Benton Loses to Sharpe

Sharpe's famed Green Devils, rated high all over the state, were hard pressed Tuesday night to defeat the Benton Indians, 56 to 52. The game was played at Sharpe.

The first period ended in a 12-12 tie, but Sharpe forged ahead to lead 26 to 21 at half-time and 40 to 34 at the close of the third period.

Mac Meadows led Benton's attack, scoring 22 points. Lamprey was high man for Sharpe, with 13 points.

Brewers bowed to New Concord, 58 to 79, in a game played Tuesday night at New Concord.

Brewers beat New Concord earlier in the season. Brewers led the first period, but trailed the rest of the way. Treas, with 17 points, was high man for Brewers.

Hardin defeated Fulham, 68 to 65, Tuesday night at Fulham. Hardin led all the way, but it was no easy victory. Gene Thompson led the Hardin scoring with 20 points. Boggess was a close second with 18 points.

Calvert City lost to St. Mary's at Paducah Tuesday night 86 to 54. Glen Collier, with 21 points, was high man for Calvert. Sewell had 12 points.

Last Friday night, Calvert City defeated Benton, 68 to 65. It was a battle royal all the way and it took one overtime period to settle the matter.

Sharpe edged out Central City last Saturday night, 55 to 53. Tom Harper sank a long one with only 30 seconds left in the overtime period to grab the narrow victory for Sharpe.

Kansas Folks Visit Crosslon Miller And His Family

Mr. and Mrs. Ed Crammer of Harlan, Kan., visited Mr. and Mrs. Crosslon Miller from Friday of last week until Tuesday of this week.

The Crammers operate a 600-acre farm and cattle business in Kansas.

It was the Kansasians first trip to Kentucky. They enjoyed seeing tobacco crops, the timber and rivers—all of which were new sights for them.

Mr. Miller visited the Crammers last year on a hunting trip to Kansas. The Millers and Crammers are related by marriage.

Mrs. Harold Norris Is Complimented At Stork Shower

On Jan. 15, Mrs. Truett McDermott, Mrs. James R. Cope and Mrs. Alfred Franklin Jr. were hostesses at a stork shower held in honor of Mrs. Harold Norris.

The shower was held at the home of Mrs. McDermott.

Games were played and prizes were won by Maybelle Walker and Frances Farmer.

Approximately 100 gifts were received.

Mr. and Mrs. Dan Gold of Route 4 were Saturday shopping visitors in Benton.

Stay Shot Falls In Benton Home

A stray bullet entered the Ralph Wortham home on West 12th Street last Wednesday afternoon about 5 o'clock.

The .22 calibre bullet, presumably from a rifle, pierced the front door and came to rest on the living room rug.

Mrs. Wortham was sitting 3 feet from where the bullet fell. Her daughter, Sherry, was in another room.

The shot probably was fired by some youngster out hunting birds, but it was never learned who fired the shot.

Police Chief Joe Faughn issued a warning to all youngsters that it is against the law to fire rifles, pistols or shotguns inside the city limits. He strongly urged the youngsters to do their rifle shooting outside the city limits and away from dwellings.

25 Present at Briensburg 4-H Meeting

By MARY JO WALSTON

The Briensburg 4-H Club had its regular meeting Jan. 18. Twenty-five members were present.

To start the meeting off we had the pledge to the flag and the 4-H pledge. The roll call, was answered by naming something you had bought recently and what it cost.

We also had a report on Club finances and discussed ways for the club to make money for its treasury.

Our program talks were:

Common Needs for Money, by Bonnie Jean Story.

What Was First Used in the Place of Money, by Jerry Wyatt.

Modern Forms of Money, by Hazel Holley.

Too Much Money, by Jerry D. Franklin.

Paper Money, by Judy F. Solomon.

Having Banks Keep Our Money, by Mary Jo Walston.

Both Mr. Miller and Miss Colley gave talks on electricity and our projects on lamps. Our next meeting will be held Feb. 12.

NEWS FROM WALNUT GROVE

By LOIS TRIMBLE

Mr. Jack Edwards is seriously ill in the Baptist Hospital in Paducah.

Mrs. Tommy Wyatt and daughter, Cynthia, Mr. and Mrs. Paul Cavitt, Mr. and Mrs. Clinton York and children visited with Mr. and Mrs. Loman Trimble Sunday afternoon.

Miss Betty Trimble visited her grandmother, Lois Trimble, Sunday afternoon.

Bro. and Sister Henry Hargis and children were back with us at Walnut Grove Sunday. We enjoyed having him preach for us this Sunday. Bro. Paul Hicks is our regular preacher for this year. He preaches the second and fourth Sundays.

Miss Rozelle Pace of Union Hall was a visitor Sunday at Walnut Grove.

Mr. and Mrs. Alvie Edwards and children, Mr. and Mrs. Loman Trimble visited with Mrs. Cordia and Lois Trimble Friday afternoon.

Mrs. James Thompson, Mrs. Johnny Hiett and Mrs. Loman Trimble are employed at the new clothing factory at Benton.

Mr. and Mrs. Howard Edwards went to see his brother, Jack, Saturday at a Paducah hospital. Miss Rebecca Trimble visited Mrs. Sue Hiett Monday night.

Mrs. Solon Hiett visited Mrs. Cordia and Mrs. Lois Trimble Monday evening.

BIRTHS

Mr. and Mrs. Allen McClain of Benton are the parents of a daughter born Tuesday, Feb. 2, at the Benton McClain Clinic.

Mr. and Mrs. Joe Brooks Prince of Benton are the parents of a son, named Robert Langston. The baby was born Tuesday, Feb. 2, at Murray Hospital. The grandparents are the Guy Mathews and the Charlie Princes.

Mr. and Mrs. Sherman Willoughby of Benton Route 5 are the parents of a son born Jan. 29 at the McClain Clinic in Benton.

Laugh and the World

"I haven't seen you at church lately," William," said the minister. "What's the matter?"

"My daughter's learning to play the harp," replied William.

"But what's that got to do with it?"

"Well, I'm not so keen on going to heaven as I was!"

Polio Outbreak Hits Marshall County; 3 Cases in Fairdealing Community

Warning On Rabid Dogs Given

Citizens were warned this week about rabid dogs.

Several mad dogs have been roaming over Benton in recent weeks and are a menace to other dogs, and also to human beings.

The head of one such animal was sent to state laboratories, where examination proved the animal had rabies.

All dog owners have been requested to keep close watch over their dogs and to keep them at home as much as possible.

If possible, have your dog vaccinated against rabies.

If your dog shows signs of madness, get in touch immediately with law enforcement officers or a veterinarian.

Gilbertsville Native, 63, Is Found Dead

The body of L. L. Baggett, 63 who was born and reared at Gilbertsville, was found last Sunday afternoon in Massac Park at Metropolis, Ill.

Mr. Baggett had been missing since May 16, 1953. He had made his home on the farm of Henry Rudd, who lives near Metropolis.

Two young boys found a log in a ditch in the park and reported their find to the sheriff. Further search revealed the remainder of the body.

Mr. Baggett is survived by an estranged wife, two sons, three daughters, a sister and two brothers.

Merchants Urged To Use Precautions Against Burglaries

Because of the recent break-ins in Benton and Marshall County, Benton Police Chief Joe Faughn asks merchants here to use the night depositories of the local banks.

After the cash has been placed in the banks, the storekeepers are urged to leave their cash drawer open so thieves can see that no money is available.

The merchants also are urged to leave a light burning at night in their business places. The light will give policemen a chance to see any prowlers in stores.

Rotarians, Wives Will Have Dinner

Rotarians and their wives will have a dinner this Friday night at 6:30 o'clock at Kentucky Dam Village. Reservations have been made for about 80 persons.

An entertainment program will be presented after the dinner by about 14 members of the Benton High School Band and their director, Bill Havel.

The dinner is the result of an attendance contest, which ended in a tie.

Boy Scouts to Celebrate Their 44th Birthday

The Four Rivers Council, Boy Scouts of America, will observe annual Boy Scout Week, Feb. 7-13. The Four Rivers Council embraces McCracken, Marshall and other counties in this section of Kentucky.

Boy Scout Week will start Sunday with observances in the various churches of this area and all over the nation. Other events are scheduled all during the week.

However, no specific programs have been arranged in this county.

There are now 3,300,000 active Cub and Boy Scouts throughout the nation. This is the 44th anniversary of Scouting, which was started in 1910.

UNIVERSITY TO HONOR SCIENTISTS OF THE PAST—The University of Kentucky will honor two of its greatest scientists at a Founders Day program on Sunday, February 21. They are Dr. Robert Peter (left), pioneer chemist and educator in Kentucky, and Dr. Thomas Hunt Morgan, biologist and only Kentuckian ever to win the Nobel Prize for Medicine. Dr. Peter was associated with State College (now U. K.) and other educational institutions in Lexington from 1882 until his death in 1934. Dr. Morgan held two degrees from U. K. when he was awarded the Nobel Prize in 1933 for clarifying the laws of heredity. He died in 1945.

4-Way Stop Signs To Be Removed

Benton's City Council, in session Monday night, voted to remove the four-way stop signs in Benton except those on Main Street.

The 4-way signs on Twelfth Street will be removed—those in front of Butlers Grocery and those in front of the Cliff Treas residence.

The 4-way signs on Eleventh Street, in front of the Church of Christ, and near the High School, also will be removed.

The 4-way signs on Main Street—in front of Sleds Service Station and in front of Pont Nelsons' residence—will remain up. However the signal lights at these locations will be removed and placed in storage for possible use elsewhere.

PROTECT SCHOOL CHILDREN

For the protection of school children, portable stop signs will be put into use at the intersection in front of the Cliff Treas residence and the intersection in front of the Church of Christ. These intersections are near the High School.

The portable signs will be used at these intersections only about three hours each day—from about 8 to 9 in the mornings, during the noon hour and during dismissal time about 3:45 to 3:55 in the afternoons.

These portable stop signs will be placed in the center of the streets and traffic, after coming to a full stop, will move on either side of the signs.

The portable signs will NOT be in use except during these hours when children are going to and from school building.

Minstrel to Be Presented At Brewers

A Negro Minstrel will be held at the Brewers High School on Friday, Feb. 12, at 7:30 p.m.

The show is being sponsored by the school's Parent-Teacher Association.

In addition to the black face comedy feature, a string band and quartets will be heard and several novelty numbers presented.

The public is invited to attend this school event. Admission is 25 and 50 cents.

It's Later Than You Think - - Better Buy '54 Car Tags Now

Less than half of the automobile owners in Marshall County have purchased their 1954 license tags, County Clerk Toad Brien said this week.

Deadline for purchase of the tags is March 1.

Brien urges car owners to come to the courthouse as soon as possible and get their 1954 tags before the last-minute rush starts.

Calvert City P-TA Will Meet Monday

The regular monthly meeting of the Calvert City P-TA will be held Monday evening, Feb. 8, in the Calvert City school cafeteria.

All members are urged to be present at this meeting as plans will be completed for the annual minstrel.

There will be an interesting program presented after the business meeting and refreshments will be served at the close of the program.

William Gold of Route 4 was a business visitor in town Saturday.

O. T. English of Benton Route 6 was a business visitor in town Saturday.

One Youth Is Placed In Iron Lung

Polio hit Marshall County a terrific blow this week.

Three cases of the dread disease were reported from the Fairdealing community. All of the victims were taken to hospitals at Paducah and Nashville.

The youngsters stricken, all school children, are:

Bobby Pitt, son of Mr. and Mrs. Solon Pitt of Route 5. Bobby was rushed to a Paducah hospital and placed in an iron lung. His condition was reported to be critical.

Jerry Don Allen, son of Mr. and Mrs. Selbert Allen of Route 4. Jerry Don was taken to a Mayfield hospital, where his condition was diagnosed as critical and then he was transferred to a hospital in Nashville, Tenn.

A son of Otley Jones of Route 5 also was stricken. The boy's first name was not immediately obtainable. He was taken to Riverside Hospital in Paducah, where his condition was said to be serious.

The polio outbreak is the most serious that has ever hit a community in Marshall County.

Reports said there are three other cases of possible polio in the county, but these reports could not be verified.

Paul Darnall On Advisory Group of KBA

Paul Darnall, executive vice president of the Bank of Benton, has been named to the advisory committee, Kentucky School of Banking, Kentucky Bankers Association.

Darnall will serve during 1954 with 13 other bankers from over the state. He was the only banker selected from the Purchase area.

The committee will hold a luncheon in Louisville on Feb. 13.

Women of County Attending Farm, Home Convention

The following Homemakers left Monday morning, Feb. 1, with Miss Sunshine Colley, home demonstration agent, for Farm and Home Week at Lexington:

Mrs. Woodrow Dunn, Mrs. O. E. Darnell, Mrs. H. H. Kinnerke, Mrs. W. B. Elam, Mrs. Dillard Bailey, Mrs. Charles Walters, Mrs. Paul Creason, Mrs. Helen Warren.

Mrs. Dillard Watkins, Mrs. Joe Bryant, Mrs. Anna Griffith, Mrs. Ted Walters, Mrs. Wesley Stone, Mrs. Joe Brandon, Mrs. Genie Edwards.

Think it Over

Successful is the man who can get plenty of money without letting money get him.

Mister, Can You Spare A Dime for Coffee?

Dime-a-cup coffee made its appearance in Benton restaurants this week.

The increase in wholesale and retail coffee prices was given as the reason by cafe men for the hike in per cup prices from five to ten cents.

Coffee hounds complained of the prices, but no investigation was started. Folks seemed to think the Washington investigation wouldn't do much good, so why start one here.

Meantime, retail prices of coffee stayed as high as a skinny cat's back. George Reed, of Olive, said he paid \$1.08 for a pound of coffee this week at a grocery store in Olive.

George said that never before in his lifetime had he paid that much for a pound of coffee. And George admits to being 67, going on 68.

George is so disgusted, he said he'd go on a coffee jag but just couldn't afford it.

By A. J. WELLS

Miss Roberta Cox is seriously ill in the Murray Hospital.

Mrs. Duguid Warren and Mrs. Willard Watkins are in Lexington attending the homemakers meeting.

Mrs. W. J. Hines and son, Mark Brush, and wife, of Centralia, Ill., recently visited in the home of Mr. and Mrs. Albert Boggess.

Anderson Cox, of Morrell, Maine, is at the bedside of his sister, Miss Roberta Cox.

Mrs. John Browning of Frankfort, and Mr. and Mrs. John Padgett and children of Paducah, visited their mother and grandmother, Mrs. N. A. Lawrence, and Mr. Lawrence, last week end.

A. J. Wells was a business visitor in Benton Monday.

Mr. and Mrs. Jesse Mathis of Dexter were the guests of Mr. and Mrs. Joe Threault Sunday.

Elin Mathis of Paris, Tenn., visited in Hardin Sunday and called to see A. J. Wells and Joe Threault and family.

Mrs. Ola Irvin, Mrs. Ben Haley and Mr. and Mrs. Clint Skaggs visited Mr. and Mrs. Billy Irvin, of Paducah, Thursday.

Albert Lee was in Murray Tuesday on business.

Hardin people were very sorry to hear of the death of Mrs. John

Baker, who passed away Monday night at her home on Murray Route 3. She and Mrs. Baker once resided in Hardin.

IN MEMORIAM

Written in memory of Ruoy Smith, who passed away one year ago today, Jan. 30, 1953.

We watched him suffer day by day

It caused us bitter grief

To see him slowly pine away

And could not give relief.

His weary hours and days of pain

And troubled nights are past

And in aching hearts, we know

He has found sweet rest at last.

God knows how much we miss him!

He counts the tears we shed

And whispers, "Fush, he only sleeps,

Your loved one is not dead."

Our hearts are filled with sadness,

Our eyes shed many a tear,

God knows how much we miss him.

At the end of a long and dreary year,

Sadly missed by his wife and children.

Civic Clubs Play Tie Basketball For Sweet Charity

The basketball game last Thursday night between the JCC and the Lions-Rotary clubs ended in a 43-43 tie.

Dr. H. L. Carpenter of the Jaycees was partly responsible for the tie. The dentist made his usual fine playing as painless as possible for the opponents by purposely shooting wild.

Jaycee Billy Farris drew laughs from the crowd by first playing in red flannels and then a skirt. A small crowd witnessed the charity game, and approximately \$61 was raised for the polio fund drive.

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy and beautiful floral offerings received from our kind friends and neighbors during our recent bereavement in the loss of our beloved mother, Mrs. Florence Brown.

We especially thank the Rev. J. R. Doom, the Unity quartet and Filbeck & Cann Funeral Home.

Tax List For 1954 County Assesment Now Being Taken

I have begun taking information for the 1954 tax assessment for Marshall County.

The official period for taking the taxpayers' list is January 1 to March 1. These dates must be observed, as the period for preparing the tax rolls for approval by the Department of Revenue and action by the County Board of Supervisors is very short. For this reason there can be no late additions to the regular roll.

All property is assessable as of January 1, except cash in hand and tobacco in storage, which is assessable as of September 1. A property owner who fails to assess his property is subject to a 10 per cent penalty for the omission.

Property owners are urged to avoid an undue rush by calling at my office in the Court House at Benton at their earliest convenience and listing their property. Merchants and farmers are especially requested to see me before March 1.

Why,
after thorough investigation
do more churches choose
the Hammond Organ
than any other
comparable instrument?

Yes — it's true! Over 35,000 churches of all denominations have, most of them after thorough investigation, selected the Hammond Organ to provide music for their services. From tiny chapels to magnificent cathedrals, the Hammond Organ is an outstanding choice.

Here are some of the reasons for such leadership:

- No installation cost; requires no structural changes
- Hundreds of rich church organ tones
- Music of cathedral quality in even the smallest church
- No tuning expense — cannot go out of tune
- Easy for professional or amateur to play
- Lowest priced complete church organ made

Doings Of Kentucky Legislature

By TOM SMITH
Frankfort—The 1954 Kentucky General Assembly has completed just more than one-third of its tenure with most of the administration's "must" legislation out of the way. This clears the way for specific legislative proposals sought by various segments of the Commonwealth.

Due for introduction, probably this week, is the right to work proposal which has drawn the fire of organized labor leaders and sent a sizeable labor lobby to Frankfort. But these labor leaders now find themselves on the defensive in another matter proposed by Senator Joe Grace of Paducah.

Senator Grace hopes to clip international union leaders' wings by providing autonomy for local unions and restricting the power in international unions over locals. He believes such a law would help inter-union troubles which have plagued the Paducah area since construction of the atomic energy plant started.

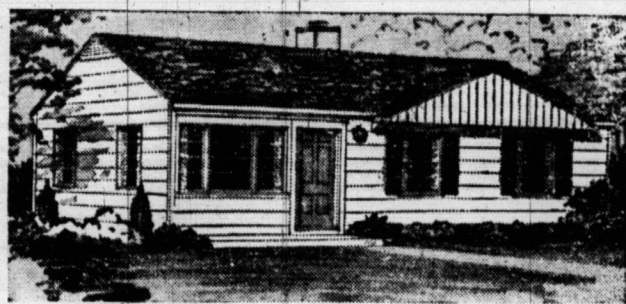

Meantime the labor lobby in Frankfort has been busy with promoting passage of an amendment to the common carrier act which would allow a truck driver to decide for himself whether he would cross a picket line in making deliveries. This was approved by the House 70 to 15.

Representative William Jones of Princeton expects comparatively smooth legislative sailing for the dog bill which he has introduced. He said the measure, a combined anti-rabies dog licensing and control bill, had been worked out by several groups interested, including the Junior Chamber of Commerce, the State Health and Agriculture Departments, farmers and sheep raisers organizations.

Dairymen also are asking the legislators to authorize referendums to determine whether milk producers want to establish a commission to promote the sale of dairy products.

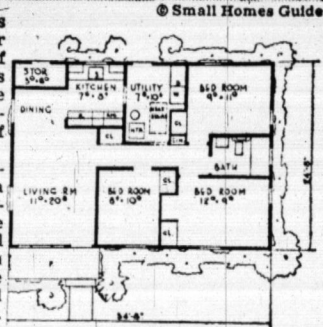

A bill to put approximately half of Kentucky on Eastern Standard Time and retain Central Standard Time for the other half is in for a bitter fight. The Kentucky Farm Bureau has announced that it considers this proposal just as objectionable as daylight saving time which it has fought through a number of legislative sessions. Sen. Ed P. Warinner of Albany said of the proposal: "It just shifts the confusion."

Three-Bedroom House Is Cozy, Compact, Complete

Cozy, compact and complete is this house planned by Designer Richard B. Pollman. The plan of the economy-size home, which is about as small as a house can be and still have three bedrooms, appears in the current edition of Small Homes Guide.

The one-story, basementless design features a small storage area off the kitchen, and a disappearing staircase that leads to more storage space in the attic. Total area is 825 sq. ft. Information on blueprints and their cost can be obtained by writing to Small Homes Guide, Dept. 1230, 82 W. Washington, Chicago 2, Ill.

The Living Bread

Lesson for February 7, 1954

STRANGERS to the Christian religion are always somewhat astonished at its central and most solemn act of worship. It is nothing else than taking a morsel of bread and a sip of wine. Such simplicity is not to be expected. In fact, some churches decorate the simple act at its center is almost smothered out of sight.

But it is always the simple place of bread. Pictorially, theologians and whole churches have come to blows over the precise meaning of the sacrament we call Communion, but whatever be the differences, all Christians agree that the reason we do this is because Jesus directed it. We also all agree that in this simple act Christ is present. With a divine humility he wished to be remembered in the "breaking of the bread."

Life's Necessity
Jesus never said, "I am the cake that came down from heaven." Man can live without any kind of cake; but not without some kind of bread. When Jesus lived in Galilee, the poorest man always had bread, if nothing else, for his one meal a day. (In Palestine to this day one may see a working-man at noon crouching in a bit of shade munching on his black bread.) When Jesus called himself Bread, he meant that he cannot be "taken or left." There is no such thing as Christianity without Christ. There is no such thing as a Christian without Christ.

To Be Assimilated
Marbles are filling, but they are not food, because they can't be digested. Bread is food because it is absorbed into the system. In your bones and blood, in your nerves and skin and glands today, are the elements you have taken in with the bread you have eaten. Some of it is stored up in the fat-cells which are the body's reserve bank. Some of it builds up various tissues. Some of it is expended in energy of living. The bread has ceased to exist, as bread, it does you good only because it has been assimilated, it has become a part of your muscles and brain. So Christ intends that he shall be assimilated by the Christian. It is true a Christian cannot exist without Christ; but we must think what that means. Christ is a picture on the wall is only a picture. Christ as a definition in a catechism is only a definition. Christ as a half-understood phrase in a creed is still only a dim and perhaps meaningless name. Christ as a historical person is a figure in history, no more. It is only the assimilated Christ, Christ taken into your system, Christ a part of you, that is vital in your day's living. How does this take place? First of all by knowing him, the Gospels, in the New Testament, and then and always as a living invisible Presence, the inner Christ who takes the wheel of your will. Bread has to be eaten to be of use. Christ must be willingly taken if he lives within.

To Be Shared
As some one has said, "A crust eaten alone is only a crust. A crust shared may be a sacrament of friendship." There is one fact about the Living Bread which is not true of ordinary bread. A loaf from the grocery will be just as nourishing if you eat it alone as if you eat it in company. A loaf stolen is as nourishing as a loaf honestly bought. It is not so with Christ the Bread from Heaven. The selfish life, the life that thinks only about its own troubles, ambitions, dreams and hopes, is not one in which Christ can live. If all you want him for is to get on better with your own schemes, he will do you no good. If you were sitting in a restaurant enjoying a good meal, and you looked out through the window and saw in the street, nose pressed against the glass, a starved-looking child, would the meal taste as good to you afterwards? And yet church members will sit in their comfortable churches, listening to sermons about Jesus, standing up and saying they believe in him, singing about him, even taking the bread of Communion, and all the while soul-starved people are on the outside. How can we ever truly have Christ in our lives if we never try to share him?

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation for each act of kindness, words of comfort and personal assistance and the beautiful floral offerings received from our kind relatives and friends and neighbors in our recent bereavement during the great loss of our beloved husband and father, Jamie Dotson.

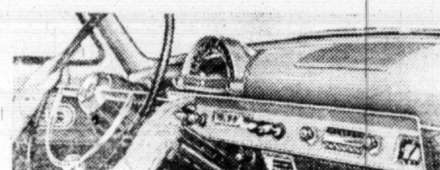

Especially do we thank the Revs. Fred Alexander and A. G. Dotson.

Children for their messages; the Linn Funeral Home; the Unit Quartet and all others who helped in any way. May the Lord's blessings rest upon each of you as our prayer. Mrs. Jamie Dotson and children.

Fine-car Styling

An outstanding example of fine-car beauty in the low-price field... the new Crestline Ford is the fashion car for the American Road.

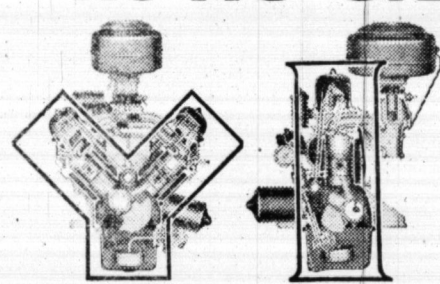

New Astra-Dial Instrument Panel is a safety dividend with speedometer placed high on the panel.

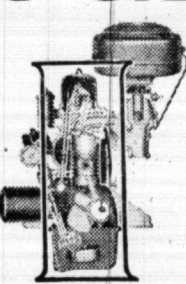

Style-Setting Interiors in Ford give you beauty from the inside out with colorful new upholstery and trim.

Extra Dividends at no extra cost!

The new Y-block V-8 with the new extra-deep crankcase, has 130-h.p. for a dividend of 18% more power. And you can enjoy V-8 advantages on less gas!

The new I-block Six has 115-h.p. for a dividend of 14% more power. Like the V-8, it has high-turbulence combustion chambers for more complete firing of fuel.

The '54 Ford gives you extra Dividends in style, in performance, in ride, with fine-car features you would normally expect to find only in highest-priced cars.

New Ball-Joint Front Suspension Simple, sealed ball joints replace king-pin type system used on most cars. New system eliminates 12 wear-points... helps keep wheels in line... riding is smoother.

Full two-plow performance...

PRICED TO MAKE YOU MONEY

Let us show you the CA Tractor on your farm. See it perform on these jobs.

1. PLOWING —

Pick your toughest field! Watch what happens when the two bottoms of the CA mounted plow dig in as deep as you want to plow. Notice how traction is added to drive wheels automatically... to keep you moving in tough spots. That's the hydraulic Traction Booster in action.

2. CULTIVATING —

What crop are you cultivating? Doesn't matter. CA and front-mounted cultivator have ample clearance for any crop. Do your tractor drive wheels match the row? If not — engine power shifts the CA's rear wheels to desired spacing... instantly. Drive-in, high-clearance cultivators and Power-Shift wheels get you ready for the field... quick!

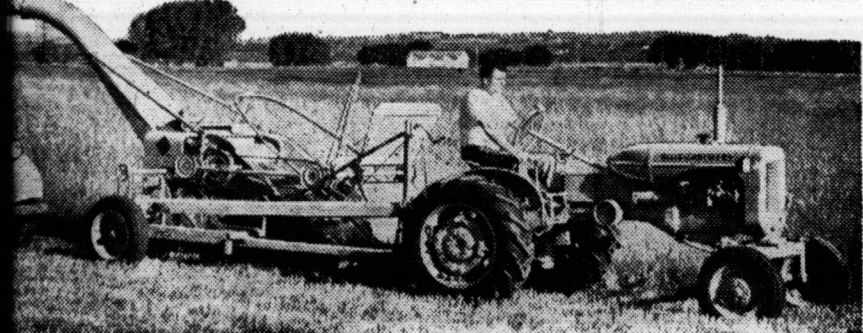

3. POWER TAKE-OFF —

Hitch the CA to the ALL-CROP Harvester, Forage Harvester — or any PTO machine. See how easily this full two-plow tractor handles each job with just the right forward speed. Built in Two-clutch power control lets you stop the forward motion of the tractor without affecting the flow of power to the PTO machine.

Yes, the CA masters all jobs with two-plow power. Don't settle for less.

A demonstration will show you.

ALL-CROP is an Allis-Chalmers trademark.

Statewide Forest Committee Formd By Bankers Group

LOUISVILLE—Formation of a statewide Forestry Committee has been announced by Walter A. Cole, chairman, agricultural committee, Kentucky Bankers Association.

Members of the new committee are: W. E. Blackburn, vice president, First National Bank, Pikeville; Jack Strother, vice president, Commercial Bank of Grayson, Grayson; Russell Hays, assistant cashier, Jackson County Bank, McKee; Ray Brownfield, agricultural representative, Bank of Murray, Murray; L. Feltz Murray, cashier, Hart County Deposit Bank, Munfordville.

They will concern themselves with two main objectives: first, keeping in close touch with educational, research, and industrial organizations working in forestry in Kentucky; secondly, recommending to the KBA Agricultural Committee ways and means by which the bankers of Kentucky may more effectively advance the forestry program of the state.

Noting Kentucky's 11.4 million acres of forests, he declared, "This is almost one-half of the state's entire land area. Proper management can increase the present growth of approximately 100 board feet per acre to 300 board feet per acre. Dollar-wise, success with these efforts could mean raising forest yields of \$37 million to a figure nearer \$150 million annually."

SEN. WAYNE FREEMAN ON SEVERAL COMMITTEES

Frankfort—Senator Wayne W. Freeman of Mayfield has been chosen as chairman of the committee on insurance by the Kentucky Senate committee on committees for the 1954 session.

In addition, he will serve as a member of these committees: Agriculture and State Fair; Banks and Banking; Charitable, Penal and Reformatory Institutions; Courts and Legal Procedure; Criminal Law; Higher Education; Judiciary and Judicial Council; Kentucky Statutes No. 1; Motor Vehicles, Commerce and Common Carriers; Public Utilities; Rural Roads; Ways and Means.

In Cupid's Corner

UNDER CUPID'S CAPRICIOUS influence, it seems likely that shy Mr. Boynton is about to cast discretion to the winds. Think it Over

Some folks make a specialty of getting into trouble. The one sure way to keep in trouble is to run from it. Today is what we were all looking forward to yesterday.

Correct your faults by observing those found in others. Naturally spanking doesn't help much in this soft-handed age. Keeping up appearances is what pulls a lot of bank accounts down.

miracle...
in a nutshell!

Today's good telephone service will be even better tomorrow thanks to the transistor, a tiny electronic marvel that would fit in a nutshell.

The transistor — invented by Bell System scientists — can do the work of a vacuum tube used in telephone, radio and television equipment and many other things a vacuum tube can not do. It is so small and light, yet so strong and reliable, that it has been called the "mighty midget".

A miracle, yes — but only one of many Bell System advances along the road toward more and better telephone service. To bring these new advances and to keep service good and growing requires a fair profit on the money invested in telephone equipment.

BUICK V8 DELIVERED LOCALLY!
1954 SPECIAL 2-Door, 6-Passenger Sedan
Model 48D (illustrated)

*Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

As you look at it, you can see a lot of what makes this new 1954 Buick SPECIAL so sensational.

You can see the long, low, sleek and ultra-glamorous lines that add up to the biggest automotive styling change in years.

You can see the remarkable new windshield with the back-swept corners—greatest visibility improvement since closed cars came on the market.

And of course you can see the price—the local delivered price—which is headline news, too.

For that, as a shopping tour will tell you, is just a few dollars more than those of the so-called "low-price three."

But what you can't see is the rest of the sensational automobile that's yours for the low price shown here.

The spectacular power of this SPECIAL's brand-new V8 engine. The honest six-passenger roominess. The truly modern interior luxury. The superb new handling ease. The sublime comfort of Buick's famed Million Dollar Ride—now steadied even more by a newly developed front-end geometry.

Fact is, there's so much that's terrific about this new glamor car, you ought to drop in and give it a really thorough study and sampling.

That way you'll prove to yourself that the buy—and the thrill—of the year is Buick. Come in this week, won't you?

More Farm Machinery Now in Use

Frankfort—Kentucky's farms have become increasingly mechanized during the last 10 years, and there is a decreasing supply of horses and mules as work stock being used, a report of Commissioner of Agriculture Ben S. Adams to the General Assembly shows.

Farm tractors increased from 11,900 in use on Kentucky farms in 1940 to 74,800 in 1952, according to Adams' report. While horses and mules declined from a 1940 total of 425,000 to 311,000 12 years later.

"It is worth noting that there were nearly seven times as many tractors on Kentucky farms in 1952 as 12 years earlier," Adams reported. "Over 90 per cent of these are conventional tractors for field work. More than three times as many trucks were used in producing and marketing Kentucky Agricultural products in 1952 than in 1940—while combines became more than four times as plentiful during the seven-year period 1945 to 1952."

"For a small beginning number in 1942, corn pickers were estimated at 7,400 ten years later. Pickup balers are estimated to have increased from 900 in 1942 to 7,350 in 1951. Hammer mills were estimated at 14,000 in 1951, and milking machines, estimated at 14,000 in 1951, and milking machines, estimated at 700 in 1942, had increased tenfold by 1950 and further increased to thirteen times as many by 1952."
