MURRAY DEFEATS BOXERS OF PURDUE 6-2 IN CARR HALL

Coach Moore's Slate Is Kept Clean Monday, Feb. 9

The Murray State boxers kept their slate clean as they defeated a team from the University of Purdue here Monday night, February 9, by the score of 6-2. In the three years of intercollegiate boxing, started by Coach Jim Moore here, Murray has never lost a match.

This was the second match for the Murray pugilists this year, they having previously tied Florida 4-4 at Gainesville. Purdue conceded the 120 and 127-pound bouts to Murray as they did not have men in these two divisions.

In the first decision fight of the evening, Danny Altman won a decision over Frank Alexander in the 135-pound class.

In the 145-pound division, Murray's Leo Hutt won an unanimous decision over Stan Atz. Hutt canvassed Atz once in the second round.

Big George Speth of Murray won a TKO over Nick Nicholas of Purdue in the first round. Nicholas, much lighter than Speth, could not stand up under the mighty onslaught of the Thoroughbred All-KIAC man.

Bob Fiser, co-captain of the team, showed ability as he won over Eddie Ryden in the 165-pound class.

Purdue's first victory of the night came when Gus Boughan, captain, won a close decision over Murray's "Red" Lillie.

The Boilermakers were victorious again when Steve Levandoski, co-captain of the Murray squad, lost a 2-1 decision to lanky Don Elfin of the Purdue team. It was Levandoski's first loss.

In the last fight of the evening, Mike Nicholas of Murray won a TKO over Purdue's Don McMillon. Nicholas came in like a lion and McMillon went out like a "Jack Hare."

Jack Drerup and "Scrappy" Sheridan, in the 135-pound class and Bob Caudill and Dick Roberts, in the 127-pound class fought exhibition bouts.

Murray's next fight program will be February 18 when the Breds entertain the Arkansas Tech team. The match will start at 8 p. m. in the Carr Health Building.

Middle Tennessee Debates Murray on Labor Regulation

Betty McCampbell and Ruby Snell represented Middle Tennessee State Teachers College in a debate against Murray State here Thursday evening, February 12, at 7:30.

Rayburn Watkins, Benton, and Ray Mcfield, Hardin, upheld the negative side of the question for Murray in the first debate. Ralph Crouch, Lynn Grove, and Bill Lipford, Murray, upheld the affirmative in the second debate.

The question used was "Resolved: that the federal government should regulate by law all labor unions in the United States." Both debates were non-decision.

On March 2, Evansville College will come to the Murray campus for two debates.

The Latin-American Magazine is a good-will publication, circulated throughout the unoccupied countries of Europe and in South America. The purpose is to better U. S. relations with its southern neighbors.

Twitchell attended Murray State in 1931 through 1933.

FORD SUGGESTS CONQUERORS' CODE IN CHAPEL MEET

Baptist Minister Is Speaker For Murray Assembly

Dr. Morris Ford, pastor of the First Baptist Church, of Jackson, Tenn., who is leading a student revival this week at the First Baptist Church of Murray, addressed the Murray State College students in chapel Wednesday, February 11, on "A Creed For Conquerors."

The following six points were outlined by Dr. Ford:

1. I will not break training.
2. I will not quit in the middle of the game.
3. I will play with the team.
4. I will not lose my head.
5. I will not let defeat defeat me.
6. I will not let victory defeat me.

Dr. Ford is a graduate of Southwestern University, Memphis, Tenn., where he played football, basketball, and was captain of the track team.

Accompanied by the Rev. A. L. Gillespie, Baptist Student Secretary who is also participating in the student revival here, Dr. Ford sang "Sailor Beware" at the chapel meeting.

Murray State College's annual Citizenship Day, honoring those students who attained the age of 21 between August 1, 1941, and August 1, 1942, was announced for Monday, February 23, by Dr. G. T. Hicks, head of Murray's education department.

Bratton Visits

Jack Bratton, Union City, Tenn., former varsity football guard here, was a guest on the campus last week-end. He is now in the Army Air Corps stationed at Randolph Field, Texas.

Saying that he likes flying, Bratton added he would like to have a crack at those Japs.

857 Enroll From 42 Counties in Ky.

Murray State College has 857 students enrolled for its spring semester from 42 Kentucky counties and from 21 other states, it was announced today by Mrs. Cleo Gillis Hester, registrar.

"In view of national conditions I am highly gratified at our enrollment this semester," stated Dr. James H. Richmond, president of Murray State. With the 372 students enrolled in the Training School there are now 1229 students on the Murray campus.

Spring term enrollment here suffered a 20% decrease this semester as compared to the spring of 1941, since the total at this time last year was 1072. Dr. Richmond, however, stated that Murray's enrollment was still relatively high, and cited much greater decreases for other colleges and universities throughout the state and nation.

First day enrollment totaled 743 students as compared with 969 on the first day of the corresponding semester in 1941 but already 113 have been added to this total and more are expected to enroll in the mid-term registration scheduled for Monday, March 30, college officials said.

Doran Urges Payment of Fees

A checkup reveals that approximately 200 students have not paid their Shield fees this semester. As you know, these fees are collectable in accordance with the Articles IV and VI of the Student Organization Constitution and with the authorization of the Board of Regents of Murray State Teachers College.

The Shield is your yearbook as well as ours. It is a vital part of the college and it deserves the undivided support of the student body.

The Shield office will be open from 1 to 4 o'clock on Tuesday and Thursday afternoons to receive these fees. Won't you please settle this matter at once?

"If all the censors of the 'Campus Lights' skits were laid end-to-end, it would be a good thing," stated Billy Shelton, Mayfield, director of this year's Phi Mu Alpha musical production, when asked how the skits for the show were coming along. This show, to be presented February 27 in the college auditorium, will be the fourth annual "Campus Lights" production to be given at Murray State College.

Starting at 8:15 there will be two hours of music and merriment with many original tunes by college students. Two of these tunes to be featured are "Herman's Stomp," a swing tune written by Murray's trumpeter Kay Montgomery, Tampa, Fla.; and "Another Day at Murray State," by Mary Katherine McClellan, Lewisburg, Ky., a song which will be on the lips of Murray students for a long time.

Paul Bryant has written three new tunes, "Yours is My Heart," which will be sung by Paul's fiancée who is coming from Florida especially to do this number. He also has written a tune which will feature those music makers, "The Murray Macs," entitled "Love Can Never Be Like This," and a swing tune called "Low Float."

The first band rehearsal for the show was held Sunday, February 8, and, according to Shelton, "For a first rehearsal they really had a solid beat." The band and chorus will consist of 34 pieces which is 12 larger than Glenn Miller's band.

A little known fact about "Campus Lights" is that they will use 450 gallon cans, two and a half miles of wire and over 1,000 board feet of lumber.

150 STUDENTS WILL TAKE PLEDGE OF CITIZENSHIP AT MURRAY FEB. 23

PLEDGE OF CITIZENSHIP

"Believing in the United States of America as a government of the people, by the people, and for the people, I do solemnly pledge myself to fulfill the first duty of democracy—that of remaining democratic. Thankful that I am an American and that I enjoy the privileges and duties of democracy, I swear that I will uphold those principles of freedom, equality, justice, and humanity for which our forefathers sacrificed their lives and fortunes. I will love and honor my country, support its constitution, obey its laws, respect its flag, and defend it against all enemies. I will endeavor to uphold in my personal life, high standards of good faith, justice, courage, honesty, industry, responsibility, and cooperation. I will keep myself well-informed concerning the laws of my government that I may act judiciously, vote intelligently, and serve my country well."

This oath of citizenship, written by Geraldine Hammack for the first Citizenship Day ever observed at Murray State College, will be administered to 150 "citizen-students" on Monday, February 23.

The Fourth Annual Citizenship Day will be observed in chapel at 10 a. m. with a special program honoring all students who have become of age during the past year or will do so before August, 1942.

The induction ceremonies, which will be presided over by President James H. Richmond, will include the administering of the pledge of allegiance and citizenship.

Orations will be delivered by the following students: Roger Fuller, Carrollton, Ky., "Physical Fitness"; Ralph Crouch, Lynn Grove, "Training of the Hands"; Dewey Jones, Benton, "Courageous Living"; and Juanita Gentry, Reidland, "Woman's Part in the Crisis."

RECOVERING

Miss Mildred Clayton of Hazel, Ky., underwent an appendectomy operation at the Keys-Houston Clinic February 9. Hospital attendants report that she is rapidly recovering.

MURRAY TO HOLD FIRST WAR-TIME GRAD EXERCISES

May 31-June 4 Are Dates Listed For Commencement

In the first war-time graduation of its history, Murray State College will hold its 19th annual commencement exercises during the week of May 31-June 4, with the baccalaureate sermon opening commencement week on May 31, 1942.

According to Miss Alice Keys, executive secretary, speakers for graduation exercises on June 4 and for the baccalaureate sermon have not yet been selected.

Twenty-one seniors have received degrees here in February, constituting one of the largest mid-year graduating classes ever listed at Murray State. Last year only nine seniors applied for degrees at the end of the fall semester.

The percentage of graduates this year will probably be greater than last year since students are attempting to complete their college careers in less time than in previous years, college officials averred.

Last year Murray State College granted degrees to 139 seniors; nine were graduated in February, 63 in June, and 67 in August.

Reed, Arnoldi, and Miss Lawrence Appear in Concert

Elmo Reed, senior at Murray State College from Brewers, presented a contrabass concert in the college auditorium Wednesday night, February 11, at 8:15 o'clock. He was accompanied by Miss Mary Katherine Lawrence, and assisting in this concert were Robert Arnoldi, tenor from Leadwood, Mo., and Curtis Hughes, his accompanist.

Mr. Reed played the following selections:

Sonata for Violoncello and Piano, Op. 58, by Mendelssohn; Concerto in G Major, Allegro mosso, Andante, Allegro, by Bille; Reverie, by Bottesini; and Tre Giorni, by Pergolesi.

Mr. Arnoldi sang:

Amarilli, by Caccini; Drink to Me Only—Old English; Frag an die Rose, by Handel; Go Lovely Rose, by Quilter; Minnelied, by Brahms; Who Is Sylvia, by Schubert.

Members of the Sock and Buskin Club gave a short skit of the play, "Taming of the Shrew," scheduled for February 5 with Martha Belle Hood and Bill Wetherington in the major roles.

Dr. Ella Weibing and Kenneth Keane made preliminary announcements concerning the play.

AAUW to Present Three 1-Act Plays

"Faculty Flights", composed of three 1-act plays, will be presented in the Murray State College auditorium on Saturday, February 14, at 8:15 p. m., for the AAUW Fellowship Fund.

The American Association of University Women is the only body which makes it possible for women to obtain graduate work either abroad or on some original research in this country, according to Dr. Ella Weibing, dean of women. The national organization has raised almost a million dollars to finance these fellowships.

The three 1 act plays are entitled "A Valentine", "A Professor Roars", and "Fireman Save My Child". Between acts a "Gay Nineties" sextet will perform, composed of Dr. James H. Richmond, president of Murray State College; Dr. W. G. Nash, dean; W. J. Caplinger, director of the Training School; Prof. F. D. Mellen, head of the English department; Prof. L. R. Putnam, voice instructor; Dr. F. C. Pogue, of the social science department; and Dr. G. T. Hicks, head of the education department.

NASH PRESIDES IN FIRST CHAPEL OF SPRING TERM

Rev. Haring Leads Devotional Exercise Wednesday, Feb. 9

The first chapel of the spring semester was held Wednesday, February 4, with Dean William G. Nash presiding and with the Rev. Leon A. Haring, pastor of the Presbyterian Church, in Murray, conducting the devotional exercises.

Dr. Nash advised the students and faculty that the college would adopt the new "War Time" Monday, February 9.

"We hope that your stay here will be mutually pleasant and profitable," Dean Nash told the new and returning students. He reported that Murray had won two games over Morehead on Monday and Tuesday nights.

Prof. A. F. Yancey announced that the American Association of University Women would present a play "Faculty Flights" Saturday evening, February 14, at 8:15 o'clock. This play will have faculty members as its characters, he said.

Boxing Coach Jim Moore announced that Murray had fought the University of Florida team to a draw decision, 4-4, on Saturday night, January 31.

Members of the Sock and Buskin Club gave a short skit of the play, "Taming of the Shrew", scheduled for February 5 with Martha Belle Hood and Bill Wetherington in the major roles.

Dr. Ella Weibing and Kenneth Keane made preliminary announcements concerning the play.

RCA HISTORIAN SEEKS DATA ON RADIO INVENTOR

Writes Dr. Wells For Facts on Life Of Stubblefield

G. H. Clark, historian for the Radio Corporation of America and secretary of the Veteran Wireless Operators Association, RCA Building, New York, has written Dr. Rainey T. Wells, former president of Murray State College, for complete data on the life and achievements of Nathan B. Stubblefield, to whom this—his home city—gives credit for the invention of radio.

Dr. Wells, now general counsel for the Woodmen of the World, Omaha, Neb., has referred the letter to L. J. Horton and to Vernon Stubblefield Sr. of this city and the material is now being forwarded to the RCA officials.

Mr. Clark's letter to Dr. Wells follows in part:

"As historian for our organization, as well as for RCA, I am trying to collect as complete a file as possible on old time radio, to leave to the Institute of Radio Engineers at my death.

"Among my files is a brief story of Nathan Stubblefield. It is a tragic story, and full of pathos. He strove so hard, and lost because of faith in others. But apart from the sentimental side, I wish to collect all possible data for the files. I therefore write to learn if material can be obtained from you, by photograph or photostate, for which I will forward payment in advance.

"I want if possible to have a photostate or both of Stubblefield's patents; a picture of himself; of the memorial on your campus; of the apparatus that still remains. Are there other things that you feel should be included in the file?

"Perhaps you would wish some of the material which I have. For instance, I have a copy, rather torn, of the Application for Stock in the Wireless Telephone Company of America; a newspaper of the experiment at Philadelphia; printed extracts from various newspapers regarding his experiments, the same being part of the prospectus used for stock selling."

Stubblefield Recognized
Recognized by the World's Almanac, Famous First Facts, and by several nationally known biographers as one of America's great inventors, Nathan B. Stubblefield in 1892 started to work on his "Wireless Telephony"—later known as "radio-telephony" and finally as the "radio."

In the late nineties and the early part of 1900, he was able to demonstrate the efficiency of his invention. In 1902 he broadcast and received the human voice—without wires—from the middle of the Potomac River to the shore. The Wireless Corporation of America was organized and stock was sold.

He rejected fabulous sums for his invention, because he believed it was worth more.

Then something happened. He came home from New York and Washington, but was persuaded to go again. But fortune and fame slipped out of his grasp.

Disconsolate, embittered, and disgruntled, he became separated from his family. Poor, proud, and eccentric, he lived alone in the lonely hills of Calloway.

On March 28, 1928, he died. Today his body lies in an unmarked grave 2 miles north of this city. And RCA wants to know more about him.

Miss Bowlin Is Elected Head of Household Arts

Miss Ruth Bowlin, Memphis, Tenn., was elected president of the Household Arts Club at its meeting Wednesday, February 4.

Other officers elected were Eleanor Oliver, Martin, Tenn., vice-president; and Nell Cannon, Clinton, secretary-treasurer.

At the meeting, Miss Nannie Burken, Dexter, gave a report on "The Home Economics Club Justifies Its Existence," and Miss Ruth Bowlin reported on "The Home Economist's Part in Defense."

Miss Nancy Norris, Guthrie, conducted the devotional.

The Varsity... a Friend of Murray State

The Varsity Theatre became a three-year old friend of Murray State College last week as it celebrated its anniversary.

Always in the past, the Varsity has cooperated with Murray State in all of its undertakings. It has offered special student prices to those attending college... it has been a constant advertiser with the College News. It has brought the finest pictures to this community for entertainment of Calloway Countians and visitors.

So here's to the Varsity—here's wishing it a happy birthday and continued success.

Stay in School

That college students should continue their courses until called for government service was the consensus of delegates attending a meeting of student and faculty representatives of 13 Chicago area colleges.

Enrollment in consumer courses to develop economical buying habits and the study of health, nutrition, and physical fitness were stressed.

Britain actually had fewer deaths in 1941 than in the year preceding the war because of heightened health consciousness, it was announced by Roger Holden, manager of the Chicago chapter of the Red Cross.

War Time 'Til Peace Time

By an Act of Congress, approved by the President, we are now running on daylight saving, or "war time."

For the first few mornings the getting-up hour seemed to come awfully early for all of us, but as we grow more accustomed to it, it will not seem such a hardship at all.

To term this change as "another useless war measure" is foolish when we think of the cities which use daylight time during all the summers. Those of us who have seldom seen a spring sunrise will not regret the change; and it is certain that we can use another hour in the afternoons for tennis, hiking, or just soaking up sunshine.

It seems that this is the least that we can do—accept graciously any task assigned to us. If "war time" will save time for defense, we're for it!

To the Thoroughbreds

In the summer of 1928, Dr. Rainey T. Wells gave to you wearers of the Blue and Gold the name "Thoroughbreds".

He envisioned the day when you would wear these royal colors of Kentucky against the finest teams in the nation.

That you have done, And nobly, too. The University of Arkansas, University of Florida, Vanderbilt, Mississippi State, San Diego State, Purdue, and others of like caliber. West Texas State, whose team you surpassed in the National Tourney last year, has been picked as the nation's number one team this season.

You wear—on your uniforms—the insignia of the greatest Thoroughbred of them all: Man O' War. A great horse, he was. Plenty of spirit and plenty of ability. A winner.

This newspaper, frankly and without apology to any other team in the nation, believes you are a great basketball team. It believes you are a great boxing team.

The road ahead may require all you have... the KIAC and then the National Tourney. But it's a fast track and it's a royal road... for a THOROUGHBRED.

What Boys Dislike in Girls

Last week the College News published a story on what girls dislike in boys and it's only fair that the boys should have their say. Boys, what do YOU dislike in girls?

Ralph Shearer, Carlisle, "Those aren't that think they are." Joe Brooks Phillips, Benton, "I don't like any part of women." Dan Gregory, Springfield, Tenn., "These short skirts—they worry me."

Dewitt Roberts, Union City, Tenn., "I like all of 'em." Rumbough Ganas, Sanford, Fla., "Nothing." Dub Crawford, Murray, "They lie too much." Tim O'Brien, Asbury Park, N. J., "Lipstick." Harold McDaniel, Paducah, "Conceited girls." Clifford White, Shaker Heights, Ohio, "Tri Sigma." Joe Fitch, Springfield, Tenn., "Their non-essential chatter and lack of ideas and ideals."

John Culp, Gilbertsville, "Ain't got nothin' agin' none of 'em. I think they're all sweet."

Charles "Hut" Waterfield, Murray, "I like all of them." Harry Dubia, Jr., Murray, "Always wanting to go some place." Green Berry Lillie, Louisville, "You can't trust women."

Do you think the boys are justified in saying what they did? Incidentally, what do you dislike in women?

Our Post Office

"Any mail for me, Glin?"

This question, and countless others, are answered hourly at the college post office by the genial Glin Jeffrey, who always has a word of cheer for the disconsolate, a friendly greeting for the stranger, and a happy grin for the old-timers.

Always on the job, affable, efficient, and courteous, Glin is as much a part of the campus as the very buildings themselves. The college post office is a distinct asset to the students and faculty of Murray State, and Glin is one of the best fellows in the world.

So, Glin, here's an orchid from the College News.

YOU CAN'T BRIDLE THE THOROUGHBREDS

The Thoroughbreds did it again! They topped Western's Toppers 43-37 here last Saturday in a history-making climax to one of the most colorful Murray-Western clashes.

Seven Thoroughbreds figured in the foray... and seven Thoroughbreds proved themselves worthy of the finest athletic title in America, none other than the name of a Thoroughbred itself. These seven flashes were Joe Fuls, who led the evening's parade with 17 points; Bob Salmons, who did one of the finest pieces of guarding seen this year; Hyland Grimmer, who always plays his steady game; Wild Ellison, who held the highly touted Sydnor down; Herbert Hurley, who came through with two baskets when we needed them most; Paul Johnson, who helped wear the Hilltoppers to a frazzle; and last but not least, Durward Culp, the red-haired flash from Sharpe, who provided the needed spark of victory at a time when the Thoroughbreds were down and out.

With eight minutes to go the Murray five trailed by eight points and were a thoroughly beaten team. But with the closing minutes came "Red" Culp and an example of the flashy basketball typical of the Thoroughbreds for nearly 20 years. In less than two minutes the score was tied; in less than four minutes the Thoroughbreds had tallied 12 times and had held Western scoreless; during the rest of the game they out-classed their arch rivals 14-2.

Yet some persist in saying that flashy offensive play is not good basketball. Perhaps it isn't... BUT IT WINS... and that's what the Thoroughbred fans like.

After all, the number of points that drop through that little round hoop called the "goal" determines the winner in a basketball game. And when we have players like "Peppery Pete" Culp; "Jumping Joe" Fuls; "Bouncing Bob" Salmons; "Bones" Grimmer; and all the other players of Murray State fixed into a formula for Thoroughbred VICTORY... I'm not particular what the orthodox rule book says.

STRANGER THAN FICTION... BUT TRUER THAN POETRY: One freshman who could not stand with poise before a speech class asked if he could take "PRIVATE lessons in PUBLIC speaking!"

HISTORY IN THE MAKING
The first bass fiddle recital in the history of Murray State College was played last Wednesday evening by Elmo Reed, Brewers. He is the first musician ever to major on the bass fiddle here.

THEN THERE'S THE OTHER FRESHMAN who found out that Daylight Saving Time went on officially at 2 a.m. He wanted to know if he had to sit up until 2 o'clock to set up his time-piece.

YE FACULTY FOOLERIES
One spark of latent genius imbedded solidly in the bosoms of the Murray State College faculty will be unleashed in a barrage of love and kisses in the fashion of the grand and glorious, gay and glamorous fashions of the "Good Old Days" tonight when the Murray pedagogues present their popular parade entitled "FACULTY FLIGHTS."

Before you moon does wane tonight;
I'll hold you in my arms;
I'll make you happy—and stuff and such,
In spite of your alarms.

Prevues were presented in chapel Wednesday—and from all indications "Ye Faculty" contains more qualities of Tyrone Gable, Clark Power, Hedy Lamour, Dorothy LaMarr, et al a la mode... than the average student might contemplate.

Former Student Reported Missing in Pacific Area

Earle Hall, former student at Murray State College from Dawson Springs, has been reported missing by the Navy department, according to an article in the Dawson Springs Progress.

Hall, an aviation mechanic with the Pacific fleet, is the son of Mr. and Mrs. Tom Hall, Dawson Springs, and attended Murray State College from January, 1937, to February, 1938.

He was transferred to the Aviation Corps at San Diego and was assigned to the U.S.S. Langley, on which he sailed to Pearl Harbor. In June of 1939 he sailed for the Philippine Islands where he had been stationed until war was declared.

Also in the order are books by Pearl Buck, Nordoff and Hall, Phyllis Bottomo, and Leslie Ford.

Students who have been calling for Marguerite Steen's popular *The Sun Is My Undoing* will be interested in knowing that it is also in this order of new books.

Early Bird Sees Drowsy Students

The students of Murray State accepted the newly established "War Time" Monday, February 9, with considerably less objection than may have been anticipated.

Students who attended the 8 o'clock classes Monday were a drowsy looking group as they looked through the classroom windows and watched the sunrise.

Tardiness and partially drowsed students were not infrequently seen by that much-written-about feathered friend, "the early bird".

George Forschman, former student from Lorain, Ohio, was a visitor on the campus last weekend. He said the campus looked much the same "except for a few new faces".

WILSON ISSUES PAJAMAS MADE BY RED CROSS FOR WORLD WAR I

Wardmaster James C. Wilson, Surgery Clinic of the Air Corps Technical School, Sheppard Field, Texas, has recently written a letter extending his greetings to the College News, of which he was a staff member while a student here.

Wilson, a native of Hazel, Ky., was sent to Texas from Camp Grant, Illinois, Medical Corps.

"Personally, I like my job," he wrote, "and am giving at least 12 hours each night of my time for we are at war."

An interesting feature, recently printed throughout the nation, occurred in Wilson's ward. Concerning this feature, Wilson wrote:

"I have a patient in my ward from Mississippi whose name is

William Dendy. I issued him a pair of pajamas which contained a letter that was written by a girl during the World War. A press writer came down and got a flash picture of Dendy on his bed."

The letter written by the girl follows:

Dear Soldier Boy in France:

As long as we are not privileged to go to the front to help lick the Kaiser, the next best thing that we can do is to work at the Red Cross, and here is where we are tonight.

We hope that you will enjoy these nice pajamas, and when you

TAMING OF SHREW IS PRESENTED BY SOCK AND BUSKIN

Miss Hood Plays
Kate; Wetherington
Acts as Petruchio

William Shakespeare's comedy, "The Taming of the Shrew", was presented in the auditorium of Murray State College on Thursday evening, February 5, by Sock and Buskin dramatic club.

Katharina, the Shrew, was played by Miss Martha Belle Hood, Murray, and Petruchio, the young suitor who subdued the ungovernable lady, was Bill Wetherington, Metropolis, Ill.

The antics of Grumio, Petruchio's servant, played by Kenny Keane, Asbury Park, N. J., provided much of the humor of this Sock and Buskin presentation.

Miss Helen Thornton, dramatics instructor at Murray State, was director of the play, and the student managers were Miss Ernestine Miller, Murray, and Miss Mildred Whitlow, Kevil.

Other members of the cast were: Tranio, played by Will Cannon, Kuttawa; Lucentio, played by Thomas Dodd, Eldorado, Ill.; Bianca, Josephine Crawford, Lynn Grove; Baptista, J. P. Tucker, Westport, Tenn.; Gremio, Charles Severs, Ocean Grove, N. J.; Hortensio, Henry Adams, Mayfield; Biondello, Guy Gardner, Murray; Curtis, Matilda Quirey, Clay.

Their Dreams Came True

... and America Re-arms

TO

Preserve Those Dreams

LINCOLN AND WASHINGTON... TWO GREAT MEN. And they had ONE GREAT IDEA. Back when Washington was still a tobacco planter he had an idea about democracy—but they said it couldn't work—"Outrageous", "Fantastic", they said. But 166 years after Washington's "Fantastic" idea was put into operation, it is still working... to the envy of the world.

Then came Abraham Lincoln... who preserved the union that Washington had started. He believed so firmly in government of the people, that not even a divided nation could break his faith. Today this democracy is not hard to appreciate. We know it is not just a few hazy words written on parchment paper. It is practical and useful.

And We Hereby Highly Resolve

"That these honored dead shall not have died in vain... that this government of the people... by the people and for the people, shall not perish from the earth."

Yes, Democracy works because the people want it to work—it works because there are men like Washington and Lincoln. America doesn't honor any Napoleons or Caesars who fought for conquest... America honors Washington Lincoln because they had an idea about freedom... and fought to keep it.

Although 24 fouls were called on the Breds, they played good ball and had a 29-23 advantage at the half.

Culp, Johnson, and Fulks led the Murray scoring attack, piling up 41 points between them. Culp was high for the night with 16.

The game marked the eleventh victory in 13 games for the Breds.

Murray Is Winner Over Morehead For 12th Victory

After whipping them the night before by the score of 56-43, the Murray Thoroughbreds, with Culp and Grimmer scoring field goals in the last minutes, defeated Morehead's Eagles at Morehead February 3 by the score of 44-40.

Starting like true Thoroughbreds, Murray led at the end of the first quarter 15-1, but at halftime the Eagles had narrowed the margin to 26-18.

With four minutes to go the score was tied 39-39. Grimmer threw in a field goal and Culp quickly tallied another and added a charity toss to cinch the game.

The lineups:

Culp Sparks Comeback; Fulks Provides Power

Victory Is 13th In 15 Games Played To Date

Trailing eight points with eight minutes to go, Murray State's Thoroughbreds were sparked to a 43-37 victory over Western's Toppers here Saturday night, February 7, by Meteoric "Red" Culp after Big "Hy" Grimmer and "Kuttawa Joe" Fulks had kept the Breds in the ball game for 32 minutes.

The victory was Murray's 13th in 15 games and it wiped out the 29-27 loss suffered at the hands of the Westerners on January 17 at Bowling Green.

Fulks gave Murray a 2-0 lead which was lost, recovered, and tied during the first half. Grimmer's 7 points, Fulks' 4, Salmons' 4, and Culp's 3 were not enough to equal Day's 10, Shelton's 6, McKinney's 4, and Sydnor's 1 in the first half which ended 21-18, Western.

In the second half, Diddle's boys drew away from the Breds on baskets by Ray, Sydnor, and Shelton. Fulks got 5 free throws and a field goal, but even with Salmons' crip and Grimmer's charity toss, the Hossees were way behind 27-35.

Things looked worse than Singapore. Then Culp, who had been out more than half of the game, was put into what seemed to be a lost cause.

Co-Captain "Sharpshooter" Culp grabbed the ball and hurled it like a hand grenade at the basket. It was good and 3300 fans roared their mad approval. Again he got the ball, slammed it at the hoop, was fouled in the attempt, and landed smack on top of his fouler. But the BASKET WAS GOOD. He hit the free-throw. Fulks snared a crip and made a gratis pitch and the score was tied, just two minutes after Culp got back into the game. Western got dizzy then as Hur-

ley and Fulks threw in two craps apiece, breaking away 15 feet from the befuddled Diddlemen. T. Downing managed to make one basket in the final minutes but it was a hopeless gesture lost in the roar of victory-thrilled crowd of Thoroughbred rooters. For about 10 minutes, the mighty scoring machine from the Maroon and Gray ramparts of the Hilltop had been frozen tighter than a lost German soldier in a Russian winter.

Fulks, with 17 points, was possibly the outstanding performer of both teams—on offense, defense, floorwork, rebound, and ball-hawking. Grimmer scored 7 points in the first half and played a whale of a ball game. Culp was the spark that set off the explosion. Salmons' pivot work was cool and efficient. Hurley's fast break and accurate crip shots proved his ability as one of the best subs in the game. Wid Ellison turned in a smart performance at guard, keeping his man constantly under cover.

For Western, Day's phenomenal long shots and Shelton's constant offensive threats were outstanding. Sydnor made only two field goals and a freethrow.

Mountjoy's Cagers Pile Up Biggest Score of Season

Winning their 14th game out of 16 starts, the Murray Thoroughbreds rolled over the Union Bulldogs by a score of 68-36 here, Tuesday, February 10.

The Thoroughbreds took an 8-0 lead early and were never headed throughout the game. Coach Rice Mountjoy employed every available man in the game. The varsity regulars were aided by freshmen West, Cavender, and Padgett.

The Murray attack was led by Culp, Grimmer, Fulks, and Salmons, while Union was led by Judy with 12 points.

The lineups:

Fulks and Culp Lead Breds To 53-38 Triumph Over Delta

Joe Fulks and Durward Culp scored 45 points here January 31 to lead Murray State to a 53-38 victory over the strong Delta Statesmen from Cleveland, Miss. The win was Murray's tenth in 12 games and it was the first SIAA loss for the Mississippians in 6 conference tilts.

The first half was nip-and-tuck, with the Breds barely ahead 21-20 at halftime, but down the stretch it was all Blue and Gold. Sophomore Fulks collected 26 points and turned in one of the best defensive, ball-hawking performances ever seen on the Murray court. "Red" Culp had a little difficulty at first on field goals, but he hit 7 free throws without a miss and finished strong with 6 baskets from the field for good measure.

Bullard, Delta forward, kept the Statesmen in the ball game with beautiful shots from 'way out in the floor. Gilliam, visiting center, also played a good offensive game with 12 chalkups.

Coach Dickson's Statesmen had played three straight games on successive nights and they showed signs of being slightly travel-weary. Among their defeated opponents this year are Ole Miss, Union University, Middle Tennessee, Memphis State, and Mississippi College. Evansville, Southern Illinois, and Southeast Missouri had licked them by small margins.

Fulks got away with a beautiful side shot, but Kilcullen tied it 2-2 with a crip. Kuttawa Joe got two more and Bullard looped in a long one, followed by Gilliam's one-hander to tie it again 6-6.

the Mountjoy cause in the second frame, and the rest of the scoring was done by the Culp-Fulks duo. Bob Salmons' floorwork and pivot playing were top-notch in every respect, while Wid Ellison was in the thick of the ball-hawking activities.

Coach Mountjoy used three Frosh for a few minutes in the last half: Padgett, Cavender, and West, all of whom played good ball.

Moore's Men O' War Box Florida U. to 4-4 Draw

Murray Remains Undeclared in 3d Year of Boxing

By punching out a 4-4 draw with the University of Florida at Gainesville January 31, Coach Moore's boxers upheld Murray State's record of never having lost a match in the history of varsity boxing here. Through an error in announcing results, the Associated Press from Florida at first announced that Murray lost 3½-4½, but a recheck showed that Steve Levandoski had won his bout over Frank Conlon of Florida instead of gaining a draw. In a subsequent correction, the AP writer from Florida announced the official results as a 4-4 draw.

The Gainesville match was the first intercollegiate boxing affair for Murray in over a year, boxing having been suspended last season here.

Fiser, Levandoski, and Nicholas won their bouts for Murray, while Dick Roberts and Leo Hutt got draws. Washam, Drerup, and Lilly lost by decisions.

The corrected summary: 120 pounds—Al Young (F) won by decision from James Washam (M); 127 pounds—Neil Goss (F) and Dick Roberts (M) fought to a draw; 135 pounds—Johnny Joca (F) won by decision from Jack Drerup (M); 145 pounds—Buddy Thompson (F) won by decision from Green Lilly (M); 155 pounds—Jim Taylor (F) and Leo Hutt (M) fought to a draw; 165 pounds—Bob Fiser (M) won by decision from Bob Crommel (F); 175 pounds—Steve Levandoski (M) won by decision from Frank Conlon (F); Heavyweight—Mike Nicholas (M) defeated Warren Trotter (F) by decision.

Luedeman Transfers To Wisconsin U.

Harold Luedeman, sophomore from Gillette, Wis., transferred his studies to Wisconsin University at the conclusion of the fall semester.

At Murray, he was a member of the freshman football and basketball squads and of the varsity football team. He was also an outstanding baseball prospect and pole-vaulter.

At Wisconsin, Luedeman plans to work toward the engineering degree.

Intramural Cagers Start Tournament At Murray State

Under the supervision of Athletic Director Roy Stewart, intramural basketball is now under way at Murray State College.

Entered in the tournament are eight teams captained by Ray Moore, Cliff White, Walter Martin, Jim Tucker, Jack Thompson, William Smith, and Jim Lawrence. Each team will play the other in a schedule that will end February 27.

The present leader in intramural sports is Perkins Marquess. James Stewart, formerly co-leader with Marquess, left school at the end of the first semester.

Murray High, Calvert City Win For Purchase Over Pennyrile

Hartford, Graham Lose in Classic Here February 2

The Murray High Tigers and Calvert City's Wildcats swept the Purchase - Pennyrile basketball classic with wins over Hartford and Graham of the Pennyrile here Monday night, February 2, in the Carr Health Building to give the Purchase five championships in seven years of Purchase-Pennyrile clashes.

The International Relations Club of Murray State College, sponsors of the games, duplicated last year's meeting by having two main games instead of a feature attraction and a preliminary. Last year the Purchase also won both games.

Hartford bowed to Murray High in the first game, which started at 7:30, by a score of 29-24, and the Calvert City boys rolled over Graham 40-26 in the second encounter of the evening.

In the first game the outcome was undecided up to the last minute of play as both teams played fast aggressive ball all the way. Captain Veale of Murray led the scoring with 11 points, while Oldham, captain of the Hartford squad, was second with 9 points.

Murray High capitalized on their free pitches, scoring 11 out of 12. Hartford got four points through foul shots out of nine chances. Captain Oldham and Round were removed from the game for Hartford via the foul route, while

Murray High lost no men in this manner.

Murray led at the end of the first quarter 5-3, and at the half 15-9. Hartford moved up at the end of the third quarter to trail by only four points, 18-22, but Murray pulled away to win 29-24.

Starting lineups were:

Murray	Pos.	Hartford
Veale 11	F	Round 3
Saunders 7	F	Daniel 8
Waggoner 4	C	Oldham 9
Alton 2	G	Potts
Buchanan 5	G	Taylor 2

Substitutions: Murray—Lovett, Hartford—Baird, Whitehouse, Morris 2; Canary.

Led by Thomas Davis' scoring, the Calvert City Wildcats scratched out a 40-26 victory over Graham High School in the second frame of the meet. Davis was responsible for 20 of Calvert City's markers.

This game saw two fast teams playing at top speed throughout most of the battle, with the ball changing hands repeatedly through expert ball-hawking by both squads. Graham had no substitutes in this game, and Devine of Calvert was the only non-starter who entered. This was Calvert City's eighth game in nine days.

Six fouls were sunk by both teams out of seven attempts each. There were no players fouled out in this game, although Little and Bryson of Calvert City and Wilkins of Graham each had three at the close of the game.

Calvert City held an 8-7 margin at the end of the first period, and were ahead 12-7 at the half. The

score at the third quarter was Calvert City 26, Graham 21, and 40-26 in favor of the Marshall Countians at the end of the game.

Starting lineups:

Calvert City	Pos.	Graham
Capps 5	F	Tarrants 5
Little 11	F	Briles 2
Bryson 2	C	Gillaspie 11
Harris 2	G	Wilkins 5
Davis 20	G	Gossett 3

Substitutions: Calvert City, Devine.

Officials: Clift and Carroll.

Dr. James H. Richmond, president of Murray State, awarded trophies to Captain Veale of Murray and Captain Little of Calvert City at the completion of the seventh annual Purchase-Pennyrile classic.

MURRAY

KENTUCKY

MURRAY TO ATTEND NATIONAL TOURNEY AT KANSAS CITY, MO., MARCH 9-14

Carlisle Cutchin Is District Chairman For Cage Group

"Murray State is going to the National Tournament at Kansas City," said Carlisle Cutchin, chairman of the district number 24 which includes Kentucky and Tennessee. There are 32 such districts in the United States and each district will send two representatives to the National tournament, March 9-14, at Kansas City.

This year will be the third time in the past four years that Murray has gone to the "National Tournament" at Kansas City. In 1938 Murray took a great team to Kansas City and succeeded in winning third place. They were beaten 35-29 in the semi-finals by Roanoke College of Virginia.

In 1939 Murray was eliminated in the second game by Manchester College of Ohio, 42-40. This defeat came after Murray had won from Jordan College 43-37. Two of the players on Jordan's team later made themselves very well known to Murray students. They were Carl Steffin and Bob Salmons.

In 1941 the Murray basketball team gave the greatest gift a team could give its coach as a present for his final season. After one of the most successful seasons in Murray basketball history, which included winning the KIAAC and being runner-up in the SIAA, the team climaxed its season by winning second place in the National tournament.

A great climax for a great coach, Carlisle Cutchin.

Oregon College of Education, Monmouth, Ore., was the thoroughbred first victim and then the Alma College boys fell by a lopsided score, 51-33.

The North Missouri State Teachers of Maryville, Mo., threw a scare into the Murray boys before bowing in the quarter finals, 44-43. Maryville was behind 29-16 when the teams went to their dressing rooms but came back strong the second half, managing to tie the score at 41-41 when there were still four minutes of playing time remaining. At this juncture, Hyland Grimmer, a substitute on the Murray team, connected with two baskets to wrap the game up for Murray.

The Thoroughbreds were pitted against Santa Barbara in the semi-finals. Santa Barbara was the "dark horse" of the tourney. Murray made a good start, was out in front at the half, lost the lead midway in the last half, and then came from behind to win 35 to 33 in a game high-spotted with the

DORM DOINGS

By WALTER MARTIN

The new semester is well under way now, and most of the boys in the dorm have their schedule adjusted and are studying regularly (for awhile).

Several boys moved in and out during the beginning of the new term. Among those who left the dorm were Harold Luedeman, Tommy Howard, Jack Haines, Tom Johnson, Jim Stewart, Chester Weatherford, Fred Chumler, and Lizzie Bashinski.

Several others moved in to fill the vacancies left by these boys. "Sleeping John" Culp has decided to resort to more midnight oil this semester as he has a heavy schedule.

The checker games have subsided, somewhat, and almost everyone goes down to the recreation room and plays a fast game of ping pong or pool. Busch Hendrickson and Lester West seem to be the major contenders for "next" at pool.

Some fellow in the dorm does a lot of yelling at "Snake Eye" out of a window . . . wonder who? could be?

A lot of the boys slept through breakfast last Monday when the time was changed. You can't blame them for being afraid of the dark. Some even changed 8 o'clock classes so they wouldn't have to get up so early.

Ken Keane's suite still seems to be the most popular one in the dorm. According to all reports, "A's" room is not so bad, either.

This has been a feeble effort at pinch-hitting once, until some fellow taking journalism 108 can take over. Here's luck to you, whoever you are. Get in on time or your class periods may be very uncomfortable for you.

Miss Patricia Byrd, graduate of Murray State College, who has been teaching at Cobb High School in Caldwell County, has resigned to accept a position as physical education teacher at Logan, W. Va.

brilliant play of two great basketballers, Leslie McKeel, and Santa Barbara's Tommy Guerrero.

Murray Versus San Diego
No more thrilling finish to a year of great basketball could be asked for than the Kentucky State-San Diego State contest. The Californians piled up a substantial lead early only to see it melt away after the half.

Four minutes of playing time remained and it was anybody's ball game as the score was 38-38. San Diego made a crisp shot and a minute later made a foul and the three point lead appeared safe enough.

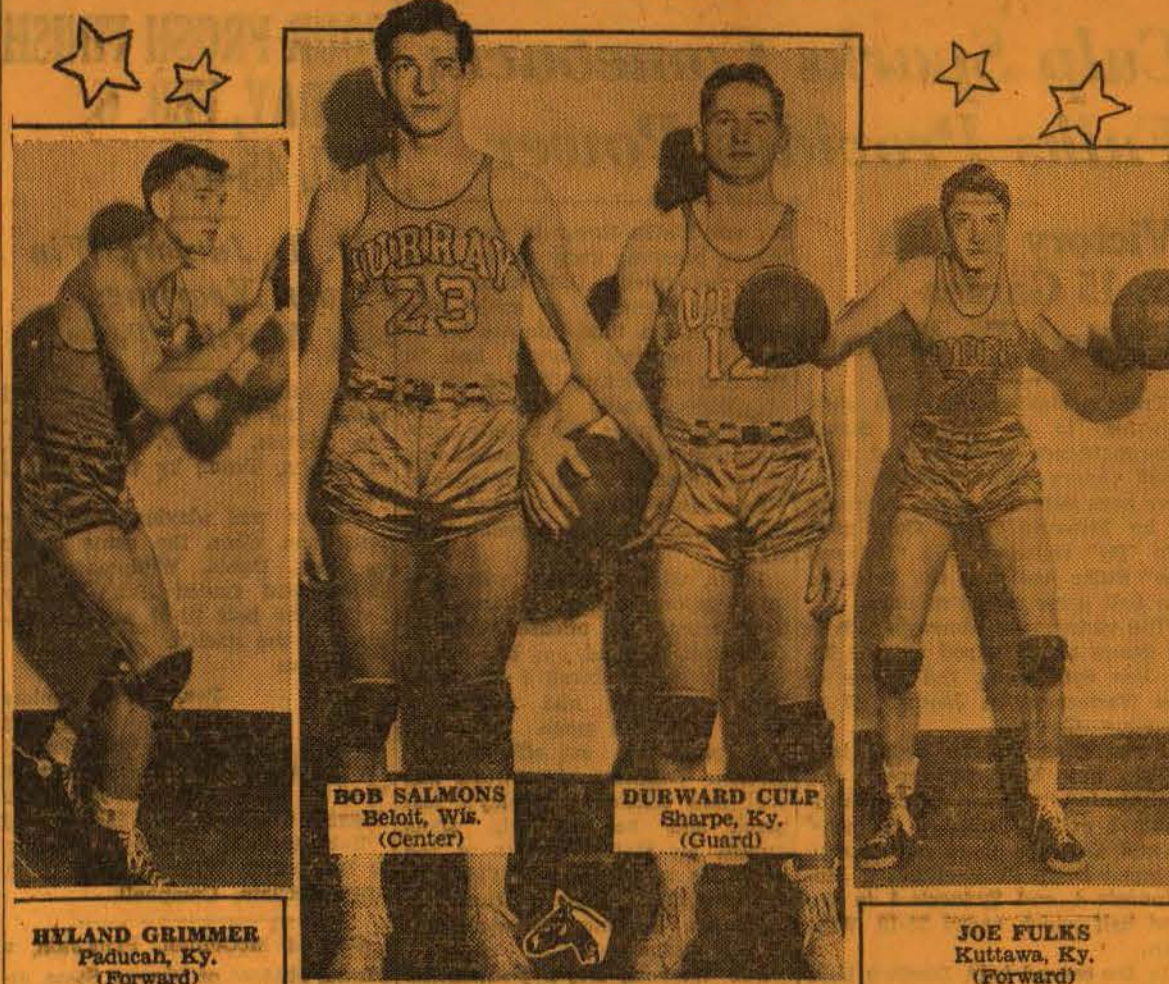

But not to the Thoroughbreds—All-American Bob Salmons sank a wheel shot to make the score 30-31 in favor of San Diego. San Diego retaliated by making a foul shot and then two field goals putting Murray six points behind. The Thoroughbreds refused to admit defeat, however, and Grimmer, with only 30 seconds to go, sank a long shot. San Diego took the ball and Culp immediately took it away from them to sink a one handed flip as the gun ended the game. Murray lost 36-34 after fighting every step of the way.

Murray is sending another great team, under the supervision of the new coach, Rice Mountjoy, to the National tournament this year. Coach Mountjoy's team is a high scoring "outfit" that has a scoring threat in every man.

Coach Mountjoy will probably take 10 of the following boys to the National tournament at Kansas City: Bob Salmons, Durward Culp, Hyland Grimmer, Wild Ellison, Joe Fuiks, Paul Johnson, Herbert Hurley, Joe Little, John Padgett, Lester West, and Cliff Cavender.

"Murray's 'Hosses' Have Few Losses"

MURRAY, KY.—By virtue of being finalists in the National Intercollegiate Basketball Tournament at Kansas City in 1941, the Murray State Thoroughbreds are automatically invited to compete there again this year, March 9-14, 1942.

Murray is again near the top in the SIAA, the South's oldest athletic conference. The Racehorses, defending champs of the Kentucky Intercollegiate Athletic Conference, are tall, rangy, fast, and accurate. Their coach is J. Rice Mountjoy, formerly of Danville, Ky.

Relations Club Will Sponsor National Extempore Contest

Murray State College, with the International Relations Club sponsoring the event, will be host to the Western Kentucky and Tennessee division of the National Extempore Discussion Contest on March 9. Prof. A. C. LaFollette, head of the speech department at Murray, has announced.

The colleges that will compete include University of Louisville, Western Kentucky Teachers College, Middle Tennessee Teachers, Vanderbilt, Peabody College, Memphis State College, Union University, Southwestern University and others.

Tournaments are held in these speaking contests in district meets, regional meets, and finally, one student from each region goes to Washington, D. C., to compete there. Each student who goes to Washington gets an expense-free tour of South America or a lump sum of that equivalent.

"Any undergraduate student is eligible for competition," stated Mr. LaFollette, "and all those who wish to enter from Murray should see me."

This contest, conceived by Nelson Rockefeller following a goodwill tour of South America, will be participated in by American colleges and universities to obtain the following objectives:

1. To promote inter-American friendship and cooperation.
2. To stimulate nation-wide study of inter-American affairs.
3. To inform the general public concerning relations in this area.
4. To formulate solutions for existing problems.
5. To implement the good neighbor policy.

Some possible subjects for the speeches are: "Inter-American Trade at the Cross-roads," "The Americas Marshall Their Resources," "Tomorrow's House of Many Mansions," "Re-discovery of America by the Americans."

Jitterbugs

Two unknown jitterbugs furnished some impromptu entertainment at the Hut Tuesday night after the Union ball game.

The actions of the man, a corporal in the Army, and his partner were so interesting that all the other couples stopped to watch.

Tech, Memphis, and Delta Remain on Murray's Card

The Murray State Thoroughbreds, with 15 wins and 2 losses, will go on the road for their final regular season basketball games.

Murray plays Tennessee Tech at Cookeville on February 14. This game should be a thriller, because Murray won over Tennessee in the game played here by only three points, with a score of 35-32.

Since the Techsters played Murray, they have defeated Murray's arch rival, Western, by a comfortable 10-point margin.

On February 20, Murray travels to Memphis to play Memphis State. In their previous meeting at Murray on January 20, Murray won by a score of 46-31. It was Murray's game all the way, and the Thoroughbreds should have little trouble with the Memphis team.

For the Hosses' last regular season game, Murray journeys to Cleveland, Miss., to play Delta State. On January 31, the Mount-joy-men trampled Delta 53-38. In that game Joe Fuiks scored 26 points while "Red" Culp made 19 points.

Delta always has a good basketball team and if the Murraymen have any trouble in their three final games, it will probably be against them since the Mississippians may be stronger on their home court.

JOHNSON JOINS SHELTON'S BAND

Director Says New Member of Group "Suits Our Style"

Maurice Johnson, sophomore from Christopher, Ill., is the newest addition to Billy Shelton's Orchestra. He played with the band in the summer of 1940 when they were on location at "El Patio" in Daytona Beach, Fla.

When asked about the reason for adding a new man to the unit, Shelton replied, "For a long time we've wanted four saxes. Now, with Johnson we have a solid section. Johnson fits in well with the band and suits our style perfectly."

Maurice own words about Murray were, "Murray's keen!" And then, unable to find the other words, he added, "It's knocked out!"

The band's recent engagements include the "Miami Triad" in Nashville Friday, December 13; "Rio Vista" in Owensboro Saturday, February 14, for a Valentine Day Dance; a school dance here, Friday, February 20; and "Mac & Mac's" in Paducah on Saturday, February 21.

Book Campaign Is Receiving Support

"We are receiving good support in our campaign for books for the soldiers, sailors, and marines but we urge more people to contribute to this worthy cause," said Mrs. C. S. Lowry in an interview with the College News concerning the Victory Book Campaign.

This organization is sponsored by the American Library Association, American Red Cross, and United Service Organization. The object is to collect books for the army, navy, and marine corps. The program was started January 12 and will continue through March.

Either fiction or non-fiction books will be accepted. The books most wanted are books on law, medicine, engineering, and technical books published since 1935.

Mrs. C. S. Lowry is the county director of this program. Harold Van Winkle of the Ledger and Times is chairman of publicity. Mrs. H. I. Sled and Mrs. Nina McGivaren are on this committee. Mrs. C. J. McDevitt is chairman of collection and distribution. Mrs. J. W. Carr and Mrs. B. F. Scherffus are members of this committee. Prof. E. L. Brown of the college library, is chairman of sorting and repair. Miss Etta Beale Grant is a member of this committee.

FROSH LOSE TO WESTERN 50-29

Padgett Is Reserved For Varsity Squad Saturday, February 7

With Padgett, Murray Freshman star, on reserve for the varsity game in the evening, the Yearlings experienced their second defeat by the Western Frosh this season Saturday afternoon, February 7, 1942, with a score of 50-29.

The Murray team was following close behind at the half when the score was 21-17, but seemed to lose out gradually in the second period.

Cavender and Williamson led the scoring for the Yearlings with 9 and 7 points, respectively, while Harter led the Hilltoppers with 13 points. Higgins and West played good defensive ball.

McKinney, the Western star, played part of the game, but, like Padgett, was on reserve for the varsity tilt.

Murray was successful in 9 out of 13 foul shots; while the Hilltoppers made 5 out of a possible 9.

Perdue Pays Tribute to Wid

By "CRICKET" PERDUE
Murray State is "sporting" a very good basketball team this year, in fact, one of the best teams they have ever had. The first team, or the ones that start each game, are Salmons, Fuiks, Culp, Grimmer and Ellison. The first four are heard of often as "the big four" of Murray State. This no doubt is true, as they are the main scoring threats on the team, but what about Ellison? Wid, although not a flashy, high-scoring ball player, is one of the best defensive players in these parts. If one looks at the records, he will find that the Corbin lad has played a wonderful defensive game in every contest.

Wid was just another substitute when the season began; then he was used as a "filler" when Jack Haines left school. But now, in my opinion, he is a permanent fixture on the Thoroughbred five.

Ellison is a fighting ball player. He still has enough of that old want-to-win spirit to fight every minute that he is in the game.

The fourth grade, sponsored by Miss Mattie Lou Trousdale, critic teacher, and several practice teachers, presented a program on the desert people of Arabia in chapel Monday, February 9. The students, dressed in Arabian folk costumes, described the desert people by songs, talks, and pantomime. The outstanding feature of the scenery was a large tent that the children had made in their school room. The announcer was Gene Paul Daniels. Jean Corn was the narrator in the pantomime. Other fourth graders speaking on the program were: Will Ed Bailey, Ann Shroat, Norma Jean Farris, Max Moore, Jack Mayfield, Verona Smith, and June Hart.

The Alumni furnished special decorations and favors for both the Homecoming football game and the game played at Western. This year's committee was selected to prepare a page

Coach Benna Tells Of Ag Policies at Purdue University

Boxing Coach Joe Benna of Purdue University said, during his visit on the Murray campus, that as a public service, the college of agriculture at Purdue is featuring during the winter a short term agriculture course for certain groups of farm boys in that area.

Special arrangements are made, he explained, wherein enrollees study agriculture and closely related subjects exclusively and semester hours acquired in this manner count just as much as if earned during the regular semesters.

In the Shield, which will give items of history and aid the seniors this year in their project of editing the book.

A special effort is being made to keep in touch with every graduate of Murray State who is serving our country. The office is keeping a record of such men and is attempting to see that their addresses are printed in the College News and that the College News is sent to them.

There have been some of our graduates who have fallen ill and are unable to hospitalize themselves. The Alumni Association wants to give to this cause. As the school grows, and the graduates increase in number, the activities of the Alumni Association increase. Therefore it is necessary for the funds to increase to meet these demands. At the present time only 321 graduates have paid this year's dues.

ATTENTION MURRAY GRADUATES

Some high school senior will be given a scholarship of \$100.00 to be used in Murray State College at the annual alumni banquet this June, according to decision made by the executive board of that Association in a meeting held at Collegiate Inn February 7. Two such scholarships will be given provided graduates pay enough dues to provide the amount needed. This is open to any school in the First District of Kentucky and to any school that is employing Murray State College graduates. The entry blanks for application will be in the College News soon. The teachers should be spotting their best students and have them ready to apply for this award. Mr. Mark Mitchell, Union City, Tenn., received the prize last year and is in school now, and according to reports, he is making an excellent record in his work.

By JESS HAHN

Like that much talked of penny, a partly digested dinner or a most embarrassing moment, this script teases keeps coming to light. There can be no apology for what follows as the paper is already three galleys over.

Sotto Voice or aside to the audience, whichever you prefer—(The opinions expressed in this column are not to be construed as the opinions of the author and in no way is he to be held responsible for what appears) I guess that puts it in Mr. Horton's lap.

Apropos of the newest in mechanical wizardry is the invention of a mole trap. Made of a two-way stretch type of burlap cloth, this snare has a collapsible top with no-draft ventilation—a special gift of the Fisher company. The lure is manufactured from ground dirt, a portion of which is scraped off the soles of hard working farmer lads. What will they think of next?

Last Saturday night about 9:30 or thereabouts I witnessed something which multiplied my red corpuscle count and brought on a warm glow. To a lot of guys it was just another basketball game with a thrilling kick finish. To me, there was enough drama in that contest for a gross of Orson Welles's. For 30 minutes a group of gold-clad basketballers had been matching efforts with a similar gathering garbed in red. Results, 8 markers on the debit side of the ledger.

You know the story—with about 9 minutes remaining, Mentor Mountjoy struck a Sharpe-made match and the Murray boys caught fire. That conflagration spread from the floor right into the hearts of the spectators. Some of the 'Breds hadn't been hitting the hoop all evening; they were tight, strung—obviously trying too hard. Then came the last quarter pay-off. Something dormant rose to the surface; call it guts, fight, team spirit, or what you will, that in-

DODD ELECTED KIPA PI CHIEF

Miss Breckenridge Named Vice-President; Secretary-Treasurer, Miss Robertson

Tommy Dodd, senior at Murray State College from Eldorado, Ill., was elected president of Kipa Pi, Journalism club here, on Friday morning, February 6.

Miss Clara Mae Breckenridge, Mayfield, was named vice-president, and Miss Martha Robertson, Murray, was chosen secretary-treasurer.

These officers were elected for the spring semester at Murray State College, which opened February 2.

Kipa Pi is open to all students interested in journalism at Murray College. Dodd succeeds Austin Adkinson to the club presidency.

Unfamiliar something brought victory. Yeah, it was swell to win that one, but the way it was won is what counted. That's one to put away in headlines in a very special book of memories. It makes a guy feel pretty good to be a part however small, of those ten glorious minutes last Saturday night.

MICROSCOPIC MUTTERINGS: By way of innovation is the inception of (guess what) "The Chamber Music Society of Upper Olive Boulevard." Formulated for the express purpose of evincing appreciation of modern musical art, these fanatics (Ganas, Scrapy, and the legion of others) can be found almost any afternoon holding forth in the salon owned and operated by Messrs. and Madame Hughes. Learnedly debating the respective merits of G. Miller, T. Dorsey, Artie Shaw, these musical savants display information which is indicative of years of research. Dean Nash says there ought to be a carryover into the classroom.

Well, I guess I'll put up my hair and call it a night. As we used to say to EDD KELLOW, see you around.

DRIVE TO BE MADE IN CALLOWAY COUNTY FOR FUNDS FOR BOY SCOUTS

The annual Boy Scout campaign in Calloway County to raise funds for Scouting will start February 17 and will close February 23. The Calloway County scouts are a part of the Happy Valley District, which includes Calloway, Marshall, and Livingston counties, and the money they raise will go into this district's fund.

The oldest scout troop in Calloway County is Troop 45 of Murray. Ralph Wear is scoutmaster of these 35 boys, and Everett Jones is assistant scoutmaster. This year a colored troop has been started in Murray, sponsored by Douglas

High School, and other Boy Scout groups have been inaugurated at Hazel and at Lynn Grove.

Prof. Carman Graham, principal of the Murray Training School, is chairman of the Happy Valley District, and Mr. M. O. Wrather is campaign chairman for the Scout drive.

Chairman of the campus committee for this drive is Dr. M. G. Carman.

That the Scouts are a vital and useful part of this community and county is evinced by their participation in civic and national activities in addition to their individual character-building and training of their members. They have helped in collecting aluminum for the government in its defense program and also helped the Junior Red Cross in gathering paper for the same purpose.

The Scouts also work in filling and distributing baskets for needy families here and annually assist in putting on the free motion picture sponsored for children at the Varsity Theatre.

Mr. Max Hurt, chairman of the Civil Defense Unit here, has stated that the Scouts have a definite place in the well-being of Murray and Calloway County through their work. The Murray Young Business Men's Club is also backing the Scouts in this drive.

Miss Fehrer Addresses AAUW on "Fellowships" in February Meet

MURRAY STUDENTS TO "KEEP 'EM FLYING"

Four Murray students, Charles Severs, Ocean Grove, N. J.; Shirley Mills, Gordo, Ala.; Rob Gingles, Kirksey; and Wallace Stegal, Tiline, have transferred to Austin-Peay Normal School, Clarksville, Tenn., in order to take secondary flight training which is not offered at Murray State College.

These boys, with six others, were chosen out of 25 applicants from Murray State and Austin-Peay Colleges.

Miss Catherine Fehrer, French and Spanish instructor, spoke at the meeting of the American Association of University Women, Tuesday, February 10, at 7:30, on the subject "AAUW Fellowships."

The AAUW is the only body which gives scholarships to women in graduate work abroad or in some original research in this country, according to Dr. Ella Wehling, dean of women. In Paris, France, the scholars stay at Reid Hall and are also known as Reid Hall Scholars.

Each year the AAUW gives from 10 to 15 scholarships and Miss Fehrer is the only person in Kentucky who has received an AAUW scholarship. Dr. Wehling also stated.

A Query

Murray State College is a modern institution; a modern institution functions progressively—what contribution does the Student Organization make to this forward march?

This is no indictment, no denouncement, but a sincere effort on the part of an uninformed group of representatives students to ascertain just what transpires at a Student Organization meeting.

In view of the above statements we have listed a few of the paramount questions which remain an enigma to the general student body:

1. Does the Student Organization have a complete set of minutes?
2. Are they available to the student body?
3. Is there ever any attempt on the part of the Student Organization to determine student opinion before making a decision?
4. May members of the student body sit in on a Student Organization meeting?

To recapitulate: We elect the Student Organization, and from that point on we are in the dark as to most of their actions.

(This is not the opinion of an isolated few, but the cumulative queries of an appreciable group whom we feel we represent).
