MINISTERIAL ASSN. MET WEDNESDAY

The regular monthly meeting of the Fulton Ministerial Association in the ministerial study of the Zion church was opened Monday evening by Elder G. H. Johnson, who read the minutes of the last meeting. Elder W. R. Olds was elected chairman and Elder B. C. Cole, secretary.

Central week of the winter season was observed in the mourning of Rev. J. W. Johnson, pastor of the Church of God, who passed away in Chicago during his fall vacation. His long illness was due to pneumonia, and he was more than a month in the hospital. After the services of the week, Rev. R. H. Price, of Paducah, who was called to the evening prayer service, was called to the pulpit for the evening service. Elder Price has been a valuable asset to the ministerial association for many years, and his absence will be deeply felt. The services were concluded by Elder T. H. Foster, who gave a very fine address on the subject of "The Church of God." He showed the importance of the church in the world and the need for its growth and development. JACKIE JONES DIES:

Jackie Jones, a prominent member of the local ministerial association, died suddenly in his home on Monday morning. He had been in poor health for some time and had been confined to his bed for several weeks. He was a valued member of the association and will be greatly missed. The services were conducted by Elder R. H. Price, who gave a very fine address on the subject of "The Church of God." LEAP YEAR SEASON

The Fulton County News is pleased to announce that the leap year season is now upon us. This year, 2016, is a leap year, which means that February 29th will be observed. The leap year season is celebrated with special events and festivities, including the making of special meals, the giving of special gifts, and the making of special resolutions. The leap year season is a time of renewal and rejuvenation, a time to take stock of the year just past and to begin the year just ahead with renewed vigor and purpose.

Nobody’s Fault

The Driver Couldn’t Help it—It’s Often True

Nobody could have done any more to make a truck and trailer ride than the driver of this truck did. He was a good driver and the truck was a good one. It’s easy to understand, too, why the driver failed to keep the trailer under control.
