HORD KILL, 4 IN TRAIN WRECK, NEAR CLINTON

One unidentified body, that of Mrs. C. R. R. Pierce, was found in Clinton Monday morning, March 4, 1917, the Tu-4, a week after she was last seen. The body was found in the engine of the train, which crashed into an oil tank car, at a distance of 60 feet of the depot.

The dead man was identified by Mr. and Mrs. C. B. Boulton, who were killed in the crash.

The accident, which was said to be due to a broken brake, killed five persons and injured two others. The train was bound for Fulton from Paducah. One passenger, Miss Loulie Pierce, was missed by the train, and a search was made to find her. It is thought that another man, who was known to have been in the vicinity of the depot, was also beneath the cars when they crashed. The two others injured were A. H. Williams and R. A. Bollenbacher.

The accident occurred within a few minutes after 10 o'clock Tuesday afternoon, and excitement was universal throughout the city.

One of the railroad workers, Mr. and Mrs. C. B. Boulton, were guests of her niece, Miss Virginia Giffin, who was killed when the cars were rushed to Clinton Saturday night.

The train, which was running as usual, was stopped to make a guest appearance at the Clinton school, which was holding the school at the time. Everybody is expected to come and see the accident, which occurred on the train in the depot.

Miss Virginia Giffin was the guest of her nieces, Misses Mary and Lily B. Allen, who were killed in the crash. The train was bound for Fulton from Paducah.

The accident occurred near the Depot on the Union City line, and the train was stopped to make a guest appearance at the Clinton school.

Sunday School Lesson

Lesson for April 1

Jesus the Suffering Messiah

A. Jesus the Suffering Messiah

In this lesson, we will explore the suffering of Jesus Christ. Jesus, the Messiah, experienced intense suffering throughout His life, culminating in His crucifixion. This suffering was not just physical but also emotional and spiritual, as Jesus bore the weight of the sins of the world.

1. The Suffering of Jesus

Jesus' suffering began with His betrayal and condemnation by the Sanhedrin, followed by His persecution by the Roman authorities. His trial and crucifixion were the ultimate expressions of this suffering.

2. The Meaning of Suffering

Suffering is often seen as a means of testing and refining our faith. In the case of Jesus, His suffering was not in vain. He rose from the dead and became the source of eternal life for all who believe in Him.

3. The Importance of Suffering

Suffering, while difficult, is an essential part of the Christian experience. It helps us understand the depth of God's love and the sacrifice He made for us.

4. The Significance of Suffering

Suffering is a reminder of the cost of salvation. It is a testimony to the lengths to which God will go to save His children. It is also a way for us to experience the joy of rescue and salvation.
