YOUNG MEN'S CLUB MET TUESDAY NIGHT

The Young Men's Club held its regular meeting on Tuesday evening at the Elks Club at 7:30. An interesting program was presented by music and a talk on "Living Your Life as a Young Man Should Live It," by Dr. R. T. Rudd. A swab was signed and the club adjourned.

COACH OLIVER'S TEAM MAKES GOOD RECORD

Dr. R. T. Rudd

Let us recall that by the end of the school year, the Coach Oliver's team had established a new record for our institution. They made a fine showing in the district tournament and took second place.

**SPECIAL SERVICE LETTER**

The wireless has been rapidly developed and will now be used for routine operation. Local observance of Easter Sunday will be celebrated by an address delivered by Mr. H. V. Edwards, President of the Fulton County Telephone Company, at the Fulton Christian Church on Easter morning at 10:00 a.m.

**THE FORUM**

By J. P. H. N. E., Editor

A column rendered for news and views of interest to Fulton County.

Reading the other day, we ran across a rather interesting letter to the editor which was published in a well-known newspaper of the Bluegrass State.

THE ROAD OF COMFORTABLE SERVICE

E. L. Cook
223 Third Street (Resident Address)
Fulton, Kentucky

I am gratified with the results I have had through the use of Butane Gas in heating and cooking.

The Airline Gas Company installed my system on May 5, 1938. I would not dispose of it for $10,000,000, unless it could be duplicated at once.

(Signed) E. L. Cook

SPINNING WHEELS

Till-goosing wheels of modern make are easier to use than the early wheel, which turns only when a wheel is spun, but the latter is still used in many parts of the world. The price ranges from $10 to $20, depending on the make and quality. Safety and driving comfort are important, and the wheel should have a smooth tread.

CITY FOLKS AT FIDELITY

Fidelity became a community where an old-time feeling still clung to the town. It was not a place of modern luxury, but rather of simple pleasures. Popular recreation was engagement in local sports, and most of the young men were involved in either baseball or football. The old-time coal mine was still in operation, and provided employment for many of the men. The mine was a focal point of the community, and a place where people came together to socialize and enjoy the simple pleasures of life.

It's "Steamboatin' Time" and "Of Man River" Comes to Life

The music of the steamboat and the river are synonymous with the American past. The old-time steamboats were not only a mode of transportation, but a symbol of the American spirit. They were a part of the nation's history, and a reminder of a simpler time.

The song "Steamboatin' Time" was popular during the steamboat era, and reflected the spirit of adventure and freedom that characterized that time period. It was a celebration of the river and the boats that traveled on it.

The song "Of Man River" was also popular during the steamboat era, and was a tribute to the power and majesty of the Mississippi River. It was a song of strength and determination, and a reminder of the challenges that faced those who dared to navigate the river.

These songs are still popular today, and are a reminder of the rich history of the steamboat era. They continue to be enjoyed by people of all ages, and are a source of pride and inspiration for those who love the American spirit.
