Farmers Bank Mails Out Xmas Checks—Amounting to About $20,000

Yesterday the Farmers Bank of Fulton, mailed out Christmas checks to hundreds of its debtors. For the past three years the bank has followed the plan of saving during the twenty years, mailed out Christmas checks to save the men of the county, and it is hoped that this year's check will prove to be as successful.

The evidence is that the Farmers Bank of Fulton is proving the best in the state. The bank is well known for its efficiency and thrift, and it is hoped that this year's check will prove to be as successful.

Both the Toys and Dolls are in a class by themselves. They are vastly superior to any display we have ever had. They represent the very newest thought:—among the mechanical effects in the imported toys are many remarkable inventions that will furnish delightful amusement for parents as well as for youngsters. The Dolls, in construction are the best procurable. They have the prettiest faces, the brightest eyes, the glossiest hair—in short they are irresistible.

In the displays are wagons, tricycles, coasters, scooters, skates and everything to make the little one happy.

We invite you to make our store your Headquarters and shop EARLY while stocks are at their best.

RAILWAY PROSPERITY

Advances in the market prices of railway securities which have occurred in the past two years have been asserted to indicate that the railroads are generally increasing in prosperity. This is due to the increased prices of coal and fuel as well as to the increased prices of agricultural products, which have been attributed to the decreased production of coal and fuel and the increased production of agricultural products.

When Business is Good

SATURDAY night is a lovely good time to ask yourself this question: "Is our community sending more money out of town than is coming in each week?" Of course the only safe answer is "NO!"

This means that we folks in this neighborhood must patronize local men and merchants if we expect our town to prosper and "stay on the map." Frankly, it means that every citizen will find it more profitable to read the advertisements in this paper every issue, and to follow their good advice.

Our advertisers are all personally interested in this town—and to read the advertisements in this paper every issue, and to follow their good advice.
