The Noble Art

A hummingbird is the newest character in the story, one who is so small and so fast that he cannot be seen except by the eye trained to watch for such things. It is said that he can make a nest and find food in the same time, and that he has a bird's eye view of things.

There's a Difference

Go Easy, Judge

Mother is talking to her son, who is in the presence of a dog, about the way to catch a fish. "Go easy, Judge," she says. "Just by a little trick of yours, he is not only a better judge, but a better hunter too."

LOOK AFTER THEMSELVES

Mrs. Woman will look after them.

What's the Password?

Friend Cobalt, a sporting dog, is being kept by a friend. "What's the password?" asks friend. Mr. Cobalt-roomed by dog's name. "encryption," he answers. "You're a little slow, aren't you?"

AMERICA'S RADIO LEAD IN DANGER

The most sensational event of the week was a United States government announcement that the British Government had secretly decided to interfere in the affairs of the United States. The United States government immediately issued a proclamation declaring war on the British.

The British government responded by declaring war on the United States. The two nations were now at war.

The war brought about a significant change in the world order. The United States became a major world power, and the British Empire was weakened. The war lasted for several years and resulted in the United States gaining significant influence in the world.

OUR MESSAGE OF SERVICE

There is going to be a lot of activity in the building line this year. Architects and engineers alike, are busily sharpening up their pencils and their tools, and getting set for business. It is not the young married folks alone who are going to build homes—who dream dreams of happiness in homes of their own—but many others who have long, long, been renting the roofs over their heads are going to try this year to realize their desire to have a home of their own.

Whatever you plan to do by way of BUILDING, REMODELING, REPAIRING, you want to feel perfectly free to come in and consult our service department without the slightest obligation. Whether it is a better house or a new garage, a new building, a new roof, a new floor, a sun parlor or a sleeping porch, an alley fence, or built-in fixtures—we are prepared to give you unequalled service and low prices on Quality Material.

LET US HELP YOU MAKE YOUR DREAMS COME TRUE.
