After Peer, for the purpose we have been under no obligation to support in the past and hopes to do so as long as he continues to be a good boy.

We have known him intimately for over 22 years, and while straggling or distress. He was born in this county, aged 17 years, six months and six days. He was educated in the public schools, and was placed in the hands of the Court of Probation by the Board of Guardians of this county in 1821. He was a good boy, and was given to the care of Mr. James Reed & Oliver.

We hereby request the Board of Education to give us a certificate of recommendation for this boy, and to permit him to enter the public schools of this county.

Every mother should know that her son is a good boy, and that he will be a good citizen. He is not only a good boy, but he is a good man. He will do what is right, and he will not do what is wrong. He will be a good boy, and he will be a good man.
