4-H CLUB WORK DRIVE IS NOW ON IN COUNTY

**Farm Boys and Girls 10 to
18 Are Eligible to Join
in Work**

EIGHT PROJECTS OPEN TO YOUTHFUL WORKERS

**Goal is Set at 300 Members
in Calloway; Many Ad-
vantages Offered**

The drive to enroll farm boys and girls of Calloway county in Junior 4-H club work is now on. County Agent C. O. Dickey and Home Demonstration Agent Sadie Wilgus discussed 4-H club work with the boys and girls of the Coldwater, Backusburg and Faxon communities last week.

Every farm boy and girl in Calloway county between the ages of 10 and 18 years inclusive is entitled to join this club. The Agents will endeavor to organize these boys and girls of several communities into Junior community clubs.

These clubs will be given a choice of the following projects: one acre of tobacco, one acre of corn, one-half acre of potatoes, one registered Jersey heifer, one to three pigs for meat, one or two purebred variety, clothing and sewing.

It is hoped to enroll 300 boys and girls in these projects. Any group of boys and girls in any community in the county wanting a Junior 4-H club are requested to notify the Agents and they will be glad to come to your school and discuss the work with you and organize a club.

4-H club work is the hope for inspiration and opportunity of the farm boy and girl and the place to learn the means of correct farm and home management, recreation, education and contribution in an organized directed way.

WILL ATTEND DAM MEETING THURSDAY

**McNeill Publishes Notice of
Preliminary Hearing in Nash-
ville Next Week**

In another column of this edition of the Ledger & Times will be found a notice of hearing to be held in Nashville, Tennessee, on Monday, November 6, at 10 o'clock in the Memorial building.

The hearing is before the Tennessee Power Commission, which is making an application for a preliminary permit to survey the Aurora dam site. The application is signed by McNeill, an attorney of Washington, D. C.

Specifications for the proposed project are also another page of this edition.

The status of Mr. McNeill was not known until his letter to the advertisement was received Monday. According to his letterhead, which is engraved on the highest grade of paper, he is an attorney at a suite in the Investment Building, Washington, D. C. If Mr. McNeill is as big a lawyer as the quality of his letterhead indicates he does business with the "big shots" in the utility business.

The Ledger & Times has not yet been able to learn just who is behind the Aurora Dam project and a brief investigation has resulted in the discovery that who ever is behind the proposed dam are not ready to disclose their identity. A letter directed to the Federal Power Commission, Washington, D. C., to a reply that Mr. McNeill represented the Southern Industries and Utilities Corporation, but that this company was not listed in the latest edition of Poor's Manual.

However, considerable money has been expended by Mr. McNeill in making surveys, some land has been purchased and many other moves have been made which have led a good many persons to the conclusion that the dam will be built.

The Ledger & Times editor is planning to attend the hearing in Nashville next Thursday.

Regents of College Will Meet Thursday

Frankfort, Ky., Oct. 30. - W. C. Bell, State Superintendent of Public Instruction today called a meeting of the Board of Regents of the Murray Normal School and Teachers College to be held at Murray, November 5.

Members of the Board are Mr. Bell, ex-officio chairman, S. J. Snook, Paducah; Claude W. Wynn, Mayfield; Mrs. William H. Mason, Murray; and G. P. Ordway, Kuttawa.

Big Still Man Taken Across River Wednesday

A 60-year-old copper miner was captured and Fine Fulton arrested in a raid of Federal and local officers in Taylor county, just across the river in Calloway Ferry, Wednesday afternoon.

Fulton, who is a crippled man, was taken to Paducah and lodged in jail. He is pending a hearing. Four members of the band were also taken into custody.

Fulton, a man of 70, was led the raid and was captured by four men from Paducah, County Patrolman Earl Osborn and Elbert Osborn.

Rotary Anns, District Governor Will Be Guests of Murray Rotarians Thursday

Murray Rotarians will put on "big" dinner Thursday night of next week when they will give their annual party for the Rotary Anns and at the same time welcome the district governor, Jack Metcalf, of Winchester, Ky.

The event will be held at the National Hotel, beginning at six-thirty o'clock. Charlie Hard has been chosen to give the toast.

Meet at Hotel - 6:30 p. m. Assembly in Dining Room. 6:45 p. m. Club Songs - 7 p. m. - C. Dinner - 7:15 to 7:45 p. m. Welcome Address - 7:45 p. m. - Tom H. Stokes.

Special Music - (Arranged by Dr. J. W. Carr) 7:50 to 8 p. m. Address For the Club - 8 to 8:15 p. m. - H. H. Hood.

Response For Ladies - 8:10 p. m. to 8:20 p. m. - Mrs. Harry Shedd.

Special Music - (Arranged by Dr. Carr) 8:20 to 8:30 p. m. Address By District Governor - Jack Metcalf, of Winchester, Ky.

Dr. J. W. Carr will give the invocation. The program for the evening follows:

Meet at Hotel - 6:30 p. m. Assembly in Dining Room. 6:45 p. m. Club Songs - 7 p. m. - C. Dinner - 7:15 to 7:45 p. m. Welcome Address - 7:45 p. m. - Tom H. Stokes.

Special Music - (Arranged by Dr. Carr) 7:50 to 8 p. m. Address For the Club - 8 to 8:15 p. m. - H. H. Hood.

Response For Ladies - 8:10 p. m. to 8:20 p. m. - Mrs. Harry Shedd.

Special Music - (Arranged by Dr. Carr) 8:20 to 8:30 p. m. Address By District Governor - Jack Metcalf, of Winchester, Ky.

Dr. J. W. Carr will give the invocation. The program for the evening follows:

Meet at Hotel - 6:30 p. m. Assembly in Dining Room. 6:45 p. m. Club Songs - 7 p. m. - C. Dinner - 7:15 to 7:45 p. m. Welcome Address - 7:45 p. m. - Tom H. Stokes.

Special Music - (Arranged by Dr. Carr) 7:50 to 8 p. m. Address For the Club - 8 to 8:15 p. m. - H. H. Hood.

Response For Ladies - 8:10 p. m. to 8:20 p. m. - Mrs. Harry Shedd.

Special Music - (Arranged by Dr. Carr) 8:20 to 8:30 p. m. Address By District Governor - Jack Metcalf, of Winchester, Ky.

Dr. J. W. Carr will give the invocation. The program for the evening follows:

Response For Ladies - 8:10 p. m. to 8:20 p. m. - Mrs. Harry Shedd.

YOUNG M. S. T. C. Newspaper Man Joins Staff of Ledger & Times

Clay Copeland, junior in Murray State Teachers College, editor of the College News in the spring of 1929, has joined the Ledger & Times staff as part-time news and advertising assistant, effective November 1.

Mr. Copeland is the son of Mr. Janie Copeland, Dexter postmaster. He is a native of the county and familiar with his problems. Young Copeland is one of the ablest members of the college junior class and the Ledger & Times is glad to have him connected with it during his spare hours from school work.

Four Sons, Four Daughters Survive; Burial Services Held at Antioch Saturday

Mr. Martha M. Douglas, one of the highest-respected women of the Brown's Grove section, died Saturday following a long illness of dropsy. She was 80 years old.

To mourn her death, Mrs. Douglas leaves four daughters and four sons, all at this writing. They are Mrs. Henry Douglas, Mrs. John Douglas, Mrs. Wm. Douglas and Mrs. George Douglas, all of the same section. Mrs. Douglas was a member of the Antioch Christian church.

Funeral services were conducted at the church Sunday afternoon at two o'clock by Elder J. H. Hamrick. Burial was in the church cemetery.

The family has many friends who sympathize with them in their bereavement.

Hamrick, Waldrop, Orr Purchase Marble Works

With Hamrick, Goldie Orr and Waldrop have purchased the Murray Marble Works from Hamrick, Goldie Orr and Waldrop. The business was placed in the hands of George Hart as receiver three weeks ago when the former partners withdrew a point of disavowal.

The company has been incorporated and the following officers: W. D. Hamrick, president; Goldie Orr, vice-president; and C. W. Waldrop, secretary-treasurer. Mr. Hamrick has been connected with the business for several years. Mr. Orr was formerly a salesman for the Farner-Pardner Motor Co. and Mr. Waldrop, a native of Calloway county, recently returned from Florida where he has been the past three years.

The game will start at 2:30 o'clock on Fulton's athletic field.

Re-union Singing To Be Held at Sinking Springs

A re-union singing will be held at Sinking Springs next Sunday, November 2. Prof. R. E. Emerson desires all former students to be present.

All singers are invited.

First Christian Church Vesper Service 5 O'clock

The congregation of the First Christian church decided last Sunday evening to continue the services at 5 o'clock each week at night. The service was well attended last Sunday evening. Everybody is cordially invited to come and enjoy these services.

JIM JAMMED

Officers Get 41 Gallons of Liquor at Coleman's Place North of Town.

Forty-one gallons of liquor, most of which was sold to have been stolen, were confiscated Friday night when officers raided the premises of Jimmy Coleman, two miles north of Murray on the Jackson road.

When Deputy Sheriff Orr and Parker presented the search warrant, Coleman laughed and said, "You've got me this time, boys."

The liquor was found hidden in the corn crib. Coleman offered to show the officers where it was.

He was arrested on charges of selling liquor and having liquor in possession and gave bond in the sum of \$200 for his appearance in the coming term of court.

Coleman is said to have been a well-known character in the community who said her husband had been getting his supply from Coleman.

Coleman was tried Wednesday before Judge Hale on both counts and received \$200 and 30 days on one and \$100 and 30 days on the other. Both verdicts were appealed to circuit court and will be ruled on at the coming November term.

Mrs. Douglas, 80, Dies Saturday

Contractors Getting Ready to Erect Four Toll Bridges

Paducah, Ky., Oct. 25. - Preliminary work on the four toll bridges to be built over the Tennessee and Cumberland rivers, in Western Kentucky, by the Tennessee River Bridge Company, is well advanced, according to representatives of the construction companies, who are in Paducah today completing plans.

Materials and equipment have been shipped, and actual construction of the substructure for the two Tennessee river spans will start as soon as equipment can be placed, according to E. M. Phillips, vice president and general manager of the Union Bridge & Construction Company of Kansas City, Mo., which has contracts for the substructure at Paducah and Eggers Ferry.

Plans for an early start also were being made here today by F. J. Lloyd, representing the Evans Contracting Company, of Pittsburgh, which holds the contract for the substructure of the Cumberland river span at Smithland. Highway Department officials also were here inspecting roads recently completed. They were H. B. Palmer, chief engineer; T. B. Smith, maintenance engineer; R. O. Parsons, locating engineer; and H. N. Woods, assistant locating engineer.

A group of engineers under Clarence Melville, representing the engineering firm of Madewell & Master, who drew plans for the bridge, is now making final surveys of the proposed bridge sites in order that work may start with least delay. It was announced.

Four Calloway Students on College Team Which Will Debate Cambridge

Four members of the varsity team, the winners of the Calloway County debate team, will represent the county in the debate with Cambridge, Mass., at the Cambridge College, Cambridge, Mass., on November 21. The team consists of: Holman Jones, junior, son of H. M. Jones of Murray; Eugene Mitchell, senior, son of E. M. Mitchell of Murray; H. B. Woody, senior, son of H. B. Woody of Murray; and Francis Westerman, senior, son of Francis Westerman of Murray. The team was coached by Professor Horton in his selection. He explained that the team was selected on the basis of their ability in debate and their ability to represent the county in a dignified manner. The team will be accompanied by their coaches, Professor Horton and Mr. Jones, to Cambridge, Mass.

"I Raise Them— You Eat Them"

"Just think how immense this town would suddenly become if all the people who eat Brookfield Butter, Brookfield Eggs and Premium Milked Chickens were to crowd in every day for their supplies."

"But that's not how it works. Nobody has to go outside his town for Swift & Company goods. I'm one of the 200,000 producers who deliver supplies to the Swift & Company produce plants and receive cash for my products. There are more than 80 of these plants. 400 branch houses and 600 car routes carry the Swift products to every community in the country and prevent local gluts or shortages. That's the marvelous organization of nation-wide distribution. It's like the arteries that carry the life stream all through your body. It's a mighty fine thing to have contact with an organization which can thrive on an average margin of less than 2 cents on every dollar of sales."

"Of course I've more than ordinary interest in Swift & Company. I'm one of the 45,000 shareholders, besides being a producer, and in addition to having a ready cash market for all I can raise."

"I receive a return on my investment. Thousands of Swift & Company employees are shareholders. Many of the 38,000 employees who receive just wages live right in this town. They spend their money with our merchants, build their homes here, pay taxes like you and me. I can tell you, there's something more to being in the Swift family besides delivering butter and eggs."

Swift & Company
Fulton, Ky.

A Warning —AND AN— Appeal —TO THE— DEMOCRATS —OF— Calloway - County

On November Fourth, Hon. M. M. Logan is to be voted on for the six years' term in the United States and the Hon. Ben Williamson for the short term ending March 4, 1931.

The politicians and spellbinders of the Republican party are trying to deceive the Democrats of Calloway county with a false issue of crying "Raskob" in an effort to influence the Democrats, to make them sore and keep them away from the polls.

They are also bragging that they are going to roll up enough majority in the Negro precincts of Louisville and the mountains to offset the Democratic vote in Western Kentucky.

If the Republicans succeed in their efforts, please remember that it means to Kentucky a Republican in the United States Senate for six years to heap additional tariff duties on you and to help enact other legislation to enrich the already rich manufacturers of the east at your expense—a situation that no Calloway county Democrat cares to see.

And the Democrats of Calloway county by staying at home and failing to vote may determine this in favor of the Republican party. Remember, that if you stay at home you are casting a half-vote for the Republicans.

Your failure to vote will place the Democrats of Calloway county in an unfavorable light. Let's give the biggest Democratic majority in the history of this county.

GEO. S. HART MRS. MARY NEALE
County Campaign Chairmen

THE LEDGER & TIMES, MURRAY, KENTUCKY

The Great Importance of This Election

The election for United States Senator in Kentucky this year is the most important one that has been held in a decade—probably the most important that has ever been held. The economic depression of the country, brought about by false theories, and laws for the benefit of the robber tariff barons and against the consumer and the producer has brought the country to the verge of revolution and ruin. In Chicago alone, according to the Chicago Tribune, a South hating Republican newspaper, there are 250,000 bread-winners of families unemployed. In Louisville, according to Commonwealth Attorney Otte, a Republican, who recently spoke over radio at Shreveport, there are 50,000 men in Louisville wholly without anything to do. Charitable organizations the country over are helpless to meet the demands upon them. The early winter in the North and East has already brought about untold suffering, and there is even lack of shelter, much less fire and food, for the destitute.

This condition was brought about by the subject failure of the Republican national administration at Washington, to keep faith with the masses and by selling out to Grandism. Not a doubt about it. They know it! When pressed for a bill of particulars they attribute it to "Raskob" and "Raskob." They whine and whimper that they are being "smeared." Good God, and little apples! As if they could be smeared after Harry Daugherty and Gaston Means have told of what went on behind the scenes, and as to what Ralph Kelly has told of the new oil scandal just uncovered a few days back, in which forty billion dollars is the lowest estimate as to the amount the government stands to lose.

Important election! Yes! Now listen. Hon. J. J. Shaw, chairman of the Democratic Executive Committee, has just given out his estimate. He figures that the Democrats will control the next house, under a gain of sixty or more representatives. In his estimate on the United States Senate he shows that if the Democrats carry Kentucky then they will have a clear majority, over Republican insurgents and all OF JUST ONE VOTE. Thus it is seen that if Logan is defeated the Republican old guard will control the organization of the Senate, and then no relief can be expected from present conditions and they will continue. Not a doubt about that at all, and the plethoric tariff thieves will continue to prey upon the public like loads eating shot, while the farmers will continue to get nothing for their wheat and less and less for their tobacco. Unemployment and starvation will stalk abroad in the land for no telling how long. Seriously, gentlemen, there MUST be a change. We are no clams! However, we don't have to howl. You can see it. Thousands of Republicans in Kentucky see it, too, and there is a great revolt in their eleventh district stronghold. Republicans even in the first district have become heartily tired of being made cats-paws so that the Hazelip faction may get the Federal offices, while the best men of their party like Yandell, of Marion, are kicked out of the Hazelip conventions.

Therefore, it is UP TO THE PEOPLE OF KENTUCKY. IF LOGAN IS ELECTED DEMOCRATS WILL CONTROL THE UNITED STATES SENATE, and the Republican insurgent senators of the West and Northwest will back them up, and the people will at last get a fair deal. Let every serious minded Kentuckian, be he Democrat or Republican, join in this great movement for a new and a brighter day in the Nation. Come with us, Republicans. You see how things are. Try us just once. God knows we could not possibly make it any worse than the stand-pat Republicans of the East have made it. The time is ripe for a change. You know the Republican party cannot last much longer. Get out of it before the break-up comes—for it is coming and that SOON—believe you me. After the next presidential election the Republican party as at present constituted and named will never be heard of again. Mark the prediction, and paste it in your hat. As a party it has passed its last day through Congress!

If you vote the Republican ticket on Tuesday, November 4, you vote to have present conditions continue. If you vote for Logan you are asking for a change, AND YOU WILL GET IT. Just take your choice. It is up to YOU. Yank Roberson back to private life so that he will have nothing to do but read the Fellowship Forum, national organ of the Ku Klux which praises him and recommends him so highly and publishes his picture on the front page as "our great patriot" and bi-coloral legislature for the Hooded Hoods.

Faxon High School

The chapel program last Wednesday morning was conducted by Mr. Dentle McDaniel, through the aid of Mrs. Sylvia Atkins, principal. The program was a vocal contest between the grades and high school students.

The County Health Nurse Miss Mable Glasgow, said the school's short visit Friday afternoon. She left word she was coming within a few weeks to examine the school.

A practice basketball game was played between Aurora High School boys and Faxon Wednesday afternoon on the Faxon hard-wood.

The Aurora girls played a practice game with the second team

of the boys' squad Thursday.

The seventh annual Fiddler's Contest will be given at Faxon Nov. 1. This event is heartily hailed by both young and old. The old tunes and new pieces are immensely enjoyed. Every year the contest is pronounced the best ever heard. Each year we look to the coming of the best musicians in the county. The bills are now on the press. There will be given for \$15 to \$30 in prizes.

KIRKNEY NEWS

We are having some fine fall weather, cool nights and bright days.

The farmers are busy doing their fall work.

The recent rains have stopped

Remember—
the world's largest
producer of rubber
builds new
U.S. ROYAL
that's why it has no equal at its price

Very low prices now offered on U.S. ROYAL

20x4.50	\$8.40
20x4.75	\$9.70
20x5.00	\$11.00
20x5.25	\$12.40
20x5.50	\$13.80

This deep-notched, extra-thick tread gives you maximum road grip and sure braking—with increased handling ease! The lavish use of virgin rubber, and construction methods controlled by the United States Rubber Company give you long life with-out parallel in this price class! And that's not all. To indicate its confidence in the superior quality of this tire the world's largest producer of rubber guarantees it for life!

The Royal road leads to safety and savings. Start following it today!

water hauling.

The potato crop is short and very short in this neighborhood this time on account of the dry weather.

The old fiddlers' contest at Backusburg Saturday night was attended by a large crowd and a good time and plenty of music.

Mrs. Nannie Garland spent last week at the home of her son, Bert Garland, near Farmington.

Mrs. Mollie Robertson visited Mrs. Mary Tidwell Friday evening.

Mrs. Bessie Parker spent Saturday night and Sunday with her parents, Mr. and Mrs. Noah Enoch.

Mrs. Pearl Broadbent is on her way to the bed with the fever.

The school falls at Kirksey Friday was a success and a large crowd was in attendance.

The Lee Parker of Kirksey R. 2, did not get any Red Cross rye. It was the Lee Parker on the east side of the county.

Dempsey Swan and family spent Sunday with his brother, Rufus Swan and family.

Mr. and Mrs. Garland Watkins spent Sunday at the home of his mother, Mrs. Ida Watkins.

Three hundred farmers attended a meeting and barbeque of the Rockcastle County Golden Hoof Club. Several farmers have established flocks headed with pure-bred rams.

Four-H Club boys and girls who attended their fourth consecutive camp were graduated and awarded diplomas at the London camp.

HOW TO RECOGNIZE A GOOD UTILITY BOND

No. 1. A series of advertisements

SALT WITHOUT SAVOR

INVESTORS have made a fetish of assets—as though assets in and of themselves were a guarantee of safety.

Very little thought will demonstrate that assets without earnings are of no value. A building without tenants—a farm without crops—a railroad without passengers—a power plant without customers—all may represent huge expenditures of money. But without earnings they are utterly worthless and of no value—they are as salt which has lost its savor.

Assets are valuable only as they are tangible evidence of facilities to produce earnings—a building to hold occupants, a farm to raise crops, a railroad to carry passengers, a plant to produce power.

But present earnings alone are not sufficient—there must be assurance of continued earnings—earnings whose future is assured by growth, by continued need, by increasing service.

On the basis of this fundamental principle, what may ordinarily be regarded as less secure obligations of one industry or business, may be far more secure than those of another industry customarily regarded as of prime safety.

The safety of first mortgages, secured bonds, debenture bonds, or obligations of any kind therefore is measured only by their claim upon the continued earnings of the particular business concerned.

Thorough students of investments now generally agree that the public utility industry offers a more stable and secure field for long time investment than practically any other major field, including securities of those industries in which savings banks, insurance companies and other institutional investors now make large commitments from force of habit or favorable legal status.

Accordingly, we have applied a series of basic criteria, such as are used by scrutinizing investors, banks and institutions, in the evaluation of the debenture bonds of leading public utility companies. These criteria will be discussed in a series of advertisements.

Persons desiring immediately the complete set of 10 charts with the letter showing how to weigh the worth of such public utility bonds, may obtain them by writing for Analysis PL.

Radio-Tricjan

Sets made to order, aerials erected. Radio sets installed, adjusted and repaired. Member of National Radio Institute, Washington, D. C. Phone 10. Murray, Ky.

Personality.

In no other business or profession is personality more important than in the work of funeral directing. For this task, touching so closely upon the most sacred things, people demand the service of one whom they know and trust.

Through long and conscientious service we have earned confidence and friendship. As a result, our service is more than a matter of business... it is an earnest attempt to be of help in time of need.

J. H. Churchill
