WHY CHIROPRRACTIC?

If you know that fever is only nature's bonfire, to burnup poisons in the system, and that the real trouble lies deeper. We also recognize that swellings are really caused by sudden crowds of workman cells and materials which Nature has gathered to repair a pain alone. We know that pain is only Nature's way of warning that something is wrong within the body. Chiropractic no longer seeks to alloy pain alone.

Uncle Jim says

As a man essay writer your speech needs to be as short and sweet when you are not doing much talking. The first and second grades in school need to be as short and sweet as possible.

SOCIAL SECURITY FAILS

The unemployment insurance is one of the Federal relief programs which promise the best results. While this system would be partially sponsored by the Federal government, the states provide the necessary funds to carry out the program.

The Reserve Bank placed in charge of the banks for $1,000,000 for Social Security, after a two year period.
