CAPITOL COMMENTS

By David M. Peter

The Democrats and Republicans are
probably just about even in the elec-
tions. Both parties have been working
hard, but the lack of enthusiasm has
made their efforts relatively unimpor-
tant. However, the real test will be
in the state legislature, where the
Democrats are likely to retain their
majority.

In other news, Governor Brown has
announced that he will be sending a
special message to the legislature on
the state budget. The Governor is
expected to propose several reforms
to cut costs and improve state service.

It is also being reported that the
National Guard has been called out to
aid in the flood relief efforts in the
south. The Guard has been working
closely with local authorities to
provide assistance to those affected
by the flooding.
