The survey of the new railroad line runs from Cairo to Paducah...
The committee has done much but does not give it up.

Mr. Frank Murphy, of Chicago, Em- biased on Trial with Mr. DeLacy, elected.

Yesterday afternoon Chairman H. C. Davis, president of the committee, made a statement that the state convention would be called to order in two weeks and that the committee would consider the report of the state board of education. The committee was also to consider the report of the state board of charities and the report of the state board of agriculture.

The committee was then adjourned.

Committee Has Done Much

The committee has done much, is to institute a campaign for making great headway, but will positively give nothing out until it is something in definite form.

Mr. Frank Murphy has been busy in St. Louis, and is said to have been seen in the company of Chicago capitalists.

For the saws and the cut-off, it is expected that they will be up and now being installed except the cables, but mill is progressing well, everything except the cables, which is expected here tomorrow in Hotel Metropole.

Dr. Rosby, the physician, has attended a interesting medical convention in St. Louis and today is expect to be in this city, and is expected to hold court.

Truman's Report.

Yesterday Judge Lowery Colwell of Hopkins County, in the circuit court, dismissed the suit of the Knobstone Dam and Bridge Company, which is a company that holds a mortgage on the old dam and bridge against John Kline for payment of judgment against him for $1,100.

John V. Oilbey, attorney for the plaintiffs, said that the suits were brought in the circuit court and in the county court, that the court had dismissed the suits and that the case was now before the Circuit Court of Fulton County, where the plaintiffs had filed a motion for a new trial.

The Circuit Court of Fulton County has refused to issue a writ of habeas corpus in the case of the Knobstone Dam and Bridge Company v. John Kline.
