Egg Hunt Again Set For Easter

The annual Easter egg hunt will be held at City Park on Sunday afternoon, April 18. The hunt is sponsored again this year by Frank Ashley, Pete Gunn and the Marshall Courier. Ashley announced this week that more than 3,000 eggs will be hidden in the park. They will be candy eggs but will be wrapped in tinfoil to prevent them from becoming sticky from exposure as happened last year. The hunt will start promptly at 2 p.m. Everybody, adults and children, can participate in the hunt, Ashley said, but only children under 12 years of age are eligible for the prizes. There will be four prizes, as follows:
Finder of gold egg—\$5 prize.
Finder of silver egg—\$3 prize.
Finder of red egg—\$2 prize.
For the child that finds the most eggs there will be a \$5 prize.
The hunt is expected to attract hundreds to City Park if the weather is good.

UNDOUBTEDLY THE CHAMP—Carol Fay Edwards, the young girl on the left, won the spelling championship of Marshall County by spelling the word "undoubtedly." Runner-up was Reva Henson, on the right. Mrs. Fred Filbeck, right, was the judge and Miss Attie Faughn, left, was the pronouncer.

Walnut Grove Girl New Spelling Champ of County

Carol Fay Edwards, 8th grade student at Walnut Grove School, is the 1954 spelling champ of Marshall County. She won the annual county Spelling Bee held at the courthouse here last Saturday morning. She is the 14-year-old daughter of Mr. and Mrs. Solon Edwards. Walnut Grove pupils have won most of the county spelling bees in recent years.

Thousands Here For Tater Day

Another Tater Day, the 112th, has come and gone, and the thousands of visitors (some estimates placed the number as high as 10,000) had a great day. The weather was ideal most of the day. A threat of rain about noon went almost unnoticed by the huge crowd. The Court Square was not roped off and it was filled all day with automobile and pedestrian traffic. The "swapping ring" also had a big crowd all day. Restaurants and drug stores were jammed with customers from 11 a.m. until 3 p.m. Most of the other business firms on the square did a brisk business. The barber shops closed at noon. There was a truckload or two of seed sweet potatoes (from which Tater Day got its name) on the square. Several clubs held rummage sales in the courtyard. And there were the usual sidewalk hawkers of various types of merchandise, all of whom did a good business. Youngsters, enjoying a holiday from school, prowled the square with their water pistols and "fired at will." Yes, it was a great day. Old-timers said the crowd was the biggest in several years. YOU ALL COME BACK.

Fire Razes Home Of Aubrey Malone On Big Bear Creek

Fire destroyed the home of Aubrey Malone Sunday afternoon. The home, about seven miles from Benton near Big Bear Creek, caught fire at 2:30 p.m. while the family was in Benton attending the singing convention. Neighbors who spotted the blaze were able to save a few chairs and a divan. All other household furnishings were destroyed.

6-Room Home of Rex Edwards is Destroyed by Fire

The six-room frame home of Rex Edwards, Benton Route 1, was destroyed by fire Saturday night. Mrs. Edwards and children had gone to a drive-in theatre and Mr. Edwards had gone hunting. They lived in the remodeled old Liberty School building in the Monkey Den community about six miles Southeast of Benton. Origin of the fire was undetermined. Some insurance was carried on the house and furnishings. The house and all contents burned. Mr. Edwards has begun the construction of another building on the same site.

Hawkins Jewelry Again Will Hold Its Clock Contest

The Hawkins Jewelry Store will feature its annual Clock Contest for graduates of the Marshall County high schools again this year. The contest will be conducted the same as before with all the seniors registering their names on the dial of a clock at the store in Benton. When the hands of the clock stop, they will be pointing to names of the winners. Deadline for registering is April 18, and Milton Hawkins, store owner, urges all seniors to come in and register as soon as possible. Two beautiful Bulova watches will be given away, one to a boy and one to a girl.

Teachers Are Named By County

Teachers for the 1954-1955 school year were named Monday by the Marshall County Board of Education. The board also named Claude Shemwell of Benton Route 2 to complete the unexpired term of Aaron Ivey as a member of the Marshall County Board of Education. Mr. Ivey resigned because he resides in an area of District 4 which was voted into the Benton Independent School District. The board let a contract to dig a well at the Hardin school and a contract to install rest rooms at the Aurora school. Among the teachers appointed were those to operate the new North County High School which will open this fall.

Memorial Services Sunday For Sgt. Shields Henson

Memorial services will be held for T-Sgt. Shields T. Henson at 3 p.m. Sunday at First Missionary Baptist Church in Benton. The Revs. J. J. Gough and J. Frank Young will officiate. Sergeant Henson has been declared dead after being missing in action in Korea since April, 1951. After the church services, graveside rites will be held in Benton Cemetery by the 314 Air Base, Stewart Field, Tennessee. Arrangements are in charge of Filbeck-Cann Funeral Home. Sergeant Henson is survived by his parents, Mr. and Mrs. Claude Henson of Benton; two sisters, Mrs. Nettie Riley of Benton and Mrs. Virginia Chambers of Gallatin, Tenn.; and one brother, Otis G. Henson of Benton. Henson enlisted in the Air Force in 1945 and served with occupation forces on Guam. He was discharged in April 1947. He re-enlisted in 1948 and first went to the Philippines. Later he went to Berlin and took part in the famed air lift. In December 1949, he went to Okinawa and then to Korea. He was among the first air men to bomb Korea. He served with a B-29 crew and had 68 missions to his credit when he was lost in action.

SERGEANT HENSON

One Was On Furlough From Army

Two young Marshall County men lost their lives in a head-on automobile crash at 5:30 a.m. last Sunday morning on U. S. Highway 51 between Bardwell and Wickliffe. First Sgt. Joe Lincoln Yates, 27, a career Air Force man and son of Mr. and Mrs. Kelzie Yates of Benton Route 1, was killed instantly. Joe Burton Hiett, 23, senior student at Murray State College and son of Mr. and Mrs. Elbert Hiett, also of Benton Route 1, died Tuesday noon as a result of injuries received in the crash. Hiett died in a Cairo, Ill., hospital, where he was taken after the accident. Hiett and Sergeant Yates were in a car that collided with one driven by Larry Kepler of Cranger, Indiana, Route 1. Kepler's condition still is reported to be serious. Sergeant Yates, at the time of the accident, was on furlough from the U. S. Air Base at Washington, D. C. He had served nine years in the Army, two of those years being spent in Korea. Funeral services for Sergeant Yates were held Monday afternoon at the Walnut Grove Church of Christ. L. E. Garner of Benton officiated. Burial, by Filbeck-Cann, was held in the Hiett cemetery. Besides his parents, Sergeant Yates is survived by four sisters, Mrs. Everett Pace of Detroit, Mich., Mrs. Noah Edwards of Benton R. 1, Mrs. Garfield Henson of Cincinnati, and Mrs. William Hamilton of Paducah, and two brothers, Clinton B. Yates of Benton Route 1 and Billy Hughes Yates of Detroit. Hiett, who was a pre-medical student at MSC, was to be graduated in June. Besides his parents, he is survived by a brother, John Louis Hiett; a sister, Sue Hiett; and grandparents, Boaz Hiett and Tom Jones. Funeral services were held Wednesday afternoon at 2 o'clock at the Walnut Grove Church of Christ. John L. Hicks officiated. Burial, by Collier and Peak, was held in the church cemetery.

Collins Recovering From Gun Wound

Lawrence Collins, North Benton grocery operator, is reported to be recovering in a Paducah hospital from pistol shot wounds received in a shooting affray here last Saturday night. J. T. Hooper, who operates a filling station near the Collins Grocery, was placed under bond of \$3,500 on a charge of malicious shooting with intent to kill in the affray. Collins, who was a candidate for sheriff in the 1953 primary, was wounded by two bullets. One entered his chest and the other pierced his upper arm. Law enforcement officers here said the two men had been having "trouble" for some time. Hooper gave himself up to Neal Owens, former Benton police chief, when he could not immediately find a policeman. Hooper told police he shot Collins after Collins came into his back yard and said, "I'm going to stomp h— out of you." The two families live in quarters at their places of business, which are only 50 feet apart. Police said Collins, after he was shot, stumbled back into the rear entrance to his combination store and dwelling before collapsing. His condition has been too serious for officers to obtain his version of the shooting. County Judge Artelle Haltom returned to his office this week after a bout with the mumps. Willard Cope of Route 3 was in town Saturday on business.

David Darnell, Ex-Resident Of County, Dies

David Darnell, 68, died Friday, April 2, in Princeton, where he had lived for about four years. He had resided prior to that time on Benton Route 2. He suffered a heart attack. Besides his wife, Mrs. Alma Darnell, of Princeton, survivors are two daughters, Mrs. Jimmy Ware of Memphis, Tenn., Mrs. J. L. Hicks, Alamo two sons, Alton Darnell of Benton and Eldridge Darnell, of Detroit; two brothers, Joel Darnell of Paducah, Basil Darnell of Boston, Mass.; three sisters, Mrs. Mattie Morgan, Benton Route 2, Mrs. Katie Brown of California, and Mrs. Ada Lyles, of Benton Route 1; four grandchildren. Funeral services were held Sunday afternoon at the Benton Church of Christ by L. E. Garner, minister, with burial in Benton Cemetery. Mr. Darnell was a prominent farmer on Route 2 and lived in Marshall all his life until he moved to Princeton.

Hardin Hi to Present Play Friday Night

The Hardin High School will present a play entitled "Aunt Samathy Rules the Roost" on Friday night, April 9, at 8:00 o'clock. This is a delightful comedy of an old maid who tries to rule not only her chicken business, but her nieces and all the men of her home town, Simkinsville. The cast is composed of outstanding students from the junior, sophomore and freshman classes. In the cast are Nancy Hall, Pat Owen, Donna Anderson, Shirley Stris, Phyllis Sutherland, Shirley Jones, David Sain, Howard Conner, Eddie York, Bobby Miller, and Mac Tucker. The play is being directed by Mr. and Mrs. Glenn Warren and Mrs. Hoyt Owen. Neal Tolbert of Filbeck-Cann Funeral Home was a patient for several days at a hospital in Mayfield. Mr. and Mrs. Estle Powers of Benton are the parents of a son born Tuesday at McClain Clinic.

Old Lee Wyatt Residence in North Benton Torn Down

One of Benton's older homes—the old Lee Wyatt residence on Poplar Street—has been torn down. The house was built by Tom Griffith about 50 or 60 years ago. Mr. Griffith sold it to J. M. Johnson. Then Elbert Lemon lived there for a time. The next resident was John Henry Goheen and finally Lee Wyatt bought the place. A new residence will be erected on the site by Mrs. Gusdie Wyatt. Mrs. Reuben Filbeck of Route 5 was a visitor here Tater Day. She renewed the Courier subscription of her mother, Mrs. Margaret Jones.

Volney Brien Hurt In Auto Accident

Volney Brien, former sheriff of Marshall County, suffered injuries to his spine in an auto-truck crash Tuesday night on the Mayfield highway. The accident happened about 8:30 p.m. as Brien was enroute to Benton. Brien is at his home. Complete details of the accident were not learned.

Youth Talent Night is Slated for April 24

Plans are being made to have a Youth Talent Show on Saturday night, April 24, at the Benton High School auditorium. The Junior Woman's Club, sponsor of the show, has announced all the proceeds will be donated to the Marshall County Health Center. Every school-age boy and girl in Marshall County is eligible and invited to enter the talent contest. There will be 10 categories with first and second cash prizes for the two winners in each category. The classes are:
1. Solo, vocal.
2. Duet, vocal.
3. Trio, vocal.
4. Quartet, vocal.
5. Solo, instrumental.
6. Small band, instrumental.
7. Imitations.
8. Dance number.
9. Novelty act.
10. Bubble blowing contest (under 10 years).

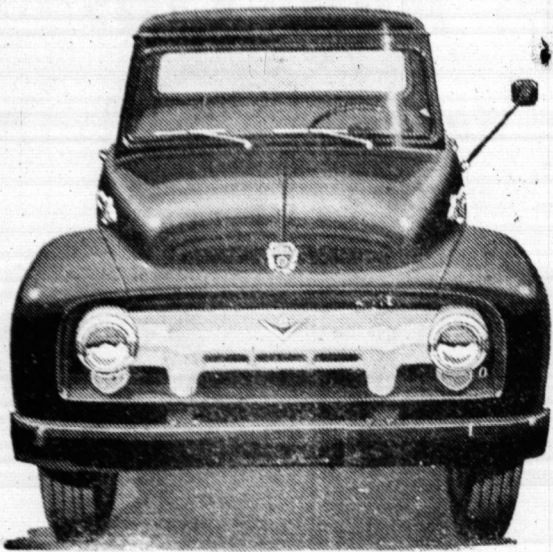

Since there are many youth in this county with hidden or undiscovered talent, this program should be very worthwhile. For while the talented youth have an opportunity to display their abilities and win prizes for their efforts, at the same time, they are taking part in a program to benefit the county health center. Letters have been written to each school in the county inviting students to enter the contest. During the week of April 12, a member of the Junior Woman's Club will call at each school and get information on the different entries. Watch next week's paper for the prizes to be awarded, the sponsors of each class, and other announcements concerning the Marshall County Youth Talent Show.

No matter how worldly successful a man may be, no matter what important tasks he performs or what high office he holds, it is as nothing compared with the 'great and mighty things' that the humblest human among us may know and do, if he calls upon God, and God is with him wholly.

The Farm FRONT--

J. HOMER MILLER
County Farm Agent

"Tater Day" had many of the features of old times including the medicine man. Seed potatoes seemed to be plentiful and moving at a brisk pace. Maybe, the drought produced only seed last year. It was the largest crowd for many years. The school kids and water guns kept things moving lively most of the day.

Total rainfall for the first three months of the year was 9.55 inches. This is far below normal. This has been favorable for spring work. Many farmers have completed breaking ground with some corn having been planted.

The leather jacket has done considerable damage to lespedeza seedlings again this year. A number of fields have been completely destroyed and must be reseeded if a crop is to be harvested. These fields could be reworked and planted to soybeans, cowpeas, sudan grass or millet for hay, or could be used for row crops.

Graduating ceremonies were in order last Saturday when 43 families received certificates for having completed the course of study and planned their farm and home operations for the next five years. Twenty-three new families have enrolled for the program to start next fall.

Soil testing continues to be of importance on many farms. Samples are being received almost daily. Test your soil and save money. Use the plant food needed. Know before you buy.

County 4-H rally day will be held at the Community Building Saturday, April 17, at 12:30. All club members and their parents and leaders are urged to attend.

MRS. VIOLA GAITHER DIES AT 77 HOME

Mrs. Viola Gaither died on Feb. 24 at the home of her granddaughter, Mrs. Austin Harmon, Benton Route 6.

Burial services were conducted by a Paducah funeral home and Marshall County newspapers did not learn of the death until this week.

CARD OF THANKS

We wish to express our sincere thanks to all neighbors, friends and relatives, for every expression of kindness extended to the Yates family in the recent tragic death of Joe Lincoln Yates. To everyone who in any way sent flowers, messages of comfort, food or any other way, we are deeply grateful.

Mr. and Mrs. Kelzie Yates and family.

IN LOUISVILLE HOSPITAL

Mrs. Hunter Woodall is a patient in a Louisville hospital. Her condition is reported to be good after she underwent surgery.

CARD OF THANKS

We wish to express our thanks for the lovely shower given us. Everything was deeply appreciated. May God bless each of you in our prayer.

Laoma Bell and family.

J. D. Thompson of Hardin Route 1 was a Tater Day visitor in town. Mr. Thompson, who is 82, is residing with a son, Oscar Thompson.

Mr. and Mrs. Martin Anderson visited Mrs. Downing and mother of Church Grove on Tater Day.

O Lord my God, I cried unto Thee, and Thou hast healed me. (Psalm 30, 2.)

Because He is a God of mercy and of compassion; because He is ever present and can hear the smallest cry from a truly repentant and anguished heart, the Lord our God will heal His children who stumble and fall—not just once, but a million times. The way to Him is always open.

Benton Offered Civil Defense Help

The City of Benton was offered assistance in setting up a Civilian Defense organization with the cooperation of Civilian Defense officials of Paducah. The offer was made Saturday at a dinner sponsored by the Jackson Purchase Chiropractic Association at the Ritz Hotel in Paducah.

Nat Dortch, Civilian Defense coordinator, made the offer. Dortch made his offer after Civilian Defense Director J. C. Williams of Paducah told assembled chiropractors and may-

ors of several cities that over 500 persons have received Civilian Defense training in Paducah. He said Paducah has an excellent Auxiliary Fire Department and Auxiliary Police Department and that the communications system was second to

none. Williams pointed out that the next war would be hard on the civilian population and that while he doesn't expect Benton to be bombed as a military target, that if bombs fell, or if tornadoes, floods, fires or other disasters occur in this area "we might need you and you might need us."

Vote Registration
Dates Announced
For State Elections

Kentucky voters may register through June 9 for the August 7 primaries and from August 12 through September 4 for the November 2 general election. Assistant Attorney General Walter Herman said yesterday.

He explained Kentucky law directs the registration be closed for 59 days before an election and for five days afterward, counting election day.

He sent the opinion reply to an inquiry from Delbert R. Black, assistant registrar, Jefferson County Board of Registration Commissioners.

Mrs. Dewey Nelson of Hardin has been dismissed as a patient from the Riverside Hospital in Paducah.

Homer Gregory of Route 5 was in town Wednesday on business.

Fascinating Fashions By Judy Seaton

Betty Ann Grove, pretty partner of Red Buttons on his CBS-TV comedy show, believes in keeping time with the clock when it comes to shoes. Betty Ann likes the versatility of polished black patent with French toe and square-cut vamp—a simple pump that can go "dress" by adding a clip. Shoe craftsmen know that busy career girls like Betty Ann want comfort as well as style, and so they've designed the subtle new illusion heel that makes "medium" look "high."

Brilliant and bows are handy additions to nine-to-five pumps this year for a variety of quick after-five changes. This graceful sling heel pump is made in a tie-silk fabric that's good for mixing and matching, and a low-cut vamp to show off the instep. For office wear it's as plain as you like. After work, just attach the bow, and it's ready for dinner and dancing.

Calvert Fund Drive Way Over the Top

The Marshall Courier Benton, Kentucky Dear Sir:

The United Fund Drive of Calvert City Area has come to a close, and while the official results have not as yet been tabulated, we are assured of at least doubling our goal of \$3,000. In other words we have a total of \$6,000 collected at the present time with a few more dollars ex-

pected to trickle in over the next few weeks. We would appreciate it very much if you would announce these facts in the Friday issue of your paper. For further information pertaining to the drive I would like to refer you to the original announcement concerning the campaign which I sent to you around February 22. This particular write-up will probably refresh your memory about all of the facts relevant to the drive.

In addition, I am enclosing a copy of a letter written by Mr. Rit Tomlinson, president of the board of directors of the U.F.D., thanking everyone in this area for their splendid cooperation in donating to the drive. I hope it will be possible for you to publish this letter in full.

In conclusion I would like to say that you and your paper have been very cooperative in giving the United Fund Drive committee full publicity on everything we have requested. We appreciate this very much. I am positive that a great deal of our wonderful success with the drive can be traced directly back to you and the splendid news coverage which you gave our campaign. Please accept our

heartfelt thanks for this service. Yours truly, M. S. Pfeiffer, Secretary United Fund Drive of Calvert City

To the Citizens and Employees of the Calvert Area

Dear Friend: The United Fund Drive which ended on March 22 has gone well over the top and the goal of \$3,000 which was set, purely as a guess, has been well exceeded. While final accounting is not complete, it appears that a total of approximately \$6,000 will be collected for distribution to the national agencies of the

Red Cross, Boy Scouts, Girl Scouts, National Heart Fund and the American Cancer Society.

This is a job exceptionally well done and proves that the people of this area are very mindful of their obligations toward the worthy charities. Without the cooperation of everyone, this Fund Drive would not have been possible and the sincere thanks of the fund's recipients are expressed in this letter to every citizen and employee of the Calvert City Area.

Very sincerely yours, R. W. Tomlinson, Chm.

THE CHILTON has three bedrooms that are arranged so that the front bedroom may be used as a workroom, office or den. This bedroom has an adjoining lavatory and closet and can be reached from both the kitchen and front entrance. The other two bedrooms open into the hall from which the bedrooms can also be reached.

The bedrooms have wardrobe type closets, the linen closet is in the bedroom hall and there are closets in the front vestibule, the kitchen and in the hall. The kitchen has ample space for dining. The sink is under the windows with the refrigerator on the left and the stove on the right side.

Plans call for a full basement and frame construction throughout. The exterior is finished with wide siding. The roof is planned to be of asphalt shingle.

The overall dimensions of the Chilton call for 32 feet by 40 feet. Floor area totals 1,109 square feet, while the cubage of this house equals 21,625.

Henry's First

As spring plowing gets underway on farms across the nation, none of the more than 4 million farm tractors in use will resemble this one. Henry Ford's first farm tractor, built in 1907, long since has been retired to a place of honor in the Henry Ford Museum, Dearborn, Mich. The 24-horsepower vehicle, which Mr. Ford called his "Automobile Plow," sports an engine with copper water jackets. Its rear wheels were taken from a binder. Despite its early vintage, it still runs.

Conservation Notes

BERT ANDERSON, Conservation Service Assisting The Marshall County Soil Conservation District.

The signs were prepared by the District Supervisors. They state in short form the true relation between the SCS and the district.

Too many farmers think that when they sign as cooperators of the district, they are co-operators of the SCS. This is not true. They are rather participating in their own organization which they control.

P. R. Pierce, west of Benton, plans to build a short terrace above a badly eroded spot. This will divert water until the sod can be established.

W. G. Harris, Gilbertsville, plans to dig a drainage ditch this spring. Dynamite will be used to move the earth. He has dug ditches in this way before and likes this method very much.

W. O. Fooks, Mt. Moriah, completed a four-acre pond the first of February. It has caught

enough water to be stocked with fish. He has planted a multiflora rose fence around it to keep out the livestock.

Seicea was sown on four or five acres above the waterline. Also trees and other wildlife plants were set in the area to provide food and cover for wildlife.

DID YOU KNOW THAT?—Some farmers look on pasture as a "poor relation" to their crop land.

Furrows plowed up and down hill become race tracks for rain drops.

AT OWENSBORO MEETING

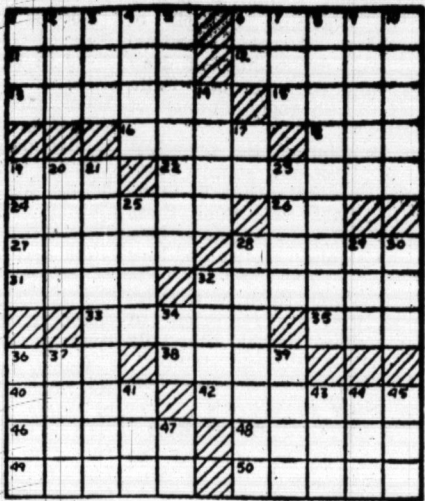

J. P. Owens, manager of the Texas Gas Transmission Corp. compressor station at Calvert City, was one of 19 station managers who attended a three-day conference this week at the company's headquarters in Owensboro.

A Message about Telephone Rates...

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

To Our Customers in Kentucky

We want you to know why we have asked the Kentucky Public Service Commission to approve an increase in telephone rates. But first, let me say that the additional income requested by the company will amount to only a small increase for each customer. For instance, it will average less than 2 cents a day for residential telephone subscribers.

Since 1939, when inflation began, the cost of living has increased about 92%, but Kentucky telephone rates on the average are up only about 46%. As a result of inflated costs of providing service, telephone earnings today are about 4%—even less than in the depression years.

The cost of telephone equipment and materials has increased a great deal since 1939. Poles have gone up 134%, cable 88%, cross-arms 173% and copper wire 145%.

The investment cost of adding a telephone is over four times as great as in 1946—an increase from \$122 to \$527.

Despite the fact that we have more than doubled the number of telephones in service in the State since 1946, there is a big telephone job still to be done in Kentucky. Over 7,800 people of the State are waiting for telephones. Also, 8,900 party-line customers are asking for higher grades of service.

We must earn a fair profit, however, if we are to attract the additional investment money required to continue the improvement and expansion of service the public in Kentucky is demanding. We are simply asking for rates that will enable us to do the job Kentucky wants us to do.

Sincerely yours,
C. Hunter Green
Kentucky Manager

Compared with other prices, telephone rates are low. Since 1939, consumer prices in general have increased 92%, while telephone rates in the overall have increased only about 46% in Kentucky. At the same time, per capita income in Kentucky has increased 282%.

Residential telephone service took 2.4% of average family income in 1939. Today it takes only 1%.

Phone Rate Increase Asked

Declaring that increased costs of providing service have sharply reduced the company's Kentucky earnings and endangered its construction program in the state, Southern Bell Telephone and Telegraph Company on March 31 appealed to the Public Service Commission for authority to raise rates.

The additional revenues sought will average less than two cents a day per residence customer. Of the total of \$4,418,000 being requested, the company stated it will get only \$2,047,000, the remaining \$2,371,000 going for taxes.

C. Hunter Green, Kentucky manager, said the increased revenue is needed to offset high costs that have cut the company's earnings in the state to about 4 per cent, a figure less than the average in the depression years. The trend is still downward, he said.

"Money to build new facilities comes from investors and not from customers," Mr. Green declared. "We are therefore concerned that our low earnings

are unfairly penalizing the telephone investor and are weakening our ability to secure the funds to improve and expand service in keeping with public demand.

"Inflation is still hitting us hard. Since 1939 the price of poles has gone up 134 percent; cable 88 percent; cross arms 173 percent; and copper wire 145 percent. Increases in other material prices have been correspondingly large.

"The investment cost of adding a telephone in Kentucky today is more than four times greater than in 1946. It has jumped from \$122 to \$527.

"While costs of providing telephone service have climbed higher and higher, the price of service to the user has remained low and takes a smaller part of the family income today than in 1939.

"Southern Bell has invested large sums in the post-war years to fulfill its service obligations in the state, adding over 188,000 new telephones. The rate increase we are seeking will enable us to attract the investors' money needed to carry forward our construction program to meet the demands of this rapidly growing state."

New 8-Cent Stamp Bears Great Motto Of 'In God We Trust'

The Post Office Department will introduce its first regular 8c United States stamp bearing the motto "In God We Trust" and also portraying the Statue of Liberty to a nationwide television and radio audience on Thursday noon, April 8, in a program emanating from the Postmaster General's office.

Dairy, Beef, Lamb Shows Will Offer \$17,000 in Prizes

Frankfort—The State Department of Agriculture is sponsoring eight dairy shows, seven beef shows, and three lamb shows for Kentucky youths this year.

In announcing the sites of these livestock shows, Commissioner Ben S. Adams revealed that a total of \$17,000 in prize money is being provided by the Department of Agriculture.

The 18 shows have been geographically distributed all over the State to make them accessible to all interests.

The sites and dates of the eight dairy shows are: Mayfield, Aug. 16; Madisonville, Aug. 17; Bowling Green, Aug. 18; Camp-

bellsville, Aug. 19; Somerset, Aug. 24; Williamstown, Aug. 25; Flemingsburg, Aug. 26, and Shelbyville, Aug. 27.

There will be seven cattle shows held at: Murray, Princeton, Owensboro, Glasgow, London, Lexington, and Maysville. The selection of dates for these various shows are left to local people; thus only three dates have been announced for beef shows: Princeton on Sept. 2; Owensboro, Oct. 16, and Lexington, Nov. 4 and 5.

Spring lamb shows will be held at Hopkinsville, Louisville and Winchester.

Betrayal

Lesson for April 11, 1954

THERE would have been no crucifixion if there had been no betrayal. At this Good Friday season, it may help us (though it cannot be pleasant) to think a while about the betrayal of Jesus. We never understand the story of the Cross when we think of it as simply a historic event, something that happened once long ago, to other people. "Were you there when they crucified my Lord?" the old song asks. Yes, but not only at Calvary—we were in the Garden of Gethsemane, we took part in the betrayal. For the betrayal of Jesus by Judas is a picture of the way each of us has at some time or other betrayed the Master. Judas was not alone.

Judas Didn't Do Much
The betrayal was such a tremendous thing, really, yet perhaps to Judas at first it did not seem like much. We wonder why Judas could ever have done such a crime, and the answer may be that Judas did not think of it as a crime, beforehand. No doubt the men of the Sanhedrin urged that point on him. We can imagine hearing them say: "Now, Judas, why not? We are not asking you to do anything. All we are after is one fact. Where can we find this Jesus of Nazareth after hours? Where does he spend his nights? We aren't asking you to arrest him, or to strike him or hurt him a particle. All we want is information. What we do with the information, what happens afterwards,—that isn't your affair. Your Master may turn out to be quite innocent of all the charges going around. You'd like to see him cleared, wouldn't you? We'll give him a trial; you surely don't object to justice being done! All we ask of you is one little thing: just tell us where to find him."

They All Forsook Him
Let it be repeated: Judas was not alone. All the apostles had sworn loyalty, and Peter in particular. But given the chance to escape from the garden, they made the most of it. We are told that they ALL forsook him and fled. Every disciple running away into the shadows was just as truly denying Jesus as was Simon Peter there in the courtyard by the fire. Every sound of running feet growing fainter in the distance was just as sickening a sound as was Judas' kiss. Judas was the first traitor but none failed to follow his example. So it is with us. Like Judas, we don't intend to betray Jesus,—we who are Christians. Yet every sin is a turning of the back on him. Every sin is a betrayal of trust. Every sin is the same as saying, "I do not know Jesus." Every sin is a going over to Jesus' enemies. It is lining up with the forces that would destroy Jesus and all that he stood for. Jesus has many friends in the world today, but he also has many enemies. And sin of every sort simply helps Jesus' enemies and hurts Jesus and his cause. Like Judas, we seldom realize what we are getting into, at first. Smooth tongues can make evil look almost benevolent. It was not hard to rope Judas in. Do we, too, make easy victims for the devil?

Judas, Too Late
D. Moody's imaginative story tells much of the meaning of the Cross. Christ had just told his disciples to preach the gospel to every creature. "To every creature?" protests Peter. "I saw a soldier cram a garland of thorns down on your forehead till it bled to him!" "Yes," replies Jesus; too him. Tell him that blood was shed for him, too." "To every creature?" asks Peter. "I saw a soldier strike his spear into your side when you were helpless in the very moment of death. Preach to him!" "Yes," answers the Lord. "To him, too. Tell him there is a nearer way to my heart than that." To every creature—yes, but not to Judas. For him it was too late. Why was it, so many ask, that Judas was not forgiven, while Peter was? Was not Peter also a betrayer? Of course he was. But the difference was that Peter came back to Jesus, but Judas never did. The Christian church believes that Christ died for our sins, and not for ours only but for the sins of the whole world. Yet there are those whom the sacrifice of Christ on the cross does not save. Christ did not save Judas, it is true. But whose was the fault?
