MURRAY STATE TEACHERS DEFEAT MIAMI 15-0

Local Grid Teams Take Football Seriously; Win Five, Tie One in Two Days

Due and Gold Plays Alert Football to Capture Verdict Over Southerners; Brinkley Provides Feature

By RALPH WEAR
Editor of Sports Ledger & Times

The Murray State Teachers added color to Armistice Day at Paducah yesterday afternoon on Keller Field by winning an S. I. A. A. victory and defeating their first intersection foes in the history of the institution, by trouncing beneath them the University of Miami 15-0. The day was a little too warm for the thoroughbreds but should have been ideal for the Florida aggregation. The Murray State College and Tilghman bands pleased a large and appreciative crowd with their performances at the intermissions.

The thoroughbreds seemed to be off of their feed throughout the game but had little trouble in holding the Southern team scoreless. The Miamians had the locals out weighed man-to-man by several pounds but the visitors lacked in running plays, although they had an air attack that was used in every period of the game.

In the first quarter Murray took a sprint to Miami's 15-yard line but had passes and other troubles too numerous to mention kept the Murrays from scoring. Allen, Thoroughbred quarterback, got off some nice kicks during the first half, one going down on the books for 37 yards. Both teams resorted to punting. Murray holding slight odds on each kick. With the first period 13 minutes old Miami received a penalty that backed her down to the line. On the next play Z. Wells, for Murray, blocked a punt and Murray fell on it behind the lines for a safety. Thus, the score stood 2-0 at the end of the first quarter.

The second quarter was divided equally among time-outs, fumbles and wild passing. Fumbles were outstanding and each team received their share.

The third quarter found Miami receiving and the kick off was carried back 40 yards through almost the entire Murray team, only the slowness of the visiting back prevented a score. The Florida team ripped off nine yards on the first play and had started a steady march down the field until Wickliffe recovers a Miami fumble on the 11-yard line.

Allen then booted the ball, Florida hits the line for 2 yards and after another attempt at the wall punts out of danger. Foster, on the first try goes through the line for 9 yards. A pass was intercepted and Miami takes possession of the ball.

After an exchange of punts that put the ball deep in the visitor's territory, and a 15-yard penalty is given to the "Rainy Boys", King went over for the touchdown. Smith, place-kicker, the extra point. This scoring being made in five minutes of the third period. Scores: Murray 9, Miami 0.

In the last quarter both teams attempted pass after pass but neither seemed able to put one over the goal until Brinkley intercepted a Miami pass and raced 58 yards for a touchdown to end the scoring of the game. Perdue and Wickliffe were removed from the Murray lineup on account of injuries.

The Cardinals came back at the half with a smooth running machine that counted for 8 points and 2 charity pitches while the Eagles were held to 2 baskets and two free pitches. O. Walker, for Faxon, was sent to the showers with 4 personal marks in the last frame.

Falwell, running guard for the Cardinals, is a neat floorman and has one of the neatest running shots seen on the hardwood in this county in many a year.

The Eagles have shown great improvement since suffering a severe defeat from the Wildcats of Lynn Grove. The Hazel boys are victims of "Hard Luck", having a couple of their best men out on account of injuries.

The lineups follow:
Faxon Pos. Hazel
H. Walker, 2 F. C. Wilson, 2
O. Walker, 7 F. Miller, 4
Holland, 2 C. Jones, 1
Falwell, 6 G. Underwood, 6

In the last quarter Jones playing for Grissom, recovered two fumbles, one a Cape fumble and the other a fumble by Rodgers. Rodgers, playing for the King, showed his plugging ability by making 12 yards on three attempts to the center of the field. Coach Morgan sent in every man he had in the last quarter. Each team intercepted 2 passes.

The game opened with both teams playing a fast brand of ball with Wilcox showing superior floorwork. At the end of first quarter Faxon led with a 4-3 count. The quintets played cautiously and the half ended with Faxon still leading, 8-7.

The Hazel cakers came back at the half to take the lead and the third frame ended 12-9. In the final round, Wall, Hazel's flashy guard, took the count with a personal, but Paschall counting for 3 points and Wilcox the same. The Hazel netters came out of the battle with a 16-11 victory.

Crass, forward, and Hale at center, performed the best for Faxon. Coach Graham's five showed a nice defense but lacked ability to score.

The Hazel girls are showing up in good style and should be contenders for honors at the local tournaments.

The lineup follows:
Faxon Pos. Hazel

MURRAY STATE DEFEATS CAPE

Thoroughbreds Take Early Lead and Plays Superior Grid Tilt to Win 32-6

Featuring an 85-yard return of a Cape punt by Shaw, fast Murray halfback, the Murray State Thoroughbreds subdued the attack of the Southeast Missouri Teachers College Indians, 32-6 at Houck Field, Cape Girardeau, Friday night, November 6. Murray made 13 first downs to 12 by Cape. The Thoroughbreds completed 9 passes in 24 tries; Cape 2 in 13 attempts.

The game started with a bang when in the first five minutes of play Foster went off right tackle for 4 yards for the first marker. H. Smith's place kick for the extra point was bad. The score was made from a march from Cape's 38-yard line by line plays, one 8-yard pass to Foster, and two 5-yard penalties. Later in the quarter the Indians tried to retaliate but were stopped by the Murray Steeds on their own 1-foot line.

In the second quarter the two teams played, on even terms, with the exception of one Thoroughbred drive that carried them to the Cape 2-yard line where the Indians held for downs.

The Cutchinens really went to work during the third quarter, scoring at ease and with regularity. With the ball on the Indian 40-yard line, line plays and two passes, Allen to Shaw scored for a total of 20 yards, put the ball on the 3-yard line, where Foster again hit the line for the touchdown. The extra point was added by a completed pass, Allen to Shaw.

On a punt to Murray's 15-yard line Shaw added the next touchdown by sidestepping a fast Cape end, following perfect interference for about 12 yards, and springing down the right side of the field for 85 yards.

Murray scored again when two Thoroughbreds blocked a Cape punt on the Cape 29-yard line, the ball rolling back of the Indian goal line where Zebe Wells, for 12, Harry Smith placed kicked the extra point.

Taking the ball on Cape's 42-yard line, the Thoroughbreds again scored on three completed passes, Foster making the touchdown on the last pass for 21 yards. The try for the extra point failed.

The Indians made their only tally when they marched 17 yards for the score. Crabtree went around left end for 6 yards for the touchdown.

In the last quarter Jones playing for Grissom, recovered two fumbles, one a Cape fumble and the other a fumble by Rodgers. Rodgers, playing for the King, showed his plugging ability by making 12 yards on three attempts to the center of the field. Coach Morgan sent in every man he had in the last quarter. Lynn Grove Netters Mar Almo's Record

The Almo basketball club's 100 per cent winning mark, for their four games this season, was reduced Friday night, November 6, when the Lynn Grove Wildcats defeated them 21-14.

This was three victories out of four games played by the Wildcats, Kirksey having defeated them in an early season game. Smooth passing with ability to work through Almo's strong defense was the cause of Lynn Grove's victory.

Sims, Miller and Pogue played an excellent brand of ball. In the last two games Miller has proved to be very valuable to the "Cats".

Jones, forward for Almo, Pogue for the Wildcats held high score with 9 markers while Jones of Almo was second with 7.

The lineup follows:

Tiger Reserves To Meet T. S. Colts

The Murray State College Training School Colts and the Murray Tiger "B" team, better known as "Sanford's Minute Men", will furnish thrills for the local fans tomorrow afternoon, Friday, November 13, when the gridriders will clash on the Murray High School Athletic Field at 3:30.

This game is causing great interest and a large crowd is expected to see this tilt. The Colts have won three straight games, two from the Mayfield "B's" and one from South Fulton. The "Reserves" have only played one game, defeating Grove's "B" team of Paris, Tenn., 34-0.

This is the only scheduled game for tomorrow afternoon on the home field.

New Concord Tops Almo Quintet 16-13

On last Friday night the New Concord five upset the local basketball fans by taking a fast thrash from the Kirksey Eagles by a count of 16-13 on New Concord's hardwood. Scoring in the first period was prohibited but both teams came out of a tight defense to score but the South Siders had a hold on the big end of a 6-5 score at the half. The game was tightly contested in the third quarter but Concord was not to be evaded and held a 11-9 advantage.

This encounter was one of the fastest games of the year. Both teams relied on their defensive abilities. New Concord had no outstanding star. Adams and Edwards for Kirksey performed the best for Kirksey.

For a certain roller New Concord's "B" team defeated Pleasant Valley "B's" by a score of 40-2 in a very unbalanced tilt.

The New Concord team has shown much improvement in the last week and will journey to Almo Friday night for two games.

Coach Holland's Tigers were at Dawson Springs, fighting and clawing their way to hold Coach Springer's eleven to a 6-6 tie the past week.

The College yearlings, after hearing reports from the other five tilts, decided to end the week's winnings in the right way. On Saturday afternoon the freshmen took into camp the Union Pups, Jackson, Tenn., and ran them to a pulp. The "coming Thoroughbreds" couldn't be satisfied until they had counted down 23 points, and, even then, had to be literally dragged off the track, as they had scarcely any opposition to calm their nerves. Coach Miller's Frosh team has a perfect record in the fifth column and have held all opponents scoreless while they have scored hundreds of points.

We are going to put this record in a frame and keep it there until someone with the right credentials show us where we do not hold high stakes.

MURRAY TIGERS GO TO FRANKLIN, KY. FOR TILT
Coach Holland will leave early in the morning with his Tigers to journey over to Franklin, Ky., for a pigskin tilt. Franklin has shown great strength and will give the Murrays a run for their money. The Tigers are in good shape and "Ty" has added needed punch to his team during the past week.

Claims All-Time Record for Number of Teams in Action for Cities of Size Class; Games Friday and Saturday

That Murray takes her football seriously was duly proved last Friday and Saturday when the local teams played six games, tying one and winning five. No doubt larger cities put more teams on the field than Murray, but we lay claim to the largest number of wins and more teams represented on the gridiron than any other city of similar population in the United States.

To start the ball rolling last Friday afternoon the Murray High School's "B" team ran roughshod over the Grove's "B" team of Paris, Tenn., on Murray High School Athletic field by a count of 34-0. The attack was led by Captain Ryan who consistently smashed the Parisian line for long gains.

Not to be outdone, the Murray State College Training School Colts were adding their bit to make the day's football record a clean one by taking the measure of South Fulton's High School eleven by a score of 18-6 on the College Field. The Colts threw off their hobbles and proceeded to run wild. Carlton, right half for the Training School, stood out in the time-light by racing 66 yards for a marker.

At the identical time that these two games were being played, the Douglas High School, colored, of Murray, were giving a Bowling Green eleven a thorough thrashing. The locals showed a large degree of superiority over their opponents and when the war clouds, that were unusually dark, had cleared away the Douglas lads had piled up 20 markers, meanwhile holding Bowling Green scoreless. Z. T. McGeehe, Murray back, was outstanding offensive player of the game. This battle was also played at Murray on the Douglas Athletic Field.

Coach Holland's Tigers were at Dawson Springs, fighting and clawing their way to hold Coach Springer's eleven to a 6-6 tie the past week.

WHAT HELPS HAIR and HURTS MOTOR OIL?

The answer is petroleum jelly! This thick, jelly-like substance gives motor oil, when cold, a deceptive body which turns water-thin the moment your engine heats up. Don't be fooled—ask the nearest Sinclair dealer for the oil with the genuine full body—Sinclair Opaline. Petroleum jelly is removed from Opaline at as low as 60° F. below zero—a much lower temperature than is required for just removing wax. Ask the Sinclair dealer.

71,523 MAJORITY IS GIVEN LAFFOON

Democratic candidate's Total is 445,960; Harrison's Total is 374,437

LOUISVILLE, Ky., Nov. 7.—Circuit Judge Ruby Laffoon, Madisonville Democrat, was elected governor of Kentucky over Mayor William B. Harrison, Louisville Republican, by a 71,523 majority. The complete official returns tonight gave Laffoon, 445,960; Harrison, 374,437.

The vote for governor by Congressional Districts:

District	Laffoon	Harrison
First	44,874	17,944
Second	42,564	25,079
Third	35,729	27,563
Fourth	40,619	31,555
Fifth	53,566	67,471
Sixth	38,179	22,411
Seventh	44,058	30,482
Eighth	31,585	26,050
Ninth	48,257	36,570
Tenth	32,662	22,301
Eleventh	44,886	56,211
Totals	445,960	374,437

The majority was the highest given a Kentucky governor since Reconstruction. Old records show that in 1888 John M. Stoen, Democrat, won by 78,677 over R. T. Baker, Republican.

The Democrats will have 74 representatives in the 1932 general assembly and in the senate there will be 25 Democrats and 12 Republicans.

In the house races 36 Democrats won without opposition and 28 defeated their opponents against eight Republicans going in without opposition and 28 overcoming opposition.

In the Senate races the Democrats had 14 holdovers from 1930, won three seats without opposition and won nine in contests, including the special election in the 24th District where O. M. Rogers of Erlanger defeated Richard Gray, Covington, Republican.

Governor-elect Laffoon, who will take office December 8, carried his entire state ticket to victory along with him, there being comparatively little difference in the votes for the other state-wide candidates, and the one court of appeals race and the three railroad commissioners contest went Democratic.
