Staging Convention

In the church and the community—well, we can say anywhere in which those who are interested have met—there was much interest. Crowds here when we have from one to six or seven hundred didn’t Sunday at the Singing Convention. It was nearer a Purchase affair. PLANNING

There comes a time in every couple's life when plans are made for a new home, when the husband and wife decide to quit living renters and owners and actually own a home.

We are anxious to join in these plans, for this is our business. During past years we have changed this trend. To own a home of your own is a dream that many have thought of.

We all know the benefits that come with owning a home. The security it offers, the pride of ownership, the comfort it provides. And the best of all, the freedom it gives you to live your life as you see fit.

We are ready to assist you in your search for the perfect home. Whether it's a ranch, a townhouse, or a condominium, we have the resources and expertise to help you find it.
