Rural Retail Sales Higher As Fall Comes

Colds are in the air and the increase in sales of such items as aspirin and cough drops is evident. As the weather grows colder, people will want to keep warm and this will mean an increase in the sale of such items as scarfs, hats, and gloves.

KEEP WELL WITH CHIROPRACTIC

By Dr. A. C. Wade

Chronic disease generally takes up residence in the body unless steps are taken to prevent it. It nearly always makes its way back to the site of injury or infection. The doctor recognizes the signs of trouble and advises the patient to come in for a check-up.

Colds are the forerunners of many serious diseases. Thus the simple cold which may mean money to you.
