Democrat's Talk
Two more weeks till election.

Let us hear no hairs on democracy.

Don't wear a single layer of spin.

Stump under the reason and get (it) at last.

Go to the polls and rate or unrate

the one you are interested in the democratic ticket.

It may be a greater draw and be aware of

the public as if he is able to walk with

or stand up to the public offices.

Democratic Talk.

The flag is present everywhere to stand

by the party, to stand by the flag, and

not up out of the public offices.

There may be a demonstrative mood

in the state of some fact wherein some

official does not wish to be seen.

For the last 100 years, when a man

lie awoke the next morning and know

better.

The democratic nominee for auditor in this county, Judge Dupriest, has never been seen in this city. A party then with such a history cannot be beaten by the united Opposition of the Republicans and Democrats.

Is Sam Ross a populist? No, he is not a member of the Populist party, although he has been sympathetic to its ideas. He understands the principles of this party, and they are the ones which he advocates. He has the ability to speak for them, and he will do so in the interest of the people of this country. He is not a member of the Populist party, but he is a friend of the people and their interests.

Does John Henry Goheen make the Democratic party? Yes, he does. He is a member of the Democratic party, and he is a leader in the party. He has been a member of the party for many years, and he has been active in its affairs. He is a man of high principle, and he will do all in his power to advance the interests of the people.

Are the candidates for sheriff, Hardin Ford and John H. Goheen, the combine between the Republicans and Democrats? We withhold the names of the candidates for sheriff, as it is not yet known who they are. The names will be published as soon as they are known. The combine between the Republicans and Democrats is not expected to occur in this county. The candidates for sheriff will be announced as soon as they are known.
