Benton to Have Farm Meeting

LOUISVILLE — A series of farm meetings to discuss what the farmer wants for an agricultural program will be held throughout the state this month. The meetings, sponsored by the Kentucky Farm Bureau Federation, were announced by R. H. Proctor, assistant executive secretary of the state bureau. He recently was appointed head of the bureau's policy development program.

Proctor said the purpose of the meetings is to ascertain facts on national, state and local issues to find out what farmers want. The meetings will be held:

August 10 at St. Matthews, Owensboro, Cannonsburg and Burkesville.
August 11 at Independence, Clinton, Flemingsburg and Bowling Green.

August 12 at Benton, Cynthia and Somerset.
August 13 at Shelbyville, Hopkinsville, Winchester and Manchester.

August 14 at Harrodsburg, Madisonville, West Liberty and Hodgenville.

It's Vacation Time Again For Courier; See You On Aug. 20

It's vacation time again for the staff of the Marshall Courier.

The Courier office will be closed from Aug. 10 to Aug. 15 in order that the management and staff might have a well deserved rest.

The Courier is very grateful for the business and co-operation it has received from the good citizens of Benton and Marshall County this year, and after a week of rest we hope we can be of even greater service during the month and years ahead.

Thanks again for the fine co-operation, and we'll be seeing you after our vacation.

PERSONALS

Mr. and Mrs. Albert Shemwell and children of Memphis spent Thursday August 6 in the home of his sister, Mrs. Jamie Morgan on Benton Route 2 to be with his sisters, Julia and Mary and their husbands.

Guthrie Smith and son, Billy, have returned to Detroit after visiting his parents, Mr. and Mrs. Willie Smith on Route 7.

Mr. and Mrs. Pat O'Bryan and daughter, Pattie, spent last week in Benton with Mr. and Mrs. Charlie Lyles.

Kermit Lee of Route 4 was a business visitor in Paducah Monday.

George Cole is ill at his home in Benton.

County Schools Will Open on Monday, Aug. 24

Marshall County schools will open Monday, Aug. 24. Any child that will be 4 years of age by Dec. 30, 1953 will be permitted to enter school this year. All students entering the first grade for the first time will be required to present health certificates the opening day of school.

Elementary students in the Oak Valley district will be transported to Briensburg this school year.

The Marshall County Board of Education will not pay tuition for any Marshall County student to attend another school if the student lives on a bus route that operates to a county high school or lives nearer a county high school than Benton.

All bus routes will operate the same this year as they did last year with the following exceptions:

1. A new bus route will be established from the Graves County line below Oak Level through Oak Level to Otis Creasons home, then turn left to the Mayfield and Benton Highway at Pete Griffith's Dairy, then out the Mayfield Highway to Brewers school.

2. The Benton bus will travel the Mayfield and Benton Highway to Griffith's Dairy.

3. The Benton bus will travel the Oak Level road to William Wood's Shawnee.

4. The Benton bus to the Church Grove district will be eliminated.

5. The Briensburg bus will be extended to provide transportation for the Oak Valley students to Briensburg.

6. There will be an extra bus operated from Calvert City to

Gilbertville to provide transportation for elementary students that desire to attend Gilbertville school. This bus is being provided to help alleviate crowded conditions in the Calvert City grades. The Board requests that elementary students that are being transported to the Calvert City school take advantage of this extra bus to Gilbertville so that the elementary grades will not be overcrowded at Calvert City. There is sufficient room at Gilbertville to accommodate from 75 to 100 more elementary students.

The Marshall County Board of Education needs a driver for a school bus at Calvert City. The board also needs a high school teacher at Calvert City, a grade teacher at Aurora.

All operators of motor vehicles are requested to observe the law concerning the passing of school buses. The law requires all motor vehicles to stop when a school bus has stopped to receive or discharge students regardless of the direction in which the vehicle is approaching the bus. All operators of motor vehicles are requested to cooperate and help protect the school children.

Free text books will be provided for all students in the elementary grades.

Cafeterias will operate in the following schools: Hardin, Brewers, Sharpe, Calvert City, Gilbertville, Briensburg, Fairdeal, and Aurora.

Since the next regular meeting of the Marshall County Board of Education will be on Labor Day, the board has changed its regular meeting to Tuesday, Sept. 8.

Benton Schools To Start Sept. 8

The Benton City Schools will open Tuesday morning, Sept. 8, at 9 o'clock. Any child that will be six years of age by Dec. 30, 1953 may enroll in school.

All children enrolling in school for the first time must present a health certificate upon enrolling. If you have not had your child examined, you may do so at the Marshall County Health Office, located in the courthouse. Free textbooks will be provided for all children of the first eight grades.

Students who live outside the Benton Independent School District must pay tuition to attend Benton City Schools. Rates are \$65 per year for grade students and \$100 per year for high school students. The tuition is payable upon enrollment. Tuition students who withdraw from this school during the school year will be refunded at pro rata basis.

Students outside the Benton School District whose tuition is

not paid by the Marshall County Board of Education according to their rules and regulations must pay private tuition at the rates listed above.

BROTHERS MEET FOR THE FIRST TIME IN YEARS

Mr. and Mrs. Hill Thompson of Jacksonville, Fla., visited his brother and family, Mr. and Mrs. Phillip Thompson, during the past week.

It was the first time the Thompson brothers had seen each other in 11 years.

Mr. and Mrs. Henry B. Holland spent the weekend in Indianapolis, Ind., with the family of their daughter, Mrs. French Elrod. They were accompanied on the trip by Mrs. Vernie Brown who visited in the home of her son, Kelzie Faughn.

Harry Overby has returned to Chattanooga, Tenn. They visited H. A. Riley and Miss Jane Riley.

Woman Tells of First Visit Here in 50 Years

Editor's Note—The following letter was written by Mrs. Ella Hayes, the former Ella Chambers of Benton. Mrs. Hayes now resides in Dallas, Texas, at 6900 Parkdale Drive.

In July, I made my first trip to Kentucky in 50 years. Benton being my old home, I just had to pay a visit to see how things were going.

I must say there have been many changes, which I was proud to see. I have this to say to everyone, where ever they may be, if they want to spend a vacation fishing the Kentucky Lake is the place to go as it is the most beautiful lake I have ever seen and it has all of the accommodations anyone could ask for.

I enjoyed my visit to the greatest extent and only wish I could have stayed longer. I

met some of the friends I knew when I lived there and some of my relations, but not all. Guess I'll have to make another visit next summer.

I was sorry I did not get to see Mr. John Davis. When I was a youngster, he always seemed like a brother and he and my brother, Lee, were buddies.

The visit to Mammoth Cave was very exciting. It was a visit I had wanted to make for many years.

In this letter, I want to thank Mr. and Mrs. Marshall Hendrix for showing me a wonderful time, for they certainly did. Also want to thank my cousin, Arthur McDaniel, who did his part to see that I enjoyed my visit.

Only wish I could have seen all my schoolday friends, including Besse Fisher, Elsie Hamilton and others, but my time was short. I still think Kentucky is a wonderful state.

I enjoyed my visit to the greatest extent and only wish I could have stayed longer. I

SOCIAL and PERSONAL

Gussie and Sid McNeely have returned to Chicago after a visit with their brothers on Benton Route 5.

Allie Johnston of Calvert City Route 2 was a business visitor in Benton Friday.

Mrs. Herman Kanatzar has returned from Oklahoma City, where she visited her brother, Edwin Bean.

Mrs. Mabel Peel has returned to Oxford, Ohio, after a visit with her family in Benton.

Mr. and Mrs. Arthur Thweatt of Route 1 were visitors in Benton during the weekend.

Mr. and Mrs. Allen Fleming, Judy Fleming, Mr. and Mrs. Bob Simmons and son, Steve left Sunday for a two-weeks Southern trip.

Mr. and Mrs. Hayden Draffen, Mr. and Mrs. Dean Gammell have returned from a trip to Biloxi, Miss.

Open Air Concert is Set Aug. 14

The Benton High School Summer Band will present its annual open air concert and ice cream supper on Friday night, Aug. 14, in front of the Benton High School.

The event is being sponsored by the Band Boosters Club. An interesting program has been scheduled, including the "American Folk Rhapsody," which makes use of such folk tunes as "On Top of Old Smoky." Also featured will be Tschalkovsky's "Symphony No. 6" and several favorite numbers of Duke Ellington.

Ice cream, cake and soft drinks will be sold before and after the concert and during intermission. No admission will be charged to the concert.

Last year's concert was attended by 300 persons and it is hoped that an even larger crowd will be present this year.

Don't forget the date, Friday night, Aug. 14.

Mrs. Lillian Smith of Murray came back to Benton to vote Saturday.

Mrs. W. S. Stone of Hopkinsville, Ky., spent the weekend in Benton.

Christ Above All

Lesson for August 16, 1953

THE reader who goes to Sunday school will have noticed that the quarterly never prints all the Scripture that is listed in this column. The reason is, the interdenominational committee preparing these lessons selects more Scripture than any quarterly is going to have room to print. This is in the hope that the student will not be content with reading short bits from the Bible at second-hand, but will go on to read more fully in the Bible itself. This particular column is Dr. Foreman's free to use the whole passages selected, not simply the verses reprinted in most quarterlies.

Christ Pre-eminent

It ought to go without saying that Christ is pre-eminent, that is to say, above all, for the Christian. It does not go without saying, because Christians incline to forget it, or more exactly, they forget him. Paul uses the word "pre-eminent" only once in Colossians 1, but he uses many other ways of declaring that Christ is above all. "In Christ we have forgiveness of sins; in him all the fullness of God dwells; he is the head of the church. The Christian has been transferred to Christ's kingdom; through Christ all men may be reconciled to one another; in Christ are 'hid all the treasures of wisdom and knowledge'; the Christian is to be 'filled with the knowledge of his will.' The Christian receives him; he is rooted in him, built up in him, grows to maturity in him; he is the Christian's hope of glory. All this is 'in the book'; but is it in life? Does Christ actually loom as large in the life of Christians as he does in the plan of God.

You Received Christ

Speaking of the way the Christian life begins, Paul says "You received Christ." That is what ought to happen at the very start. If it does not happen, there is no real start. What do we receive at the beginning of the Christian life? A certificate of church membership? Water? The Communion bread and wine? A name like "Methodist" or "Baptist" or "Lutheran"? Even a name like "Christian"? Now, it is true that the Christian life begins with an "I will." There is a vow, a determination, a hope and intention. But unless there is a receiving, all the hopes and intentions go for nothing.

So Live in Him

Paul says the Christian is "rooted" in Christ (as if we were plants) and "built up" in him or on him (as if we were brick walls). He puts these both together when he says "Live in him." If we are like plants "rooted" in Christ, that means he is to us what the soil is to a plant. All our spiritual life comes from him. Not from a book, from a creed, from a set of ideas, least of all from our own thin selves; but from Christ, in whom is "all the fullness of God." Again, if we are "built" on him, that means he sets the line of our lives. Just as a wall cannot lean on water or the other off its foundation, and still stand, so our lives either follow the line that Christ has set, or they collapse.

Mature in Christ

Christ is not only the ground and foundation, he is the goal of life for the Christian. Are we waiting? He is the blueprint. Are we plants? He is a perfect specimen. Paul wants every Christian—not a few selected saints—to be "mature in Christ." (The older translation "perfect" is misleading, since the Greek word means mature, not perfect nor sinless.) Why is it we are so easily satisfied? Why are so many Christians misbegotten, permanent babies, in mind and spirit and character, when they ought to be growing up? Once there was a baby whose parents lived at some distance from other families with small children. For more than a year they thought their baby was doing very well. Then they visited another family where there was a normal baby, the same age as their own. For the first time, they realized their own child had not grown as it should. So we Christians compare ourselves with ourselves, or with other imperfect Christians, and we are foolishly content.

Magic is in the air—the familiar magic of your favorite network radio programs, brought to your radio station over Bell telephone circuits.

The transmission of network radio over telephone facilities is just one of many developments that sprang from basic Bell telephone research to enrich the lives of millions. The microwave radio relay, which carries Long Distance calls and network television, and the sending of news photographs over telephone wires also grew out of the constant search for new magic to make your service ever better.

It takes more than magic, however, to keep telephone service growing with the community. It takes a financially healthy Telephone Company, with earnings high enough to keep service good today—and growing tomorrow.

Kentucky Lake is Paradise For All Lovers of Water

If your vacation attire is a swim suit and boating is your favorite mode of transportation, you can have the time of your life at Kentucky's state parks.

On a typical warm summer day, the old phrase, "come on in the water's fine" is standard talk along any of Kentucky's seven state park beaches whether on the shores of gigantic Kentucky Lake in the far western tip of the state or beside a crystal-clear stream high in the mountains. And the facilities for swimming and boating enthusiasts is the finest to be found anywhere. Kentucky is a land of lakes.

If you are the more daring type who occasionally likes to don a pair of water skis or if you desire the pleasure and relaxation of sailing along, powered by a delightful summer breeze, this is your vacationland. Boats and outboard motors can be obtained at the modern boat docks at both parks and if you desire a scenic lake cruise with a seasoned skipper at the controls it can be easily arranged. The Kentucky Lake State Park boat dock provides all services for boatowners who prefer to bring their own craft. Complete mooring and marine repair service is available and at any season of the year all sizes and types of boats from various home ports visit here.

At Cherokee State Park for negroes, also on Kentucky Lake, and excellent beach is maintained and boats with motors may be rented. Bathhouses at the three parks are adjacent to the beach

both large and small, and the state parks have been conveniently located near the water to take advantage of these facilities.

Kentucky Lake, the largest man-made lake in the world with its 2,300 miles of shore-line is truly a playground of the nation and a water lover's paradise.

Two beautiful sandy beaches, one at Kentucky Lake Park and the other at Kentucky Dam Village, draw thousands of persons each year. A complete staff of life guards, here, and at all park beaches, insure safe water fun.

area and contain shower and dressing rooms in addition to clothing locker service. Modern bathhouses offering facilities equalling those on Kentucky Lake accommodate bathers at parks situated near

Kentucky Lake and Lake Cumberland, two of Kentucky's big lakes, offer excellent bass and crappie fishing to be enjoyed by the novice and expert angler alike. Strings of crappie, similar to those shown, are not an unusual sight around boat docks situated on both lakes.

Air Tour Will Provide Bird's Eye Farm Views

A Soil Conservation air tour of Marshall County will be held on Saturday, August 15.

Purpose of the tour is to point out farms using good conservation practices and also those where there is a lack of conservation practices.

A planned route of 50 to 60 miles will be flown over Marshall County and the pilot will point out the places of interest.

If you want to see what the birds think of Marshall County, then take the Conservation Air Tour on Saturday August 15. Pictures of some of the farms which will be marked and easy to recognize from the air are now on display in the window of Morgan, Trevathan & Gunn Insurance Co.

The price of the tour is \$3, a bargain for a 50 mile ride. Tickets are now on sale.

as seen in MADAMOISELLE

Here's a jersey destined to go places, and win applause at every point! Angora scrolls and trim rib knitting make the tri-tone turtle a triple threat! Surprising color panels add an air of importance to the slim but fluid skirt. It's of Wyner's 100% worsted wool jersey in these captivating combines: Three heather tones of grey, brown, blue or purple, all with white angora. Sizes 12 to 20.
