Title: The Guarantee of CHRISTIAN LIVING

BLACK CARRIERS-Treatment—

When Jesus was about 24 years old, the Master said to his disciples: "Lo, in 30 days I will be betrayed into the hand of sinners; and they will thrust me on a mock trial and scourge and crucify me; and the third day rise again." (Matthew 26:31, 40-42.) How strange they were to realize that the very person they were supporting was about to meet death in that manner.

For yes and no always two great and mighty forces, in a man or a nation, that are at war. One force may be in the ascendant, and the other in the ascendant at another time. The real man is the man who can tell the truth and stand up for it. He is the man who will be true to his convictions, whatever they may be. The man who can stand alone is the man who will stand by God, and with his heart and soul, and strength, and wealth, and life, and everything he possesses, and say that he will not yield to the forces that are working to destroy religion and virtue and true principles—true principles in politics and true principles in religion.
