Syrup of Figs

Manufactured only by the California Fig Syrup Co., San Francisco, Cal., is Nature's Own true Laxative. It is the most easily taken and the most pleasant effective remedy known to cleanse the system when bilious or constive; to dispel headaches, colds and fevers; to cure habitual constipation, indigestion, etc. For sale in 50 cent and \$1.00 bottles by H. B. Garner, Hopkinsville, Ky.

The Woods Affair.

The woods on the Spert place, near the city, caught fire, Thursday night, and quite a conflagration ensued. It is supposed the flames originated from the smoldering embers of the camp fire of some tramps who spent the previous night in the woods. Thursday night the flames lit up the heavens presenting a beautiful spectacle. Not much harm was done, and beyond the loss of a few cords of wood and a little fencing, the damage was insignificant.

Arbor Day in Kentucky.

Saturday, the 2nd day of April coming, is Arbor Day in Kentucky. It is made so by the proclamation of Gov. Knott, in pursuance of a late act of the general assembly. The purpose of establishing Arbor Day is the most commendable purpose, and the day ought to be heartily and generally observed. Will it be?

Arbor Day is a new thing in Kentucky, and not unlikely special effort will be required to enlist general public interest at the start. This may be accomplished by well-directed efforts of those who take proper interest in the subject. Fairly proper observation.

The Mail Service.

The postal route over the L. & N. is now established, and mail will be carried daily over the line henceforth. A Democrat representative in an interview with Mr. Faxon, the gentlemanly superintendent, was informed that the following offices would receive the benefit of the route: Glen Ellen, Peaches Mill and West Fork in Montgomery county, and Longview, Oak Grove, Howell, Herndon, Newstead and probably Bonnettstown and Lafayette in Christian, Newstead being the present terminus.

The Best Method.

Those offices which do not lie immediately on the line will receive mail by carrier from the nearest established office. A car has been arranged for temporary use, which answers present purposes. As yet no mail-agent has been appointed.—Clarksville Democrat.

All mail from this city to any of the above points will be sent via Clarksville, but by special request the New Era will be delivered to any of these post-offices over the star route service. This will insure the speedy and prompt delivery of our papers to subscribers in the country.

A Henderson Castaway

HENDERSON, Ky., March 22.—A baby was found under the river bank at this place this morning. It was very young and had on no clothing, being wrapped in a heavy blanket. It cannot be positively ascertained whether the child is white or colored, its hair resembling that of a colored child but its skin being white. The officers are investigating the matter, but they have no clue to the parentage of the waif.

Around Town.

The Casky Grange Sale is set for May 20th.

The L. & N. pay car passed through the city Friday and gladdened the hearts of the employees.

The Female College building, at Franklin, Ky., was destroyed by fire Thursday morning.

Elder A. Allsup will preach at Concord on the old Saturday the 4th Sunday in March (27th), at 11 o'clock a. m.

An order has been issued by the C. & O. railroad that no passes will be issued after April 1st except to railroad employees.

The Princeton Banner says that the attorney for the L. A. & T. Railroad Co. is having considerable trouble securing the right of way.

Farmer Miles, of Charleston, Ill., the most celebrated veterinary surgeon in the world, was in the city Thursday. He has been of great service to stock raisers here and will repeat his visit next fall.

Father Eliza J. Durbin, one of the oldest Catholic priests in the West, died at Shelbyville Tuesday evening, age eighty-seven years. He is well known in this city and throughout Western Kentucky.

There have been nearly 40 conversions in the Methodist meeting and the work is proceeding gloriously. At the Baptist church there have been about 10 conversions and a general interest is awakened.

The Latham monument is now completed. It is well located in the cemetery and can be seen from all the approaches. It is a thing of beauty. Its simplicity is perfect. Five granite canon balls in the shape of a pyramid is the crowning ornament.

The Executive Committee to arrange for the unveiling of the Latham monument met at the New Era office yesterday afternoon. Funds are being raised to pay the expenses of the occasion and our citizens should respond liberally.

The H. & C. Railroad Directors met Thursday night and elected J. L. Landes President, W. G. Wheeler and F. J. Brownell Vice-Presidents, and A. H. Clark Secretary. These gentlemen will give their best efforts towards securing the much talked of outlet, and we trust they will have some good news for the waiting public at no distant day.

"Mama" said a bright little girl, as C. E. West, the Sewing Machine man, was leaving her mother's sewing machine, "what does Mr. West remind you of?"

"A man, daughter. What does he remind you of?"

"Well mama, he looks like a good sewing machine to me."

The Bayse-Davis Ideal Dramatic Company have been playing all the week at the Opera House. The crowds have not been so large as the company deserved. They will appear this afternoon at the matinee in the lovely comedy entitled "The Iron Will." The engagement closes to-night, when the company will produce the beautiful comedy drama "The Planter's Wife."

The Hartford Herald says: "John P. Johnson, of near Sulphur Springs, was brought before His Honor, C. W. Massey on the 19th inst., charged with larceny. A jury was summoned, and after hearing the evidence sustained the charge, and Mr. Johnson was sent to the Hopkinsville asylum. This is the second time he has been sent to the asylum. He was sentenced about one year ago. He was there only a short time until he was released and thought to be entirely well; but a short time since, he lost his mind again."

Next Monday night Gorton's Original New Orleans Minstrels and gold band will hold the boards. This company has played here several times—the last time in 1884, and never fail to give the utmost satisfaction. All the old favorites are retained and many new ones have been added. The press over the country speak in highest praise of their performances. Look out for the street parade Monday morning. The prices will be "popular." Reserved section 75 cents, general admission outside of railing 50 cents, gallery 25 cents. At these prices they should have a packed house.

Cadiz Telephone. The Court of Claims of Christian county has granted the right of way for the Hopkinsville Turnpike Company, to use the road beds to build pikes. This was a wise move on the part of the Court of Claims of that county. We predict for Hopkinsville, the largest trade when the work shall have been completed, that it has ever enjoyed. There will be about \$90,000 spent within a radius of 10 miles of the city, and should they make a trade to have built another railroad connecting with the C. & O. at Princeton or Dawson, or which should still be better, get the Ohio Valley railroad, then, without a doubt, our sister city would enjoy a boom rivaling that of Birmingham, Ala., or Wichita, Kansas.

The Turnpike Situation.

Several gentlemen under the direction of the Turnpike company are soliciting subscriptions to stock along certain lines of road for the purpose of assisting in piking said roads. It is desired to increase the stock subscribed as much as possible so that the greatest number of miles of road may be macadamized. It would be well for citizens living on thoroughfares, which they desire to be piked, to assist the company in this matter, for the company will be most likely to help those who are willing to lend a helping hand.

As soon as our people begin to appreciate the real value of turnpike roads, the day will not be far distant when every highway in the county will be macadamized.

Not Regardless of Value

BELOW COST

Do we propose to offer our stock, but we will offer you goods at such prices that will astonish you for cheapness. We have cut prices way down, in order to reduce our stock to make room for our immense Spring Stock, which will soon arrive. Our prices are down far below any goods offered at forced or clearance sales. Having a resident buyer in the city with 35 years experience gives us advantages which no other house in the city has. Our stock of

Winter Clothing, Suits, Overcoats, Boots, Shoes, UNDERWEAR, SOCKS, HATS,

and in fact, everything in our Clothing Department will be sold at prices that cannot be had from any other house in this city. We ask you to make no purchase until you have seen our stock and learned our prices. We pledge ourselves to save you money. We will place on sale this week one Hundred Dozen Unlaundered Shirts worth 75c., which we will close out at 45c.; also the Gold and Silver Shirts for less money than ever before sold by any one.

WINTER BOOTS AT HALF PRICE. WINTER SUITS AT HALF PRICE. WINTER UNDERWEAR AT HALF PRICE. WINTER OVERCOATS AT HALF PRICE.

In fact, all our Winter Goods must go. We ask you to call and see for yourself. We stand ready to prove any assertion we make. This is no idle boast but plain facts. In our Dry Goods Department we are ready to offer better bargains than ever. Our stock has been greatly reduced since our bargain sale was inaugurated, but our stock is still too large and must be reduced still more. We will therefore make it to the interest of any one wishing Dry Goods to give us a call before making a purchase. We are closing out a great many goods at just half their former price. We have 100 Cloaks on hand which must go. Price no object. Call at once on

Spring Clothing.

I am now opening several cases, which came direct from the manufacturers, made to order for me and guaranteed the best. All I ask is a chance to show the goods and name the prices.

Spring Boots and Shoes.

I am now offering the cheapest stock in town, and by "cheapest" I don't mean the lowest grade goods; but the best goods for the same money—either fine or low grade. Come and see my goods and compare my prices.

No Boast, But Business.

I have no goods to give away; am not making any forced sale; can't afford to work for glory alone, but will make good by goods and prices all I say and treat everybody honestly and fairly. Come and see me.
