SATURDAY, MAY 5

Floxie, Fulton, may 5, 1928

The above announcement will be received with interest and the trade is greatly invited.

Mr. Warren will hold open house and display his garage equipment on Saturday, May 5, with the object of showing all the latest accessories. He has a large quantity of curiosity items for the garage for which he has high recommendations. He is also displaying a lot of garage equipment. 

Edgewater Beach On Reelfoot Lake

GRAND OPENING ON APRIL 15

Edgewater Beach is located on Reelfoot Lake. The beach may be reached by a cement road which is the only connection with the lake, and the boat dock is at the entrance to the lake.

Edgewater Beach is a beautiful spot, and the beach has much to offer for recreation. The lake offers excellent opportunities for swimming and boating, and the beach itself is a place for relaxation and enjoyment.

KIRKIONS COMEDIANS AT THE GRAND THEATRE TONIGHT

Kirkion's Comedians opened their three-day engagement at the Grand Theatre last night at the play, "Nathan Conwell." As advertised, the Kirkion's Comedians are well liked and well known. The act is a hit, and the audience enjoyed the performance. The Kirkions are known for their humor and their ability to make the audience laugh. The act is a big hit, and the audience was fully entertained by the performance.

LOWLAND S FLOODED EARLY SATURDAY MORNING

LOWLANDS FLOODED EARLY SATURDAY MORNING

When awakened and told that Harris Fork was out of its banks, all of the local banks closed, and the business district was deserted. It was the first time in many years that the flood waters were unusually high and spreading, and the damage from the flood was estimated at several feet deep. The barber shop was also closed, and the water was slowly filling the building. The barber shop was also closed, and the water was slowly filling the building.

BEG RISE AT HICKMAN

Up one Rt. Consortium Beginning To Be Flooded in Section

The Consortium River now 11 feet above its normal stage at the 10th street bridge, and the stage at 11 miles above the city. It is expected to rise slightly at the 10th street bridge. It is expected to be 11 feet above its normal stage at the 10th street bridge.

FULTON HARDWARE CO

Lake Street George Reddix, Manager Fulton, Ky.
A great deal of pride is taken in association with our firm name because:

We believe Kentucky Hardware is a well known Mule - Trails name, and in addition, it is desirable to handle these heavy pieces and當地 the job yourself.

The following suggestions will save you money by making your roofing dollar stretch:

1. Use the best material. This is a double cap roll asphalt roofing, where one coat of asphalt is applied and one strip of roofing felt is laid over the rolled material. The asphalt is then applied and rolled. This is a practical, economical and satisfactory material for all buildings.

2. Use the same thickness of roofing. The best material should be used on the roof of your home as well as on the roof of your barn or garage. The best material should be used on the roof of your barn or garage.

3. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

4. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

5. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

6. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

7. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

8. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

9. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

10. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

11. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

12. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

13. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

14. Use the best quality of roofing material. The best quality of roofing material should be used on the roof of your home as well as on the roof of your barn or garage.

TOBACCO SUIT IS
Judge Dawson Denies Intervening on a motion for a receiver for the Lark Tobacco Co., settlers' for April 30 in the U.S. Cooperative association's district court by Judge Charles J. Dawson today. Following motion of a group of growers to intervene on behalf of the association, an order was entered for Charley Brown and associates, raising the issue, seeking the intervention. W. T. Fox, Linn and John T. Brown, attorneys for the association, filed petition that the association had been mismanaged in the past. The defendants filed their answer today setting out the fact that on the old live-year end of 1921; crops to the association, made by mismanagement of the organization. It was contended that the organization would be ready to present its case next month. The case was set for April 30 to continue.

First Baptist Church
Judge Dawson denied the petition of Brant, others, stating that he had been addressed by the court.
