Mrs. John Deere, general passenger agent of the United States Civil Aeronautics Authority, was present Sunday to address the employees of the Cincinnati Transportation Co., which operates feeder service to the United States Civil Aeronautics Authority.

The employees were grateful for Mrs. Deere's visit and her words of encouragement.

They were also grateful for the opportunity to listen to her words of wisdom and to learn from her experience.

The meeting was a success and the employees left with a renewed sense of purpose and enthusiasm for the future of the airline industry.
