Four Benton Girl Scouts —
members of Mrs. James Good-
man's patrol — had the thrill of
their young lives last Saturday
when they made a plane trip
from Paducah to Evansville and
returned.

The girls were Sharon Mc-

The Scouts left Paducah at
11:15 and returned at 3:30. Ac-
tual flying time was approxi-
mately 70 minutes.

The ate lunch at the airport
in Evansville and visited the con-
trol tower. During the flight, the
girls also visited the plane's
cockpit and talked with the pi-
lot. And the stewardess present-
ed each girl with a junior stew-
ardess certificate.

The girls won the trip for
their fine work in selling Girl
Scout cookies.

Mr. and Mrs. Johnny Brien
and children of Danville, Ill.,
will spend the Easter holidays
in Benton with his parents, Mr.
and Mrs. Elmer G. Brien.

Harley Estes and family of
Joplin, Mo., were recent visi-
tors in this county.

Benton Merchants Discuss Plans for Retail Association

Merchants of Benton held a
preliminary meeting Tuesday af-
ternoon at the City Hall with
an ultimate goal in view of or-
ganizing a retail merchants as-
sociation.

A good representation of mer-
chants attended the meeting,
and all were in favor of organ-
izing such an association.

Several benefits of such an as-
sociation were discussed, such
as making decisions on holiday
closures, group advertising, trade
days, night watchman service,
control of public auctions on the
Court Square and use of credit
ratings on charge accounts.

The benefits were outlined by
Joe Asher, who has had experi-
ence with retail merchant as-
sociations, and by Thomas Mc-
gann, who called the meeting. As
of the merchants joined in the
discussions.

It was decided to hold another
organization meeting at night
in order to draw a bigger rep-
resentation of merchants. At the
next meeting, it was suggested
that a steering group be ap-
pointed to draw up plans and
objectives for such an associa-
tion and to figure out what it
would cost each member of
the association.

Most merchants felt that the
group should start on a small
basis, with an objective of
growing large enough to employ
a full-time secretary who would
keep credit ratings and operate
a public office.

Those who attended the meet-
ing were:

Joe Asher, Thomas Morgan,
Bill Butler, Billy Clark, Ray
Bailey, Allen Fleming, Richard
Cooksey, Milton Hawkins, Paul
Nelson, John Sledd, Harold
Ross, Macon Hutchens, Turner
Thompson, Crosson Miller and
Woodson Cross.

At Easter time

the beautiful music of the Hammond Organ in over 27,000 churches

Church Model—price on request

At Easter services and all church services throughout the year, the Hammond Organ is bringing rich, beautiful music to many, many thousands of churches throughout the world. In fact, since its introduction, one more church has selected the Hammond Organ than all other comparable instruments. Through its introduction, it has proved to these churches that only the Hammond Organ brings them many thousands of beautiful tones... only the Hammond Organ with its exclusive "reverberation control" gives the small church, cathedral-like organ music... only the Hammond Organ keeps maintenance costs to an absolute minimum because it can never go out of tune.

In fairness to your church, be sure to get a complete demonstration of the Hammond Organ before making any decision as to a new organ.

Producing 152 bushels on an acre made Arnold Duncan, 17,

of Pulaski County, the state 4-H Club corn champion, it was announced by the College of Agriculture and Home Economics of the University of Kentucky.

Corn-growing methods, profit and other factors were consid-

ered in selecting the champion. Twenty-five county champions competed for state honors.

Churches Plan Easter Services

The churches of Marshall County are getting ready for their annual Easter services. Topping the list of services this year, as usual, will be the fifth annual sunrise service at Kentucky Dam Village. The program will start at 5:44 with the call to worship, followed by congregational singing and the invocation by Rev. Curtis Wart. The crowd will then sing "Lead Me to Calvary" and the offertory will be taken.

Mrs. Roy McWaters Jr. and Mrs. Eugene Russell will present special music, "Were You There?"

The Rev. Charles M. Bunce of Paducah will deliver the sermon. The Rev. S. A. Matthews will deliver the benediction.

Mrs. McWaters is choir director and Maurice Luckett is pianist.

The Calvert City Presbyterians will hold Good Friday communion service at 7:30 p.m. on April 8. The church's Easter sermon will be delivered Sunday night at 7:30 p.m. by Rev. Charles Bunce.

The Benton Commandery will hold special Easter services at 7 o'clock Sunday morning at the Masonic Hall. Rev. Paul Dalley will be the speaker. Several revivals will start on Sunday.

At First Missionary Baptist Church, Benton, the revival will start Sunday morning. Rev. Harold Stubblefield of Lamasco will be the evangelist. A 30-voice choir will sing Easter hymns in the morning and at the evening service a youth choir directed by Allen Henson will perform.

The revival at Briensburg Baptist will be conducted by Rev. Joe Harris of Memphis. Special Easter music has been scheduled. Rev. T. L. Campbell is pastor of the church.

The revival at Olive Baptist Church will be conducted by Rev. Norman Culpepper. He will deliver an Easter message and there will be special music. The pastor is Rev. William L. Hodge.

At First Baptist Church, 10th and Main, Benton, the sermon topic for the morning service will be "He is Not Here." Topic for the evening service will be "On the Witness—Stand for the Resurrection." The pastor is Rev. Paul Dalley. There will be special Easter music.

There will be three services at Benton's Methodist Church. Sunrise worship and communion services will be held from 6 to 7 a.m. at the church. At 10:50 p.m., the pastor, Rev. V. H. Burnette, will speak on "Easter Changed All That." At the 7:30 evening service, Rev. Mr. Burnette will speak on "Easter is Up to You." Special music has been arranged for both services.

Benton's First Christian Church also will hold Easter services in the morning and evening, the pastor, Rev. Bill Williams, announced.

SPRING
Rich and sparkling on a sunny
morn
A bursting of buds to nature is
born.

First the bud — then the
bloom.
The winter disappears;
Alas! 'Tis Spring of all return-
ing year.

Little blades of grass venture
for a peep.
While jonquils yawn in waking
from their sleep.

Birds twitch and fly about,
The days are bright and
clear.
Babbling waters chant their
loving hymns of cheer.

The sun beams warm where
children run and play,
Lightened hearts of all dance
away the day.

A glowing glad some life;
A prayer our lips should
sing;
Lest the glory we forget of God's
returning Spring.

Big news about Buick's 4-Door Riviera

THIS brand-new kind of automobile — the sensation of all the Auto Shows this year — is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful — this dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers — plus rear-compartment room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera — and with luxurious new spaciousness in its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hiproom extra-generous both front and rear — with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CBENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine — the swift get-away and gas saving of Variable Pitch Dynaflo® — the velvet stride of the Million Dollar Ride — the long list of Buick bonus features at no extra cost — and all at "great buy" prices that have helped more Buick into America's "Big Three" of best sellers.

But — better come see us about the 4-Door Riviera now.

With all-out production — and a prompt order — this newest excitement in cars will be yours that much sooner.

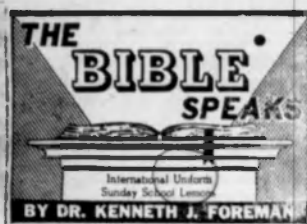

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

We Shall Live

Lesson for April 10, 1955

"ETERNAL" life has two meanings in the New Testament. One meaning refers to life beyond death. And yet this meaning is never applied to all human beings. It is either taken for granted or taught outright in the New Testament that all persons survive what we call death. But "eternal life" refers in this sense only to the survival of those who have accepted God's grace, never but the contemptible within and without? What worse hell could be needed than that? So in the New Testament, immortality, as such, is never promised of personal survival after death. It is never held out as something to be desired in itself. Eternal life, life that endures beyond death, is desirable only when the person who looks forward to it already possesses eternal life, as a changed and new life. To put it another way, only those who have been born again can be happy in looking forward to their "birthday in heaven." A corpse lying in the grave does not look forward to the train's arrival at its destination; only the living may have that pleasure. The corpse is dead; the passengers live. So the Christian thought of life—beyond "not 'We shall exist' but rather 'We shall live.'"

Christ Lives Again
Perhaps Christians believe in eternal life. In the sense of this language through "death" of this present eternal life, less because of arguments than because of some inner certainty, some whisper of God within the heart rather than some argument of logic knocking at the brain. Still, if one can speak of arguments, there are two which specially appeal to Christians in all ages. One is the resurrection of Christ. The other is the resurrection of the dead. The first Christians told the world about a risen Christ. It is true they spoke of Christ crucified; but a crucifix does not express the whole Christian message. The dominant note of the New Testament is not death but life. Paul speaks to the resurrection of Christ in this famous chapter of his letter to the Corinthians. I tell you that the resurrection of Christ is a story you can "take or leave, that you can cut off the tapers with the burial of Jesus, and still be a Christian. No, if that were so Christ would be no more than another dead dreamer. The resurrection sheds a brilliant light on everything that went before it and everything that comes after it.

Christ Lives In Me
The other argument which lies at the heart of the Christian's faith in "life everlasting" which is worth looking forward to, is based on personal experience. "Christ lives in me" was the testimony of Paul first, and it echoes from the hearts of Christians ever since. When a man honestly thinks himself over, and asks, "What have I done, what am I, that God should trouble himself about me any longer? What right have I to expect, much less to demand, life everlasting?" his answer will be a melancholy "Nothing." Life that has no present sheen or length of eternity about it or in it has outlived itself in less than a score years and ten. But there is something in a man that Christ has touched. If there is anything in a man that waits for "Christ lives here," then he will dare and rejoice to say, "We shall live."

Here's why MORE PEOPLE ARE BUYING PONTIACS than ever before!

You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

Compare this price!

\$2,267.11

Biggest car at this price (122" wheelbase)
• Most powerful car at this price (150 horsepower)
• Only car at any price with distinctive V-motion styling and the riding and driving ease of the torsion-free, Shock-Proof Chassis.
880 2-door 6-passenger Sedan illustrated. State and local taxes, if any, extra, as are white and two-tone color. Price may vary in surrounding communities due to freight differential.

You don't have to look far to find the reason for the tremendous surge to Pontiac. No further than the fact that only Pontiac produces cars that compete with the costliest in size, smartness and power, yet carry a price tag that is well under many in the lowest-price field.

That's what brings people in to see and drive a Pontiac—a value story they simply can't afford to overlook. And once they do—once they get a close-up of America's most distinctive styling... once they sample the superlative roominess and comfort of

Pontiac's luxury interiors... once they try the pulse-racing thrills of exclusive Strato-Streak V-8 performance—they lose interest in every car but this.

Come in and get the rest of the story. See, drive and price this high-powered future-fashioned beauty. You'll find that if you can afford any new car you can easily afford a Pontiac.
