## Singing Attracts Throng

Mid-summer weather brought a large crowd to Benton for the 69th annual Big Singing Day. The Old Southern Harmony Singing started promptly at 10 a. m. at the courthouse, adjourned for lunch and was resumed at 2 p. m.

The court square, as usual, was roped off for the occasion and most of the visitors milled about the courthouse, its lawn and the square.

Reunion of relatives and friends was the order of the day. Visitors were here from all the surrounding counties, other parts of Kentucky and many other states.

Four arrests were made during the day. They were the first arrests in four years, County Judge Leonard Jones said. The arrests were either for drunkenness or reckless driving.

Bulk of the crowd began arriving about 1 p. m. and by 5 p. m. the court square almost was deserted.

Among the visitors here were: Mr. and Mrs. Eldon Allison and Mr. and Mrs. Edgar Allison, and Mrs. W. W. Holland of Guthrie, Ky.

Mr. and Mrs. Jack Fisher, Brandon Price, Mrs. Joe Price and Roy Vance of Paducah.

Mrs. Harold Lents of Detroit, visited her mother, Mrs. Maud Washburn, for the Big Singing.

Cad Washburn and family also spent Sunday with his mother and visited with his sister.

## John R. Travis Formally Enters County Clerk Race

TO THE CITIZENS AND VOTERS OF MARSHALL COUNTY

I have expressed at an earlier date my intention to seek the Democratic nomination for the office of County Clerk of Marshall County and at this time I am giving my formal announcement which follows.

The responsibility that rests upon the occupant of this office and the concern and desire of the people to choose a capable, honest and qualified person as their clerk is evident. In view of your desire and realization of these facts I would like to state briefly some facts about my life that I feel make me qualified to seek the Democratic nomination and serve you as clerk of Marshall County.

I was born in Marshall County on a farm one mile west of Birmingham, the youngest of three children of Agatha and Roy Travis. I lived in that community the first ten years of my life.

With these impossibilities in mind and seeking to do justice to the voters I advocate and heartily support public speaking in various parts of the county. It is my hope that these speakings can be arranged during this campaign.

In closing I would like to say that it is my intention to contact as many people as possible during this campaign, but time is limited; therefore I urge each voter to study my ability and character and measure it by the high standard that I am sure you desire to occupy the office of County Clerk.

Respectfully Yours,  
JOHN R. TRAVIS

## Toad Brannen Announces for Office of County Clerk

TO THE VOTERS OF MARSHALL COUNTY

In January of this year I announced my intention of becoming a candidate for the office of County Clerk of Marshall County, Kentucky. I submit to you, at this time, my formal announcement as candidate for this office subject to the August Primary, August 1, 1953.

I am 34 years of age and the son of Mr. and Mrs. W. J. Brannen, Benton Route 6, near Briensburg. I spent the first 21 years of my life attending school and assisting my father on a farm two miles east of Gilbertsville.

I attended grade school at Pinnacle and graduated from Gilbertsville High School in the year 1936. Due to the construction of Kentucky Dam, we moved to our present residence near Briensburg.

In 1936 I became a member of the Gilbertsville Baptist Church and in 1946, I transferred my membership to Briensburg Baptist Church. I am also an active member of the Masonic Lodge of Briensburg.

After I graduated from high school I continued my work on the farm, substituted as mail carrier and part time clerk in the Gilbertsville postoffice at Gilbertsville, Kentucky. I then accepted a position as a clerk with Tennessee Valley Authority and held this position a short time before being called to the armed services in defense of our country.

I spent three and one-half years in the army during World War II. People of Marshall County owe me nothing for this service. I, like many of you, your sons and daughters, was willing to contribute what little I could to the defense of our country for the preservation of democracy.

After being discharged from the Army I attended Murray State College and was graduated in the summer of 1952 with a BS degree. In the fall of 1952 I was employed by the Benton Independent School District as a teacher in the Benton High School.

I am married to the former Betty Thompson, daughter of Mrs. Kitty Thompson of the Olive Community and we have one daughter 22 months of age.

I have attempted to give you a summary of my life history so that you may be better acquainted with my qualifications and experience. I believe a person holding any office should be qualified for the position which he holds in a moral, intellectual and spiritual way. I

Respectfully,  
W. J. (Toad) BRIEN

The torch of Liberty burns brightly today in the hearts of all new Americans. To some, citizenship has come as a birthright. To others, it is the fulfillment of a dream born long ago in a land far away. To all, it brings priceless rights and new responsibilities. The right to liberty and justice. The responsibility of preserving this right for all. The right to think freely and speak freely. The responsibility of keeping America forever free. The right to say proudly, "I Am an American." The responsibility of forever being American in word and deed, in mind and heart.

## GENERAL MOTORS LOWEST-PRICED EIGHT!

When it comes to value in a car, look no further than Pontiac—A General Motors Masterpiece!

Here's a brilliant performer with a high-compression eight-cylinder engine full of eager pop for traffic, wonderfully economical on the open road.

Pontiac is a striking beauty! No car is more distinctively styled than a Dual-Streak Pontiac.

And what a buy it is! For all its size, roominess and 122-inch wheelbase, Pontiac is priced right next to the lowest. It's not only GM's lowest-priced eight, but is also offered with a remarkably economical six at even lower cost.

It all adds up to this: As an eight or as a six, dollar for dollar you can't beat a Pontiac. Come in and see for yourself!

Scripture: I Corinthians 13:1-3  
Devotional Reading: I Corinthians 13:1-3  
**What Never Fails**  
Lesson for May 31, 1953

WHAT do you wish for, most of all? What do you pray for, most of all? You wish and pray for many things, and this is right; but what is above all? If you take your New Testament seriously, there can be no question about that. You will want above all the thing that is worth more than everything else; you will not be content to ask for less than the greatest thing in the world. You will ask God for love.

**Better Than Miracles**  
Remember, when St. Paul or Jesus talked about love they were not thinking about the thing you hear about from the jukebox at the corner drugstore. They were not thinking about the sort of thing that comes and goes and leaves headaches and heartaches behind. They were not thinking of the kind of love that wants to get, but of the love that wants to give. They meant the kind of love God has and is: the kind of love that transforms the persons to whom it is given. The kind of love that Jesus lived out there in Galilee, the kind that can be lived on any street in the world. The kind of love the Cross stands for. This kind of love, Paul said, is better than miracles. Indeed, miracles are no account without it. When Paul talks of "speaking with the tongues of men and of angels" he is not meaning eloquence, oratory. He means (as you can see from I Cor. Chap. 12) the miraculous "gift" of tongues which the Corinthian church knew. Some of the members there could speak with tongues; some couldn't. Those that could, despised that gift; those that couldn't, that's not the point, Paul means to say. The measure of a Christian is not miracles, but love.

Dr. Foreman lived out there in Galilee, the kind that can be lived on any street in the world. The kind of love the Cross stands for. This kind of love, Paul said, is better than miracles. Indeed, miracles are no account without it. When Paul talks of "speaking with the tongues of men and of angels" he is not meaning eloquence, oratory. He means (as you can see from I Cor. Chap. 12) the miraculous "gift" of tongues which the Corinthian church knew. Some of the members there could speak with tongues; some couldn't. Those that could, despised that gift; those that couldn't, that's not the point, Paul means to say. The measure of a Christian is not miracles, but love.

**Mightier Than the Mind**  
Love is also better than something else we all admire and would like to have as much of as possible. It is better and mightier than mental genius. The world around us is full of mysteries. A child can ask questions the wise cannot answer. If I only knew! is a thought that has occurred to every one. Each of us thinks he would be happier if he knew all the answers. We feel sure we could be wiser and be more if our minds were even just a little sharper than they are. But Paul reminds us that even if our prayers for insight and wisdom were answered, even if we had such wisdom that not a single question would be left unanswered (not that any such thing is likely to happen soon), we should still amount to precisely nothing, if we did not have love. Paul does not say that mental power is a bad thing; he did not say that miracles are no good. What he does say is that miracles minus love, or mind minus love, will not fulfill God's dreams, nor ours.

**Nobler Than Martyrdom**  
The Christian church has always honored her martyrs, the men and women and children too who have died rather than give up their faith. We are inclined to put martyrs up in the highest bracket of the saints, partly because most of us are sadly aware that we are not the stuff of which martyrs are made. But Paul pulls us up short. Even to be burned at the stake for a righteous cause is still nothing at all, if there is no love behind and in the action.

**Love Is the Miracle**  
Two hesitations cloud the mind. Is it not selfish to ask for the greatest thing in the world? Should we not rather be contented with lesser gifts? The answer to this hesitation is that this divine kind of love is precisely unselfishness itself. To ask for the grace of unselfishness is surely no selfish prayer. Another hesitation is this: Is not this divine thing, this thing that outlives and outlasts wisdom and miracles and martyrdoms—is not this too high for us? Is it not a miracle itself, so rare we should not know what to do with it if we had it? Well, it is rare indeed, and with the exception of our Lord there was never a life that shone with it from beginning to end. Yet we who have known Christian homes and Christian people have seen this miracle, we have lived in its light. It is a miracle indeed, but it is not one to lift us above the clouds, it is one to keep our feet on the ground. ## Army Worms Are Found On Grain; Insecticides Urged

Small Army worms may be found in great numbers at the base of small grain and gra-

where the growth is rank. It is suggested that farmers examine these fields now to determine the location of the pests and the extent of the infestation.

The worms can be killed readily with a treatment of Toxaphene used as a spray or a dust at the rate of 1 1-2 to 2 pounds of actual Toxaphene per acre.

Crops treated with these chemicals should not be harvested or pastured sooner than 30 days after the applications. It is necessary to apply the insecticides only to the portion of the field where the worms are operating.

## Homemakers Of Church Grove Met With Mrs. Haltom

Church Grove Homemakers met May 15 with Mrs. Artell Haltom. Nine members and three visitors were present.

The business session and recreation period were conducted in the morning, and the lesson on textile painting was held in the afternoon.

Plans were discussed for participation in the county-wide Homemaker's booth at the fair this year.

Mrs. Anna Brandon was a guest at the meeting. The next session will be held on June 26.

## Calvert Presbyterians Hold Second Meeting

The newly formed Presbyterian Fellowship of Calvert City met for its second meeting on May 20 at the home of Mr. and Mrs. Robert Dukes. It was led by the Rev. Charles Bunce, pastor of the Westminster Presbyterian Church of Paducah.

Mr. Bunce announced that there will be a Vacation Bible School for two weeks this summer. It will be held in a tent on the site where the Presbyterian Church of Calvert City will be built — Elm Street in Calvert Heights. All children in the Calvert area are invited to attend.

At present, services are being held every Sunday evening at 7:45 p.m. in the Legion Hall in Calvert City. However, definite plans are under way for morning services and a Sunday School beginning in the fall. Mr. Bunce and the Rev. W. W. Williamson of the First Presbyterian Church of Paducah are conducting the services.

The Fellowship group meets the third Wednesday of each month for the purpose of discussion and study. Mr. Bunce is directing the study of the doctrines and general beliefs of the Presbyterian Church.

The next meeting will be held on June 17 at the home of Mr. and Mrs. Vernon Duckett.

THE CORINTH has two of the three bedrooms shown divided by a folding partition. This may be opened into a daytime playroom. Each room has a closet and a space for single bed, chest of drawers and desk. Other closets include two coat closets, linen cabinet in bedroom hall and wardrobes in large bedroom.

Note the minimum amount of hall required and the compact arrangement of kitchen cabinets. Range and refrigerator are placed on the inside wall and sink with flanking work counters under the front window.

The plans of this salt house call for a picture window and a planting area as well with a wide eave overhang, vertical siding in front, concrete steps and asphalt shingles.

The dimensions of the Corinth are 36 feet by 28 feet, with a floor area totaling 916 square feet and a cubage amounting to 17,775 cubic feet.

### First Baptist WMS Holds Meeting At Mrs. Wallace's Home

The WMS of First Baptist church met in the home of Mrs. Leslie Wallace Tuesday evening with the president, Mrs. Luther Thompson, presiding.

The following members were present: Mesdames J. R. Brandon, Joe Brandon, L. H. Draffen, Bethel Dyeus, Della Eley, Miss Lizzie Hall, Mesdames Annie Nelson, Fannie Peters, Chester Powell, Rollie Provine, Luther Thompson, Leslie Wallace and Corda Hastings, and Mrs. Tom Brandon, a visitor of Fort Worth, Texas.

After the business session, the meeting was turned over to Mrs. Joe Brandon, leader of the Royal Service Program, "The More Excellent Way for Excellent Youth" during the discussion of which under different topics, Mrs. Tom Brandon favored the group with an able and stimulating discussion of the topic, "Young People and Prayer," including her experience in this work.

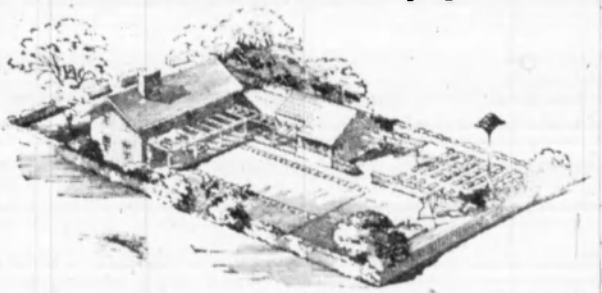

### Families Are Finding Fun In Their Own Backyards

More and more homeowners today are turning to their own backyards for family fun and relaxation. The trend, noted in an article in Home Modernizing, is to "turn" the house away from the street and utilize every inch of the lot as part of the family's living space.

The sketch at the right shows how many homeowners use their lots—a house, garage, clotheslines and a couple of shade trees. The sketch below shows what can be done to derive the maximum pleasure from the same fairly small lot. It includes many of the major elements of outdoor living—all tied together in a pleasing pattern.

A horizontal trellis roof over-

hangs a concrete patio immediately behind the house, making an excellent outdoor room for fair-weather use. Two stepping-stone walks, one leading to the fireplace, and outdoor dining area and the other to the service yard, bound a pleasant expanse of lawn. The play area at the rear of the lot is equipped with a sandbox and gym. Clotheslines and vegetable garden are inconspicuous behind the garage.
