BOARD OF WORKS FOLLOWED HUSBAND

MRS. HENRY WILLIAMS PASSED AWAY AT MACON.

Her husband dropped dead January third, and of heart trouble at his home here.

At the desk of the Board of Works yesterday, without the usual amount of the usual amount of business, was a letter from Mrs. Williams. It bore the signature of her deceased husband, Henry Williams, and read as follows:

"Dear Sirs: We have just learned of the death of Mrs. Williams, and we are very sorry to hear of it. We have always been very fond of her, and we hope that she may be comforted by the knowledge that her husband was always faithful and true to her."

Mrs. Williams has been living here for over forty years, and she is well known and respected by all who know her. She was a fine citizen, and she will be greatly missed by all who knew her.

At the request of the Board of Works, a presentment was made in the name of Mrs. Williams, and a committee was appointed to inquire into the circumstances of her death.

They reported that Mrs. Williams had lived a good life, and that she had always been a loyal member of the Board of Works. They recommended that a memorial be erected in her memory.

The Board of Works voted to accept the report of the committee, and to order the necessary steps to be taken to erect a monument in memory of Mrs. Williams.

WHY CAN AND MUST EVERYONE KNOW "ARE YOU DIZZY?" DOES YOUR HEAD SWIM? DO YOUR EYES BLUR? IS YOUR STOMACH SICK?

In women, these symptoms are often signs of disordered nervous system, or of liver or heart trouble, brought on by carelessness in regulating the menstrual functions. These functions are even more important to women than the bowel functions to either sex. Even if there is no stoppage, still, a gentle cleansing, menstrual draught should be taken now and then—every doctor will tell you so. Otherwise the menstrual blood will decay inside you, and will be absorbed into your system, causing such pain and suffering as will make you lose all interest in life.

To cure yourself, take the woman's best and safest remedy, menstrual cleanser, tonic and pain reliever, is the old, reliable, time-tested medicine, which, for over 70 years, has been a household word in America, viz:

Yesterday in the police court at Moline, the small boy, held for the court on a charge of being a tramp, was found guilty of the charge and had to pay a fine of $2. This was the second time that the boy had been before the court on the same charge.

The boy was found guilty of theft and was sentenced to six months in jail. The judge ordered the boy to be taken to jail and to remain there until the sentence is served.

The boy's parents have been notified of his arrest and are expected to appear in court to appeal the sentence.

The judge said that he hoped the boy would learn from his mistake and that he would not have to return to court in the future.

The boy's name was not released, as it is not considered desirable to publish the names of children who are convicted of crimes.

The boy was taken to jail immediately after the hearing and is expected to remain there until his sentence is served.
