. The girls chose a Saturday afternoon social of a general nature.

Miss Gunter appointed the following as a committee to plan this entertainment: Mary Virginia Diuguid, Jane Melugin, Sara Akin, Christine Brown, Helen Western, and Christine Johnson.

Hayes Is Head of Math Club

Chester Hayes, Samburg, Tenn., was elected president of the Math Club in a meeting held Tuesday, February 4, in the room of Dr. Carman in the liberal arts building.

SPORT SPASMS

By Jimmie Bogle

Sixteen straight wins, no losses, at the top of S.I.A.A. and K.I.A.C. standings, the only undefeated college team in the state of Kentucky, and rated among the strongest teams in the entire Southland—that is the record of Coach Cutcher's Thoroughbred "Wonder" cagers to date.

Everywhere the Thoroughbreds played on their tour of Eastern Kentucky, the crowds first rooted strongly against them—quite naturally since they are undefeated—then at the last, when everything was hopeless for the home team, the fans rooted for Murray.

Friends of Murray State including Dr. Richmond, Duke Mayfield, T. Waldrop, Marion McCarthy, Jess Haynes, and others, turned out to cheer Mr. Cutcher and his "Five Aces" on to victory, all along the route.—It looked like a Murray Homecoming at Richmond.

Several "nice" letters were received from schools met by the rampaging racehorses, Berea and Georgetown sent in the prize correspondence, with both Morehead and Eastern offering some real complimentary write-ups.

The players were rather "stuck" on Berea, and dished out numerous compliments to the mountain school. The Murray team had to shoot its signals, so long was the rooting. Murray fans should copy Berea methods, I'd say.

A few weeks ago, when Western played the University of Louisville at Louisville, the *Courier-Journal* in publicizing Western, stated: "Phillips and Burdette will probably be the hardest Hilltoppers to stop." The Western lineup in the same edition read: Graham and Burdette, forwards; McKeel, center; Phillips and Carroll, guards.—They tried to make up for it later by printing "Murray has a seemingly unbeatable team in S. I. A. A. competition." Thanks, Louisville, for the latter statement.

The Union College, Barbourville, Ky., coach, changed his mind in a hurry. Before Union played Murray, he offered "I knew we couldn't beat Western, but we do stand a chance with Murray." After it was all over, he sent these words home—"Murray had a team of giants that scored when they got ready—we could never beat them." Thanks Coach!

Picture of the basketball squad were sent to nearly every team in the S.I.A.A. and with few exceptions, other school papers printed them. Western, however, sent a letter saying "We are laying for Murray, and are confident of victory." "Any team that can beat the Hilltoppers twice in one season is deserving of some news."—it was also implied that the Western newspaper would run Murray's picture in preference to Western's in the event the Thoroughbreds win tonight.—We should like to reserve in the event the Thoroughbreds win.

Tonight is the night of nights—Western is planning a big defeat for Murray, but the Thoroughbreds do not care for "such goings-on."

EXTRA FINAL! Reports are to the effect that Coach Diddle (Western) plans to "break" Murray's defense tonight.—Wonder what he plans to do about the offense? . . .

Mr. Chest, who has refereed more basketball games than most of the officials in the South, officiates a

ABELL RE-VAMPS DANCE ORCHESTRA

Makes First Appearance at Math Club Fete Friday Evening, February 7.

Usher Abell, sophomore from Paducah, Ky., has reorganized his collegiate dance orchestra for the spring semester. It made its first appearance for the Math Club dance at Murray State College, Friday evening, February 7.

Bud Ruhl, versatile accordionist and former director of dance bands in Louisville, is directing the band. Abell and Ruhl present modernized rhythm and entertainment in a pleasing style.

The personnel of the orchestra includes members of both the Murray College band and orchestra. Abell's orchestra features three violinists who double on saxophones. The band is booking jobs throughout Tennessee, Kentucky, and Illinois. Bud Ruhl is manager.

The members of the band include: Usher Abell, saxophone, Paducah, Ky.; Josiah Darnell, saxophone, Paducah, Ky.; Roy Darnall, piano, Clinton; Bud Ruhl, accordion and director, Louisville; Everett Crane, trumpet, Decatur, Ill.; Grover Carson, trumpet, Decatur, Ill.; Floyd McClure, bass, Decatur, Ill.; Bill Hoppe, saxophone, Waupun, Wis.; and Johnnie Belling, drums, Alamo, Tenn.

DARNALL HEADS VIVACE GROUP

McClure Is Elected Vice-President of Music Organization at Murray State.

Roy Darnall, Clinton, Ky., was elected president of the Vivace Club to succeed Russell Shriner, Chicago, Ill., at the initial meeting of that club held in the college auditorium Monday evening, February 3.

Other officers elected were: Floyd McClure, Decatur, Ill., vice-president; Miss Dixie Vivian Moore, Princeton, Ky., secretary-treasurer; Grover Carson, Decatur, Ill., reporter; and Prof. Leslie Putnam, sponsor.

The following program was presented: piano solo, "Reverie" by Debussy; Ruth Elaine Crawford; bassoon duet, "A Sonata for Two Bassoons," by Mozart, Clara Crawford and Albert Seay; vocal solo, "Luxembourg Gardens" by Manning, Gaston Taylor; piano solo, the first movement of "Pathetique Sonata" by Beethoven, Roy Darnall; vocal solo, "Noon and Night" by Hawley, Charles Miller; violin duet, "Concerto for Two Violins" by Bach, Usher Abell and William Hoppe.

Blaeser Elected Head of Sock and Buskin

Robert Blaeser, Paducah, a junior in Murray State College, was re-elected president of the Sock and Buskin Dramatics Club of the college at a meeting of the organization Tuesday, February 4.

Alton Thacker, Fulton, was elected vice-president; Miss Catherine Bondurant, Fulton, was elected secretary-treasurer; and Miss Dixie Vivian Moore, Princeton, was chosen as news reporter.

Miss Mayrelle Johnson was named co-sponsor to Prof. F. D. Mellen, faculty sponsor.

Dale Deibert, freshman football captain and basketball star, has been called to his Decatur, Ill., home by the serious illness of his father.

lot of games in the Southern and Southeastern conferences, and who, incidentally, refereed the last Murray-Western affair (which Murray won 31-15), states that the Thoroughbreds possess the best defense he has seen in the South this season.

Chris-O-Grams

Good people, do you realize that already three weeks of the new semester are history! And that semi-opaque darkness at getting-up time, colds in the head, young men's fancies, and Sears Roebuck catalogs all indicate that, though winter is certainly here, spring is not far behind.

The lights in the boys' dorm every morning about 6:20 serve as a clock to quite a few girls on the east side of second floor of Wells Hall. Those that do not own clocks and cannot hear the rising bell find it convenient to glance out the window in the direction of the men's dorm and the number of lights burning will tell them if it's time to get up. Needless to say, this does not work during examination week or on week-ends.

With the new semester well under way, the two big social events looming ahead are the junior-senior prom and the big Shield dance. This last will probably take place about the middle of March, and McCracken and other Shield big shots threaten to make it truly a "swanky" affair.

Imagination may be desirable and then, again—. Recently some Wells Hall co-eds lolled on beds one night in one of those "hen" sessions that decided the fate of so many men at Murray State, but this time the talk turned to snakes. (No inference intended!) The caged rattlesnake on third floor of the library was considered and re-considered with many "What ifs" and "Suppose's" until everybody was as jumpy as a two-day colt. Girls scuttled down corridors to their rooms, seeing coiled reptiles in every shadow. At least one of them dreamed snake horrors for several nights thereafter, and it didn't help much to be awakened mornings by the sound of hissing—made by the steam coming into the radiators.

IRRELEVANCIES.—Another good man gone wrong. Colonel Lindbergh's double, "Sambo" Neely, turns columnist. . . . A case of "opposite attract" seems to be that of Vivian Denson and Harwood Tilton. At least, it's the only way I can account for two people with apparently such dissimilar tastes getting along so well together. . . . Any talk of a best all-around girl on the campus immediately conjures to my mind the name of Dixie Moore. . . . Why do they call Bee Smith "Hornbeak"? . . . This year's snowing down in history in Kentucky. . . . One march that

Elizabeth Allen and Ronald Coleman in Charles Dickens' immortal masterpiece, "A Tale of Two Cities," at the Capitol Theatre Feb. 25 and 26.

OVERBEY TO HEAD HENRY CLAY CLUB

Group Is Reorganized at Murray State; Kellow Is Named Vice-President.

Reorganization of the Henry Clay Club, college debate society, was completed in the little chapel Tuesday morning with last semester's president, Sam Boyd Neely, Hazel, presiding.

James Overbey, a freshman and a graduate of the Training School, was elected president; Edd Kellow, of Hardin, was reelected vice-president; and Buford Hurt, from Kirksey, was selected secretary-treasurer. Vernon Trevathan was selected sergeant-at-arms by acclamation.

After the election, plans for securing an annual page were discussed.

The club has definitely decided to debate the national high school question regarding the socialization of medicine before an invited audience of high school teams. The date for this has not been set as yet, but Friday, February 27, will probably get the call.

I'll like immensely for a long time is Goldwin's "On the Mall" ("La, la, la, la"). . . . Another of Murray State's motion picture star doubles is Georgia Gatlin, who suggests Myrna Loy.

MUSIC IS FEATURE OF CHAPEL PERIOD

Dr. Carr Speaks in Honor of Lincoln's Birthday, February 12.

Murray State's music department was in charge of an interesting program during the chapel period, Wednesday morning, February 12. After the music department had finished its program, Dr. J. W. Carr, dean of the college, made a short speech in memory of Abraham Lincoln, in celebration of the famous American's birthday.

The program, presented on the stage in the auditorium building follows:

Two numbers by the first group of the Girl's Glee Club—"Sing, Sing, Birds on the Wing," by Nutting, and "Gypsy Love Song" by Victor Herbert.

Violin Duet, "Los A Vinaldi," arranged by Natchez-Vaginalee Thompson and Josephine Franklin, accompanied by Margaret Marshall, at the piano.

Two numbers by the second group of the girls' glee club, "Annie Laurie," arranged by Buck; and "Sweet Miss May," by Neidlinger.

Give Tea Dance

The Wells Hall girls of the Women's Organization of Murray State College gave a co-ed break dance in the spacious parlors at Wells Hall, Saturday afternoon, February 1, from 3:30 to 6.

Leroy Offerman and his orchestra played. This dance was the first of a series of entertainments to be given by the Women's Organization, of which Miss Sue Gunter is president.

Miss Botto Returns

Miss Mildred Botto, home economics instructor in Murray State College, returned early in February to resume her duties at Murray.

She was injured in an automobile accident during the Christmas holidays, and suffering from a concussion of the brain, she spent a slow recovery period in the King's Daughter's Hospital, Greenville, Miss.

Mrs. Earl Connette taught Miss Botto's classes during her absence.

By giving the host a slight advantage, the Saturday night game should be a hard fought one, with Murray conceding a good chance of making it 17 straight.

Miss Thurman Is Elected President by Les Camarades

Miss Corinne Thurman, junior from Murray, was elected president of Les Camarades, French club at Murray State College, Tuesday, January 4, at the chapel hour. Miss Thurman is also a member of the English Club.

Miss Mary Virginia Diuguid, senior, also of Murray, was named secretary-treasurer. Miss Diuguid is a member of the English Club and of the Classical Club.

As the vice-president of Les Camarades is always the president of Les Savants, honorary French group, Miss Christine Johnston, Murray, still holds that honor.

The club also began plans for a benefit bridge to be held in March.

FORMER STUDENT HAS STATE POST

Frank McGary Is Listed on Roster of Murray State College.

Records in the registrar's office show that Marion McCarthy and Duke T. Mayfield are not the only former Murray State College students who are members of the legislature. The third student from Murray State to enter the legislature is Frank McGary, of Arlington, representative from Carlisle County, who attended Murray in 1926.

Mr. McGary was formerly county superintendent of Carlisle County. His wife, the former Miss Modelle Webb, of Cunningham, also attended Murray State College.

Representative McGary took a course in Education 222, "Administration and Supervision," from the extension department in 1932. Mr. McCarthy and Mr. Mayfield are the only Murray College graduates who are members of the legislature.

To Play Last Game

James Phillips, captain of Murray's wonder basketball team, will play his last home game as a member of Murray's varsity Saturday night, February 22, against West Tennessee.

Captain Phillips has only missed one varsity game since he has been in Murray and has been a regular since he has been eligible for the varsity.

Phillips intends to coach basketball when he graduates in June.

FAIN KING TALKS ON ARCHEOLOGY AT CHAPEL HOUR

Praises Work of Dr. Hire for Help in Research at Wickliffe

SAYS COLLEGE, ANCIENT CITY ARE OUTSTANDING

"Murray State College and the Ancient Buried City of Wickliffe, Ky., are the leading attractions of West Kentucky," stated Fain King, archeologist in charge of the buried city, in a speech before the students of Murray Friday morning.

Mr. King was introduced by Dr. Hire and at the close of his speech Mr. King paid high tribute to Dr. Hire for his help during the summer seasons in the research work done at Wickliffe. Mr. King also added that "If everybody works together it might be possible to have a Department of Anthropology at Murray and further the possibilities of preserving these sites."

The ancient city draws 20,000 to 30,000 visitors every year and is one of the most talked about attractions of the South. In the last year officials developed a new method of unearthing the bodies in that they dig in from the side instead of digging straight down and destroying valuable finds. Through this method they have been able to tell much about the ancient peoples through the condition of the soil; it gives the tales of what they ate and how they lived.

Mr. King is known best for his work at Wickliffe, but he was also the discoverer of a site at Port Ridge which was developed at his recommendation to Governor Lat-foon. "If we can preserve these sites we will have done our work for posterity."

AAUW Has Meet in College Library

The American Association of University Women held its branch meeting in the library February 12, with the chairman of the Ways and Means Committee in charge of the program. Dr. Charles Hire, Murray College instructor, gave an address on "Consumer and Goods."

Members of the Book Study Group this month are reading "Deep Dark River" by Robert Ry-lee, and "Stars Look Down" by H. A. Cronin.

Murray Playgoers League

PRESENTS
