## LINN GROVE BANK OPENED.

Promoters Celebrate Occasion With Big Picnic and Basket Dinner.

The Linn Grove bank, of Linn Grove, Ky., was thrown open for business Wednesday and the event was celebrated by an all-day picnic and basket dinner which was largely attended. The Brasfield Concert Band was employed for the occasion and furnished splendid music. Several speakers made addresses and the day was enjoyably spent. Dinner was spread for the crowd and everyone who attended enjoyed the occasion.

The men behind the new banking concern are well known and substantial citizens and have the confidence of the people of the county. The new institution is one of the most splendidly equipped in the county and those who attended the opening are loud in their praise of the new enterprise and freely predict success from the very beginning.

## LOSES LARGE TOBACCO BARN.

A large tobacco barn together with its contents belonging to M. R. Wells, southeast of town, was burned down last week. The fire originated from the fire used in curing the tobacco. The building contained about twenty-five hundred sticks of tobacco and the loss is quite heavy.

### Arrested for Drinking on Train.

The first person to get arrested and fined for taking a drink on a passenger train since the new law went into effect several weeks ago, was Herbert Williams, a young man from Princeton. He was en route on the passenger train known as the "Whisky Dick" from Paducah to Cairo. Becoming thirsty, he removed a bottle from his pocket and took a "jerk" at it. No sooner was it done than he was placed under arrest by the conductor, Sam Mathews.

Williams was turned over to a Mayfield policeman when the train reached there. He pleaded guilty before County Judge Monroe and was fined \$10 and costs.

Ed Owen left the first of the week for the eastern markets to assist in buying merchandise for his store at Hazel.

## MASON & IRVAN WIN BIG RACE.

Good Horses Furnish Entertainment for Good Crowd Over in Graves.

Mayfield, Ky., Sept. 7.—The opening day of this city's race meet enjoyed a splendid attendance. The stables are crowded with high class horses. The weather was ideal and the track fast. Every one of the four races brought horses of a splendid class to the wire and favorites had the best of the day.

The card for Thursday will be one of the best and a record breaking crowd is looked for by the fair association.

The 2:13 pace was won by Mississippi Bell, owned by Eugene Guenner, of Columbus, Miss.

The 2:25 trot was won by Algerian, owned by Mason & Irvan, of Murray, Ky.

Carondelet, owned by McClocky, won the half mile run. In the long distance sprint at a mile good old Hiram, owned by A. G. Woodman, won.

Many people from Paducah were at the track and larger crowds from that city as well as Graves county and adjoining counties are expected during the remainder of the week.

### Residence Burns.

The Birmingham, Ky., correspondent to the Benton Tribune says:

"The residence of A. Z. Farley, of near Birmingham, was destroyed by fire last Saturday night. Fire caught from a defective flue. Was insured for \$750.

Jack Farley is a son of J. H. Farley, just north of this place, and is well known here and has many friends who will regret to learn of his loss.

### Another Barn Burned.

Craig Adams, who lives a few miles north of town, lost his tobacco barn together with its contents by fire the first of this week while firing his crop. We are also informed that two or three barns have been burned in the Crossland section but are unable to learn the particulars.

Sid Broach, of Kirksey, was thrown from his buggy the past week while driving on Institute street near the McDaniel house and received quite painful bruises. His horse frightened at a drove of sheep.

Miss Wadie Miller left the past week for Cambsville, Ky., where she will teach school this year. She will be associated with Miss Rowena Williams in the school work.

## TWO CHILDREN ARE SHOCKED.

Struck by Lightning And are Unconscious for Some Time.

Two little girls, aged 7 and 3 years, daughters of J. E. Bishop, of the New Providence section of the county, were struck by lightning last Wednesday afternoon and for several hours were in quite a critical condition. A light shower of rain came up and their mother who was out in the tobacco patch with the children at the time told them to go to the edge of the field for shelter. Mrs. Bishop decided to go to the house and failing to find the children gave the alarm. Upon returning to the field and instituting search she found the children lying unconscious in the tobacco patch. Restoratives were applied and after considerable heroic effort the children were aroused from the stupor. It was found that they were burned about the face and body quite painfully. They are progressing nicely and will entirely recover.

## MARSHALL COUNTY PLEDGED TWELVE HUNDRED ACRES.

The secretary of the county committee, of the dark tobacco association of this county, informs us that there is pledged to the association this year 1,200 acres of tobacco.—Benton Tribune.

COLT SHOW.—I will hold my show Saturday, Sept. 17, 1910 at my home.—F. T. ROGERS.

Murray Chapter No. 92, R. A. M., meets in regular session Friday night. A full attendance is desired.

## LIGHTENING DOES CONSIDERABLE DAMAGE IN MARSHALL COUNTY.

Although Murray escaped the lightning, wind and rain of Thursday afternoon of last week, there were other sections that were not so fortunate. At Benton James M. Johnson, the proprietor of the big flouring mills, was burned on the hand and seriously shocked by lightning. A valuable horse belonging to Mr. Johnson was also struck by a bolt of lightning and killed.

On the farm of Will Gibson west of Benton lightning struck his big feed and stock barn and burned it to the ground. The loss is quite heavy on the energetic young farmer. A mule of Mr. Gibson was also killed by lightning.

The Brazzell school house, two miles west of Benton, received a severe jolt from lightning while school was in session and threw the children into a panic. Two of the children received such a severe shock that for a time they were thought to be in a dangerous condition. They revived, however, and were able to attend school the next day.

Salesman Farmer reports the sale of the last three hogsheds of tobacco held by the association at Paducah last week. One hogshed of leaf brought \$12.50, one lugs \$8.50 and one "throw back" \$10.50. This cleans up the Paducah market and closes one of the most satisfactory seasons in the history of the organization.

### Last Hogsheds Sold.

The committee will meet here Saturday and organize by electing one of their number chairman, who becomes a member of the executive committee, and a secretary. At this meeting contracts for pricing and storing tobacco will also be let and considerable other business transacted.

The election of precinct chairmen for the fourteen districts of Calloway county, took place last Saturday and was largely attended in every precinct in the county, showing that much enthusiasm was manifested among the people. The result of the election was as follows:

Almo—J. H. Keys.  
Jackson—R. S. Shoemaker.  
E. Murray—War Daniel.  
W. Murray—J. J. Huie.  
Hazel—T. W. Thompson.

S. Swan—B. B. Denham.  
N. Swan—Lee Clark.  
Coldwater—Alex Crouch.  
Backsburg—

Association Members Last Saturday Elected Precinct Officers.

## COMMITTEEMEN ARE ELECTED.

## LARGE CROWDS ARE ATTENDING.

Tent Meeting Under Auspices of Methodist Church Commenced Sunday.

Possibly the largest crowd that ever assembled in Calloway county for the purpose of religious worship gathered last Sunday night under the tent in the court yard for the purpose of hearing Rev. Walt Holcomb, of Nashville, who arrived here Sunday morning for a ten days meeting. The big tent will comfortably seat 1,200 people and it is estimated that not less than 1,600 persons were out to greet the well known evangelist Sunday night. The meeting has been in progress since with services twice daily, forenoon at 10:30 o'clock and evening at 7:30 o'clock. Rev. Holcomb is an able preacher and his sermons have been given eager attention by the large crowds which have greeted him at each service. Endeavor has been made to conduct the services upon union lines and church members of all denominations have participated.

Rev. Holcomb is a son-in-law of the late lamented Sam Jones and his style of preaching is much after the great evangelist's. Rev. Holcomb is generous with his scalpel and does not hesitate to remove proud or decaying flesh or hide from the sinner whether church member or not. Damned and praised, cussed and discussed, but withal he has aroused an interest in Murray that has not been equalled in the history of the town. His coming and the meeting being conducted will be of great benefit to the community. His style of preaching may not be endorsed by everyone, it is not the conventional type, sugar-coated and pleasant to the palate, but it bristles with truth and logic and must appeal to the man of good, common, horse sense. His pills are a little bitter, but like the old-fashioned blue mass fellows we used to take under the dispensation of grand-ma they sure produce results. And Holcomb has been movin' 'em for the past few days.

The meeting will continue for ten days with services twice daily. Sunday afternoon at 3 o'clock a special service will be held for men only. All christian people are urged to join in the meeting and assist in making it the greatest revival in the history of Western Kentucky.

Elmo Hay left Wednesday for Barnesville, Ga., where he will attend the Gordon Military Institute for the present term.

## HAZEL NEWS OF A WEEK.

Palmer & Brown Will Erect a Large Tobacco Prizing House.

(Hazel News)  
The deal was closed last Wednesday by which Irvin Palmer and Frank Brown, two of Hazel's prominent tobacco dealers, became the possessors of three adjoining 25 ft. lots on South Main street, formerly owned by J. W. Denham and being the site of Mr. Denham's old tobacco prizing barn, the purchase price being \$1,500. These lots extend from Main street back to the railroad right of way and makes a splendid piece of property and a good location for a prizing house. The new owners propose to tear away the wooden structure and erect a large brick building in which to handle their fall purchase of tobacco.

Saturday afternoon of last week at the residence of H. I. Neely, marriage rites were solemnized by Rev. W. P. Prichard between Arthur Morris, of Coalburg, California, and Miss Eva Pinkley, of this city. Mr. Morris was reared near Buena Vista, Tenn., the old home of Miss Pinkley, but for the past few years has made his home in the west, being a contractor and builder. Miss Pinkley is the daughter of Mrs. R. A. Pinkley and was one of the most popular young ladies in Hazel. They will spend their honeymoon visiting various points in Tennessee and will make their home in Memphis, Tenn.

Miss Bertha Robinson, aged 16, daughter of Mr. and Mrs. Joe Robinson, died the home of her parents east of town Wednesday evening after an illness of fifteen days of typhoid fever.

Mrs. Jane Atkins happened to the misfortune of falling from a porch last Friday and sustained a badly injured shoulder.

Clarie Wynn has accepted a position as brakeman with the N. C. & St. L., having a run between Lexington and Memphis, Tenn.

T. M. Lamb returned Saturday from a visit to his wife at Alamogordo, New Mexico. His little son accompanied him.

Culley Evans and wife will move here from Benton the first of next week. They will occupy the Hurtle St John residence in North Hazel.

Everard Mason left the first of the week for Henry, Tenn., where he has accepted a position with the Peoples Bank & Trust Co., at that place.

#### Kentucky Brigade History.

Mayfield, Ky., Aug. 29.—Hon. Henry George, superintendent of the Confederate home at Pewee Valley, was in the city this week and gave out the information that the history of the Second Kentucky brigade would be issued some time during the winter or early spring. The manuscript is now in the hands of the publisher. The complete history embraces the Third Kentucky known as Thompson's regiment; the Seventh Kentucky regiment, known as Wickliffe, or Crossland regiment; the Eighth, known as Lyon or Shacklett's regiment, and the Twelfth Kentucky known as Faulkner's regiment and a history of the commanders, Buford, Thompson and Lyon. This book will contain 400 pages or more and Senator George has given several years of his time in preparing the book.

#### Teachers Wanted.

The demand for teachers who have been trained in the Western Normal is greater than the supply. The Fall Session opens September 6th. Write President H. H. Cherry, Bowling Green, Ky., for information relative to free tuition.

#### A Word To The Farmers.

This being the cutting and curing season of tobacco, and being in the tobacco business and much interested in the weed, I take the liberty of offering a word of advice. To start with, most of our farmer friends know how tobacco should be handled when taken from the hills, but they often get too busy doing something else to give their crop the attention that it should have after they put it in the house, and after laboring hard to produce a good article they ruin it when it gets in the house. What the trade wants is what you want to produce, and well matured tobacco can be cured a good color and will say that brown is most preferable, but if light brown or mottled if the quality is good, it is a very salable tobacco and if heavy and fat, dark brown colors are good, but the curing is the main thing. Let your tobacco get yellow after it is put in the house, and fire very slowly in the start and don't coddle or fire kill in firing. Get the colors like you want them and keep your fire going day and night until the leaf is cured and fully two-thirds of the stem. If you have plenty of barn room, a good policy is to stop firing then until the tobacco has a chance to run, but if crowded for barn room and you have to crowd it, is best to cure it stalk and stem before you stop. Then you prevent houseburn and rotten stems, which is very injurious. You have a good crop of tobacco in field and I want to see it made good in the barns, and it depends upon your firing as to whether you will have it or not. We have a large crop and many farmers

### Regulate the Bowels

"I have been troubled with constipation for several years, and have tried a great many kinds of pills, as well as medicine from the doctor. Nothing seemed to help me until I began taking Dr. Miles' Nerve and Liver Pills. I found the little pills very effective, and I am thankful that at last I have a reliable remedy."

MRS. F. M. DUNKIN, LeRoy, Ill.

**Dr. Miles' Nerve and Liver Pills** simply cause the bowels to move in a normal manner, and without the gripping effects of cathartics and purgatives. That's why they are so universally used by women and children. The longer they are taken the less are needed. Natural conditions gradually being restored.

Sold by druggists everywhere. If first package does not benefit, your druggist will return your money.

MILES MEDICAL CO., Elkhart, Ind.

will have to cure and crowd back. So, be sure that you don't crowd green stems, because it will mean ruin to your tobacco to do so. Good tobacco should command a good price this season but the probabilities are that low grades and common tobacco will be plentiful and not as much sought for as the better grades. So, watch after your curing. I have had a good deal of experience in curing tobacco myself and I like the slow process best

of all, but it may be cured stalk and stem before staying if you are crowded for room. I expect to be in the market for all grades as I have been in the past, and write this hoping that it may benefit some people who have become careless in curing their tobacco. Yours very truly, W. B. KENNEDY.

WANTED—Cosmopolitan Magazine requires the services of a representative in Murray, to look after subscription renewals and to extend circulation by special methods which have proved unusually successful. ### It May Be Pneumonia

"A hard chill, pain through the chest, difficult breathing. Then fever, with great prostration." If this should be your experience, send for your doctor. You may have pneumonia! If your doctor cannot come at once, give Ayer's Cherry Pectoral. When he comes, tell him exactly what you have done. Then do as he says. No alcohol in this cough medicine. J. C. Ayer & Co., Lowell, Mass.

Keep the bowels in good condition. One of Ayer's Pills at bedtime will cause an increased flow of bile, and produce a gentle laxative effect the day following.

Dresses for Girls

HE dress at the left is for  
a girl of fourteen to sixteen  
years, and is made up in  
butter blue linen; the  
skirt is close-fitting and is  
trimmed at the lower edge by two  
bands of darker-colored linen, or

The blouse is one of the ever-fav-  
orite one-piece styles; with Chladine  
cuffs and collar of plaited lawn.  
Material required: 5 yards 48 inches  
wide.

The second costume is for a girl  
from sixteen to eighteen years, and  
might be carried out in Shantung,  
cassimere cloth or linen; a wide panel  
is taken down the front of the dress,  
joined to the skirt by a striped  
sash, where it is trimmed with oval

Effect of Sound and Color.  
Every one is familiar with the ef-  
fects of sound upon the nervous.  
Harmonious sounds please and gratify,  
inharmonious sounds displease and ir-  
ritate. Sweet music, the singing of  
birds, the purring of a brook, fall  
pleasantly upon the ear, soothing and  
delighting the hearer. The screeching  
of a rusty hinge, the banging of a  
door, the sound of a discordant piano,  
triffling and annoy the hearer. If  
long enough continued, such sounds  
will produce an evil condition of  
nervousness.

A Strange Fatality.  
An unusual fatal accident happened  
at New York when a sheet of window  
glass knocked from its frame fell five

while being washed, sailed obliquely  
through the air and struck the neck

WOMEN  
OF MIDDLE  
AGE

Need Lydia E. Pinkham's  
Vegetable Compound

Brookfield, Mo.—"Two years ago I  
was unable to do any kind of work and  
only weighed 115 pounds. My trouble  
dates back to the time that women  
may expect nature  
to bring on them  
the Change of Life.  
I got a bottle of  
Lydia E. Pinkham's  
Vegetable Com-  
pound and it made  
me feel much better,  
and I have contin-  
ued its use. I am  
very grateful to you  
for the good health  
now enjoying."—Mrs. SARAH  
LOUGHRAN, 414 S. Livingston Street,  
Brookfield, Mo.

The Change of Life is the most crit-  
ical period of a woman's existence, and  
neglect of health at this time invites  
disease and pain.

Women everywhere should remem-  
ber that there is no other remedy  
known to medicine that will so suc-  
cessfully carry women through this  
trying period as Lydia E. Pinkham's  
Vegetable Compound, made from na-  
tive roots and herbs.

For 30 years it has been curing wo-  
men from the worst forms of female  
ills—inflammation, ulceration, dis-  
placements, fibroid tumors, irregulari-  
ties, periodic pains, backache, and  
nervous prostration.

If you would like special advice  
about your case write a confidential  
letter to Mrs. Pinkham, at  
Lynn, Mass. Her advice is free,  
and always helpful.

Global Lightning.

Yesterday the inhabitants of Lewis-  
ham were provided with a specimen  
of that curious phenomenon known as  
"global lightning." It is what is  
commonly called the "fire ball," and  
as it persists for several seconds it is  
obviously of a totally different char-  
acter from any other form of light-  
ning. It is a much less brilliant than  
ordinary lightning, and its brightness  
appears to be that of iron at the "red  
hot" stage.

It is not, as some accounts might  
lead one to infer, a solid missile, but  
it is always spherical and appears to  
fall from a thunder cloud by its own  
gravity, sometimes rebounding after  
striking the ground.—London Globe.

HOW A DOCTOR CURED SCALP  
DISEASE

"When I was ten or twelve years  
old I had a scalp disease, something  
like scald head, though it wasn't that.  
I suffered for several months, and  
most of my hair came out. Finally  
they had a doctor to see me and he  
recommended the Cuticura Remedies.  
They cured me in a few weeks. I  
have used the Cuticura Remedies, also,  
for a breaking out on my hands and  
was benefited a great deal. I haven't  
had any more trouble with the scalp  
disease. Miss Jessie F. Buchanan,  
R. F. D. 3, Hamilton, Ga., Jan. 7, 1909."

Kept with Barnum's Circus.  
P. T. Barnum, the famous circus  
man, once wrote: "I have had the  
Cuticura Remedies among the con-  
tents of my medicine chest with my  
shows for the last three seasons, and  
I can cheerfully certify that they were  
very effective in every case which  
called for their use."

When the Fish Exploded.  
Somebody discovered that fish are  
fond of gasoline, and this led to the  
idea of soaking worms in gasoline in  
order to make them more alluring  
when used for bait.

Mark the result.  
Two of those gasoline-tempted fish  
exploded in the frying-pan, and broke  
the kitchen window, and blew the  
cook's face full of mashed potato, and  
buried the teakettle into the floor  
barrel, and painted the kitchen ceiling  
with stewed tomatoes.

Call it a lying world and let it go at  
that.

Scandal.  
Mrs. Simmonds glanced at the scare  
headline: "Bank Robbed! Police at  
Sea!" and laid down the sheet.

"Naow, look at that, Ex!" she ejac-  
ulated, repeating the headline aloud.  
"Here's a big city bank broke into by  
burglars, and th' city police force all  
off fishin' somewhere! What a scandal!"—Judge.

FISHING TIME IN THE PASIG

Swimming in Myriads Near Surface  
They Are Snared and Speared  
by Filipinos.

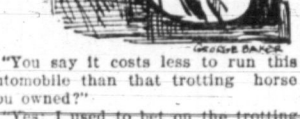

Friday morning Filipinos snaring  
eels and other fish in the Pasig near  
the old customs of the port building by  
the aid of fish snares caught the  
largest eel ever seen on the water  
front. It was fully ten feet in length.

Both banks of the Pasig and all the  
ships and lighters moored in the  
stream were thronged with hundreds  
of Filipinos with spears and spears  
trying to catch the fish that in myri-  
ads were swimming near the surface  
of the stream.

Native when asked in regard to  
the phenomenon were almost unani-  
mously in their statement to the ef-  
fect that at this time of the year the  
bottom of the river gets hot and that  
the fish have to leave the depths of  
the water, this change acting on  
the fish as a stimulant.

This theory was advanced by an old  
pilot who has witnessed the phenom-  
enon for many years.—Manila Times.

WHERE HE SAVED MONEY.

"You say it costs less to run this  
automobile than that trotting horse  
you owned?"

"Yes; I used to let on the trotting  
horse."

A Liking for "Hamlet."  
"Do you like Hamlet?" asked the  
hostess of her unlettered, if gushing,  
guest.

"Indeed I do," was the reply. "I am  
exceedingly fond of it, but I always  
prefer a savory to a sweet one."

There was a momentary confusion,  
and then the hostess realized that the  
admiration of the guest was of a culi-  
nary, not literary, character.

"I gave her ham with an omelette  
for breakfast next morning," said the  
hostess, when telling the story.—

Active Possession.  
Guinevere, aged four, was going out  
to walk with a young lady, of whom  
she was very fond. As they opened  
the street door they were met by a  
swirling cloud of dust, blown up from  
the thoroughfare.

"Keep your lips tightly closed, Gwen,  
or you'll get your lungs full of mi-  
crobes," warned the young lady.

Guinevere pondered a moment and  
then, looking up, demanded:  
"What are your robes?"—National  
Monthly.

Even the Children.  
Ex-Governor Pennypacker, condemn-

in grammar, said:  
"What is the future of 'I love'?"  
"A divorce," the child answered  
promptly."

A MARVELOUS RECOVERY.

How a Chronic Invalid Regained Per-  
fect Health.

Mrs. Ray Trimmer, 35 West Third  
St., New Albany, Ind., says: "Kidney  
disease had rendered me a chronic  
invalid. I lay in bed  
unable to move hand  
or foot. My right  
limb was swollen to  
twice normal size. I  
looked the picture of  
death and my case  
puzzled the doctors.  
The kidney secretions  
were highly colored and acrid terri-  
bly. Marked improvement followed  
the use of Doan's Kidney Pills. In six  
weeks I was a well woman. My friends  
and relatives marvel at my recovery."

Talking to the Child.  
"Mrs. X— talks to little Madge  
just as Mr. X— talks to their dog,"  
said a little girl of a neighboring fam-  
ily. And it was indeed true. Mrs.  
X— is a very well-meaning woman  
and would be greatly surprised if she  
should hear the foregoing statement.  
She has simply unconsciously acquired  
a harsh tone of voice in dealing with  
her children. This is altogether un-  
necessary and is not, as many moth-  
ers seem to think, a mark of good dis-  
cipline. The mother whose manner is  
quiet but firm is generally a much  
more successful disciplinarian than  
the harsh-voiced mother who issues  
her commands in a dictatorial manner.  
Kindness never spoils children. It is  
foolish intention, sometimes mistaken  
for kindness, which spoils them.

There is more Catarrh in this section of the country  
than all other diseases put together, and just the last  
few years we have supposed to be incurable. For a great  
many years doctors pronounced it a local disease and

has been proven Catarrh to be a constitutional  
disease, and therefore requires constitutional treatment.  
Hall's Catarrh Cure, manufactured by F. J. Cheney

the market. It is taken internally in doses from 25  
drops to a teaspoon. It cures Catarrh of the blood

Something Dreadful.

Strong Healthy Women

If a woman is strong and healthy in a womanly way, moth-  
erhood means to her but little suffering. The trouble lies  
in the fact that the many women suffer from weakness and  
disease of the distinctly feminine organism and are unfitted  
for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women.  
It acts directly on the delicate and important  
organs concerned in motherhood, making them  
healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the  
period of expectancy and makes baby's advent easy and  
almost painless. It quickens and vitalizes the feminine  
organs, and insures a healthy and robust baby. Thousands of women have  
testified to its marvelous merits.

## J. C. SPEIGHT WILL BE CANDIDATE FOR JUDGE OF COURT OF APPEALS.

Princeton, Ky., Sept. 6.—All but two of the counties of the First appellate district were represented at the meeting of the Republican committee at the Hotel Henrietta here this afternoon. When the committee decided to put out a candidate against Judge Nunn and then proceeded unanimously to choose J. C. Speight, of Graves county for that position. The counties comprising the district are Fulton, Hickman, Carlisle, Ballard, Graves, McCracken, Marshall, Calloway, Livingston, Lyon, Trigg, Caldwell, Crittenden, Union, Webster, Hopkins, Christian, Muhlenburg.

Princeton, Ky., Sept. 6.—In opposition to Judge T. J. Nunn, Democratic nominee for re-election to the appellate court, the Republicans of the First appellate judicial district will nominate Judge J. C. Speight, of Mayfield. The committee meeting was attended by a majority of the committeemen from the 18 counties, and the warmest enthusiasm marked the meeting. Judge Speight probably will be

the unanimous choice of the party and he will wage an aggressive fight for the election this fall.

Because of the dissatisfaction caused among the Democratic voters of the snap convention in which Judge Nunn received his renomination, it is believed that the republican nominee has a chance. The district is comprised of the First congressional district and five counties of the Second congressional district. In order to strengthen their candidate for the appellate bench, the Republicans of the First district last week declined to nominate a candidate for congress and will use every effort to elect the nominee.

Because of his large law practice, Judge J. C. Speight is well known all over the district, and will begin an active campaign this fall. His service on the bench as special judge has demonstrated his fitness to preside on the judicial bench of the highest court, and his many friends are confident of his success.

### Yongue Maddox Nuptials.

Dr. Samuel D. Yongue, of this city, and Miss Willie May Maddox, of Benton, were united Wednesday afternoon in marriage at the home of the bride in Benton. Rev. P. B. Jefferson, pastor of the Murray Methodist church officiating. Dr. Young is one of most splendid practitioners of this city and enjoys a lucrative practice. He is a popular young citizen and has many friends here. Miss Maddox is a handsome and accomplished young lady and is a social favorite in her home town. Only immediate members of the family witnessed the ceremony. After the services the couple came to Murray and will be at home to their friends at their residence on Price street as soon as they can get possession of the home and complete its furnishing.

The Ladies World for September has an unusual number of good stories and interesting special articles, and its departments are filled with just such matter as the housekeeper wants. Mrs. Robert B. Mantell (Marie Booth Russell) tells very charmingly how she and her husband have converted an old farm which they bought near New York into a paying property. Conserving the Child Crop is the subject of a very timely paper by Mary Hamilton Talbot, and Laura A. Smith writes of The Woman Agent and How She Succeeds. The fiction is, as always, excellent, the chief stories being The Professor's Holiday, by Imogen Clark; The Bungalow at Cheever's, by C. A. P. Comer; The Boy Who Was Wanted, by Annie Hamilton Donnell; A Privileged Character, by Susie Bouchelle Wight; and A Hollow Tree Picnic. Even the experienced housekeeper can learn something from the household department of this magazine, which is always practical. The first of the Autumn Fashions are shown, and there are the regular contributions on Good Health, the Care of Children, the Ways of Society, Artistic Needlework, etc. In short, it is a wonderfully good publication. —[New York; Fifty Cents a Year.]

Swellings of the flesh caused by inflammation, cold, fracture of the bone, toothache, neuralgia or rheumatism can be relieved by using Ballard's Snow Liniment. It should be well rubbed in over the part affected. Its great healing and penetrating power relieves the pain, reduces swelling and restores natural conditions. Prices 25c, 50c and \$1 per bottle. Sold by Dale & Stubblefield.

Miss Fay Houston left the past week for Lexington, Tenn., where she will again be employed as teacher in the schools of that place.

Mrs. H. W. Harding and children, of Martin, Tenn., have been the guest of relatives west of town the past several days.

## FARMERS INSTITUTE POSTPONED

The Ledger is in receipt of the following communication from M. C. Rankin, commissioner of agriculture, which is self explanatory:

"You will please not advertise the County Farmers' Institute on the dates we sent you as we have decided to skip the State Fair week, and this will necessitate the arranging of a new schedule. We will advise you later the dates of your institute."

### Don't Break Don't.

Severe strains on the vital organs, like strains on machinery, cause break-downs. You can't over tax stomach, liver, kidneys, bowels or nerves without serious danger to yourself. If you are weaker or run down, or under strain of any kind, take Electric Bitters. Mrs. J. E. Van de Sande of Kirkland, Ill., writes: "That I did not break down, while enduring a most severe strain, for three months, is due wholly to Electric Bitters. I use them and enjoy health and strength. Satisfaction positively guaranteed. 50c at Dale & Stubblefield Murray, Ky."

### Brooks' Chapel.

Dry weather with cool high winds in the day and cool nights. Cutting tobacco is the order of the day. Late tobacco is suffering for rain and the worms are getting bad.

Not much bad sickness but nearly everybody puny.

John Culver is very sick, having two doctors with him: Dr. Clayton, of Dexter, and Dr. Covington, of Wadesboro.

Allen Weatherford visited old acquaintances at Boatwright Saturday night.

Miss Atlanta Bynum dismissed her school over a week ago and went home sick with the measles and has not returned to take up her school.

There are five down with the measles at Henry Neals'. Five have recovered with them and some more to have them. There are a number of other cases in the neighborhood.

The graders have gone over our road the second time and have it in better fix than I ever seen it, though there are a few places that need more work.

Miss Gracie Barnhart and Mrs. Ethel Barnhart who have been visiting relatives here have returned to their home in Paducah.

Mrs. Mollie Crass and Mrs. Ada Barnett, of near Olive, visited at Rev. J. J. Stringers last week.

A number of our people attended the birthday dinner of Aunt Mary Williams. She was 70 years old. The Almo band was present and made some fine music. There was a large crowd and a bountiful dinner of the finest and best.

### AUNT JOE.

### Photos? Photos!!

Special prices on fine photos at Bray's Gallery for a short time only. I am going to knock the bottom clean out of prices. So if you want some of the best work that was ever made in Murray give me a call right quick. Yours for business, W. R. BRAY.

Come to the fair, Oct. 5-8.

## BLOCKADED.

Every Household in Murray Should Know How to Resist it.

The back aches because the kidneys are blockaded. Help the kidneys with their work.

The back will ache no more. Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from Murray.

Mrs. J. M. Radford, Murray, Ky., says: "When I compare my present good health with my condition before using Doan's Kidney Pills, it seems as though I never could be grateful enough to this remedy for the benefit I received. My back was sore and I could not stoop without being seized by intense pains in my loins. I was tired, weak and devoid of ambition and nothing seemed to do me any good. I finally procured Doan's Kidney Pills at Dale & Stubblefield's drug store and began their use. They soon freed my back from pain and toned up my system."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### Secure a Certificate.

Under the new law the Western Normal has the power to issue the Elementary Certificate, the Intermediate Certificate, and the Life Certificate which entitle the holder to teach anywhere in Kentucky for two years, four years, and for life respectively without further examination. Information as to the amount of work required for each certificate will be furnished when desired. Address H. H. Cherry, President, Western Normal, Bowling Green, Ky.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by druggists 75c.

Take Hall's Family Pills for constipation.

### Hamlin Notes.

Mrs. I. A. Lassiter is still confined to her bed with rheumatism. Mrs. Bertie Roberts has bilious fever.

Wood Lawn school began this week with Prof. Evans principal. Tobacco cutting has been on for the past two weeks and most of the crop will be put in the house this week.

Miss Grace Parker has accepted a position as assistant teacher in the Utterback school.

Quite a number of children in this vicinity have whooping cough. The ghostly form of Herbert Smith can be seen most Sunday at Miss Harriett Outland's. Madam Rumor thinks there will be more weddings some of these days.

Rev. Outland preached at Pleasant Valley school house Sunday night.

Bro. J. W. McGarvey, the West Ky. evangelist, began a two weeks meeting at Pleasant Valley Christian church Monday night.

Come on ye scribes and lets make the good old Ledger better with our little mites. —T. T.

### A Reunion.

On Sunday August 28th, a large number of relatives and friends gathered at the home of H. D. Williams to rejoice with him and his mother, Mrs. Mary Williams on their happy birthday and a rejoicing it was with each and every one.

About 10:30 o'clock Bro. Donelson, one of Calloway's very best singers, had the young people to gather around him and a number of beautiful songs were sung. At the close of one of Bro. Donelson's favorite songs the Almo Band appeared playing "Red Wing." The band consisting of sixteen men were in a wagon drawn by four greys. This attracted very much attention, but my! the attention was then drawn to the most beautiful and bountiful dinner which was on a long table prepared for the occasion, it being sufficient for all to partake of the good things at once, they seemed to enjoy it so much.

If the afternoon sweet music was delivered by both band and choir. Bro. Harris made a short talk which was very touching and be quite an impression to all that were present. Closing his talk with a good old hearty hand shake and music. The guests departed to their several homes declaring the time had been an enjoyable one. We hope and trust that these two, in whose honor the day was spent, will be blest with many such future birthdays and that we will be permitted to be with again.
