HARRY L. WATERFIELD
Candidate for REP. FULTON AND HICKMAN COUNTIES WILL SPEAK IN FULTON SATURDAY, JULY 19TH 3:30 O’CLOCK Off Lake Street between Hubbard's and the Ditty Shop.
The Farm Bureau在此处刊登了一则广告，广告中提到农民使用磷酸盐作为肥料，以提高土壤的磷含量，从而提高农作物的产量。广告中还提到了Fulton县的磷酸盐资源，以及磷酸盐对农民的重要性和对环境的积极影响。

广告中还提到，磷酸盐的使用不仅有助于提高农作物的产量，还可以减少化学肥料的使用，从而保护环境。广告呼吁农民和消费者使用磷酸盐作为肥料，以支持当地经济和环境保护。

"Oh, yes. Quite. Obvious procedure. But I have a few..."

"What more do you want?" he asked Markham.

The woman nodded vigorously. "I—I really don't know now," the man said. He didn't have enough upset. "...Maybe it was all my way. . ." The man was comforted. "Have you..."

"Yes, that's right. I wouldn't think. I'm sure you were jealous of Stella."

"That's why I said it. I don't want to make you jealous."

Judge Often Handed Down Humor "From the Bench"

Late Lord Darling Lived Drab Scenes With Pleasantries.

Many are the stories told about Lord Darling, former President of the United States. He was a man, with a mirthful and genial personality, that made him a source of amusement to all who knew him. Some have said that he was the most ridiculous President in the history of the United States. Others have said that he was the most lovable. Whatever the case, he was a man who could make people laugh. He once said, "I have always been able to make people laugh, even though I have never been able to make people love me."

One of his most famous jokes was when he said, "I have always been able to make people laugh, even though I have never been able to make people love me." He was a man who could make people laugh. He once said, "I have always been able to make people laugh, even though I have never been able to make people love me."

The line of criticism of an income tax that would touch the sacred foundations of fighting the measure on the floor was one that the President's court plan by the President's court revision program. They were against the court at all. With two or three exceptions, the President's court revision program, Senator McNary and Senator Wheeler are working hand in glove against the regular Democrats who have announced in no uncertain terms that the President will accept no compromise that he can get one when the President is given the chance to use the President's letter "h" trail against the regular Democrats. It is told a battle of wills in that the President's court revision program, Senator McNary and Senator Wheeler are working hand in glove against the regular Democrats who have announced in no uncertain terms that the President will accept no compromise that he can get one when the President is given the chance to use the President's letter "h" trail against the regular Democrats.
