Railroad Survey.

We are reliably informed that the engineering corps of the Ohio Valley railroad is now in the field making rapid progress on a preliminary survey of a route from Princeton to this city. The surveyors are some ten miles from Princeton and will reach this city next week. This survey does not mean, however, that we have secured the road, but is simply the preliminary investigation of the railroad company.

Death of Samuel E. Pryor.

Owensboro Inquirer, Tuesday.
"Mr. Samuel E. Pryor died at his home in this city, last night, at 8 o'clock, of consumption, aged 52 years. Mr. Pryor came to Owensboro a year and a half ago, and has since served as a revenue store-keeper under Collector Wood. His health has been bad for a year, and he returned only about ten days ago from Mississippi, where he spent several weeks. In the hope that his condition might be bettered. Mr. Pryor was born in Charlotte county, Va., and fought through the war in the Confederate army, under Lee. He attained the rank of Major. He leaves a wife and seven children, four sons and three daughters. Mr. Pryor was a member of the Episcopal church, and was a man of many admirable traits, which won for him a wide friendship."
The remains reached this city last night, and the funeral services will be held at Grace Episcopal church this morning at 10:30 o'clock. Rev. J. W. Venable officiating. The interment will take place at the city cemetery. The many friends of the deceased at this place share the sadness that has visited the relatives in the loss of so kind and excellent a gentleman.

Its Delicacy of Flavor

And the efficacy of its action have rendered the famous liquid fruit remedy, Syrup of Figs, immensely popular. It cleanses and tones up the clogged and feverish system, dispels headaches, colds and fevers, cures Habitual Constipation, Dyspepsia and the many ills depending on a weak or inactive condition of the kidneys, liver and bowels. For sale in 50 cent and \$1 bottles by H. B. Garner. Manufactured only by the California Fig Syrup Co., San Francisco, Cal.

Around Town.

14 extra mules for sale, 15 to 17 hands. Good ages. Apply to B. S. Wood.
Mrs. I. Dinkelspiel sold a lot on Jessup Avenue, to E. G. Galls yesterday at \$400.

The Mason & Ford Co., will submit a proposition to build the pike for our company.
Since the turnpike boom arrived real estate has made a jump of 15 per cent., and is still climbing.

Mr. H. M. Caldwell was called to Woodburn, Warren county, Tuesday evening, by the death of his brother-in-law.

The river banks were lined with fishermen yesterday basking in the warm sunshine and watching the unprofitable nibbles.

DWELLING FOR SALE.—We offer for sale this week one of the nicest places in the city, at a bargain.

WINFREY & KELLY.
The tobacco market was firm Wednesday. Good lugs were a trifle higher. A heavy board of buyers was on hand and an unusually large crowd of farmers was in attendance.

Tobacco Leaf: Mr. Boales, of Hopkinsville, was in the city yesterday inspecting our street railroad, inquiring the cost of construction, etc., with a view to building a road in his town.

Rev. A. J. Thomson, of Kuttawa, will preach at the First Presbyterian church Friday and Saturday nights, and on Sunday, at which time he will assist the pastor in the regular quarterly communion services.

We are informed that the railroad company has purchased an option on part of the McCarley farm and threatens to move the freight depot on to that property unless they can get safe protection from the city.

Seabree & Wicks shipped their race horse "Harry Glenn" to Nashville Wednesday. The horse will be trained there for the spring races. He is entered in the Troubadour stakes, at Nashville, and the Merchants, at Louisville.

The Y. M. C. A. Library has been transferred to the public school. All subscribers to the former will be given a ticket for one year from date of issue, in the Public School Library. Those who can be obtained by calling on Prof. Dietrich, at the public school building.

Miss Maggie Johnson, daughter of Robert Johnson, died Tuesday after a lingering illness with consumption. She had endured the affliction with Christian fortitude for many months, and was prepared for the end as only those who are sustained by a saving faith.

The town was alive with people yesterday.—The topic of general conversation was turnpikes, and everybody enthusiastically endorsed the enterprise. There have not been so many people in the city for a year, except on special occasions, as were here yesterday. Trade took a spurt and the merchants are becoming more cheerful.

When the work of repairing the Christian church was begun, Mr. James M. Howe offered a fine gold watch and chain to the lady raising the most money for carrying out the improvements. Miss Belle Moore with lucky enthusiasm entered upon the work and leads her nearest competitor over \$36. She was accordingly tendered the beautiful reward of her energy a few days since.

Prof. Tripp's course of Historic Portraits in Hopkinsville will be given in the lecture room of the Ninth Street Presbyterian church, on Thursday, Friday and Saturday evenings of the present week at 8 o'clock. The opening lecture on Thursday evening, to-night, will be Napoleon III, from his birth to the Imperial throne, preceded by a brief account of the thrilling Paris Revolution of February and June, 1848, as witnessed by the lecturer.

The Tennessee charter of the Ohio Valley Railroad is a very broad document. "The charter provides for a railroad through the State of Tennessee beginning at a point on the State line between Tennessee and Kentucky; beginning either in the county of Stewart or Montgomery, at a point on said State line, connecting with the Ohio Valley railroad company of Kentucky, which is now constructing a road to said line, and to run to the southern boundary of Tennessee, in the county of Wayne or Lawrence, on the State line between Tennessee and Alabama."

It can now be considered a certainty that this year's crops will be delivered in this city over good pike roads. Leaving out of consideration the numerous other advantages, it can be seen at a glance that farmers can deliver their tobacco and other products here at a much smaller cost than at Clarksville or other markets.

To ship a hoghead of tobacco to Clarksville over the L. & N. T. now costs on an average \$2, and \$2.50 personal expenses to the planter and we have the total cost of \$4.50. Suppose now that the tobacco is hauled to this city by a team that would possibly not be otherwise employed, and we can place the toll at 40 cents and the personal expenses of the planter at 55 cents making a total cost of 95 cents as opposed to \$5 for Clarksville. These are figures which deserve the consideration of all our citizens who have farm products to market.

His Throat Cut.

Ed McIntyre, colored, went to a spring near Hubbardsville to get a drink of water Wednesday afternoon. He found a tall, stout, heavily bearded white man there who tried to rob him. Ed resisted, and in the scuffle the white man whipped out his knife and inflicted a very dangerous wound on the throat of his antagonist. The wounded man was barely able to articulate and could scarcely give an account of the affray. The robber made good his escape as soon as the deed was committed. The wound will probably prove fatal.

Syrup of Figs

Manufactured only by the California Fig Syrup Co., San Francisco, Cal., is Nature's Own true Laxative. It is the most easily taken and the most pleasant effective remedy known to cleanse the system when bilious or constive; to dispel headaches, colds and fevers; to cure habitual constipation, indigestion, etc. For sale in 50 cents and \$1.00 bottles by H. B. Garner, Hopkinsville, Ky.

Railroad Talk.

H. W. Frisbee has been appointed traveling auditor of the L. & N. Railroad vice W. W. Carghill. Mr. Carghill has accepted the position of assistant Superintendent of all points South of Decatur.

Mr. John Loomis has been given the Superintendency of the St. Louis and Nashville Division, and Mr. F. M. Fonda has been transferred to the South.

Barn Burning.

Our Crofton Correspondent gives the details of the barn burning near there, Monday night, as follows:
Between seven and eight o'clock last night Tom Brown, who lives near Mt. Carmel church, discovered his stable and crib all under the same roof in flames. The stables contained four mules belonging to Mr. Brown that were wasted to death, all efforts to extricate them being unsuccessful. Mr. Brown had borrowed yesterday evening two mules from Henry Durham to do some hauling with and these two mules escaped. Mr. Brown lost about 75 barrels of corn and a lot of hay and oats. The fire was the work of an incendiary who it is supposed did it to avenge some fancied wrong, and who had taken Durham's mules from the building previous to having applied the torch. Harrison Hamby, a neighbor of Brown's, has been accused of the crime, and the evidence as to the burning is so strong against Hamby that Brown has had him arrested and came here for Marshal E. Higgins to take charge of him.

Hamby was brought to this city Wednesday. He waived an examining trial and was placed under a bond of \$300 to await Circuit court.

H. & S.

The attention of the afflicted is called to the startling testimonials given to this people of the valuable treatment given by Dr. H. M. Sherman, Hopkinsville's noted specialist, now permanently located at his National Dispensary in rear of Band of Hopkinsville.

What Solomon Smith, of the Vicinity of Crofton, Says.

I went under the treatment of Dr. H. M. Sherman of Hopkinsville, Jan. 1st, 1887. Before that time I had been under the treatment of some of the best physicians throughout the country for Chronic Dyspepsia, from which I had been suffering for fifteen years, and received no relief. I have been entirely cured under Dr. Sherman's treatment.

S. SMITH.

M. S. Hamby, a Prominent Farmer Says.

That his daughter, Miss Rosa Bloomfield, aged 16 years, was placed under the treatment of Dr. H. M. Sherman, of Hopkinsville, for scrofula, from which she had been suffering for fifteen years. I have tried the best doctors that could be obtained and received but little relief. On the 22nd day of January, 1887, I placed her under the treatment of Dr. H. M. Sherman, and she has been constantly improving every day.

M. S. HAMBY.

What Squire Thomas Martin, Near Crofton, Says of Dr. H. M. Sherman's Treatment.

I called on Dr. H. M. Sherman at his office in Hopkinsville, Oct. 19th. I suffered for seven years with stomach and bowel trouble. He pronounced it Dyspepsia. In the past year nothing would lie on my stomach, I suffered pain more or less all the time, I am now free from all pain. What I eat now agrees with me; and am now cured and am as well as ever I was in my life.

THOMAS MARTIN.

Another Wonderful Testimonial from One of Hopkinsville's old and Respected Citizens.

I have been suffering from rheumatism for twenty-five years, during that time spent hundreds of dollars and nine months at Hot Springs. I went under Dr. Sherman last October and am glad to say that I am entirely free from pain and sleep with ease and comfort; can walk without any further use of cane or crutch, which I never do until I went under Dr. Sherman's treatment. I am now able to work at my trade from 6 in the morning until late at night, and am gaining strength every day.

A Gold Mine Found at Jones & Co's.

We take this method of informing our many customers and friends that we carry a full line of everything kept in a first-class Dry Goods House, and will at all times meet any prices made by any house in Hopkinsville. Therefore, remember when goods are priced to you in any house in the city that we stand pledged to sell them as cheap if not cheaper.

Respectfully,
JONES & CO.

Not Regardless of Value —NOR— BELOW COST

Do we propose to offer our stock, but we will offer you goods at such prices that will astonish you for cheapness. We have cut prices way down, in order to reduce our stock to make room for our immense Spring Stock, which will soon arrive. Our prices are down far below any goods offered at forced or clearance sales. Having a resident buyer in the city with 35 years experience gives us advantages which no other house in the city has. Our stock of

Winter Clothing, Suits, Overcoats, Boots, Shoes.

and in fact, everything in our Clothing Department will be sold at prices that cannot be had from any other house in this city. We ask you to make no purchase until you have seen our stock and learned our prices. We pledge ourselves to save you money. We will place on sale this week one Hundred Dozen Unlaundered Shirts worth 75c., which we will close out at 45c.; also the Gold and Silver Shirts for less money than ever before sold by any one.

UNDERWEAR, SOCKS, HATS,

WINTER UNDERWEAR AT HALF PRICE.
WINTER SUITS AT HALF PRICE.
WINTER OVERCOATS AT HALF PRICE.

In fact, all our Winter Goods must go. We ask you to call and see for yourself. We stand ready to prove any assertion we make. This is no idle boast but plain facts. In our Dry Goods Department we are ready to offer better bargains than ever. Our stock has been greatly reduced since our bargain sale was inaugurated, but our stock is still too large and must be reduced still more. We will therefore make it to the interest of any one wishing Dry Goods to give us a call before making a purchase. We are closing out a great many goods at just half their former price. We have 100 Cloaks on hand which must go. Price no object. Call at once on

PATENTS

Obtained for new inventions, or for improvements on old ones, for medical or other compounds, trade-marks and labels. Caveats, Assignments, Interferences, Appeals, Suits for Infringements, and all cases arising under Patent Laws promptly attended to. Inventions that have been REJECTED by the Patent office may still, in most cases, be patented by us. Being opposers of the U. S. Patent Office Department, and being engaged in the Patent business exclusively, we can make closer searches and secure Patents more promptly, and with broader claims, than those who are remote from Washington.

INVENTORS send us a model or sketch of your device. We make examinations and advise as to patentability, free of charge. All correspondence strictly confidential. Prices low, and no charge unless patent is secured.
