WAS IT A "QUAKER"?

J. F. WILSON: Almost a year ago last fall, I was sitting in my study, thinking over the New Year's resolution I should make, when the idea of a Quaker resolution came to me. I thought it would be a good idea to make a resolution that would be good for all time, and that would be a Quaker resolution. So I resolved to be kind to all men, to be honest in all my dealings, and to be true to my word. I thought it would be a good idea to keep this resolution forever, and that it would be a Quaker resolution.

MRS. WILSON: I don't see why you should make a Quaker resolution. I want you to be kind to all men, to be honest in all your dealings, and to be true to your word. I think it would be a good idea to keep this resolution forever, and that it would be a Quaker resolution.

J. F. WILSON: Well, I don't see why you should make a Quaker resolution. I want you to be kind to all men, to be honest in all your dealings, and to be true to your word. I think it would be a good idea to keep this resolution forever, and that it would be a Quaker resolution.

MRS. WILSON: You make a Quaker resolution.
