MSU CENTURY CLUB: This group of 23 members of the 74-member Calloway County Century Club of the Murray State University Alumni Association were on hand July 29 to receive their plaques and pins at an appreciation meeting at the University. Earlier the group had toured the facilities in the relatively new General Services Building. From the left, they are: Front row, Mrs. Billie Downing, Mrs. Guy Billington, Guy Billington (the county chairman), Dr. Harry M. Sparks (1974-75 over-all chairman), John Hopkins, James Barkett, Cairo, Ill., Mrs. Harry Sparks and Mrs. M. O. Wraether. Middle row, from left: Mancil Vinson, Tom Downing, Mrs. Inez Jones, Dr. Jean Lorrain, Edgar L. Howe, Bobby Grogan, Jack Gardner and Mrs. Gardner. Back row, from left: Charles Thurman, Frank Fazi, director of printing services, Drane Shelley, director of purchasing, Dr. Howard Keller, Dave Franklin, who participated on the program, Joe Dick, Dr. Thomas Hogancamp, John Edd Walker, Dr. Ed Strohecker and M. C. Garrott.

MSU Regents Meet; New Members Sworn In Today

By DAVID HILL

Murray Ledger & Times Staff Writer
Retired U. S. Congressman Frank Albert Stubblefield and the first woman student president in the history of the university were sworn in today as the newest members of the Murray State University Board of Regents.

Stubblefield will succeed Graves (Skip) Neale, and Miss Cole replaces outgoing student president Gene Roberts. The oath of office was administered by Circuit Judge James Lassiter as the meeting opened this morning.

Several items of business were quickly dealt with this morning before the board went into executive session to discuss property acquisition. Although the session was closed to the public, unofficial sources said at least one parcel of property under consideration is the area at 15th and Olive, now occupied by several businesses, which the university is reportedly trying to acquire.

The MSU Regents approved a total of 25 faculty members, three from University School, for tenure status on recommendation by President Constantine Curris. Although there was little discussion on the controversial issue, a motion from faculty representative Dr. Mark Cunningham died for lack of a second; it would have granted tenure to all members of the faculty with seven years or more of the university. In recognition of the seven year probationary period included in both the 1969 and 1975 tenure policies, the motion would not have included former members of the faculty now involved in litigation against the institution involving tenure denials.

Considerable time was spent by the board on authorization for the formation of the biennial budget request. Dr. Curris told the board that the number one priority of the request would be faculty and staff salary increases, and said that he felt that increases of at least ten per cent would be mandated by current economic conditions, and more if possible.

Dr. Alberta Chapman was designated as acting chairwoman of the Department of Business Education and Administrative Management of the College of Business and Public Affairs, effective July 1. She is

now professor of business education and has taught at Murray State since 1959. A native of Centertown, Ky., Dr. Chapman received her bachelor's degree from Kentucky Wesleyan and master's degree and doctorate from the University of Kentucky. She is well known throughout the state for her active participation in business and other professional organizations.

A recommendation from Dr. Curris was approved by the board employing Dr. Charles R. May as chairman and associate professor of the Department of Child Studies in the College of Human Development and Learning effective August 1, 1975. Dr. May received his

bachelor's degree from Frank Phillips College in Texas, his master's from New Mexico Highlands University, and his doctorate from Ohio State University. He has nine years experience in higher education and is presently professor of early childhood education at Indiana State University.

A report of the committee on credits and graduation indicated that 473 degrees will be conferred at today's commencement exercises at the university, and approval was given to a recommendation conferring an honorary doctor of humanities for Kentucky Governor Julian Carroll, who will be the speaker at today's ceremony. (See Regents, Page 9)

NEW REGENTS SWORN IN—Two new members of the Murray State University Board of Regents were sworn in this morning by Circuit Court Judge James M. Lassiter (left). The new members of the board are Cathy Cole, president of the MSU student government, and former U. S. Rep. Frank Albert Stubblefield.

MSU Century Club Completes Successful Drive In Calloway

The Murray State University Alumni Association's Century Club had an unprecedented, record-shattering year in Calloway County in 1974-75, and this week University officials, led by President Constantine W. Curris, said "thank you" to the individuals and business firms that made it possible.

Last year, the Calloway County club, with Guy Billington as its chairman for the second consecutive year, contributed \$10,600 to the annual campaign, from which \$500 scholarships are awarded each

year to outstanding high school seniors wishing to attend Murray State.

This was an increase of \$2,150 over the \$8,450 contributed by the Calloway Countians in 1973-74, and bringing the group's gifts to \$35,625 in the nine years since it was established by the late M. O. Wraether, executive vice-president of the University and at the time director of alumni affairs.

Jack Gardner, 604 South 11th Street and a 1927 graduate of Murray State, has been named chairman of the Calloway County club for the 1975-76 year. Gardner, who retired July 31 as assistant director of personnel services at the University, succeeds Billington, a Murray insurance executive, in the post.

In a brief report, Billington revealed that the Calloway County club had a net gain of 40 contributors in the past two years.

The Calloway club is by far the largest contributor among the 10 clubs making up the association-wide Century Club organization; which is dedicated to encouraging outstanding high school seniors, through financial assistance, to attend Murray State, and, once their education is completed, to assume key positions within the region.

For the second year in a row, two unprecedented gifts of \$1,000 each were

received from President and Mrs. Curris and Lindy Carr, operator of the Palace Restaurant in Murray.

Three \$500 contributions also were received during the year, coming from Billington; Walter Apperson, publisher of The Murray Ledger & Times, and James R. (Tiger) Barkett, Cairo, Ill., in memory of his friend, the late Gene Hughes, who for many years operated "The Hut" near the campus.

Three \$200 gifts also were included. These were made by the Bank of Murray; Murray State President Emeritus and Mrs. Harry Sparks; and the Murray Federal Savings & Loan.

Sixty-six other individuals and business firms contributed \$100 each in making up the record-setting total.

To date, Century Club members across the association have contributed \$20,850 to the fund, and other contributions have been pledged. All of this will be passed along, as is done each year, to deserving high school seniors in the \$500 scholarships.

Dr. Sparks also served as the over-all chairman last year, and will be succeeded for the 1975-76 year by John Edd Walker, manager of the West Kentucky Rural Electric Cooperative Corp., Mayfield, and a long time active supporter of the University.

Kentucky May Lose Federal Highway Funds

FRANKFORT, Ky. (AP) — Kentucky State Police say they can't enforce the 55 m.p.h. speed limit, and that admission could cost the state all its federal highway money—\$92,856,000 this fiscal year.

New federal regulations require that states certify on Jan. 1, 1976, that they are enforcing the limit. Any state not making the certification will be barred from getting federal highway funds.

But a state police survey shows the average speed of cars and trucks has crept up to between 60 and 65 m. p. h. from the 55 m.p.h. average just after the speed limit took effect in March.

Deputy State Police Commissioner Stewart M. Miller said Thursday the growing number of citizen's band (CB) radios being used in cars and trucks makes it very difficult to catch speeders.

"They've got you spotted before you know they're in a country mile. It's very difficult to catch them (speeding)."

When asked if tougher measures would be put into effect, Miller said, "I wish there was."

Rain chances 40 per cent this afternoon, 50 per cent tonight, 60 per cent Saturday.

Record Crowd Expected At Fancy Farm

FRANKFORT, Ky. (AP) — The traditional opening of serious political campaigning in Kentucky, the Fancy Farm picnic, may see a record crowd this year.

General chairman James Elliott said Thursday 20,000 people may be on hand Saturday to hear Alabama Gov. George Wallace and state and local candidates speak.

Wallace will speak first, and Elliott said he's been given "all the time he would like."

Gov. Julian Carroll and his Republican challenger Robert Gable will then follow, getting about 30 minutes each, Elliott said, then other statewide candidates.

U.S. Sen. Walter Huddleston, D-Ky., is also scheduled to briefly address the gathering. "After that, our program is not firm," Elliott said. "If anyone else wants to talk, they are welcome."

Unemployment Rate Declines

WASHINGTON (AP) — The nation's unemployment rate declined to 8.4 per cent in July, the Labor Department reported today. There were indications the drop — from 8.6 per cent in June — meant the nation's economy was improving faster than had been predicted by most economists.

The improvement was greater than the statistics indicated because the 8.6 per cent jobless rate reported last month was considered too low because of statistical aberrations. The Labor Department said the true unemployment rate was about 8.9 per cent in June.

The Labor Department said the decline in unemployment extended to most worker groups including teen-agers, adult women and blacks. It said total employment in July increased by 630,000 to a total of 85.1 million persons.

Unemployment in July totaled 7.8 million workers, a decline of nearly 400,000 from the average for the previous three months, the Labor Department said.

The drop in the jobless rate appeared to catch many economists both in and out of government by surprise. The Labor Department had previously predicted the unemployment rate would register an in-

crease in July because of the statistical problems in the June figure.

The Labor Department said the July figures are considered accurate and are not complicated by the statistical difficulties that arose previously.

It said increases in employment during July occurred in 55 per cent of all the nation's industries, compared with the recession low of only 17 per cent in February.

It said the civilian labor force's strong growth in July meant more people sought work and equaled the May total of 92.9 million persons seeking employment.

In the past four months employment has expanded by 1.2 million workers, the department said.

It said the number of unemployed who lost their last jobs, in contrast to being unable to find work or having left their jobs voluntarily, declined in July for the first time in 11 months. The rate dropped by 240,000 to 4.6 million persons.

But long-term unemployment continued to increase in July. The number of persons unemployed 15 weeks or longer now makes up 3.2 per cent of the labor force, triple the rate of the year earlier.

SIDEWALK SALE CONTINUES DESPITE RAIN—Rainy skies did not seem to put much of a damper on Murray's huge annual two-day Sidewalk Sale which got underway today. Many stores carried on their sales inside (left photo) while several others utilized protective awnings to display their sale items to

customers. The city-wide sale, which includes all shopping centers as well as the downtown, will continue through Saturday. Local merchants are offering thousands of bargains to their customers.

Dear Abby

Bachelor's Desire to Play Shrink the Wrong Game in Love

By Abigail Van Buren

© 1975 by Chicago Tribune-N.Y. News Synd., Inc.

DEAR ABBY: I am a 50-year-old bachelor who recently met a very beautiful, 40-year-old woman with whom I fell head over heels in love.

She's a medical technician and is very intelligent, but she's a bundle of nerves. She bites her nails down so far they sometimes bleed. She's never married, vows she is a virgin and insists that if she marries, she will remain a virgin. "Sex," she says, "is the original sin."

She is a clothes "nut." Once she showed me (by actual count) 81 pants suits and 103 pairs of shoes (most of which had never been worn).

Several years back, she was in a serious auto accident (her mother was driving). She went through the windshield and was laid up for two years.

She changes her mind in a matter of seconds. For instance: Last night, she asked me to take her to a steak house because she wanted a steak. Once there, she ordered fish. Then she sent it back because it was "spoiled." (I'm sure it wasn't.) Afterward, we went to a movie she wanted to see, but we left in the middle because she decided it was "no good."

I realize she is not very stable. I've never walked away from a challenge, and I think I can help her. Am I barking up the wrong tree?

HANGING IN THERE

DEAR HANGING: Unless you are a psychiatrist, you are not only barking up the wrong tree but in the wrong forest. The woman is in need of psychiatric treatment. The best way to help her is to persuade her to get it.

DEAR ABBY: I am a young wife. My husband and I have been married for two months, and whenever I displease him, he goes out and sleeps on the couch to punish me.

I have tried to talk him into coming back to our bed, but he won't listen to me; he just stays out there until he falls asleep.

Please don't tell me to just let him stay on the couch because I want him in bed with me.

EMPTY BED

DEAR EMPTY: Try reverse psychology. When he leaves your bed for the couch, don't say a word. Let him stay there, and when he realizes that he isn't getting the kind of reaction he expected from you, he'll give up that childish bit and return to your bed. Wanna bet?

DEAR ABBY: The man I have been living with and I would like to get married, but we don't want it in the newspapers because our grandchildren think we are already married.

Is it possible to do it here (don't mention the town, please), or do we have to go elsewhere? Is there a three-day waiting period? How about blood tests?

I have been married before, but he hasn't. He helped me raise my children, and we are raising a grandchild left to us by my daughter who recently died.

WANTS TO KNOW

DEAR WANTS: The information you seek is available through your local county clerk. In some states (California is one), you can be married by a clergyman; the marriage will be recorded in the church records but by request will not be made public in the newspapers.

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (20¢) envelope.

COMPANION DOGS—Owners Donna Jackson, left, of Murray and Peggy Scarbrough of Paris, Tenn., show their dogs which recently titled Companion Dogs because of their awards at American Kennel Club Shows.

Requirements Completed By Two Dogs For Honors

Two dogs recently completed their requirements needed to receive the American Kennel Club's Companion Dog title.

DKJ's Pierre, a poodle owned and handled by Donna Jackson of Murray, completed his requirements at Paducah recently by scoring 192 points out of a possible 200.

Peggy's Black Satin Toy, a Cocker Spaniel owned and handled by Peggy Scarbrough of Paris, Tenn., completed her requirements at Pine Bluff, Ark., by scoring 189½ points.

Both owners are members of the Paris, Tenn., Obedience Club.

The Companion Dog Title is earned when a dog scores at least 170 points out of a possible 200 at three AKC Obedience Trials under three different judges.

The dogs are judged on their ability to work with handler in exercises heel on leash, heel off leash, the commands to stay for examination, sit and stay, down and stay, and recall.

Both of the dogs received their necessary points for the CD title with the minimum three shows.

These dogs, along with other members of the Paris Obedience Club, will put on a demonstration at the Henry County Fair, Paris, Tenn., on Friday, August 15, at seven p. m.

Miss Russell Is Honored

Miss Karen Russell, August 2nd bride-elect of Terry Hannah, was complimented with a Coke party on Thursday, July 17, at 7:30 p. m. at the home of Miss Kathy Rogers, 207 North 16th Street.

The honoree, wearing a green pant suit, opened her gifts after games were played. The hostess presented the honoree with an ironing board and wicker hanging basket.

Refreshments were served by Miss Rogers to Nancy Herndon, Kip Mason, Patsy Mathis, Paula Lyons, Rachel Raar, Cathy Geurin, Sharon Moore, and the honoree.

VEGETABLE SLAW

Offer this deliciously refreshing vegetable mixture as salad, relish, or topping for fish fillets. Partially peel cucumbers leaving green strips; slice thinly. Salt light and let stand 15 minutes. Press and drain off excess liquid. Toss with sliced radishes and chopped green onion. Gently fold in enough sour cream or plain yogurt to "cream" vegetables. Season with dill weed and a touch of granulated sugar. Chill. Before serving, stir in chopped walnuts, if desired.

McCann & Schappert Vows To Be Read On Saturday

Miss Susan McCann, daughter of Mr. and Mrs. Robert McCann of Kirksey Route One, has completed plans for her wedding to Matthew Schappert, son of Mr. and Mrs. Mortimer Schappert of Montville, New Jersey.

On Saturday, August 2, at 6:30 p.m. at the Murray Woman's Clubhouse the vows will be solemnized in a candlelight ceremony officiated by Dr. Scott Pricer. Nuptial music will be presented by Susan Boswell.

Miss McCann has chosen her sister, Mrs. Patricia Hosford as

her matron of honor. Her bridesmaid will be Mrs. Vicki Overby.

Mr. Schappert has chosen his brother, Steve Schappert to serve as his best man. Groomsman will be Dan Helfrich. Serving as ushers will be Drew Galloway and Ron Kane.

Immediately following the ceremony a reception will be held at the Murray Woman's Clubhouse.

All friends and relatives are invited to attend the wedding and reception.

Married Recently

DR. AND MRS. WILLIAM GLEN HART are now residing in Memphis, Tenn., following their marriage at a summer wedding at the First Unitarian Church, Louisville. Dr. Hart is interning at the Baptist Hospital, Memphis.

The bride is the former Miss Susan Conde Wilburn, daughter of Mr. and Mrs. Robert Kenneth Wilburn of Louisville, and the groom is the son of Dr. and Mrs. James Coleman Hart of Murray. Miss Lissa Smith of Louisville was maid of honor. The bridesmaids were Miss Nancy Hart, Murray, sister of the groom, Mrs. Tyree G. Wilburn, sister-in-law of the bride, Miss Elizabeth Barnum, Mrs. Michael R. Lesler, and Miss Julia K. McEwen, all of Louisville. Medora Roby of Fern Creek, the bride's cousin, was flower girl.

The groom's brother, James C. Hart, Jr., served as best man. The ushers were Tyree G. Wilburn, brother of the bride, Dan M. Miller, John R. Quentermouss, and Dr. Russell E. Howard.

Following the ceremony a reception was held at Gardencourt, Louisville.

Campbell And Huff Vows To Be Solemnized On Saturday

The Presbyterian Church in Murray will be the setting of the wedding of Miss Vickie Lynn Campbell and Scott Douglas Huff at 4:30 p.m. on Saturday, August 2. The Rev. Charles Moffett will officiate the double-ring ceremony.

Miss Campbell is the daughter of Mrs. Helen W. Campbell, Murray, and James A. Campbell, Metropolis, Ill. Mr. Huff is the son of Mr. and Mrs. Joseph L. Huff, Paducah.

The bride-elect will be given in marriage by her father. She has chosen Mrs. Jodi Deck, Granite City, Ill. as matron of

honor. Bridesmaids will be Miss Deborah A. Campbell and Miss Julie Huff.

Deitrich A. Westhoff, Lithfield, Ill., will attend the groom-elect as best man. Groomsman will be Frederick C. Masters and William B. McCommon. James D. Campbell and Harry Luton will serve as ushers.

The reception will be held at the Holiday Inn immediately following the ceremony.

Invitations have been sent only to out-of-town guests. All friends and relatives are invited to attend the wedding and reception.

Tea Shower Given In Honor Of Miss Ray At Community Room

Miss Rogenna Ray, bride-elect of Douglas Walker, was the honoree at a delightfully planned tea shower held on Thursday, July 17, at the Community Room of the Murray Federal Savings and Loan.

The hostesses were Mesdames James Brandon, Dan Wyatt, Rob Ray, Kelley Woods, Ferrell Miller, and Alvis E. Jones.

For the occasion the honoree chose to wear a floor length pink dress and was presented a hostesses' gift corsage of pink roses.

The tea table was overlaid with a white lace cloth over pink and centered with an arrangement of roses in various shades of pink in an epergne. Crystal and silver appointments were used to serve the punch, cake, nuts, and mints.

The many gifts were displayed on tables covered with white cloths. Misses Tammy and Melissa Miller presided at the register table overlaid with a white cloth and centered with a pink rosebud in a silver vase.

Guests called during the evening hours of seven to nine o'clock.

Cucumbers That Lack Something

Are they really "burpless?" I had read a couple of farm page stories about the 14-inch long, one-and-one-half pound European Cucumbers Fletcher Wrenn is growing in one of his greenhouses here in Middlesex, in Nash County. One of the stories said the cucumbers are burpless.

"Well, they're almost burpless," Wrenn said. "Some people are gonna burp anyway. Most people won't burp after they eat these, but every now and then I hear one that did."

His 21-by-100-foot, plastic-

covered greenhouse was filled with big, healthy cucumber vines; six rows of maybe 250 plants total, each climbing seven feet straight up on thin lines; with long, green, crazy-looking cucumbers hanging on them.

I don't know whether or not the crazy cukes will make YOU burp. But there wasn't even a little burp in the six inches or so I ate off the end of the 16-inch-long cucumber I took home with me.

Knaves? Us?

Americans are not alone in noting the Bicentennial. The British Library in London has an impressive exhibit on the late rebellion in the American colonies.

Among the many items are letters from George III, the monarch Americans so disliked. In one date 1782 he seems resigned to the loss of his American possession.

"Knavery seems to be so much the striking feature of its inhabitants that it may not in the end be an evil that they come aliens to this kingdom," wrote the king.

A real sweetheart, that George. Even across the centuries, he makes you want to tweak his nose and say, "Same to you, fella!"

Thinking Car

A description of Britain's new \$70,200 Rolls-Royce car, the Camargue, says it can "think for itself."

The claim suggests that if the thinking apparatus could be in-

corporated in the common run of automobiles, it would be a boon to boozing drivers who cannot think for themselves.

HEARTLINE

HEARTLINE is a service for Senior Citizens. Its purpose is to answer questions and solve problems—fast. Write to HEARTLINE, 8514 North Main St., Dayton, Ohio, 45415.

Heartline: I know that widows may receive Social Security benefits. How old must she be to receive monthly checks? Mrs. R. C.

Answer: A widow may receive benefits at any age if she has children under age 18, or if they are age 18 or over if they are under a disability which began before age 22. The child, or children, must be in her care and also receiving Social Security benefits. A widow without such children in her care may receive benefits at age 50 or later if she is disabled and at age 60 or later if she is not disabled.

Heartline: I receive supplemental security income and I am thinking of moving in with my son. Will this make any difference in my monthly payments? M.O.

Answer: Yes, it may take a difference since supplemental security income payments are reduced for a person living in someone else's household and receiving support and maintenance from them. Any move you make from your current address should be reported since it may affect your

payments.

Heartline: Can I receive supplemental security income if I have a little money in the bank? C.I.

Answer: You can receive supplemental security income if your resources are not over \$1,500 for an individual or \$2,250 for a couple. Resources include money in the bank, cash, bonds, and other things of value to you.

Heartline: My estimated earnings for this year are quite a bit above the allowable \$2,520 under Railroad Retirement. How do I go about reporting this to the Board? L.C.F.

Answer: Beneficiaries whose retirement or survivors benefits are subject to restriction because of excess earnings should report their expected earnings for the year to the nearest Board field office as soon as they know their earnings will be more than the prescribed limit. The Board can then make immediate adjustments in benefit payments, thus relieving the beneficiary of repaying a large overpayment at the end of the year.

Heartline: Will Medicare pay for my transportation to the doctor's office by bus? Mrs. K.

Answer: No.

Letter To The Editor

Religion And Airwaves

Dear Editor:

Surely we have counted our blessings realized from our Independence and are thankful for our many freedoms. But we might ask just how thankful are we for these freedoms? How that many of our rights are threatened, it should cause us to work and pray to keep them.

Recently a man from Scotland told of the impossibility of buying time for religious programs in Scotland. At no price, even all the money of the world could not buy this privilege. Do we appreciate our freedom to hear religious programs over radio and tv?

There is a petition Number R.M. 2493 before the Federal Communications Commission to make religious programming illegal in the United States. Freedom of speech and freedom of worship are two of our most important rights. Let's do all in our power to preserve them. Even though you think you do not care, have a concern for the aged and sick who depend upon radio and tv for worship.

God has blessed N. America because she was founded for the purpose of freedom of worship, and sought His help in making our Constitutional laws. Now judgment

from God may fall as a nation turns away from Him and fails to honor Him. Let us not only write to FCC as in the letter form: but to our congressmen since there is a move before Congress to prohibit religious broadcasting. Here is a short form which could be used to send to the address or your own words in a letter. Flood Washington with letters for our freedoms. The Federal Communications Commission Washington, D. C. 20000

Dear Federal Communications Commission:

As a citizen of our America, I'm writing to speak out against petition no. R.M. 2493, which seeks to make religious programming illegal on radio and tv. Freedom of speech and religion was provided for us in the Constitution. Please preserve these rights for us by never letting petition no. R.M. 2493 or any move against religious freedom become a law. May God help you to safeguard our rights over the air waves. Thank you.

Sincerely,
Lorene Clayton

Accepting Others As God Accepts Us

By Tommie Martin
Hazel - Mason's Chapel U. M. C.

I have recently become concerned with what I consider to be a terrible blasphemy which we "religious" Christians willingly perpetrate upon God's children who do not think as we do. In listening to many "church going" Christians, one can and often does come forth with the mistaken notion that Christianity is a matter of forcing oneself into believing a list of creedal statements and doctrines. Too often we "religious" Christians inform novices and believers of other persuasions that God simply does not accept them because they "believe" wrong.

The matter here which I am holding up as blasphemy before God is the notion that our various beliefs and doctrines about Jesus make us any more or less acceptable to him. I remember strongly the various religious doctrines presented to me when I was a boy. Many of them were sanctified by the statement that if I did not accept them I was condemned to hell. The hell they forced me into was my childish fear for I found I was unable to "force" myself into believing a prescribed creed.

But in a Christian church school for military dependents, the stress was more that God "loves everybody equally" that his "love is never withheld" regardless of our sins, and that he "accepts us in our sinful state." It is this unconditional love God has for us that allows us to have faith in him; that enables us to accept his plan of self-giving for our life over our plan of self-seeking. It seems that today we have forgotten that faith in God does not at all consist of right beliefs but is a matter of putting one's trust into God. We trust Jesus because he accepts us. We are enabled to love others because Jesus first loves us. Believing in creeds and doctrines brings forth no love for others or for God. Putting one's faith, one's trust, in denominational doctrines is idolatry for they are but man made religious symbols as fallible as man is himself.

Today's squabble over doctrinal beliefs among Christian denominations is shameful for it nullifies God's greatest gift to us and thus our most potent witness for him. For it must be very hard for others to see, through our condemnation and refusal to accept them until they believe as we do, God's unconditional love for them and us. The church today needs desperately to set aside its preoccupation with doctrines and invite with its sinful arms the sinners of

this world to witness God's love for all. With God's help the church can again become sinners worshipping God; for God grants us the ability to love others, even our enemies, and this means accepting them first as they are, before they change, "whether" they become like us, or "whether" they believe like us, or "whether" in the eyes of the world they become lovable.

RESOURCES FOR CHRISTIAN GROWTH

By H. C. Chiles

God has provided ample resources for His children to live godly lives and to grow in grace and in knowledge on the condition that they appropriate them.

Philippians 4:4-9

In this sunny and challenging epistle Paul taught that Christians should rejoice under all circumstances, regardless of the trials they have to bear, the losses they have to sustain, or the sacrifices they are called upon to make. Christians should rejoice that the Lord governs all things in the manner in which He does. By doing so they will please and honor Him. Christians cannot always rejoice in themselves, in their circumstances, or in other people, but they can and should "rejoice in the Lord always." —in Whom He is, in what He is, in what He has done, in what He is doing, and in what He will yet do. To "rejoice in the Lord always" is both the privilege and the duty of every Christian. We are encouraged to rejoice in Christ for our sakes, for the sake of others, and for the sake of Christ.

Verses six and seven recognize the tendency of people to worry or to be overanxious about things that are unlikely to happen. This disquieting solicitude about the temporal and material things of life is a prevalent and pernicious sin, which is definitely and divinely forbidden. As to the character of worry, it is enfeebling, useless, and sinful. Worry divides our attention, subtracts from our strength,

adds to our burdens, and multiplies our difficulties. It never dries a tear, nor lifts a burden, nor solves a single problem. It displays a lack of faith in God. To keep on worrying indicates that one has distrusted God, ignored His love, and forgotten His power. Worry is a sin against the warrior, against others, and against God. Worry prevents multitudes from living happily and victoriously. It is utterly useless to worry, either about the things we can help or about those we cannot help. If you want to overcome the sinful and useless habit of worrying, concentrate on the present, have faith in God, talk to God about everything, and commit the future to Him. Why worry when you can pray to and trust God?

In verse eight Paul exhorts and challenges all Christians to cultivate elevating thoughts. He urges us to meditate on the things which are worthy of praise — things that are true, honest, just, pure, lovely, and of good report. In calling upon his readers to exemplify these great virtues, he was merely urging them to imitate him in so doing. We admire and appreciate him for practicing what he preached.

Colossians 3:1-4

Today In History

By the Associated Press
Today is Friday, Aug. 1, the 213th day of 1975. There are 152 days left in the year.

Today's highlight in history:
On this date in 1914, Germany declared war on Russia at the outbreak of World War I.

On this date:
In 1502, Christopher Columbus landed in what is now the Central American country of Honduras.

In 1790, the first U.S. census was taken.

In 194, a revolt known as the Whisky Rebellion broke out in Pennsylvania.

In 1876, Colorado was admitted to the Union as the 38th state.

In 1946, the U.S. Atomic Energy Commission was established.

Ten years ago: In Americus, Ga., blacks and their white supporters were turned away from the city's two largest Protestant churches when they tried to attend services.

Five years ago: Israeli planes were continuing attacks against targets in Egypt, and Arab guerrillas were carrying out new attacks as diplomats tried to arrange a cease-fire.

One year ago: The new government of Greece took a major step in restoring democratic government by reinvoking the Constitution that had been in force before a military coup in 1967.

Today's birthdays: French fashion designer Yves St. Laurent is 39. Former tennis star Jack Kramer is 54.

Bicentennial footnote: It was 200 years ago today that the Continental Congress in Philadelphia adjourned for one month after providing funds for George Washington's fledgling army.

After reminding them of their heavenly position, Paul stressed the kind of life that they were under obligation to live, which also needs to be emphasized in Christian circles today as never before. Paul based his appeal to the Colossians on the fact that they had been raised with Christ; consequently, their interests, desires, motives, words, and deeds should be entirely different from what they had been before they had been saved.

Since they had been identified with Christ in His resurrection and had come into possession of eternal life, Paul urged them to seek those things which are really worthwhile and satisfying, namely, those lovely qualities which had been exemplified in the earthly life of Christ. Christ wants all of His followers to lift their eyes above the sordid things of earth, and to set their affections on Him and His work. Both our thoughts and our energies must be centered on doing the will of the risen and reigning Christ. As we think, so shall we be. There are three good reasons for our being heavenly-minded, namely, we are dead unto sin but alive unto God, our lives are hid with Christ in God, and our hope is centered in future blessedness. When Christ, Who is our life, shall appear, then we shall be manifested with Him in glory. What an incentive for living the risen and higher life!

Colossians 3:12-17

The Holy Spirit, through Paul, here gave some pertinent and relevant instruction as to how Christians should conduct themselves in all areas and relationships of life. He exhorted individual Christians to disrobe themselves of their sinful past, and to put on the virtues of compassion, kindness, humility, meekness, longsuffering, forbearance, and forgiveness. The outer garment, which is to cover all of these beautiful and precious virtues and hold them together is love, "the bond of perfectness."

Paul appealed to the believers to let the priceless possession of peace, which they had received as a gift from the Lord, rule in their hearts. Christ's legacy of peace is the most precious of gifts, an inheritance which the world can neither give nor take away. Peace must be allowed to act as an umpire or to arbitrate in all spheres of the life of the Christian.

Paul urged his readers to cultivate a spirit of thankfulness. Such a spirit pleases the Lord, enriches the lives of those who observe it, and greatly benefits those who possess it. It is our duty to render thanks unto God for mercies received and for blessings enjoyed. Let us thank Him with the gratitude of our hearts, the praises of our lips, and by the obedience of our lives for the blessings we have received from Him.

Paul wrote this admonition: "Let the word of Christ dwell in you richly in all wisdom." This "word of Christ" not only refers to what He said, but it includes the entire body of truth concerning the Lord Jesus, as was given by the inspired writers and recorded in the Scriptures. Is doing the Lord's will the chief aim in your life? The purpose of all Christian living, working, and praising should be that the Lord Himself may be honored and glorified.

World Population: A Major Problem

By F. J. L. Blassingame, M.D.

BLASSINGAME

The mounting world population is a problem that is growing in significance.

The rate of population growth, in spite of research and educational efforts on contraceptives and birth control, is more than 200,000 additional persons per day.

A quick look at history helps to visualize the potential seriousness of the population explosion in the world.

According to Mary-Jane Snyder, executive director of Planned Parenthood in Chicago, the world population this year will hit 4 billion. In 1850 the world population was 1 billion. It then took a mere 80 years to reach 2 billion and only an additional 30 years to total 3 billion. During the last 15 years, the

world population has expanded to the current 4 billion.

While population is relatively stabilized in parts of the world, the number of people being born is sharply up in other areas, particularly in the underdeveloped nations. Population is growing at a slower rate in Western Europe, the United States, and a limited number of other nations. But the population increase in Central America, South America, parts of Africa, the subcontinent of India and its neighbors, and the Far East, alarms the experts.

Advances in agriculture and improvements in the distribution of food can care for additional people for some years, but starvation is common now and results in an estimated 10,000 deaths each day. When living standards

rise, the consumption of natural resources jumps, and if these were used as rapidly world-wide as in the United States, supply would be more rapidly depleted and the world environment more heavily contaminated.

Education and research offer the best hopes for future population control.

Mrs. E.N. states that she had a black mole that became malignant and wants to know if a pregnancy, which she would like to have, can have a bad effect.

A. Some malignant melanomas, such as you apparently have had, are aggravated by the hormonal changes of a pregnancy, even those from oral contraceptives. Therefore,

most physicians advise no pregnancies or contraceptives in cases like yours until several years (usually three) have elapsed without a recurrence of the tumor. It is essential that you talk this matter over with your physician.

Q. RT, a 16-year-old boy, is unhappy because he has to abide by the same home rules as his 12-year-old brother.

A. The privileges and also the responsibilities of a 16-year-old should be different from those of a younger child, and home rules should be adjusted accordingly. Not only is such treatment fair to him, but also it will help him to make a smooth transition into the adult world.

SENIOR

Citizens

The number of senior citizens is increasing in our country due largely to the great advances of medical science. Though our older citizens enjoy a longer life—what is the quality of that life? In our youth-oriented society, they are often pushed aside and forgotten. Yet through their greater age and experience they still have much to contribute.

Remember the senior citizens in your church and community. Utilize their talents and skills. Their life and yours will be fuller for it.

Red Sox Sweep Tigers To Padden East Lead

By DAVE O'HARA
AP Sports Writer
BOSTON (AP) — To a man, the Boston Red Sox refuse to claim anything yet, but there appeared to be a hidden message in the notice on the clubhouse bulletin board.

The notice was there for all to see Thursday night after the Red Sox swept a doubleheader from the Detroit Tigers 3-2 in 10 innings and 6-1, boosting Boston's American League East lead to nine games over idle Baltimore.

Chalked on the board normally used for the reporting times for routine batting practice were the words:

"Friday—6 p.m. pitchers and everybody."

Pitchers taking batting practice when they don't hit in regular season games, or even in the league playoffs? That doesn't make sense, unless

thoughts are pointed toward the World Series when pitchers must bat against the National League champion.

"No, we're not thinking about any World Series, not with two months to go," Boston Manager Darrell Johnson said. "However, our guys played two tough games in extremely hot weather tonight and we decided to let them pass up batting practice before tomorrow night's game."

"The pitchers are welcome to come out and take batting practice if they wish. It's the first time we've done this, but it's no great deal. Of course, if we can stay far ahead, we're going to have to get the pitchers ready to hit in the event we're fortunate enough to get through the playoffs and into the World Series. There's plenty of time for that."

In the only other American

League game Thursday, the Minnesota Twins beat the Kansas City Royals 7-2.

Team captain Carl Yastrzemski drove in two runs, including the tying tally in the eighth inning, in the first game against Detroit.

Then he walked, sprinted all the way to third on a tapper and scored for Boston's second run in the fourth inning of the nightcap. In the sixth, he delivered a key single and scored in a three-run inning.

Twins 7, Royals 2

Phil Roof hit a three-run homer in the fourth inning and Eric Soderholm and Tony Oliva smashed solo homes, powering Minnesota past Kansas City.

Four Tied For Lead

NEWTON, Mass. (AP) — Four players were tied at par 72 for the lead Thursday after the first round of the seventh annual Francis Ouimet Memorial Golf Tournament at Charles River Country Club.

Leading the field of 90 golfers in the amateur event were home club player Paul Murphy, Rhode Island amateur champion Stan Abrams, former New England Amateur champ Fred Kask of Wethersfield, Conn., and Alan Helfler of Westport, Conn.

Defending champion Walter Brown Jr. was five strokes off the pace at 77.

GOLF

HARRISON, N.Y. — Rik Massengale fired a seven-under-par 65 to take a one-stroke lead over Tom Weiskopf and the first round lead in the \$20,000 Westchester Golf Classic.

BREMEN, West Germany — Jaime Gallardo of Spain shot a four-under-par 70 for a one-stroke lead after the first round of the \$42,000 German Open Golf Tournament.

TENNIS

LOUISVILLE — Top-seeded Guillermo Vilas of Argentina struggled to a second round, 4-6, 6-3, 7-6 victory over Jeff Borowiak in the Louisville Pro Tennis Classic.

HIGH-STEPPER—Brad Taylor kicks his leg high into the air as he delivers a pitch to home. Taylor pitched a two-hitter Thursday as the Murray Pony League All-Stars ripped Paducah National 4-0.

GIRL'S SOFTBALL CHAMPS—The Nets, sponsored by the American Legion Post 73, captured the crown in the Girls' Softball League this year. The Nets finished with a 7-1 record, with the only loss coming to the Blue Hornets. Members of the team are, back row, left to right, Gene Garfield, coach, Jane Ann Turner, Heather Kodman, Mitzi Cathey, Debbie Henry, Traci Wells and Greg Garfield, coach. Middle row, Christine Spann, Kathy McHugh, Lisa Wallin, Judy Outland and Lawren Woods. Front row, Cheryl Rose, Betsy Gore, Tracy Brown, Natalie Garfield and Connie Spann.

Saturday's East-West Games Could End Era

By BOB COOPER
Associated Press Writer
LEXINGTON, Ky. (AP) — Saturday's All-Star Kentucky high school football and basketball games at the University of Kentucky may be the last All-Star sport high school doubleheader in the state's history.

Eck Branham, director of the games for the past 13 years, said today he plans to suggest strongly that the basketball All-Star game be moved from the traditional August date to some time before the Kentucky-Indiana All-Star game.

The bi-state game traditionally is played in June.

Both coaches of this year's games — Bob Hoggard of Christian County and Al Prewitz of Lexington Henry Clay — agree that the change in time should be made.

They point out that some of the state's best basketball play-

ers aren't on either All-Star team and each gives the same reasons:

—The best players have already signed contracts to play in college and have nothing to prove.

—Many good players have summer jobs and have no intention of interrupting them for the game.

—We've been talking about it for several years. Branham said of the proposed change to make the basketball game much earlier in the year. "It's the only thing for us to do."

The football game, however, most likely will stay at the same time of year, even though the humidity and temperature might shave pounds off of a number of players already signed major college contracts.

This year's All-Star football game starts at 1:30 p.m. EDT at the University of Kentucky's

Commonwealth Stadium and the basketball tipoff is at 7:30 at Memorial Coliseum.

Eleven All-State selections are on the two football squads. West coach Gerald Poynter of Owensboro says his opposition is "a little bigger, but it will be a pretty even football game."

East coach Tom Stapleton of Middlesboro is depending on "good speed from people like (Robert) Hawkins, (Robin) Chaney and (Terry) Keelin to bring us through."

"Yeah, the West is quite a bit bigger, but we've come up with nine running backs and we're putting them in different positions," Stapleton said.

Stapleton plans to use Norman Letcher of Danville and Hawkins, of Mt. Sterling, at wide receiver posts — positions they have never played. However, he said they adapted very well this week.

The East football squad will use the veer offense that is the trademark at Middlesboro and Stapleton said his team, minus the trickiest maneuvers, is catching on quickly.

"We plan to throw the ball real well because David McAfee (of Danville) is really a terrific football player," Stapleton said.

Hoggard said his starting West basketball lineup will include 6-foot 5 Carroll Meadows of Carroll County, 6-4 Ken Anderson of Louisville Male, 6-4 Mickey Sortin of Fern Creek in Jefferson County, 6-1 Kerry O'Bryan of Ballard in Jefferson County and 6-2 Robert Buckner of Christian County.

Prewitt did not give a starting lineup, but predicted that because the All-Star basketball teams are "equal in size and equal in ability" it will produce a thrilling game.

Montefusco Eats Words And Not Steak Dinner

By KEN RAPPOPORT
AP Sports Writer
John Montefusco could have had a steak dinner, but he had to eat his words instead.

The brash San Francisco pitcher vowed to strike out Johnny Bench four times Thursday night and the Cincinnati slugger promised Montefusco a free meal if he did.

As it was, Montefusco wasn't even around long enough to face Bench four times—as the Reds bombed out the right-hander—with a six-run second inning en route to an 11-6 triumph over the Giants.

"I told him before the game that I'd buy him a steak dinner if he struck me out four times," said Bench, who cracked a three-run homer in the big second-inning rally. "Nobody's going to strike me out four times in one game."

Montefusco also put his foot

in his mouth when he confidently announced that he would shut out the heavy-hitting National League West leaders.

"Maybe The Count got everybody excited," said Bench about the Giants' swaggering young pitcher. "He got everybody motivated."

The Reds' victory, coupled with the Los Angeles Dodgers' 11-10 loss to the Atlanta Braves, boosted Cincinnati's runaway lead to 14½ games—biggest of the season.

Elsewhere, the New York Mets beat the Pittsburgh Pirates 6-2; the Montreal Expos. turned back the Philadelphia Phillies 7-4; the Chicago Cubs trimmed the St. Louis Cardinals 5-3 and the San Diego Padres beat the Houston Astros 5-3.

Along with Bench's blast in the Cincinnati second, the Reds stroked four other hits—including doubles by George Foster, Darrel Chaney and pitcher Clay Kirby.

Braves 11, Dodgers 10

Roland Office smashed a three-run homer off Los Angeles relief ace Mike Marshall, capping a six-run rally in the ninth inning that gave Atlanta a dramatic victory over the Dodgers.

Mets 6, Pirates 2

Red-hot Dave Kingman blasted a two-run homer, his second of the night, to key a four-run rally in the eighth that lifted New York over Pittsburgh.

Expos 7, Phillies 4

Larry Parrish's two-run single capped a three-run rally in the first inning and Mike Jorgensen's double highlighted a three-run fifth, leading Montreal over Philadelphia.

Cardinals 5, Cubs 3

Jerry Morales' run-scoring double in the eighth broke a tie and Manny Trillo squeezed home another run, lifting Chicago over St. Louis.

Padres 5, Astros 3

Bobby Tolan scored the tie-breaking run on an error in the eighth inning as San Diego beat Houston.

Vilas Survives Scare In Louisville Tourney

LOUISVILLE, Ky. (AP) — zume, 6-1, 6-1.

Defending champion Guillermo Vilas nearly got beat with his own game — frustration — for own racket in the \$100,000 Louisville Pro Tennis Classic Thursday. And a 20-year-old South African, Bernie Mitton, did come through with an upset, downing eighth-seeded Harold Solomon.

The Argentinian outlasted Jeff Borowiak, 4-6, 6-3, 7-6, in what was nearly the biggest upset of the tournament.

Vilas lost the first four games, and some of his usually icy composure. After he lost his serve the second time, the 22-year-old lefthander whacked the ball high over the south grandstand. But after falling a set behind, Vilas rallied strongly and put his serve to work, taking 20 of 23 service points in the second set.

From there he opened a 4-0 lead in the final set. But Borowiak, using a racket he borrowed from Vilas, broke through twice, forcing a tiebreaker, which Vilas took 7-2.

The game was marred by only one major dispute, over a crucial line call in the final set. Vilas protested when a Borowiak return was ruled in, but the call wasn't changed.

"When you're up a few points, you can do things different, like hit the ball harder," Vilas said. "It bothered my concentration."

Fifth-seeded Roscoe Tanner defeated Antonio Munoz 6-4, 6-4, and sixth-ranked John Alexander overcame Jun Kamiwa-

HOMERUN SWING—It was a very level swing that brought Thomas Kendall his homerun in Thursday's win by the Pony League All-Stars over Paducah. Kendall's shot in the fifth inning cleared the fence in dead centerfield.

Steelers To Face First Test As Champions, Face All-Stars

By JAMES C. ROGAL
Associated Press Writer
CHICAGO (AP)—As the story goes, there were less than two minutes left in Super Bowl IX and the Pittsburgh Steelers had the game on ice with control of the ball and a 16-6 lead over the Minnesota Vikings.

Jon Kolb, a key man in the Steeler offensive line, turned to a fellow lineman and said with the sweet smile of victory, "Man, the 'Burgh' must look like Hiroshima now."

The 'Burgh' is Pittsburgh, and though no buildings were destroyed in celebration of the team's first National Football League championship in its 43-year history, fans like to brag that half of Ohio heard the shouts and car honks of unrestrained joy echoing from the Steel City after the game.

The Steelers face their first test as champions tonight in Chicago's Soldier Field, when they square off against the College All-Stars in the 42nd annual game that traditionally marks the start of the NFL season.

After waiting those 43 years to participate in the contest, the Steelers say they're not about to go home as losers.

"We're not going there to lose," said Coach Chuck Noll before the team left for Chicago.

Few other championship teams have lost the battle with the collegiates. The series record stands at 29-9-2, and the All-Stars last won in 1963, when they defeated Green Bay 20-17.

Last year's game was not played because of the NFL players' strike.

Dwight White, one quarter of Pittsburgh's famed defensive front four, added his thoughts on how the Steelers will approach the game.

"I, for one, will not take the game lightly," White said. "It's an all-out thing. Take no prisoners."

The Steelers are solid 17-point favorites in the nationally televised contest, to be seen on ABC at 9:30 p.m. EDT., except in the Chicago area, which is blacked out. But All-Star Coach John McKay's 1973 squad threw a scare into the Miami Dolphins, playing an outstanding defensive game before losing to the pros 14-3.

McKay had been accused before that game of running a "country club," because he held only one practice a day and rarely scrimmaged.

McKay's coaching style is less flamboyant than most.

"No, I am not a jump-up-and-down coach," McKay said. "I don't have jump-up-and-down teams."

He just has winning teams, compiling a 119-36-8 mark as coach at USC.

Lost Draft Pick
BLOOMINGTON, Minn. (AP)—The Minnesota North Stars said Thursday they have lost their top draft choice, defenseman Bryan Maxwell, to Cleveland of the World Hockey Association.

However, Minnesota General Manager Jack Gordon said the Stars have signed goalie Paul Harrison, a third round choice.

By MIKE BRANDON
Ledger & Times Sports Editor
It's a lonely job playing in the outfield when Brad Taylor's pitching.

It's even lonelier if you're on the other team.

Taylor spun a neat two-hitter Thursday night at Noble Park in Paducah as the Murray Pony League All-Stars opened tournament play by downing Paducah National 4-0.

It was quick work for Taylor, a crafty righthander who had the Paducah batters off stride all night. There was only one ball hit to the outfield the entire game by Paducah.

Taylor chalked up 10 strikeouts and didn't walk anyone in pitching his

masterpiece.

"We were a little nervous the first three innings," said manager Mike Hobbie, who later this month will be playing instead of coaching. Hobbie will be the starting quarterback this season for Murray State.

"Everybody was waiting for someone to break the ice."

The ice got broken in the fourth inning. Big third-sacker Terry Gibson drilled a belt-high fastball over the fence in left-center and Murray led 1-0. An inning later, Thomas Kendall, known more for his speed than his power, showed the fans the latter.

Kendall drilled a pitch well over the fence in dead center

and Murray led 2-0.

The final two runs scored in the top of the seventh. David Stripling doubled and later scored when Hal Hendricks reached on an error. Hendricks went all the way to third on a throwing error.

With Hendricks on third and one out, Kendall was at bat. Hendricks came streaking down the line on the attempted suicide squeeze. The Paducah catcher got handcuffed by the ball and it slid past him and Hendricks trotted in with the fourth and final run of the contest.

"We played an excellent game, particularly on defense. Of course with pitching like

that, you can relax a little bit in the field and get rid of a lot of the pressure," Hobbie said.

Hobbie said he was very impressed with the defensive play of Gibson at third and also with the hitting of the man who plays the hot corner. Gibson had two safeties in the contest.

"Taylor did a great job in moving the ball around the plate and setting them up," Hobbie said.

"He would smoke them one time and set them up with the curveball or the dropball."

Murray had seven hits in the contest with Gibson and Kendall each getting two. Also hitting safely were David Mathis, David Stripling and Robert Whitmer.

In the second contest Thursday, Paducah American trimmed Mayfield 5-2. Paducah National and Mayfield will play tonight (if possible) with the loser being eliminated.

Murray will go against Paducah American in the second game whenever the weather permits. Thomas Kendall will get the starting nod in the contest against Paducah American.

Old Putter Makes Difference As Massengale Leads Tourney

By BOB GREEN
AP Golf Writer
HARRISON, N.Y. (AP)—An old, beat-up putter, mallet-headed and wooden-shafted—a gift from his caddy—turned the golf season around for Rik Massengale.

"Just like the last three, four years, I wasn't doing much of anything," Massengale said. "Out in Palm Springs early in the year my caddy, Denny Ferrell, was watching me putting one day and I was complaining about it and he said he had an old putter I ought to try."

"He brought it out the next day and I've used it ever since. I think that's the biggest change there's been in my season—the putting."

Massengale, armed with that new-old putter, scored eight birdies—"I didn't miss any short putts all day long," he said—on his way to a seven-under-par 65 and the first-round lead Thursday in the \$250,000 Westchester Golf Classic.

Massengale, another faceless struggler on the tour for his first five years, broke through to his first triumph in the Talahassee Open—after he'd gotten the caddy's putter—and, with \$53,278 in official earnings, has more than tripled his earn-

ings for the entire 1974 season.

He's going for a \$50,000 first prize here, but isn't counting the money yet.

"I've led golf tournaments in the first round before and wound up making \$500 for the week," he said. "Anything can happen yet."

He had good reason to be less than over-confident. Lurking just a single shot off his pace with a 66 was Tom Weiskopf, a playoff winner over Jack Nicklaus for the Canadian Open title last weekend.

Jerry Pate, a former National Amateur champion who is making his first American start as a pro, Pat Fitzsimons and Tommy Aaron were at 67, two strokes back and five under par on the 6,614-yard Westchester Country Club course that often yields some of the season's lowest scores.

The group at 68 was made up of British Open king Tom Watson, veteran Gene Littler, Dick Lotz, Bud Allin and Rod Funseth.

Johnny Miller, the defending champion who needs to finish first or second here to pass the absent Nicklaus for the money winning lead, had a 69 in the muggy heat he called "barbaric." "I've still got a chance,"

Miller said.

South African Gary Player went to a 75 and was 10 shots back.

Nicklaus, Lee Trevino and Arnold Palmer skipped this rich event—it's exceeded in value by only one tournament this season—to concentrate on preparations for next week's PGA national championship.

Football Practice For Tigers Monday

All young men interested in trying out for the football team at Murray High are asked to report to practice at 4:30 p.m. Monday at the fieldhouse behind Murray High.

John Hina, coach of the Class A State Champion Tigers, said the first week of practice will consist of conditioning and organization. The following week, the team will go in double sessions and begin contact work.

Children's Church Services Planned At Poplar Spring

The Poplar Spring Baptist Church will begin its Children's Church on Sunday, August 3, at eleven a. m. This is a simplified service designed for children on their level so they will better understand the Bible.

Mrs. Futrell will be the speaker for the primary group, ages three to six years, and Danny Taylor for the junior group, ages seven to eleven years.

Every child in the Poplar Spring area is cordially invited to attend Sunday School at ten a. m. and the Children's Church to follow with the regular worship services at the church at eleven a. m., a church spokesman said. For bus transportation persons may call 436-5450.

Services Planned At Temple Hill

Revival services will be held at the Temple Hill United Methodist Church starting Sunday, August 3, and continuing through Friday, August 8, with services at 7:30 each evening.

Rev. Edgar Siress, pastor of the First United Methodist Church, Hickman, and grandfather of the Temple Hill pastor, Rev. Ron Gordon, will be the guest speaker.

The public is invited to attend, according to the pastor, Rev. Gordon.

Presbyterians To Hear Rev. Moffett

The First Presbyterian Church, located at 16th and Main Streets, will hold regular services on Sunday, August 3, with Church School at 9:00 a. m. and worship at 10:45 a. m.

"A Message From the Mundane" will be the subject of the sermon by the pastor, Rev. Charles Moffett. Scripture will be from Luke 16:9-16, and responsive reading will be for the Old Testament scripture.

Carl Mowery is choir director and Cindy Hartwell is organist. A nursery is provided for the services.

Higher Prices For Wide Range Of Foods Pushes Family Bill Up

By LOUISE COOK
Associated Press Writer
Higher prices for a wide range of food items pushed up the family grocery bill during July, an Associated Press marketbasket survey shows. The bill went up in more of the cities surveyed than in any month since last November.

Bro. Don Riley To Speak At Hazel

The regular services of the Hazel Church of Christ will be held Sunday at 10:50 a. m. and 6:00 p. m. with Don Riley preaching at both services.

His topic will be "Calling on the Name of the Lord" for the morning worship with scripture reading from Acts 2:16-21. The evening sermon will be "Repent and Return" from Acts 3:12-26. Regular classes will assemble at 10:00 a. m. and the men's training class will meet at 5:00 p. m. The regular monthly business meeting will take place following the evening service.

All young people are encouraged to meet Saturday at noon at the Hazel building for transportation to the youth forum at 7th and Poplar church, Murray, said Bro. Riley.

Regents. . .

(Continued from Page 1)

A resolution was approved recommending the naming of the Murray State University Administration Building as Harry M. Sparks Hall, in honor of Dr. Sparks, president emeritus of Murray State.

Authorization was given for the planning of a new facility for industrial and technical education programs by the regents. The move was not a commitment to build such a building, but was a requirement for preliminary planning and fund acquisition for the proposed facility.

Authorization was also given for preliminary planning for the renovation and refurbishing of Weather Hall, and the regents voted to ask the Alumni Association to attempt to raise the approximate \$50,000 local figure that will be needed to gain state funds to total around \$600,000 to complete the project. Gov. Carroll has committed the state to help with the project if local interest is shown.

The regents voted to accept the five-year, \$1.2 million Advanced Institutional Development program grant, designed to strengthen the development of the University with particular emphasis upon the establishment of a computer base management information system, the development of new career-related educational programs, the extension of student services to students from low income families, and the strengthening of the teaching-learning process. Murray is one of two regional universities in the nation to receive the grant.

GETTING BIKES OFF THE ROAD
HAUPPAUGE, N.Y. (AP) — Suffolk County's legislature is considering a proposal to establish 308 miles of bicycle paths. In 1972 there were more bike fatalities in the county than in any other in New York State. There were 14 fatalities out of the state's total, although Suffolk has only 6 per cent of the state's population.

represents 18⁺ per hour increase for the average
incentive workers)

2ND YEAR

25⁺ skilled trades
18⁺ hourly workers
10⁺ incentive workers

(Effective June 21, 1976)

3RD YEAR

25⁺ skilled trades
18⁺ hourly workers
10⁺ incentive workers

(Effective June 20, 1977)

FRINGE BENEFITS

HOSPITALIZATION - BLUE CROSS

Comprehensive Plan - Average semi-private rate 365 day plan
BLUE SHIELD pays 80% usual and customary charges of physicians
effective 7/1/76, also provides for out of hospital diagnostic x-ray,
lab and pathology (no limit) and in-hospital consultation service.

MAJOR MEDICAL - Increased to \$15,000 effective immediately - In-
creased to \$20,000 on 7/1/76.

VACATIONS

Present plan is:

1 week - for 1 year service 4 weeks - for 15 years service
2 weeks - for 3 years service 5 weeks - for 25 years service
3 weeks - for 10 years service

ADD 1/2 day for each additional year above 25 years to a maximum
of 30 years service.

PENSIONS - Increase from \$6.00 to \$6.50 per month per year of ser-
vice effective 1/1/76, then from \$6.50 to \$7.00 on 1/1/77, and from
\$7.00 to \$7.50 on 1/1/78. Also increase disability retirement benefit,
temporary monthly disability benefit and vested deferred retirement
benefit.

COST OF LIVING - Continue the same cost of living plan which af-
forded 33⁺ per hour wage increase during the prior agreement. We
agreed to freeze 50⁺ of the current 64⁺ cost of living adder so that
cost of living index changes could never take the amount below 50⁺
per hour.

**The entire cost of fringes is paid by the Company, and
currently represents \$1.75 per hour for each employee**

The Company's average earned rate per employee is \$5.05 per
hour. The Kentucky industrial average for 1974 was \$4.20 per hour.
The National industrial average is \$4.38 per hour.

The Company's proposal also includes an increase in shift premium
from 10⁺ to 12⁺ for 2nd shift employees and from 16⁺ to 18⁺ for 3rd
shift employees effective 6/20/77.

The Company has proposed additional language in the Leave of Ab-
sence Section whereby an employee who has 25 years of service, but
who has not attained age 65 shall be eligible for a leave of absence
which shall not be less than 3 months but not more than 12 months. In
the event an employee chooses a leave of absence of less than 12
months, he may take the balance of his entitlement 12 consecutive
months after he returns.

The Company has proposed language that would provide a total
\$67,500 of paid Union time for Committeemen and Stewards during

the next three years. This is the equivalent of 13,336 hours of Union
time to administer the proposed three year contract or said another
way-almost 2 1/2 employees full time on Union business.

In addition, the Company has included several areas where per-
sonal protection equipment and clothing will now be furnished by the
Company. The Company has made improvements in over the road
driver mileage rates and on-duty time.

The Company has agreed to extend payroll deduction for Union
dues to include the Union's initiation fee.

The purpose of this summary is to give you a picture of the Com-
pany's final proposal, as amended on Friday, July 25th. The
language of the agreement is basically the same. It has worked well
for the past three (3) years and it has been carried forward with a
few technical changes. There were no changes in articles 4, 5, 6, 7, 8,
and 13.

The Amendments to the Company's final proposal are:

1. The vacation period language which the Union initially called
one of the most critical objections was returned to the 1972 language,
except the Dec. 31 date was changed to May 31 to afford a full year
in which to take your vacation time off. The improved vacation
benefits were kept the same.
2. We agreed to freeze 50⁺ of your current 64⁺ cost of living ad-
der amount so that cost of living index changes could never take the
amount below 50⁺ per hour.
3. We have extended the Quarter Century leave from 10 to 20
employees at any one time.
4. We have removed Job 21, Assembly Line Tester, from the list
of Classified Jobs.

**The Company URGES you to INSIST
that you be given ANOTHER OPPORTUNITY TO VOTE
on its amended Proposal
and that you RATIFY THE OFFER
so the strike can be terminated.**

**The Company's OFFER WILL BE WITHDRAWN
at 6:30 p.m., Wednesday, August 6**
