## MSU Gets \$2.9 Million In Grants; Double 73-74

A summary of grant support received by Murray State University from federal and state governments and other sources shows that the \$2,965,776 in fiscal year 1974-75 was more than double the figure from the previous year.

Grant support received in 1973-74 totaled \$1,412,000, compared to \$1,317,532 in 1972-73.

A breakdown of the 1974-75 amount has \$1,685,711 classified as general university grants. Other amounts received were:

College of Business and Public Affairs, \$123,930; College of Creative Expression, \$63,350; College of Environmental Sciences, \$157,145; College of Human Development and Learning, \$909,650; and

Industry and Technology, \$25,990.

General university grants included these: \$290,468 for National Direct Student Loan; \$131,734 for Supplemental Educational Opportunity Grant; \$219,672 for Basic Educational Opportunity Grant; \$285,199 for the Federal Work-Study Program; \$112,600 for Project Upward Bound; and \$240,000 for an Advanced Institutional Development Program, all funded by the U. S. Department of Health, Education and Welfare, and grants of \$75,250 each by The Nature Conservancy and the U. S. Bureau of Outdoor Recreation for the purchase of Murphy Pond.

Among other grants received were these

to the College of Human Development and Learning; \$194,395 for Educational Progress Through Individualized Curricula (EPIC); and \$125,000 for Project Apollo, both funded by the U. S. Office of Education; \$94,978 for Social Work Teaching Grant, funded by the Kentucky Department for Human Resources; and \$75,000 for Special Education Personnel Preparation, funded by the Bureau of Education for the Handicapped.

The College of Business and Public Affairs was awarded a grant of \$100,000 for Motel-Tourism Training for Older Adults by the Kentucky Bureau for Manpower Services.

## Consumer Price Index Jumps .8% During June

WASHINGTON (AP) — Sharply higher prices for food and gasoline pushed the nation's Consumer Price Index up eight-tenths of one per cent in June, double the May increase and the highest monthly jump in consumer prices since last September, the Labor Department reported today.

Food prices increased 1.5 per cent in June, the largest increase since last September when the increase was 1.6 per cent, and the price of food in grocery stores rose 1.9 per cent, the department said.

Over-all food price increases were less than the hike at the supermarket because the reported two-tenths of one per cent rise in restaurant meals held the total down slightly, a department spokesman explained.

Among increases, meat prices were reported up 5.8 per cent and prices of fruits and vegetables rose 2.4 per cent.

The price of gasoline was listed as up three per cent to an average of nearly 57 cents a gallon for regular and 60 cents a gallon for premium, compared to 55 cents

for regular in May and 59 cents for premium. Gasoline prices have risen even further since information was gathered for the June price index.

Meanwhile, the Labor Department said the real spendable earnings of workers declined an average four-tenths of one per cent in June compared with a 4.7 per cent increase in May. For the year, the Labor Department said real earnings of workers were down by four-tenths of a per cent.

The Consumer Price Index in June stood at 160.6 per cent of the 1967 average of 100. This meant it cost \$160.60 to buy a

statistical sample of goods that cost \$100 in the base period. For the 12-month period ending in June, consumer prices rose 9.3 per cent, slightly below the inflation rates of last year.

The size of the June increase appeared to catch administration economists by surprise. They had expected some increase, especially in the food and fuel area, but there were no predictions that prices would increase as much as reported.

If the June increase were continued over an entire year, that would be an annual inflation rate of about 9.5 per cent. The May increase of four-tenths of one per cent, if continued for a year, would have led to a rate of about five per cent.

The figures in the Labor Department report were adjusted for seasonal variations. But even on an unadjusted basis, over-all consumer prices were up the same, eight-tenths of one per cent, officials said.

There also were reported large increases for natural gas, electricity, telephone service, hospital charges and physician fees.

## Jack Dedmon Home Destroyed In Fire Monday

The home of Jack Dedmon in the New Concord community was destroyed by fire last night after a grease fire spread to the attic, according to members of the Calloway County Fire-Rescue Unit who battled the blaze.

Spokesmen for the rescue squad said the home had a double roof, and the fire was between the two roofs and couldn't be reached. Firemen fought the fire for about two hours, with 16 men and three units dispatched to the scene.

The fire reportedly started around the range in the kitchen of the brick home, according to firemen.

## County Man Charged In Incident Here

A Calloway County man has been charged with first degree rape in connection with an incident Saturday night, according to the office of Calloway-Judge Robert O. Miller.

Buddy Windsor, 36, of the Lynn Grove area, was released on \$20,000 bond, according to an office spokesman.

## Congress Expected To Kill President's Plan On Oil Prices

WASHINGTON (AP) — Congress is expected to kill President Ford's plan to end oil price controls following the President's veto of a bill that would have added more of those controls.

The House, which is unlikely to produce the two-thirds majority needed to override Ford's veto, was expected today to muster the simple majority needed to reject the administration's plan to phase out price controls on U.S. oil over a 30-month period. Ford's plan goes into effect unless a majority vote of either the House or the Senate rejects the President's program.

Under the administration's plan, old oil — the 60 per cent of U.S. oil that now has a price ceiling of \$5.25 a barrel — would gradually be allowed to rise in price until the end of the 30-month period. Then it would be free of controls and sold at world prices, which now are around \$13 a barrel.

The Ford administration claims the President's plan would produce a 7-cent-a-gallon boost in gasoline prices by the end of 1977. However, some Democratic critics argue the hike would be 15 cents a gallon. The U.S. oil that now has no price controls, so-called "new oil," would have come under an \$11.25 ceiling in the bill that Ford vetoed Monday.

One congressional source later said there was talk of allowing more time for price controls to be gradually lifted. The source said a three-year period was talked about, compared with the 30 months specified in Ford's program.

Time is becoming a major factor in the energy stalemate between Congress and the administration. The existing controls on "old oil" expire Aug. 31, unless they are extended. Furthermore, Congress plans to begin a month-long recess Aug. 1.

Ford said Monday that he will veto any measure that merely extends existing price controls for six months. Such a bill was passed by the Senate and is awaiting House action.

## Astronauts Continue Experiments On Apollo; Splashdown Thursday

SPACE CENTER, Houston (AP) — While the Soyuz cosmonauts celebrate their safe return to earth, the American astronauts of Apollo conduct experiments today and look ahead to their own splashdown parties after their homecoming Thursday.

The Soyuz crew returned to earth Monday after six days in orbit, two of which were flown in tandem with Apollo.

Astronauts Thomas P. Stafford, Vance D. Brand and Donald K. Slayton are staying up an extra three days, taking advantage of their ship's longer orbit capability to obtain scientific data.

Cosmonauts Alexei Leonov and Valeri Kubasov came home tired but in excellent physical condition after completing their phase of the international flight which could open an era of space cooperation between the world's two most powerful nations.

Soyuz landed in the barren steppes of Soviet Kazakhstan, stirring up a giant cloud of dust as its braking rockets ignited

just before touchdown. The landing and swift recovery were televised live around the world, another first for the Soviets, who removed much of the secrecy from their space program for this mission.

The cosmonauts were flown to the nearby Baikonur Cosmodrome, their launching base, where Kubasov reported, "We feel fine." Leonov said, "It is very fortunate to be sent into space, but it's more fortunate to return home, to earth."

Houston mission control informed the astronauts about a Monday night "touchdown" party here to celebrate the Soyuz safe return — a version of the splashdown parties that always follow successful American flights.

## Katie Paschall Selected As First To Receive Jesse Stuart Fellowship At MSU

Katie Paschall of Puryear, Tenn., Route 2 has been selected as the first recipient of the \$3,000 Jesse Stuart Fellowship given by Murray State University to a student for the 1975-76 school year.

A senior speech major with a minor in journalism, Miss Paschall was chosen by a five-member committee from the campus community "to explore a field of knowledge compatible with the writings, the philosophy, or the areas of interest" of the world-renowned author and poet from Greenup County in Eastern Kentucky.

Formal presentation of the award was made at a luncheon this week planned to coincide with the three-week Jesse Stuart Creative Writing Workshop in progress on the campus. Stuart and four faculty colleagues from the fifth workshop he has directed at Murray State were among those who attended the presentation luncheon.

Miss Paschall, the daughter of Mr. and Mrs. Winfred Paschall, will graduate in December and enroll in a graduate program in communications next spring at Murray State.

Her proposal for the coming school year includes plans "to bring the life, character and literature of Jesse Stuart to regional audiences through the medium of oral interpretation."

She will research his work and prepare scripts for dramatic presentations for school assembly programs and other special meetings and occasions.

Miss Paschall, who has earned Dean's List recognition each semester at Murray State, has studied creative dramatics and

oral interpretation since junior high school and has qualified each of the last two years for the National Speech Tournament.

She has participated in several Readers Theatre productions on the campus and has also worked as a judge and leader in regional high school tournaments and workshops. Her experiences with oral interpretation include study of literature, scripting, transitions and programming, as well as actual performances.

Miss Paschall is a member of Pi Phi Delta honorary oral interpretation society

at Murray State and was named the outstanding senior member of the chapter during the Honors Day Program this spring.

She has been a newscaster and announcer for three years for WKMS-FM, the radio voice of Murray State, and MSU-TV, Channel 11. Her other campus activities include membership in The Society of Professional Journalists, Sigma Delta Chi, and Alpha Chi honorary scholastic organization.

## Your Individual Horoscope

Frances Drake

FOR WEDNESDAY, JULY 23, 1975

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

### ARIES

(Mar. 21 to Apr. 20)

Influences fairly favorable, but don't consider all decisions made now as final. You may have to revise later in the week.

### TAURUS

(Apr. 21 to May 21)

Start day with enthusiasm and keep it going — even in trying moments. Getting cooperation from associates may be your biggest problem — but it CAN be achieved.

### GEMINI

(May 22 to June 21)

Profit by past mistakes and sound advice. You now have a chance to make satisfying advancement, but day needs the right push, steadiness.

### CANCER

(June 22 to July 23)

Uncertainty could offset your best efforts, so be decisive. Marshal all your talents, will power and experience with a view toward taking brisk steps forward.

### LEO

(July 24 to Aug. 23)

You should have easier sledding than many others now — as long as you are accurate and conduct your affairs with logic and candor. Curb a tendency toward recklessness.

### VIRGO

(Aug. 24 to Sept. 23)

Stretch a point where it will pay off later. A vote of confidence is sometimes necessary to secure the cooperation you need.

### LIBRA

(Sept. 24 to Oct. 23)

Keep plans flexible; changing situations could make revision necessary. On the personal side: romance and outdoor interests highly favored.

### SCORPIO

(Oct. 24 to Nov. 22)

You are one of the few in a position to take strong progressive action now, but be

careful not to make too many waves. A certain amount of discretion needed.

### SAGITTARIUS

(Nov. 23 to Dec. 21)

Influences somewhat adverse toward financial matters. Don't make unnecessary purchases and don't let your natural optimism lead you into speculative ventures.

### CAPRICORN

(Dec. 22 to Jan. 20)

Information needed to consummate a business deal now forthcoming. With the added facts on hand, proceed as originally planned.

### AQUARIUS

(Jan. 21 to Feb. 19)

Some difficulty in personal relationships indicated. Persons close to you may be unresponsive, even hostile to your plans. But hold your temper lest small arguments escalate out of all proportion.

### PISCES

(Feb. 20 to Mar. 20)

Neither borrow nor lend now. Even small, "friendly" transactions are likely to cause unpleasantness in the future.

**YOU BORN TODAY** are a person of strong feelings and the ability to carry out your very progressive ideas — IF you will try to curb your doubts and fears. Too often, lack of confidence in yourself and trepidation over what others think of your efforts keep you from taking the steps necessary to the lofty attainment which CAN be yours. You are a humanitarian at heart and are extremely sympathetic to your fellowmen; would also make an excellent physician or nurse and could especially succeed in healing mental disorders. You write well and would make a fine journalist; could also make a name for yourself in the law or in the fields of interior decorating or designing. Birthdate of: Charlotte Cushman, Amer. actress; James (Cardinal) Gibbons, Amer. clergyman.

## Grades Show Teens Under a Bad Influence

**DEAR ABBY:** I have two teenagers, ages 14 and 16. Their father and I divorced five years ago and both remarried. For years, the children have been begging me to let them live with their father because they felt that their stepfather and I were too strict. Also, their real father promised them the moon.

Last year, I let them go on the condition that they keep their grades up (both were honor students) and continue their confirmation classes.

Well, they are flunking in school and have practically dropped out of confirmation class. (They also let four years of music lessons go down the drain.)

I know they prefer living with their father because he doesn't discipline them at all. When they came home, my daughter had so much makeup on I didn't recognize her.

Should I let them go back with their father, or should I insist that they stay with me until they finish high school? My husband has been a wonderful stepfather, although they never showed him the proper respect. He is willing to have them back if I say so.

I know it will be difficult if they return, but I hate to see them ruin their lives because I know they will regret it later. Please advise me.

MOM

**DEAR MOM:** Bring them home. Their grades are sufficient evidence to justify it. These are important years. They desperately need a firm hand, guidance and discipline. They'll thank you later. And if they don't, at least you'll know that you did all you could for them.

**DEAR ABBY:** What is the correct way to address a letter to a lady whose husband has just died?

D.S.

Also, how does one address a woman whose husband has been dead for several years?

**DEAR D.S.:** A widow is always addressed as "Mrs. John Jones" — regardless of how long John has been dead.

**DEAR ABBY:** I could not leave unanswered your reply to "Nameless," whose wife made several suicide attempts. My mother died a natural death two years ago. My father died last month at 73 of carbon-monoxide poisoning.

I am proud to say that he finished the last page of his long "note" on the night before he died, after dictating it to his best friend. On Sunday morning, my two daughters and I arrived at his home for a lunch date to find the sheriff and coroner there.

My family will bear its share of guilt for not preventing his death — each in his and her own way. But I say, "Greater love hath no man."

He did not want to live on as a vegetable; he left a six-page letter of explanation in lovely, lucid English. I miss both my parents. But I honor their memory in the only way I know: I share their love with all other living things. That is their legacy to me. And if I am lucky, my three children will share this love with the family of man. You may use my name.

MARTIN K. EAKIN, O.D.

Everyone has a problem. What's yours? For a personal reply write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (20¢) envelope.

## Peal And Clendenen Vows Read At Calvary

Rev. and Mrs. Richard Dale Clendenen

The sanctuary of the Calvary Temple First Pentecostal Church of God was the scene of the summer wedding of Miss Annie Deborah Peal, daughter of Rev. and Mrs. Eugene Peal of Hazel Route Two, to Rev. Richard Dale Clendenen, son of Mr. and Mrs. William Clendenen of Lynch.

Rev. Paul D. Wanger officiated at the double ring ceremony read as the couple stood beneath the white arch topped with a white dove and flanked by arrangements of daisies, mums, and gladioli in the colors of aqua, pink, and yellow. Single candles with flowers in the same colors were used in the windows.

Mrs. Kay Hendrickson, wearing a pink dress, was the organist, Mrs. Shirley Williams, cousin of the bride, wearing an aqua dress, was the soloist. Selections included "O Promise Me," "Love Me Tender," "I Love You Truly," "Whither Thou Goest," "Abide With Us," and the traditional wedding marches for the processional and recessional. They both wore white carnation corsages.

**Bride's Dress**  
The bride was escorted by her father and given in marriage by her parents. Her dress and veil, designed and made by her mother, was of white bridal satin covered with lace. The dress featured a high round neckline, long lace sleeves with high cuffs, and a long train of the lace. The veil was attached to cone-shaped headpiece and she wore an opal necklace, borrowed from her mother.

She carried a bouquet of yellow roses, fiji mums, and miniature carnations which was placed on her Bible, given to her by her parents.

Miss Donna Barger, niece of the groom, was the maid of honor and wore an aqua dress and carried an aqua mum with aqua streamers.

The bridesmaids were Miss Pat Mitcheson and Mrs. Evie Paschall who wore pink dresses and carried pink mums with pink streamers. The junior bridesmaid was Miss Trina Tipton, cousin of the bride, who wore a yellow dress and carried a yellow mum with yellow streamers.

Miss Tammy Clendenen, niece of the groom, was the flower girl, and wore a yellow dress and carried a white basket filled with white carnation petals.

The groom wore a white tuxedo, navy coat, with navy shirt and white tie, and had a white carnation boutonniere.

Best man was Donnie Peal, brother of the bride, and groomsmen were Rexie Stalls, cousin of the bride, and Bill Clendenen, brother of the groom. Billy Barger, nephew of the groom, was junior groomsman, and Jimmie Tipton and Kevin Jones, cousins of the bride, were ringbearers.

The men attendants had the same color of ties as the color of the dresses of the feminine attendants they escorted, and wore boutonnières of white carnations. The pillows carried by the ringbearers were made by the mother of the bride.

Miss Theresa Barger, niece of the groom, dressed in yellow with a white carnation corsage, presided at the register at the table covered with a green cloth under white lace. Guests signed with a pink plum pen.

The bride's mother wore a floor-length aqua dress with silver trim and matching accessories, while the groom's

mother was attired in a floor length blue dress with white trim and matching accessories. They each wore a orchid corsage.

Mrs. Annie Stalls and Mrs. Iva Peal, grandmothers of the bride, and Mrs. Roberta Davis, grandmother of the groom, all wore corsages of carnations.

### Reception

After the ceremony, the reception was held in the fellowship hall of the church. The bride's table covered with a green cloth overlaid with a white lace cloth was centered with an arrangement of aqua, pink, and yellow daisies flanked by white candles in brass holders. The three tiered wedding cake topped with a bride and groom statuette was served along with pink punch in a crystal punch bowl. The bridal couple drank from "bride and groom" glasses. Nuts and mints in the colors of white, aqua, pink, and yellow were also served.

Hostesses serving the guests were Mrs. Maybelle Jones, aunt of the bride, Mrs. Pam Tipton, cousin of the bride, and Mrs. Jean Barger, sister of the groom, who each wore one of three colors, aqua, pink, or yellow, and each wore a white carnation corsage.

As the couple left for their wedding trip, the bride wore an aqua dress and her mother's orchid corsage. They now reside at 409-B North Fifth Street, Murray.

Out of town guests included Mr. and Mrs. Lawrence Rigney, Darrin and Sissy Rigney, Mrs. Becky Highfield, Chris Highland, Cumberland; Rev. and Mrs. Troy Ford, Longview, Texas; Rev. and Mrs. Orman Meadow, Eddie and Kelita Meadow, Erin, Tenn.

Karen Bowen, daughter of Mr. and Mrs. F. Shelton Bowen of Cadiz, and granddaughter of Mr. and Mrs. B. J. Stagner, 1302 Vine Street, Murray, was awarded second place in the 13 year old girl's division of the Kentucky 4-H Talk Meet held in Lexington. She had earlier won top division honors in the county and area 4-H Talk Meets with her speech, "Give Me Your Hand," to become eligible. Miss Bowen and her family formerly lived in Murray and she attended Carter Elementary School here.

Miss Theresa Barger, niece of the groom, dressed in yellow with a white carnation corsage, presided at the register at the table covered with a green cloth under white lace. Guests signed with a pink plum pen.

The bride's mother wore a floor-length aqua dress with silver trim and matching accessories, while the groom's

### NUTRITION AND ATHLETES

The dominant problem today in sports nutrition is the misconception, held by far too many athletic coaches, that their athletes should limit the amount of water they drink during a game. The premise of these coaches is that athletes can become water-logged and perform poorly.

Nothing could be further from the truth. In fact, restricting water in the athlete can result in injuries and even death.

IF THAT sounds wild, you are grossly uninformed regarding a serious problem now facing this nation's sporting community.

When I headed up the U.S. Army Medical and Nutrition Research, we conducted exhaustive studies of soldier physical performance in temperate climate as well as the tropics and in arctic zones. One of

the most informed men in this field is C. Frank Consolazio, who is now Chief of the Bioenergetics Division, Dept. of Nutrition at the Letterman Army Institute of Research, San Francisco.

RECENTLY Frank spoke at a food writers' conference sponsored by the National Dairy Council, saying, "The dangerous practice of water discipline in athletes must be eliminated. Injuries and deaths due to dehydration and subsequent heat exhaustion and heat stroke are preventable and should never occur."

Frank pointed out that "massive scientific evidence" indicates preventive measures must be enforced. "The sporting community must begin to regulate themselves, otherwise it may be necessary to pass laws to protect

the individual whose knowledge of heat stress may be limited." What he means is, many coaches still advise high school and college football players (and other athletes) to limit their water consumption before and during games. Thus the athlete, not knowing otherwise, needs to be protected by law from such ignorant advice that risks the health and possibly the life of the athlete.

DISCUSSION of this problem is going on in the U.S. Congress. The U.S. Dept. of Health, Education and Welfare also is concerned.

If you are a parent and have an athlete in your family, find out what the actual practice of his coach is. It is easy for a player to lose 2 to 3% of body water (an extremely dangerous loss) in an athletic contest like a football game unless he takes about a half cup of water frequently during the game.

### Alice Waters Meeting

Mrs. Robert Buckingham of 1717 Magnolia Avenue, Murray, opened her home for the last regular meeting of the Alice Waters Circle of the First United Methodist Church Women with the chairman, Mrs. Lowell King, presiding, and reports given by Mrs. Dwight Crisp, secretary, and Mrs. Buckingham, treasurer.

The circle voted to put memorial flowers in the sanctuary on the birth date of Miss Alice Waters and Mrs. John Whitnell. The group will meet in September at the home of Mrs. A. W. Simmons, Sr.

Mrs. N. P. Hutson gave the devotion which was a prayer that was said by Jonah and the promise that he made to God if

he would release him from the belly of the whale.

Presenting the program on "Jonah—His Disobedience to God and The Desire To Do Things His Own Way" was presented by Mrs. Gene Hendon who closed the program with prayer.

Twelve members were present.

### CUT CALORIES

Compared with 50 years ago, Americans now consume 10 per cent less calories per person. Sounds encouraging, doesn't it? But think of this: 50 years ago, more people worked at physical labor and needed more calories. Today, we have more older people and their calorie needs are less. So cut down on calories or increase your exercise.

Dr. Jerry Herndon, associate professor of English and chairman of the committee designated to formulate policies and procedures for the Stuart Fellowship and to select the first recipient, said advanced undergraduate and graduate applicants were considered on the basis of the suitability and feasibility of their written proposals, academic background, and recommendations.

Other members on the committee appointed by Dr. Constantine W. Curris, university president, early this year are: Dr. Kent Forrester, assistant professor of English; Dr. Robert McLaughlin, chairman of the Department of Journalism and Radio-Television; Dr. Keith Heim, director of special collections in the University Library; and Martha Guier, director of placement and a longtime friend of Stuart.

Stuart's collection of manuscripts, papers and memorabilia are housed in the three-room Jesse Stuart Suite in the main library on the campus. He was awarded an honorary Doctor of Pedagogy degree in 1968—one of the first two honorary doctorates every conferred by Murray State.

Stuart initiated the popular creative writing workshop on the campus in 1969. An anthology of outstanding student work from each workshop is published by Murray State.

**Turnpike Section Hearing Scheduled**

LEBANON JUNCTION, Ky. (AP) — The state Bureau of Highways plans to hold a public meeting here July 28 to discuss plans for a seven-mile section of the Kentucky Turnpike.

The state plans to rebuild the section with six lanes to make it a full-fledged part of the Interstate 65. The turnpike recently was made toll free.

## Jefferson Officials Begin Plans For School Desegregation Program

LOUISVILLE, Ky. (AP) — Jefferson County school officials and U.S. District Court Judge James Gordon have begun making plans for a new school desegregation program, expected to include county-wide busing. School Supt. Ernest Grayson and members of the school district's desegregation planning teams were to meet Tuesday morning at 9:30 a.m. in Gordon's chambers.

The conference comes after Gordon last Thursday rejected two plans previously presented by the former city and county school boards and took responsibility for drawing up a comprehensive desegregation plan to go into effect Sept. 4.

Earlier that day, Gordon had received an order from the U.S.

Circuit Court of Appeals in Cincinnati mandating full compliance with its desegregation order by that time.

School administrators have refused to discuss any of the guidelines that might possibly be used in drawing up the new plan. But Grayson said Monday night the judge has announced that he intends to take quick action on the new plan. "He said he would have it pretty well fixed in his mind what he wants to do" by Tuesday or Wednesday, the superintendent said.

Members of the old Jefferson County school board have been expected to appeal the U.S. Appeals Court decision to the Supreme Court. But the board's chairman, the Rev. Don Randolph said Monday the board

won't meet to decide that issue until the new desegregation plan is completed.

Monday, Louisville Mayor Harvey Sloane and Chief of Police John Nevin addressed members of the city's police department as they prepared to go on duty, urging them to "set the tone" for the community's response to forced busing for integration.

Nevin told his officers he realized many of them had serious reservations about busing and urged them to use moderation in discussing the subject with family and friends. He said he would try to rearrange assignments for officers with conflicts or for those who might come in contact with their own family members in carrying out the busing order.

Sloane told the officers, "I've got to be behind you. Chief Nevin is going to be behind you. But you all are going to be out there."

"Whatever happens, the attitudes and the actions that you take, especially when that day comes, will set the tone on how this community is going to survive and how it is going to implement this forced busing order."

Kelly and McCann were convicted of wiretapping Hunt employees and were each sentenced to three years in prison.

## Seven Indicted On Conspiracy Charges

DALLAS, Tex. (AP) — Seven men, including Houston lawyer Percy Foreman and two sons of the late Dallas oil billionaire H.L. Hunt, have been indicted by a federal grand jury here on charges of conspiracy and obstruction of justice.

The indictment alleges that Nelson Bunker Hunt, W. Herbert Hunt, Foreman, three Dallas lawyers and a retired Houston industrialist paid witnesses to go to prison and keep quiet about the illegal wiretapping of Hunt employees by the Hunts.

The nine-count indictment was returned Monday night, only hours before the grand jury's term expired.

Also named in the indictment were Ralph Shank, Charles Tesser and B.H. Timmins Jr., all Dallas lawyers, and Edward J. Hudson of Houston, retired president of Hudson Engineering Corp. of Houston.

The indictment alleges that a prospective witness, Jon Kelly, was promised by the Hunts, Tesser and Shank in October 1971 and again the following month that he would be paid \$1,250 for each month he spent in prison if he did not testify against the Hunts, the indictment said.

A similar offer was made in October 1971 to another witness, Patrick McCann, the indictment said.

The indictment charged that during the first two months of 1972, the Hunt brothers, Shank, Hudson and Foreman entered into an agreement that Foreman would be paid \$100,000 to keep Kelly and a third witness, W.J. Everett, silent about the wiretapping.

Everett earlier had been offered \$800 for each month in prison in exchange for his silence, according to the indictment.

Introducing... Harvey Ellis and Ray Brownfield

Harvey Ellis of Fairlane Drive, Murray, has been with the bank for over twenty years, having started as farm representative and now as senior vice-president, handling agricultural loans. Ellis is a graduate of Hazel High School and received his degree from the University of Kentucky. He is a member of the First United Methodist Church and serves on the Administrative Board. He and his wife, Nell, have one daughter, Mrs. Vickie Shell, and one grandson, Brian Shell.

Ray Brownfield of Johnny Robertson Road, Murray Route Seven, has been with the bank for twelve years and is now a vice-president, handling real estate loans. A native of Buffalo in Larue County, Brownfield graduated from the University of Kentucky, Lexington, School of Banking, Northwestern University, Chicago, Ill., and School of Banking, Real Estate Finance, Ohio State University, Columbus, Ohio. He is a deacon and Sunday School teacher at First Baptist Church and is a member of the Murray Rotary Club having served as secretary. He and his wife, Geneva, have two daughters, Linda Lee and Mary Lee.

## TV Service Center

TV Service Center has been serving Murray for the last 13 years under the ownership and management of Hafford James. Four years ago the store moved to Central Shopping Center.

Recently, Barry James since out of high school will be going into business with his Dad. In the fall he will be entering electronics school.

TV Service Center specializes in TV's and Stereos by Curtis Mathes. TV towers and antennas are strictly at wholesale prices. They also sell the largest up-to-date supply of tapes and albums in Murray.

TV Service Center features car and home stereos by Craig, Sanyo, Hitachi, Pioneer. In Hi-Fi Stereo equipment, they have Sansui, Audiovox and KLH speakers and many other brands.

The Center features an up to date service department with a qualified technician who services only what they sell.

Come out to see Lou, Barry, and Hafford James and see why they are "a working man's friend."

Jackson Purchase Production Credit Association located on 4th Street is member owned with Keys Keel as the Murray office manager and Tommy Murphey as the association assistant vice-president.

Jackson Purchase PCA started in 1934 with offices in Mayfield and Hickman County. Since then they have expanded to every county in the Jackson Purchase area except for Marshall County. Locally, PCA opened in July 1952, and takes care of Calloway and Marshall Counties.

The central office for the Jackson Purchase PCA is located in Mayfield. At the present time, the association has about \$50 million loaned to the Purchase farmers.

Jackson Purchase PCA can make loans for any farm purposes. This includes budgeted operated loans, revolving lines of credit, real estate loans and capital improvement loans. The association also has farm management specialists who provide a complete record keeping program and estate planning. These specialists also helps the farmer in filling out his income taxes and with other legal aspects of farming. In addition to this the association has a farm equipment program.

Go to Jackson Purchase Production Credit Association and see why they are called "The Go Ahead People."

**HOW DOES  
YOUR PRINTING  
LOOK?**

Interesting, isn't it? Printing isn't like that, however. What you see won't change no matter how long you look at it. And the kind of printing you use reflects on the character of your business. We know and understand this, and so do our people. We take pride in the quality of our work, and our ever growing list of customers who keep coming back leads us to believe we have something better to offer.

If we're not serving you presently, we invite you to give us a try on your next printing order. We're confident you'll be pleased with what you'll see.

## Strong Pitching Key For Park League East Stars

Good pitching will be the key for the East All-Star team when the Park League holds its first annual All-Star game at 6 p.m. Wednesday at the league diamond.

Pitching for the East will be Jimmy West of the Cubs, James Kendall of the Braves and Mark Boggess of the Twins.

West has been the mainstay of the Cub pitching staff all year. He has posted a 5-0 record, which is tops in the league. He has appeared in 29 innings, struck out 65 and has given up only 17 hits all year. His most impressive win was a one-hitter against the Tigers when he struck out 11 in the Cubs 5-0 win.

He pitched two-hitters and three-hitters twice against the league-leading Yankees. He has beaten the Yankees twice by identical 2-1 scores, the only games the Yankees have lost.

James Kendall of the Braves is 2-5 on the season. The little hard-throwing right-hander has struck out 72 batters in 28 innings which puts him in second place in the league behind Harry Weatherly of the Tigers.

Kendall's most impressive games this summer have been three-hitters against the Twins and Cards. Both times he fanned 11 in losing efforts. He has given up 26 hits this summer.

Mark Boggess of the Reds is 3-4 on the year and in a fourth place tie in the league for most strikeouts with teammate West. Both have fanned 65 batters. Boggess has given up 30 hits in 27 innings on the mound.

Boggess once fanned 14 of 15 batters against the Braves and three times he has fanned 10. These three pitchers combine for a total of 202 strikeouts in 84 innings while giving up a total of 73 hits.

Like the West team, the East has a 12-man roster. Here is a capsule summary of each player:

Mark Boggess is the number two hitter in the league behind Kelly Calvin of the Cards. Boggess is sporting a .758 average with 25 hits in 33 trips to the plate.

He has 26 runs batted in which places him second in the league. He is also second in the league with eight doubles.

David McCuiston of the Reds is the second leading hitter for the East. He has a .600 average on 18-30 and ranks fifth in the league. He leads the league in triples with four and is second in homers with four.

Jimmy Parrish of the Reds has put together a string of nine consecutive hits in raising his batting average to .594 with 22 hits in 39 times at bat. He is

second in the league with doubles, third in total hits (22) and sixth in RBI's (18).

Billy Wells of the Reds has 17-31 at the plate for a .550 average. He has three homers this season, two coming in one game, which means he can be an explosive hitter. He has 17 RBI's which ranks seventh in the league.

Jimmy West of the Cubs is batting an even .500 with 13-26. He has three doubles on the season and has knocked in 14 runs. He is the biggest player in the league and rates as a fine prospect for the Little League.

Dana Pearson of the Cubs is batting .459 on the year with three doubles and five runs batted in. He's been one of the leading performers for the Cubs all season in helping them to a fine 8-4 record.

James Kendall of the Braves is batting .400 for the season with 10-25. He has a double and five runs batted in, playing for the 5-7 Braves. He will also pitch two innings.

David Snow of the Cubs is hitting .363 on the season. He has batted in three runs. He has performed remarkably behind the plate for the Cubs in his first attempt at catching.

Shay Guthrie of the Twins is hitting .250 on the season with seven hits in 28 plate appearances. He has two doubles

and eight RBI's for the 5-7 Twins. He also pitches.

David Seaford of the Braves has five hits in 23 at bats for a .217 average. All five of his basehits have come in the past two weeks.

Andy Parks of the Twins is a hard-throwing left-hander. He's batting .211 on the season and has three RBI's. He's also a pitcher.

The final member of the East All-Stars is Jon Mark Billington of the Braves. He's hitting .208 on the season and has a homer. He too is a pitcher.

Four teams compose the East All-Stars. They are the Cubs, Reds, Braves and Twins. Those teams have combined for a 25-23 season record. The four teams that compose the West, the Yanks, Astros, Cards and Tigers, have combined for a 23-25 season.

Pre-game ceremonies Wednesday will begin at 5:30 p.m. Both lineups will be introduced and each player on the All-Star team will receive a trophy.

With the talent in this year's All-Star game, it will definitely be a showcase for some of the talent coming up for the Little League next year.

## Annual Sale Of Thoroughbred Yearlings To Continue Today

LEXINGTON, Ky. (AP) — The annual Keeneland sale of thoroughbred yearlings continues today and tonight after an opening day in which 171 horses sold for \$7,978,000, including one for a record setting \$715,000.

Mrs. Ann Trimble Clark, acting as an agent for Mr. and Mrs. Franklin Groves of Minneapolis, paid that amount for a full brother to Majestic Prince and Crown Prince.

"The chestnut colt, by Raise A Native-Gay Hostess, is the first thoroughbred ever owned by the Groves, who show saddlebred horses and are in the earth moving business."

"They came down here last week for the Junior League Horse Show and won the five-gaited stake with Belle Elegant," Mrs. Clark said.

"I have a Majestic Prince colt in the sale tomorrow afternoon and they asked me if it

would bring the top price," she said. "I said, 'oh no, the Raise A Native colt Monday night will be the tops,' and they told me to buy it."

"They called back yesterday and told me I could go to \$700,000. I paid the next \$15,000 because I want saddlebred people to own a thoroughbred champion," Mrs. Clark said.

The bidding on the colt began at \$100,000 and took 24 jumps before the final bid.

By contrast, there were only three bids last year for the record high price of \$625,000. When bidding on the colt reached \$709,000, Tom Caldwell, the auctioneer, pleaded for another thousand, saying, "It looks so much better in the record book to have an even number."

After a bid of \$711,000, Cald-

well asked Mrs. Clark to make it \$725,000.

"It sounds so easy when you say it quick," he said.

But she went to only \$715,000 to beat the world record set here last year when Mr. and Mrs. Wallace Gilroy of Chicago bought another son of Raise A Native for \$625,000.

## Billy Martin Says He Won't Go Back To Game

By DENNE H. FREEMAN  
AP Sports Writer  
ARLINGTON, Tex. (AP) — Billy Martin says it's three strikes and he is out of baseball.

"I don't think I can come back into baseball because my reputation precedes itself no matter where I go," said the feisty Martin, who was fired Monday by Texas Ranger majority owner Brad Corbett and replaced by former Philadelphia Manager Frank Lucchesi.

Martin, the American League Manager of the Year in 1974, was fired by the Rangers for the same reasons he was given the axe at Minnesota in 1969 and Detroit in 1973: disputes with the front office.

He said of the Rangers, "They want a winner and they want a 'yes man,' but I can't be both."

Martin brashly predicted a pennant for the Rangers in 1975 but their defense fell apart and

the pitching quickly followed. Texas was 15½ games out of first place going into Monday night's game with Boston.

"I'm happy about one thing," said Martin. "I brought Texas a winner ... I brought them a million fans and I brought them some real major league baseball."

A bitter Martin said Corbett "knows about as much about baseball as I do pipe." Corbett is in the plastic pipe manufacturing business in Fort Worth.

"Corbett is in baseball one year and all of a sudden he's a genius," added Martin, his eyes reddened by 48 sleepless hours. "I was against the Willie Davis trade all the way."

Martin said, "He (Corbett) accused me of being disloyal. Well, I might be a miserable little guy but there's one thing I'm not and that's disloyal. I'd rather be dead than be disloyal."

With one year remaining on his contract, Martin collided

with the Ranger front office over the acquisition of Tom Egan, a catcher released by the California Angels.

Rangers General Manager Danny O'Brien didn't want Egan because he didn't fit into the Texas youth movement mold.

"It all happened over a petty thing," Martin said. "I wanted Egan because he could have helped Bill Fahey have a bad hand and can't play."

The Texas Ranger switchboard lit up with calls from irate fans—some threatening never to spend another nickel at Arlington Stadium.

"I recognize the trauma it will cause with the fans," said Corbett. "The fan reaction will be tough."

"As a student of the game, Billy was one of the finest. But there are causes beyond the won-lost record that I think are not appropriate to discuss."

Asked if he considered Martin disloyal, Corbett said, "I wouldn't care to comment on that."

Corbett said the Rangers had to concentrate on going with their young players. "We've got to settle down and keep players in one position," said Corbett.

"I plan to spend some time at (his Arlington) home with my family," said Martin. Then he laughed, "I guess the Rangers will let me keep that for while."

Martin said he had no immediate plans although there was speculation Kansas City would like to hire him.

## Buechler Remains Alive In Clay Court Tourney

LOUISVILLE, Ky. (AP) — There were no upsets Monday as all 16 seeded players in the National Junior Clay Court Tennis Championships won their matches at the Louisville Tennis Center.

Top-seeded defending champion Ben McKown of Lakeland, Florida drew a first round bye

and then topped 6-2, 6-3 Barry Losson of St. Joseph, Mo. Jai DiLouie of Dallas, Tex., the tournament's second-seeded player, also downed his opponent John Fishwick of Roanoke Va. 6-2, 6-3.

Monday's upset scares involved fifth seeded John Austin, 14th seeded Glen Petrovic and 15th seeded Charles Strode.

Louisville's Mark Buechler won his first two matches, taking Mike Benado of East Meadow, N.Y. 6-0, 6-1 and downing Dick Jones of Los Altos Hills, Calif. 6-2, 6-4. Tuesday, he faces fourth seeded Matt Mitchell of Palto Alto, Calif.

The only other Kentuckians in the field of 116 fared not so well in Monday's play. Paul Lang, also of Louisville, lost to Cary Leeds of New York City, 6-2, 7-5 and Danny Gunther of Louisville was beaten by Mark Nammacher of Minneapolis, Minn. 6-4, 6-3.

### Pre-Season Games

PHOENIX, Ariz. (AP) — The Phoenix Suns of the National Basketball Association will play six preseason games this fall — half of them against the Los Angeles Lakers.

Club officials announced Monday that the Suns will open the exhibition season Oct. 1 against the Lakers in Santa Barbara, Calif. The two clubs will also meet Oct. 8 in Bakersfield, Calif., and Oct. 11 in Phoenix.

The rest of the Suns' pre-season schedule involves an Oct. 12 date in Ellensburg, Wash., against the Seattle SuperSonics; an Oct. 18 contest in Phoenix against the Kansas City Kings; and an Oct. 20 game with the Kings in Las Vegas, Nev.

## No Hopes For Verdict Soon On Rozelle Rule

By JOHN LUNDQUIST  
Associated Press Writer  
MINNEAPOLIS, Minn. (AP) — Nearly two months of testimony have been concluded on the trial of the National Football League's Rozelle Rule, but there's no prospect for a quick end to what has become a festering sore to the NFL Players Association, league officials and club owners.

It may take another three years for a final verdict, in the view of U.S. District Judge Earl R. Larson. He said in an interview he doesn't expect to hand down a verdict until late this year.

An appeal is almost automatic, no matter which way he rules, meaning the case would head for the U.S. Court of Appeals before possibly reaching the U.S. Supreme Court.

The class-action suit was filed on behalf of all players in 1972 but was reduced to 15 plaintiffs as the case began before Larson last February.

Former Minnesota and New England quarterback Joe Kapp blazed the trail for the NFLPA suit. He prevailed in a legal attack on the standard players contract, which also resulted in a ruling against the Rozelle

Rule. The question of damages is pending.

NFL officials and club owners prefer the term "option compensation rule," but it's commonly known in sports as the Rozelle Rule. By playing the club's option year after a contract expires, usually at a 10 per cent pay cut, the player is a free agent the next May 1.

In event he signs with a new team, the club losing the player must be compensated by the other team. And if the teams can't agree on the compensation, Commissioner Pete Rozelle must dictate terms — usually involving a pick in the next college draft or a player trade.

A parade of 49 witnesses appeared before Larson, and attorneys introduced some 320 exhibits — not all of which were received. They varied from a single sheet of paper to sheafs of contracts and pamphlets and books.

The cross-currents of testimony revealed a deep conviction by each side in the sport's titanic legal test.

Most plaintiffs took the stand to tell why the Rule prevents them from dealing freely with other teams.

## Murray Little Leaguers At Henderson Thursday

The Murray Little League All-Stars need only one more win to qualify for the State Little League Tournament. They will go after that win at 7 p.m. Thursday when they visit Henderson.

Last year, the State Tournament was held in Ashland and Murray had to defeat Henderson and Owensboro to get into the final four. However, the State Tournament this year is set for Mayfield and by winning over Henderson Thursday, Murray would receive a bye and automatically become a state semifinalist.

Murray won the right to meet Henderson last week when the local All-Stars captured the District Tournament by winning three consecutive games.

Here is the route for fans who plan to go to Henderson: Go to Princeton and get on the Western Kentucky Parkway. Stay on the Parkway until you get to the Madisonville-Hopkinsville exit. Get off there and that will take you to the Pennyrile Parkway.

The Pennyrile Parkway ends in the northern section of Henderson. At the first stop light by McDonalds, turn left on Rettig Road and go one block. Turn left on Elm Street and go four or five blocks which will put you in the City Park where the game will be played.

## Murray City Open Net Tourney Taking Entries

The second annual Murray City Open Tennis Tournament, sponsored by the Murray City Park and Recreation Department and by the Murray Ledger & Times, will be held August 2 and 3.

Entry blanks may be picked up at either the City Park Office or at Dennison-Hunt Sporting Goods.

Blanks must be returned no later than July 30.

In the open division, men's and women's singles and doubles will be held in addition to mixed doubles and men's 45 and over singles.

In the junior division, boy's and girl's singles and doubles titles will be at stake in the following divisions: 16 and under, 14 and under and 12 and under.

Last year's tourney drew 225 participants from all over the Jackson Purchase. This year's tournament is expected to attract a throng of nearly 300 tennis players.

## Torre Goes Into Record Book Hits Into Three Doubleplays

By HOWARD SMITH  
AP Sports Writer

Joe Torre is a lifetime .300 hitter. He's driven in 100 runs or more in five different seasons. He's won the Most Valuable Player award. But he's never gotten into baseball's record book.

Monday night he made it. Future generations will find Torre under "Most double plays hit into — four."

Torre became the third major leaguer in history, and the first in the National League, to hit into four double plays in one game when he turned the trick during the New York Mets' 6-2 loss to the Houston Astros.

He did it in the first, third, sixth and eighth innings, squashing budding rallies each time, to join fellow immortals Goose Goslin, who did it with Detroit in 1934, and Mike Kreevich, Chicago White Sox class of '39, in the hallowed halls.

"When I retire I'm gonna buy a shortstop and put him in my den," said Torre. "At night, when I'm lonely, I'm gonna go down there and hit grounders to him."

Elsewhere in the National League, St. Louis blanked San Diego 4-0, Cincinnati rocked Philadelphia 10-4, Atlanta beat Montreal 4-1, Chicago shaded Los Angeles 1-0 and San Francisco dumped Pittsburgh 7-2.

### Egypt Tour

ANN ARBOR, Mich. (AP) — The University of Michigan basketball team will leave July 31 for a 15-day tour of Egypt; university officials said Monday.

The team will play eight games during the trip and participate in three basketball clinics in several Egyptian cities. Ten players will make the trip, along with a student manager and head coach Johnny Orr, assistant coach John Dutcher and their wives.

The NCAA-approved trip is sponsored by the U.S. State Department and the People to People Sports Committee, officials said. The tour is financed through private contributions.

## Twilley Says Loss Of Three Superstars To Help Dolphins

By JOHN R. SKINNER  
AP Sports Writer

MIAMI (AP) — Veteran receiver Howard Twilley says the loss of Larry Csonka, Paul Warfield and Jim Kiick to the World Football League hurt the Miami Dolphins physically, but it helped them psychologically.

"I know many of our veterans have a rededicated attitude," said Twilley, adding he expects players to respond as they did in 1972 when quarterback Bob Griese was hurt and missed 10 games.

"I think the attitude then was, 'Let's all reach back and give it a little extra,'" he said. The Dolphins, with Earl Morrall replacing Griese, went undefeated on the way to the 1972 National Football League title.

"Many of our veteran players realize you don't replace a Csonka, Warfield and Kiick," he said of the trio which led Miami into the playoffs five straight years and to two Super Bowl titles.

"Not that our current players

aren't good," he added. "It's just that these kind of people aren't around all the time."

Csonka and Warfield were perennial All-Pro selections and Kiick was dependable to pick up needed short yardage

against stacked defenses.

Twilley, who along with tackle Norm Evans is the last of the original 1966 Dolphins, had his best showing ever in the 12-minute run Monday by completing 12 laps an 50 yards around the football field.

## Astros Clip Cubs In Kentucky League Game

The Astros ripped the Cubs 10-6 in a Kentucky League contest played Monday evening.

The Astros scored four times in the top of the first and were never really in trouble in the contest.

Randy Wilson continued his hot hitting for the Astros as he banged out three hits to pace the

attack. Scherer, Utley and Smotherman all had two hits apiece while Stout, Resig, Lahde and Turner hit safely for the winners.

Diana Duncan had two doubles to pace the Cubs while Barrow and Priest also hit safely.

## Lucchesi Makes Debut Success As Rangers Clip Red Sox 6-0

By BRUCE LOWITT  
AP Sports Writer

Frank Lucchesi was worried about how Texas' fans would treat him as their team's new manager. It took only a few minutes for the Rangers to put his mind at ease ... for the moment, anyway.

"I was, of course, concerned about the fan reaction," Lucchesi said after he took over as the Rangers' head man Monday night, only a few hours after fiery Billy Martin was fired. "But that four-run first inning sure helped. Tonight's game meant a lot."

Rookie Dave Moates hit his first major league home run to trigger the outburst that took the heat off Lucchesi and enabled the Rangers to breeze past the Boston Red Sox 6-0 behind Ferguson Jenkins' five-hit

ter. In the rest of the American League, Baltimore beat Oakland 6-2, Minnesota blanked New York 3-0, Kansas City edged Detroit 3-2, Milwaukee defeated Chicago 7-4 and Cleveland slipped past California 2-1 in 11 innings.

Lucchesi, who had been Martin's third base coach before the axe fell, acknowledged that one victory doesn't make a season and that he could still feel the fans' wrath if the Rangers

don't show a marked improvement on their 45-51 record that has them buried in fourth place in the West Division, 14½ games out of first.

Orioles 6, A's 2  
Baltimore's Lee May continued his assault on the league's pitchers with three hits and two runs batted in, one on a tremendous homer, to help beat Oakland.

May, who drilled a homer to start a two-run second inning, singled to help build a run in the third and doubled to knock in the first of three runs in the fifth, is hitting .533 in his last eight games and has raised his season average to .270.

Twins 3, Yankees 0

Bert Blyleven fired a four-hitter for his first shutout of the year to beat the Yankees. The Twins gave him a run in the second inning on successive singles by Jerry Terrell, Rod Carew and Tony Oliva, then singles by Carew and Oliva, a bunt and Lyman Bostock's two-run single wrapped it up in the seventh.

Royals 3, Tigers 2

John Mayberry's 19th and 20 home runs of the season led Kansas City past the Tigers. His solo shot in the first inning and the decisive two-run belt in the third off Mickey Lolich gave him 11 in the month of

July, setting a Royals' record.

Brewers 7, White Sox 4

Bobby Darwin's three-run homer and Hank Aaron's two-run single propelled Milwaukee past the White Sox. Aaron's single in the third inning followed a single by Robin Yount, a walk, a sacrifice and an intentional walk to George Scott. Darwin's 11th homer of the season capped a four-run outburst in the eighth.

Indians 2, Angels 1

Oscar Gamble's sixth homer, a leadoff shot in the 11th inning, carried the Indians over California. Lee Stanton hit his 10th homer in the second inning for the Angels and Cleveland tied in the fourth on Rico Carty's grounder.

### TENNIS

WASHINGTON — Defending champion Harold Solomon of Washington beat Steve Krulvitz of Baltimore 6-4, 6-2 in the first round of the Washington Star International tennis tournament.

LOUISVILLE, Ky. — Top-

seeded and defending champion Ben McKown of Lakeland, Fla., scored a 6-2, 6-3 victory over Barry Losson of St. Joseph, Mo., in a second-round match at the National Clay Court Tennis Championships.

### Still Dominating

TORONTO (AP) — Japan continued its domination of the international Olympic-class women's volleyball tournament with a 3-0 victory over the Soviet Union at Maple Leaf Gardens Monday.

Japan, which is undefeated in the tournament, won 15-6, 15-1, 15-6 over the Soviets.

Canada was defeated 3-1 by the United States in another match.

The tournament continues today in Winnipeg.

### Swim Coach Selected

COLUMBUS, Ohio (AP) — Subject to approval of trustees' Richard H. Sloan will become head swimming coach at Ohio State University Sept. 1, the university has announced.

Sloan has been athletic director and swimming coach at Kenyon College the past seven years. He also taught physical education and served as assistant football and assistant swimming coach at the University of Illinois for seven years.

Sloan's Kenyon teams won seven Ohio Conference championships and continued the school's long domination of the league.

"Corbett is in baseball one year and all of a sudden he's a genius," added Martin, his eyes reddened by 48 sleepless hours.

"I was against the Willie Davis trade all the way," Martin said. "He (Corbett) accused me of being disloyal. Well, I might be a miserable little guy but there's one thing I'm not and that's disloyal. I'd rather be dead than be disloyal."

With one year remaining on his contract, Martin collided

with the Ranger front office over the acquisition of Tom Egan, a catcher released by the California Angels.

Rangers General Manager Danny O'Brien didn't want Egan because he didn't fit into the Texas youth movement mold.

"It all happened over a petty thing," Martin said. "I wanted Egan because he could have helped Bill Fahey has a bad hand and can't play."

The Texas Ranger switchboard lit up with calls from irate fans—some threatening never to spend another nickel at Arlington Stadium.

"I recognize the trauma it will cause with the fans," said Corbett. "The fan reaction will be tough."

"As a student of the game, Billy was one of the finest. But there are causes beyond the won-lost record that I think are not appropriate to discuss."

Asked if he considered Martin disloyal, Corbett said, "I wouldn't care to comment on that."

Corbett said the Rangers had to concentrate on going with their young players. "We've got to settle down and keep players in one position," said Corbett.

"I plan to spend some time at (his Arlington) home with my family," said Martin. Then he laughed, "I guess the Rangers will let me keep that for while."

Martin said he had no immediate plans although there was speculation Kansas City would like to hire him.

## Buechler Remains Alive In Clay Court Tourney

LOUISVILLE, Ky. (AP)—There were no upsets Monday as all-16 seeded players' the National Junior Clay Court Tennis Championships won their matches at the Louisville Tennis Center.

Top-seeded defending champion Ben McKown of Lakeland, Florida drew a first round bye

and then topped 6-2, 6-3 Barry Lossos of St. Josephs, Mo. Jai DiLottie of Dallas, Tex., the tournament's second-seeded player, also downed his opponent John Fishwick of Roanoke Va. 6-2, 6-3.

Monday's upset scares involved fifth seeded John Austin, 14th seeded Glen Petrovic and 15th seeded Charles Strode.

Louisville's Mark Buechler won his first two matches, taking Mike Benado of East Meadow, N.Y. 6-0, 6-1 and downing Dick Jones of Los Altos Hills, Calif. 6-2, 6-4. Tuesday, he faces fourth seeded Matt Mitchell of Palto Alto, Calif.

The only other Kentuckians in the field of 116 fared not so well in Monday's play. Paul Lang, also of Louisville, lost to Cary Leeds of New York City, 6-2, 7-5 and Danny Gunther of Louisville was beaten by Mark Nammacher of Minneapolis, Minn. 6-4, 6-3.

### Pre-Season Games

PHOENIX, Ariz. (AP) — The Phoenix Suns of the National Basketball Association will play six preseason games this fall — half of them against the Los Angeles Lakers.

Club officials announced Monday that the Suns will open the exhibition season Oct. 1 against the Lakers in Santa Barbara, Calif. The two clubs will also meet Oct. 8 in Bakersfield, Calif., and Oct. 11 in Phoenix.

The rest of the Suns' pre-season schedule involves an Oct. 12 date in Ellensburg, Wash., against the Seattle SuperSonics; an Oct. 18 contest in Phoenix against the Kansas City Kings; and an Oct. 20 game with the Kings in Las Vegas, Nev.

## Strong Pitching Key For Park League East Stars

Good pitching will be the key for the East All-Star team when the Park League holds its first annual All-Star game at 6 p.m. Wednesday at the league diamond.

Pitching for the East will be Jimmy West of the Cubs, James Kendall of the Braves and Mark Boggess of the Twins.

West has been the mainstay of the Cub pitching staff all year. He has posted a 5-0 record, which is tops in the league. He has appeared in 29 innings, struck out 65 and has given up only 17 hits all year. His most impressive win was a one-hitter against the Tigers when he struck out 11 in the Cubs 5-0 win.

He pitched two-hitters and three-hitters twice against the league-leading Yankees. He has beaten the Yankees twice by identical 2-1 scores, the only games the Yankees have lost.

James Kendall of the Braves is 2-5 on the season. The little hard-throwing righthander has struck out 72 batters in 28 innings which puts him in second place in the league behind Harry Weatherly of the Tigers.

Kendall's most impressive games this summer have been three-hitters against the Twins and Cards. Both times he fanned 11 in losing efforts. He has given up 26 hits this summer.

Mark Boggess of the Reds is 3-4 on the year and in a fourth place tie in the league for most strikeouts with teammate West. Both have fanned 65 batters. Boggess has given up 30 hits in 27 innings on the mound.

Boggess once fanned 14 of 15 batters against the Braves and three times he has fanned 10. These three pitchers combine for a total of 202 strikeouts in 84 innings while giving up a total of 73 hits.

Like the West team, the East has a 12-man roster. Here is a capsule summary of each player:

Mark Boggess is the number two hitter in the league behind Kelly Calvin of the Cards. Boggess is sporting a .758 average with 25 hits in 33 trips to the plate.

He has 26 runs batted in which places him second in the league. He is also second in the league with eight doubles.

David McCuiston of the Reds is the second leading hitter for the East. He has a .600 average on 18-30 and ranks fifth in the league. He leads the league in triples with four and is second in homers with four.

Jimmy Parrish of the Reds has put together a string of nine consecutive hits in raising his batting average to .594 with 22 hits in 39 times at bat. He is

second in the league with doubles, third in total hits (22) and sixth in RBI's (18).

Billy Wells of the Reds has 17-31 at the plate for a .550 average. He has three homers this season, two coming in one game, which means he can be an explosive hitter. He has 17 RBI's which ranks seventh in the league.

Jimmy West of the Cubs is batting an even .500 with 13-26. He has three doubles on the season and has knocked in 14 runs. He is the biggest player in the league and rates as a fine prospect for the Little League.

Dana Pearson of the Cubs is batting .459 on the year with three doubles and five runs batted in. He's been one of the leading performers for the Cubs all season in helping them to a fine 8-4 record.

James Kendall of the Braves is batting .400 for the season with 10-25. He has a double and five runs batted in, playing for the 5-7 Braves. He will also pitch two innings.

David Snow of the Cubs is hitting .363 on the season. He has batted in three runs. He has performed remarkably behind the plate for the Cubs in his first attempt at catching.

Shay Guthrie of the Twins is hitting .250 on the season with seven hits in 28 plate appearances. He has two doubles

and eight RBI's for the 5-7 Twins. He also pitches.

David Seaford of the Braves has five hits in 23 at bats for a .217 average. All five of his basehits have come in the past two weeks.

Andy Parks of the Twins is a hard-throwing lefthander. He's batting .211 on the season and has three RBI's. He's also a pitcher.

The final member of the East All-Stars is Jon Mark Billington of the Braves. He's hitting .208 on the season and has a homer. He too is a pitcher.

Four teams compose the East All-Stars. They are the Cubs, Reds, Braves and Twins. Those teams have combined for a 25-23 season record. The four teams that compose the West, the Yanks, Astros, Cards and Tigers, have combined for a 23-25 season.

Pre-game ceremonies Wednesday will begin at 5:30 p.m. Both lineups will be introduced and each player on the All-Star team will receive a trophy.

With the talent in this year's All-Star game, it will definitely be a showcase for some of the talent coming up for the Little League next year.

## Annual Sale Of Thoroughbred Yearlings To Continue Today

LEXINGTON, Ky. (AP) — The annual Keeneland sale of thoroughbred yearlings continues today and tonight after an opening day in which 171 horses sold for \$7,978,000, including one for a record setting \$715,000.

Mrs. Ann Trimble Clark, acting as an agent for Mr. and Mrs. Franklin Groves of Minneapolis, paid that amount for a full brother to Majestic Prince and Crown Prince.

"The chestnut colt, by Raise A Native-Gay Hostess, is the first thoroughbred ever owned by the Groves, who show saddlebred horses and are in the earth moving business."

"They came down here last week for the Junior League Horse Show and won the five-gaited stake with Belle Elegance," Mrs. Clark said.

"I have a Majestic Prince colt in the sale tomorrow afternoon and they asked me if it

would bring the top price," she said. "I said, 'oh no, the Raise A Native colt Monday night will be the tops,' and they told me to buy it."

"They called back yesterday and told me I could go to \$700,000. I paid the next \$15,000 because I want saddlebred people to own a thoroughbred champion," Mrs. Clark said.

The bidding on the colt began at \$100,000 and took 24 jumps before the final bid.

By contrast, there were only three bids last year for the record high price of \$825,000.

When bidding on the colt reached \$709,000, Tom Caldwell, the auctioneer, pleaded for another thousand, saying, "It looks so much better in the record book to have an even number."

After a bid of \$711,000, Cald-

well asked Mrs. Clark to make it \$725,000.

"It sounds so easy when you say it quick," he said.

But she went to only \$715,000 to beat the world record set here last year when Mr. and Mrs. Wallace Gilroy of Chicago bought another son of Raise A Native for \$625,000.

## No Hopes For Verdict Soon On Rozelle Rule

By JOHN LUNDQUIST  
Associated Press Writer

MINNEAPOLIS, Minn. (AP) — Nearly two months of testimony have been concluded on the trial of the National Football League's Rozelle Rule, but there's no prospect for a quick end to what has become a festering sore to the NFL Players Association, league officials and club owners.

It may take another three years for a final verdict, in the view of U.S. District Judge Earl R. Larson. He said in an interview he doesn't expect to hand down a verdict until late this year.

An appeal is almost automatic, no matter which way he rules, meaning the case would head for the U.S. Court of Appeals before possibly reaching the U.S. Supreme Court.

The class-action suit was filed on behalf of all players in 1972 but was reduced to 15 plaintiffs as the case began before Larson last February.

Former Minnesota and New England quarterback Joe Kapp blazed the trail for the NFLPA suit. He prevailed in a legal attack on the standard players contract, which also resulted in a ruling against the Rozelle

Rule. The question of damages is pending.

NFL officials and club owners prefer the term "option compensation rule," but it's commonly known in sports as the Rozelle Rule. By playing the club's option year after a contract expires, usually at a 10 per cent pay cut, the player is a free agent the next May 1.

In event he signs with a new team, the club losing the player must be compensated by the other team. And if the teams can't agree on the compensation, Commissioner Pete Rozelle must dictate terms — usually involving a pick in the next college draft or a player trade.

A parade of 49 witnesses appeared before Larson, and attorneys introduced some 320 exhibits — not all of which were received. They varied from a single sheet of paper to sheafs of contracts and pamphlets and books.

The cross-currents of testimony revealed a deep conviction by each side in the sport's titanic legal test.

Most plaintiffs took the stand to tell why the Rule prevents them from dealing freely with other teams.

## Murray Little Leaguers At Henderson Thursday

The Murray Little League All-Stars need only one more win to qualify for the State Little League Tournament. They will go after that win at 7 p.m. Thursday when they visit Henderson.

Last year, the State Tournament was held in Ashland and Murray had to defeat Henderson and Owensboro to get into the final four. However, the State Tournament this year is set for Mayfield and by winning over Henderson Thursday, Murray would receive a bye and automatically become a state semifinalist.

Murray won the right to meet Henderson last week when the local All-Stars captured the District Tournament by winning three consecutive games.

Here is the route for fans who plan to go to Henderson: Go to Princeton and get on the Western Kentucky Parkway. Stay on the Parkway until you get to the Madisonville-Hopkinsville exit. Get off there and that will take you to the Pennyrile Parkway.

The Pennyrile Parkway ends in the northern section of Henderson. At the first stop light by McDonalds, turn left on Rettig Road and go one block. Turn left on Elm Street and go four or five blocks which will put you in the City Park where the game will be played.

## Murray City Open Net Tourney Taking Entries

The second annual Murray City Open Tennis Tournament, sponsored by the Murray City Park and Recreation Department and by the Murray Ledger & Times, will be held August 2 and 3.

Entry blanks may be picked up at either the City Park Office or at Dennison-Hunt Sporting Goods.

Blanks must be returned no later than July 30.

In the open division, men's and women's singles and doubles will be held in addition to mixed doubles and men's 45 and over singles.

In the junior division, boy's and girl's singles and doubles titles will be at stake in the following divisions: 16 and under, 14 and under and 12 and under.

Last year's tourney drew 225 participants from all over the Jackson Purchase. This year's tournament is expected to attract a throng of nearly 300 tennis players.

## Torre Goes Into Record Book Hits Into Three Doubleplays

By HOWARD SMITH  
AP Sports Writer

Joe Torre is a lifetime .300 hitter. He's driven in 100 runs or more in five different seasons. He's won the Most Valuable Player award. But he's never gotten into baseball's record book.

Monday night he made it. Future generations will find Torre under "Most double plays hit into — four."

Torre became the third major leaguer in history, and the first in the National League, to hit into four double plays in one game when he turned the trick during the New York Mets' 6-2 loss to the Houston Astros.

He did it in the first, third, sixth and eighth innings, squashing budding rallies each time, to join fellow immortals Goose Goslin, who did it with Detroit in 1934, and Mike Kreevich, Chicago White Sox class of '39, in the hallowed halls.

"When I retire I'm gonna buy a shortstop and put him in my den," said Torre. "At night, when I'm lonely, I'm gonna go down there and hit grounders to him."

Elsewhere in the National League, St. Louis blanked San Diego 4-0, Cincinnati rocked Philadelphia 10-4, Atlanta beat Montreal 4-1, Chicago shaded Los Angeles 1-0 and San Francisco dumped Pittsburgh 7-2.

### Egypt Tour

ANN ARBOR, Mich. (AP) — The University of Michigan basketball team will leave July 31 for a 15-day tour of Egypt, university officials said Monday.

The team will play eight games during the trip and participate in three basketball clinics in several Egyptian cities. Ten players will make the trip, along with a student manager and head coach Johnny Orr, assistant coach John Dutcher and their wives.

The NCAA-approved trip is sponsored by the U.S. State Department and the People to People Sports Committee, officials said. The tour is financed through private contributions.

## Twilley Says Loss Of Three Superstars To Help Dolphins

By JOHN R. SKINNER  
AP Sports Writer

MIAMI (AP) — Veteran receiver Howard Twilley says the loss of Larry Csonka, Paul Warfield and Jim Kiick to the World Football League hurt the Miami Dolphins physically, but it helped them psychologically.

"I know many of our veterans have a rededicated attitude," said Twilley, adding he expects players to respond as they did in 1972 when quarterback Bob Griese was hurt and missed 10 games.

"I think the attitude then was, 'Let's all reach back and give it a little extra,'" he said. The Dolphins, with Earl Morrall replacing Griese, went undefeated on the way to the 1972 National Football League title.

"Many of our veteran players realize you don't replace a Csonka, Warfield and Kiick," he said of the trio which led Miami into the playoffs five straight years and to two Super Bowl titles.

"Not that our current players

aren't good," he added. "It's just that these kind of people aren't around all the time."

Csonka and Warfield were perennial All-Pro selections and Kiick was dependable to pick up needed short yardage

against stacked defenses.

Twilley, who along with tackle Norm Evans is the last of the original 1966 Dolphins, had his best showing ever in the 12-minute run Monday by completing 12 laps an 50 yards around the football field.

## Astros Clip Cubs In Kentucky League Game

The Astros ripped the Cubs 10-6 in a Kentucky League contest played Monday evening.

The Astros scored four times in the top of the first and were never really in trouble in the contest.

Randy Wilson continued his hot hitting for the Astros as he banged out three hits to pace the

attack. Scherer, Utley and Smotherman all had two hits apiece while Stout, Resig, Lahde and Turner hit safely for the winners.

Diana Duncan had two doubles to pace the Cubs while Barrow and Priest also hit safely.

## Lucchesi Makes Debut Success As Rangers Clip Red Sox 6-0

By BRUCE LOWITT  
AP Sports Writer

Frank Lucchesi was worried about how Texas' fans would treat him as their team's new manager. It took only a few minutes for the Rangers to put his mind at ease ... for the moment, anyway.

"I was, of course, concerned about the fan reaction," Lucchesi said after he took over as the Rangers' head man Monday night, only a few hours after fiery Billy Martin was fired.

"But that four-run first inning sure helped. Tonight's game meant a lot."

Rookie Dave Moates hit his first major league home run to trigger the outburst that took the heat off Lucchesi and enabled the Rangers to breeze past the Boston Red Sox 6-0 behind Ferguson Jenkins' five-hitter.

In the rest of the American League, Baltimore beat Oakland 6-2, Minnesota blanked New York 3-0, Kansas City edged Detroit 3-2, Milwaukee defeated Chicago 7-4 and Cleveland slipped past California 2-1 in 11 innings.

Lucchesi, who had been Martin's third base coach before the axe fell, acknowledged that one victory doesn't make a season and that he could still feel the fans' wrath if the Rangers

don't show a marked improvement on their 45-51 record that has them buried in fourth place in the West Division; 14½ games out of first.

Orlones 6, A's 2  
Baltimore's Lee May continued his assault on the league's pitchers with three hits and two runs batted in, one on a tremendous homer, to help beat Oakland.

May, who drilled a homer to start a two-run second inning, singled to help build a run in the third and doubled to knock in the first of three runs in the fifth, is hitting .533 in his last eight games and has raised his season average to .270.

Twins 3, Yankees 0  
Bert Blyleven fired a four-hitter for his first shutout of the year to beat the Yankees. The Twins gave him a run in the second inning on successive singles by Jerry Terrell, Rod Carew and Tony Oliva, then singles by Carew and Oliva, a bunt and Lyman Bostock's two-run single wrapped it up in the seventh.

Royals 3, Tigers 2  
John Mayberry's 19th and 20 home runs of the season led Kansas City past the Tigers. His solo shot in the first inning and the decisive two-run belt in the third off Mickey Lolich gave him 11 in the month of

July, setting a Royals' record.

Brewers 7, White Sox 4  
Bobby Darwin's three-run homer and Hank Aaron's two-run single propelled Milwaukee past the White Sox. Aaron's single in the third inning followed a single by Robin Yount, a walk, a sacrifice and an intentional walk to George Scott. Darwin's 11th homer of the season capped a four-run outburst in the eighth.

Indians 2, Angels 1  
Oscar Gamble's sixth homer, a leadoff shot in the 11th inning, carried the Indians over California. Lee Stanton hit his 10th homer in the second inning for the Angels and Cleveland tied in the fourth on Rico Carty's grounder.

### TENNIS

WASHINGTON — Defending champion Harold Solomon of Washington beat Steve Krulvitz of Baltimore 6-4, 6-2 in the first round of the Washington Star International tennis tournament.

LOUISVILLE, Ky. — Top-seeded and defending champion Ben McKown of Lakeland, Fla., scored a 6-2, 6-3 victory over Barry Losson of St. Joseph, Mo., in a second-round match at the National Clay Court Tennis Championships.

### Swim Coach Selected

COLUMBUS, Ohio (AP) — Subject to approval of trustees' Richard H. Sloan will become head swimming coach at Ohio State University Sept. 1, the university has announced.

Sloan has been athletic director and swimming coach at Kenyon College the past seven years. He also taught physical education and served as assistant football and assistant swimming coach at the University of Illinois for seven years.

Sloan's Kenyon teams won seven Ohio Conference championships and continued the school's long domination of the league.

# University Athletic Departments Face Female Participation Reality

By TOM SEPPY  
AP Sports Writer  
WASHINGTON (AP) — Most university athletic departments, some reluctantly, began facing the reality today that women will have to have equal opportunity to participate in their sports programs.

Congress enacted Title IX of the Omnibus Education Act three years ago banning sex discrimination in schools receiving federal funds. But the regulations implementing the legislation did not become effective until Monday, after much wrangling in Congress.

The regulations prohibit discrimination on the basis of sex

in 16,000 school districts and 2,700 institutions of higher education and educational association.

They apply to a wide variety of educational areas such as recruitment, hiring, admissions and scholarships, but the section on athletics was the most controversial and brought the most discussion.

The National Collegiate Athletic Association and its member schools have claimed that no one is opposed to equal opportunity for women in sports but they believe it means "equal expenditures." The Department of Health, Education and Welfare, which wrote the

guidelines, denies this.

Efforts to block the legislation were defeated in the House and Senate last week, but the NCAA says it will pursue passage of an amendment to the law which, in effect, would exempt money-producing sports such as football and basketball.

Under the amendment, money produced by football and basketball would first be spent on those sports and what re-

mained could then be used for the rest of the athletic program.

"We feel that this is not only a very desirable but necessary amendment," said Thomas Hanson, assistant NCAA executive director, by telephone from Kansas City.

He said the NCAA plans a convention in Chicago next month to see how economy moves can be made. "It is iron-

ic that much of the saving we could expect in Chicago would be more than offset by Title IX," he said.

"We have to accept that it is law and do all we can do to comply within reason," he said. "The reason ends when you demand that football and basketball programs be matched."

In a survey of NCAA schools by The Associated Press, most athletic directors said their

schools had already begun efforts to comply with the law, long before the Monday effective date of the regulations.

At several schools, such as William & Mary and Northwestern, a survey of the students will be conducted to see what sports they are interested in, a proposal that was in the original HEW regulations but later discarded.

## No Relic Hunting In State Park Land

LEXINGTON, Ky. (AP) — Deputy State Parks Commissioner Louis B. Hemple has reversed his previous stand on the use of metal detectors to hunt for historic relics on park lands. Hemple said he notified all state park managers yesterday not to permit anyone to dig "any place where historical artifacts might be present" within state parks.

Earlier this month, Hemple, the deputy commissioner for park operations, sent a memo to his staff instructing them to treat relic seekers using metal detectors politely and direct them to areas where they dig-

ging would not disturb other park visitors.

In response, Leon Russell, the manager of the Perryville Battlefield, set aside several acres at his park for relic hunters.

Calling the park policy a flagrant violation of the state antiquities act, state historical experts demanded a change in park policy.

State archaeologist Lathel Duffield explained that even broken scraps of materials on historic sites have significance for historians, largely because of the "context" in which they are found. And it is this contextual information, Duffield said, which is usually destroyed by relic hunter, to whom it has no significance.

## Prices Of Coffee To Rise After Frost Hits Brazil Coffee Crop

FRANKFORT, Ky. (AP) — A Louisville broadcast commentator, Peter Conn, has been appointed a special aide to the administration of Gov. Julian Carroll. Conn, a former state representative, is to assume his new responsibilities on Sept. 1, the governor's office announced Monday.

The governor's office says Conn's responsibility will be to help Carroll develop programs for the next legislative session.

Conn was a personality on WHAS radio and television in Louisville.

RIO DE JANEIRO, Brazil (AP) — An estimated three quarters of Brazil's coffee crop has been hit by frost, meaning housewives around the world may be paying 50 per cent more for coffee by this fall.

All exports have been halted until the full damage can be assessed.

Camilo Calazans de Magalhães, president of Brazil's Coffee Institute, said Monday that the frosts over the past week were the worst in 50 years, that trees were damaged "nearly down to their roots," and that this will affect the next two growing seasons.

"We were trying to produce as much as 28 million bags in the next (1976-77) crop, but now, with the frosts, we will be lucky if we produce 10 or 12 million bags," he said.

Brazil, the world's largest coffee producer, exported 12.1 million bags last year, more than half of it to the United States. In all, Brazil supplies a third of all world coffee sales.

There has been fierce trading on the London coffee market because of the Brazilian crisis and the price has advanced an unprecedented 62 per cent in two days. On Monday, the price for coffee to be traded in September skyrocketed \$391 per metric ton, closing at \$1,881.

The Brazilian crop which has been partly destroyed is next year's, but it is present prices which are affected and it is these which manufacturers must pay to replenish existing

stocks," the Financial Times of London said.

Experts of the Brazilian Rural Society estimated the 1976 coffee harvest would be only four million bags compared with 27 million in 1975.

In the first five months of 1975, Brazil exported 1.2 million bags of coffee, far below initial projections of 17 million bags by the end of the year.

Meanwhile, authorities in the flood-stricken northeastern Brazilian state of Pernambuco reported that 78 persons were confirmed dead and an estimated 60,000 were homeless.

Gen. Anaball Amaral, the interior minister's adviser on public disasters, said about 60 per cent of Recife, the capital of Pernambuco state, was flooded but that the waters have receded.

Recife and eight other municipalities have been declared disaster areas.

## Officials Continue Probe Of U. S. Export Grain Industry

NEW ORLEANS (AP) — Federal officials say they are continuing their probe of the export grain industry after the return of indictments naming the Bunge Corp. of New York and 13 present and former executives.

Sources said further federal indictments are likely to result from the two-year investigation.

The indictment returned Monday charges that Bunge employees stole more than \$1.8 million in export grain by misgrading it or short-weighting it at elevators in Destrehan, La., and Galveston, Tex.

Bunge is one of the world's largest grain exporters.

Among those named in the indictment are Walton F. Mulvey, vice president in charge of Bunge's Kansas City, Mo., office; and Clayton F. Wilcox of Hinsdale, Ill., assistant vice president and regional manager at Bunge's St. Louis and Destrehan offices.

They and the others are accused of conspiring "among themselves and with other unnamed parties to embezzle, steal and convert to themselves large quantities of grain from ships that were to transport the grain to foreign ports during the 12 years covered by the indictment."

It said 857,449 bushels of corn, wheat, soybeans and sorghum valued at \$1.5 million were sold in 33 fictitious sales between 1965 and 1970 alone.

It also said short-weighting occurred when Bunge officials manipulated elevator scales during loading, then issued false weight certificates and falsified records.

In addition to theft, the defendants are charged with defrauding the United States by evading federal supervision of the elevators and failing to maintain true records.

Maximum punishment on conviction for the individuals named in the indictment would be five years in prison and a \$10,000 fine.

**Energy Center Bids**  
FRANKFORT, Ky. (AP) — Bids are now being accepted for \$3.2 million Kentucky Energy Research Center and Finance Commissioner William Scent said he expects construction to be underway by fall.

The 1974 General Assembly appropriated funds for the center as part of a broad proposal seeking to increase the methods of coal use.

Plans for the center call for a building three stories high, housing laboratories, offices, a library, a computer center and conference space.

**To Meeting**  
FRANKFORT, Ky. (AP) — Gov. Julian Carroll is making a jetsetter excursion today to Washington, D.C. for an Appalachian Regional Commission meeting.

The governor's office said plans called for Carroll to leave Frankfort Tuesday morning and return later on that day.
