From all directions immense activity is taking place. The coming Fulton County Fair will be a fitting climax to a campaign of growing interest in farm and rural life. Every county is being drawn into the orbit of this great agricultural event. People will come from far and wide to observe the fair and its many exhibits, which will form a valuable part of agricultural education.

Israel Connell, teacher, arranged the following program in connection with the fair:

MISS IVORA CANTRELL PRESENTS CLASS IN

REACTIONATORY ACTION

Mrs. Bertha H. Smith will preside over the following classes:

1. Buying and Selling Farmers' Produce
2. Buying and Selling Home Grown Produce
3. Buying and Selling Handicrafts

These classes are designed to promote the sale of local produce and handicrafts, thereby increasing the income of farmers and artisans.

Mr. and Mrs. Raymond Graves or Weakley county. The news that the cook has Winfred Hearn's baby gives the family much happiness.

TIP TO JUNE BRIDES

Every farmer in Fulton county is invited to participate in the fair. It is not only a place to exhibit your produce but also to promote the sale of it. Every farmer should be present at the fair to give the best advice possible.

BIG FARMERS MEETING AT MAYFIELD EXPERIMENT STATION

By H. A. McPherson, County Agent

The gates of the West Kentucky Experiment Station will be thrown open to the farmers of West Kentucky on Saturday, June 8, to give them an opportunity to see the many improvements and developments of the station.

EFFECTS BEING MADE TO TIP THE BUDGET

If you are looking for a good time, make your plans now to rear. A hearty welcome awaits you.

BIRTHDAY DINNER

A combination day and a birthday dinner was held at the home of Fred and Mary Pettigrew, Saturday evening. The event was in celebration of her 60th birthday. Several of her friends surprised her with a birthday dinner. The menu included: Soups, Cold Fish, Baked Hams, Salads, and a variety of deserts.

MISS OWEN RECEIVES A CONGRATULATION

Miss Nettie Owen, a graduate of the Clinton College, has been granted an appointment at the experiment station. She will be in charge of the poultry department.

Some Tomatoes

The tomatoes are quite large this year, thanks to the work of Mrs. Earl McLeod.

So I would say to all of you that the time is ripe for us to meet out on the seemingly endless road that leads to improvement of our town and its industries. Let your housekeeping be a unit in the progress of the town. Put your housekeeping on a better basis, and a better family will result from it. The whole town will be better off.

Our Message of Service

There is going to be a lot of activity in the building line this year. Architects and contractors, carpenters and masons all, are busily sharpening up their pencils and their tools, and getting set for business. It is not the young married folks alone who are going to build homes — who dream dreams of happiness in homes of their own — but many others who have long, too long, been renting the roofs over their heads are going to try this year to realize their desire to have a home of their own.

Whatever you plan to do by way of BUILDING, REMODELING, REPAIRING, we want you to feel perfectly free to come in and consult our service department without the slightest obligation. Whether it's a big house or a bungalow, a new garage, or a new addition to the old garage, an alley fence, or built-in fixtures we are prepared to give you unequaled service and low prices on Quality Material.

Let us help you make your dreams come true.

JUNIORS TO SHOW

The Lexington show, to be held at the University Fair at 10 a.m. on Tuesday, June 2, will attract at least 100 junior clubs. The Lexington fair is one of the largest and most important of its kind in the country. Three judges will be from Fayette, Greene, and Brown counties, and the fair will be held at the University Fair Grounds.

AMONG THE COUNTY AGENTS

Two dealers have added time to their county farm shows, and 22 counties of Illinois have had shows held in the county fair grounds. These shows are of interest to the farmer and the dealer, as they provide a means of promoting products and increasing the sale of farm products.

Railway Taxes

The increased taxation of all the railroads in recent years can be seen by some of the figures for the years 1913 and 1928 published in the Illinois Central System. In 1913 the taxes of the Illinois Central amounted to $53,570,000, and in 1928 to $12,582,000. This was at the rate of .89 per cent in 1913 and at the rate of .81 per cent in 1928.

These taxes were $549 for each mile operated in 1913, and $1,796 for each mile operated in 1928. These figures are probably lower than the actual amount paid, as they do not include any taxes paid on the Illinois Central System in 1913. However, they show that the Illinois Central System has been paying a large amount in taxes, and that the amount has been increasing over the years.

The taxes of the Illinois Central System have been increasing over the years, as can be seen from the following figures:

<table>
<thead>
<tr>
<th>Year</th>
<th>Taxes Paid</th>
<th>Rate</th>

<tbody>
<tr>
<td>1913</td>

</tr>
<tr>
<td>1928</td>
<td>$12,582,000</td>
<td>.81%</td>
</tr>
</tbody>
</table>

These figures show that the Illinois Central System has been paying a large amount in taxes, and that the amount has been increasing over the years.

**Guiding Your Children**

Bad habits lead children astray. Good habits guide them safely into the path of character, uprightness and independence.

You can start them right by teaching them to save money. Set them an example by saving yourself. Make them admire thrift.

Once started, the saving habit helps to form other good habits. It provides for education in handling their own funds.

This starts in the right direction at a simple step. Bring children to the bank when you start to save.
