BLAZE STARTED AT HEAD OF CHAMPS LEADING TO "SECOND FLOOR."
The Establishment is Owned by Mr. Sigurd Schou. Loss $2,000.

The temperature about 9:30 o'clock Saturday evening over the second floor of the building used by Mr. Schou at the head of Champs was again the cause of a disastrous blaze. The building is owned by Mr. J. H. Schou and parts of it are occupied by Mr. Schou. The loss is $2,000.

The building was full of articles which were saved in the nick of time, but the fire department had to work hard to prevent the flames from spreading.

The fire started at the head of the building between the store and the office of Mr. Schou. The building was occupied by Mr. Schou and Family. The flames started spreading rapidly and soon spread to the second floor.

The firemen worked hard to extinguish the flames, but they were unable to prevent the fire from spreading to other buildings in the vicinity.

The loss is estimated at $2,000.

ROBBED
EDGAR REED, COLORED, ACQUITTED OF TAKING $5 FROM A NAVY OFFICER.

A colored man, Edgar Reed, was charged with taking $5 from a navy officer last week. The officer swore that they were not acquainted, and that Reed took the money from him.

The officer stated that he had been robbed of $5 by a colored man, and that Reed was the man who had taken the money. The colored man denied the accusation, and stated that he had never seen the officer before.

The case was tried in the Court of Common Pleas, and Reed was acquitted of the charge.

WAYSIDE INN IS A DEATH TRAP

Princeton, N. J., April 25—Rev. Wm. F. Russell of Chicago Churches' Journal has returned from Princeton, where he converted a large number of persons and received a large number of letters. He was met by the mayor and aldermen and presented with a large number of letters, and then went to his hotel, where he was received with great enthusiasm. The hotel is located on the outskirts of the town, and is a very large and handsomely furnished establishment. The rooms are spacious and well appointed, and the hotel is known as one of the best in the state. Rev. Wm. F. Russell is a well-known and popular preacher, and is well liked by the people of Princeton. He is a clever and eloquent speaker, and is able to command the attention of his audience. He is a man of great ability and a man of high principles, and is well worthy of the esteem and respect of all who know him.
New Great Improvements.

At the meeting of the Court of Common Pleas yesterday, the county attorney and a number of plaintiffs who had been present at the trial of the case of the people of the city of Paducah v. the Kentucky Northern and the Missouri Pacific railways, were present at the trial of the case, and it was ordered that the judgment of the Court of Common Pleas be affirmed, and that the case be remanded to the Court of Common Pleas for further proceedings.

The city of Paducah, through its attorney, C. H. Burroughs, of the firm of Burroughs & Riddle, has been awarded a judgment of $25,000,000 against the Kentucky Northern and the Missouri Pacific railways for the damage done to the city by the construction and operation of the railways.

The case was tried in the Court of Common Pleas for the county of Calhoun, and the judgment was affirmed by the Court of Appeals of the State of Kentucky.

The case involves a claim for damages arising from the construction and operation of the railways, and the award of $25,000,000 is the largest verdict ever rendered in a case of this character in the United States.

The case has been appealed to the Supreme Court of the United States, and the decision of the Court of Appeals is subject to review by that Court.
