Fulton's GREATEST Advertising Medium

Fulton News

Only those who advertise in the Fulton County News know its real worth as an advertising medium. It goes into more rural homes than any other medium in the Fulton trade territory. The News is doing more to bring trade to Fulton than all other combined sources. The News is recognized by the people of the surrounding country as the best community and farm paper published for this territory. It contains not only home news, but carries a lot of features, such as a serial story, comics, news from Washington, columns of fashion, and special interest.

The majority of people who live in Fulton do not realize what much a paper is to the town, but if they place an advertisement in its columns they can readily see the results. Go out in the country and see for yourself how the News stands in the rural districts.

Merchants have found it is as splendid business to get the cream of business unless they advertise their wares and let the people know when they have bargains for them.

IF YOUR ADVERTISEMENT IS NOT IN THE NEWS THAT ACCOUNTS FOR THE DULL TIMES AROUND YOUR PLACE. If you do not have time to get up your advertisement—call E.B.—we will be glad to help you and furnish illustrations that will make them appealing.
