OUR MESSAGE OF SERVICE
There seems to be a lot of activity in the building lines this year. Architects and contractors, carpenters and masons all, are busy designing and erecting these projects and their tools and getting set for business. It is not the worker in the field, who is going to build homes—those dream dreams of temperance in homes of their own, but men and women who have long, too long, been missing the roof over their heads are going to try this year to realize their desire to have a home of their own.

Whatever you plan to do by way of BUILDING—REMODELING—REPAIRING—
we want you to feel perfectly free to come in and consult our service department without the slightest obligation. Whether it's a big house or a bungalow, a new garage, a new room or new floor, a细分 partition or a deck, a porch, an alley fence, or built-ins fixtures— we are prepared to give you unbiased advice and low prices on Quality Material.

LET US HELP YOU MAKE YOUR DREAMS COME TRUE!

BARKLEY SPEAKS
AT IRISH MEETING

Address to the Friendly Sons of St. Patrick at New York

A defense of the federal policy for protecting the home on the part of County Chairman Alan W. Barkley is given in the New York Times. The chairman in his speech urged that the adoption of prohibition of the sale of intoxicating liquors would be nothing more than an attempt on the part of the Federal Government to arrogate to itself powers that were not granted to it by the Constitution of the United States. The people must resist this attempt and not adopt any scheme or plan that would tend to make the home a battleground and invite the reverse of the Federal Constitution.
