Teaching You Thrift

Practice makes perfect.

Schoolmasters of today as that truth. Pupils learn by applying.

This book teaches you thrift by leading you to practice it. The lesson is easily learned once it is begun. To become perfect in it requires constant practice. A savings account is the most consistent method of practicing thrift.

Savings Habit

Saying is a matter of habit.

And the habit grows, just like the potatoes.

To acquire the habit when young with small sums is to practice the habit when older with larger sums.

So encourage the little fellows to start a savings account with us at once, and watch the habit grow.

Bible Class Leader

Strong for Al Smith

Gospel Continental Appeal

In a letter addressed to Democratic headquarters, Mrs. J. C. Wofford gives her reasons for supporting Governor Smith.

I have been rarely been more enthusiastic about any political campaign than I have about Governor Smith's candidacy. The ability, the integrity, the unselfishness, the public spirit, the devotion to the cause of right and justice, are qualities which are rare in any man, but especially in a man in public office.

Alonzo K. Smith has the spirit of a statesman, the heart of a statesman. He is a public benefactor, a public officer, a public teacher, and a public leader.

I shall vote for Governor Smith and the Democratic ticket.

A local leader of the Smith campaign, Mrs. A. R. Smith, states the issue as follows: "Because I am a politician, I support Governor Smith.

I shall vote for Governor Smith and the Democratic ticket because I am a public benefactor, a public officer, a public teacher, and a public leader. I shall vote for Governor Smith and the Democratic ticket because I am a public benefactor, a public officer, a public teacher, and a public leader.
