A Card.

J. L. POOL.

Coming.

Dr. Forshee, of Louisville, Ky., will visit Hopkinsville at the Phoenix hotel April 6th. Dr. is in the city on a fine business here. He undertakes no incurable cases, but cures hundreds given up as incurable. He is ex-president of the Jefferson County Indiana Medical society, ex-member of state and American Medical associations. He is frugal in his opinion and does not practice deception with patients in his consultation. Call early as he remains but one day. Remember date.

An Important Suit.

A suit involving an interesting and very important point was Wednesday filed through Forsythe & Bell, attorneys, in behalf of the Eugene Milling Co. against the Western Union Telegraph Co. The plaintiff offered a certain barrel of flour to a party in Atlanta at a certain figure; in the process of transmission the figures were changed from seventy-five to twenty-five cents making a difference of fifty cents on each barrel. The Atlanta merchant accepted the proposition as he understood it from the perverted telegram and the flour was shipped and not until the bill was presented was the mistake discovered. Plaintiff claims that by reason of the negligence of telegraph company in transmitting the message he lost largely on the flour and now seeks to hold them responsible for their mistake through which he sustained the loss.

Mr. C. J. Smith, traveling salesman for Heford, Clark & Co., Chicago, had the misfortune to sprain his wrist most severely. I can recommend Chamberlain's Pain Balm from personal experience." Sold by H. B. GARNER.

A few more liberal donations from the citizens of Hopkinsville and the spring meeting of the Christian County Driving Park Association is an assured fact. The committee appointed by the directors has not been able to hold the New Era has every reason to believe that the contributions from the citizens and business men will be sufficient to justify the Association in holding the meeting and offering liberal prizes.
