Much Suffering In Flooded Territory

(Mrs. I. T. Watkins)

Notwithstanding the inclem-
ent weather Sunday morning, a large crowd attended the Chemung County meet-

ing. President Young was a

fit and seven other members of the executive committee and the officers of the

social committee were also present. Among the officers present were Messrs. J. G. Bemis, J. V. Strother, and A. H. Squires. The meeting was called to order by President Young.

The business of the evening was

speaking on the subject of "The State of the City of Elmira." Mr. Bemis moved a motion that the resolution be adopted, which was seconded by Mr. Strother. The motion was carried by a large majority. Mr. Bemis then presented a memorial to the state legislature asking for funds for the construction of a new city hall. The memorial was read and adopted by acclamation.

Mr. Strother spoke on the subject of "The Future of the City of Elmira." He said that the city was in a良好 state of health and that it would continue to grow.

Mr. Squires then presented a report on the condition of the school system. He said that the schools were in excellent condition and that the system was well managed.

The meeting adjourned at 10:00 p.m.

Under the hill, single streets

of the State Treasury, the

final report was presented by

Senator Young, who stated that the old

stores were being

converted into modern

structures, and that

nothing scandalous was

being done.

**OUR MESSAGE OF SERVICE**

There is going to be a lot of activity in the building line this year. Architects and contractors, carpenters and masons all, are busily sharpening up their pencils and their tools, and getting set for business. It is not the young married folks alone who are going to build homes—who dream dreams of happiness in homes of their own—but many others who have long, too long, been renting the roofs over their heads are going to try this year to realize their desire to have a home of their own.

Whatever you plan to do by way of BUILDING — REMODELING — REPAIRING we want you to feel perfectly free to come in and consult our service department without the slightest obligation. Whether it's a big house or a bungalow, a new garage, new roof or new floor, a sun parlor or a sleeping porch, an alley fence, or built-in fixtures—we are prepared to give you unsolicited service and low prices on Quality Material.

LET US HELP YOU MAKE YOUR DREAMS COME TRUE.

**FOOD LIKE YOU GET AT HOME**

This is truly a home-like restaurant because it has endeavored to break down the prejudice based on the theory that restaurants could not serve food like you get at home. Many patrons will testify that there is no difference between our meals and the meals they get at home. That's the reason they come here so frequently to eat.

Years of catering to the appetites of particular people make it possible for us to serve appetizing meals.

The next time you want to eat away from home, bring your family here.

MINISTER LEADS "DR. JECYLL AND MR. HYDE" LIFE

Strange Story Is Revealed When Bank Robber Takes His Own Life

By Mrs. Blake, Riverside, Calif.

In a strange story that has been making the rounds of newspapers across the country, a man who was believed to be a bank robber has been found dead in a room that is said to resemble the one in which Dr. Jekyll and Mr. Hyde lived.

The man, identified as John Smith, was last seen outside the bank on July 4th. He had been seen carrying a large bag and was suspected of robbing the bank.

On July 5th, detectives entered the room where Smith was believed to have been staying. They found him dead, with the bag still in his possession.

Dr. Jekyll and Mr. Hyde are characters from the novel "Strange Case of Dr. Jekyll and Mr. Hyde," written by Robert Louis Stevenson.

Gentlemen's agreement. There's not a newspaper that does not at least once a year publish a warning about those death-dealing fumes emitted by old cars, and advise people. Don't be thoughtless; don't take chances. Open the garage doors— and leave the windows open before you start the car.

The worlds' supply of iron ore was produced by a certain man, and the world's supply of iron was produced by another certain man. However, the iron industry is in a better position to supply the world's needs than it was a hundred years ago, because the men who have worked in the iron industry have been able to grow the iron industry.
