## Pennsalt To Expand At Calvert

Pennsylvania Salt Manufacturing Co. is going to add a large organic flourine plant to its works at Calvert City. The announcement was made this week by Pennsalt President William P. Drake.

Construction is scheduled to begin at once and full scale operations are expected to begin in 1956, Mr. Drake said.

Mr. Drake's announcement did not mention the number of workers to be employed in the construction of the new project. The new plant's initial products will serve the growing refrigerator and aerosol-propellant fields. Future products from this plant and related facilities at the same location are expected to find uses in new and improved plastics, lubricants, metal fluxes, anesthetics, ceramics, agricultural chemicals and new applications in the growing field of atomic energy.

Pennsalt has been prominently identified with fluorine chemistry since 1931 when it became the first commercial producer of anhydrous hydrofluoric acid.

In anticipation of larger demands for fluorine-containing chemicals, Pennsalt subsequently developed extensive fluorine deposits in Western Kentucky and in 1946 built another hydrofluoric acid plant at nearby Calvert City. Four years later a chlor-caustic unit was installed at the same location.

These facilities will combine to place the new chlorofluorochemicals unit in a highly favorable raw materials position.

The Wesleyan Service Guild of the First Methodist Church of Benton is sponsoring a study course on Nov. 7 and 8 at 7:30 p.m. at the church.

The meeting is open to the public. The subject to be studied is an introduction to five spiritual classics which are:

The Concessions of St. Augustine by St. Augustine; The Imitation of Christ by Thomas Kempis; Brother Lawrence's: His Letters and Conversations on the Practice of the Presence of God by Brother Lawrence; A Serious Call to a Devout and Holy Life by William Law; A Testament of Devotion by Thomas R. Kelley.

Mrs. Joe Darnall and Mrs. W. G. Dappert will discuss the first two books on the first night; Mrs. Bob T. Long will discuss the third and fourth books on the second night and Mrs. Bill Watts will discuss the last book on the same night.

Free Coffee Ready For Turkey Shoot; Windbreak, Too

The Benton Lions Club voted Tuesday night to provide a windbreak and free coffee for all marksmen who participate in the club's turkey shoot.

The turkey shoot will be held this Friday and Saturday at the City Park in Benton. Shooting will start at 2 p.m. Friday and will be held all of Saturday.

This is a fine opportunity to get that Thanksgiving dinner turkey. All marksmen are invited to participate.

sons' Grand Master Visit Here Dec. 10

The communities of Benton and Marshall County are planning a program of work for the coming year. The program is divided into six phases. The first phase is to visit the Grand Master here on Dec. 10.

## Luxury and Performance Combined in New Buick Special

Big car luxury and performance are combined in Buick's medium priced four-door hardtop sedan in the Special series. Powered by a 322 cubic inch, 220 horsepower engine, the Special boasts one of the biggest power plants of any car in its class. All the beauty of Buick's distinctive styling, including the new front end, full rear wheel cutouts and luxurious interiors are featured on the Special series. Dynaflo, power steering, power brakes and dual exhausts are optional on the Special.

## 1956 Buick to Go On Display Here Friday

The 1956 Buicks will be on display this Friday and Saturday, Nov. 4 and 5, at the Lampkins Buick Co., 1207 Main Street, Benton.

Graves Lampkins, owner invites the folks of Marshall County to see the "Best Buick Yet."

The 1956 Buicks offer a new "sweep ahead" styling that is a continuation of the "advanced design" trend of the past two years. Expressing this styling in its fullest are the new 4-door hardtops being produced for the first time in all four Buick series.

The new Buick Special has the sensational new double-actuator variable pitch dynaflo as optional equipment. This new takeoff action, combined with the 322 cubic inch V-8 engine puts the Special in the high-performance class.

The Roadmasters, Supers and Centurys also have received new treatment inside and out from the Buick engineers and stylists.

Q. T. English and Wife Observe Their 50th Anniversary

Mr. and Mrs. O. T. English quietly observed their golden wedding anniversary Tuesday, Nov. 1, at their home on Benton Route 1.

The couple's children and grandchildren gathered at the English home in the evening with gifts and food for a bountiful dinner.

Mr. and Mrs. English are natives of Marshall County and have lived in their present home for more than 45 years.

Their many friends wish for them many more years of happiness together.

Funds obtained from the ticket sale will be used to pay for bleacher plank on the north side of the gym. Due to lack of funds, contract for the new gym did not include the seats.

Persons buying the new tickets will not only have reserved seats for 16 games but also will be doing a good deed for the school and the community.

## Chandler and Barkley to be Here Saturday Afternoon

### Court Will End Session Monday

Marshall Circuit Court will adjourn its October term after sessions next Monday, Nov. 7. Motions and actions on probations are scheduled for Saturday.

Civil cases have occupied the court this week. The damage suit of Mr. Loma Jean Borders versus Mrs. Anna Thompson went to trial Tuesday but the case was continued because of the death of Sam Cole, father of a juror, Mrs. Lex Lents.

Mrs. Borders filed suit after the injury of her 9-year-old son in a traffic accident. The damage suit of Guy York versus Guy Lewis Burd also was continued because of a confusion in names. Mr. Burd also has a minor son named Guy Lewis Burd.

On Wednesday, the case of Louie Lee Groves versus W. J. Myre was tried and the jury gave a verdict "for neither side." The suit resulted from an automobile collision.

Truman Wyatt Dies in Crash At Mayfield

Truman Wyatt, 22, of Kirksey Route 1, was killed Tuesday night in an automobile accident at Mayfield. The accident happened about 9:30 and death was instantaneous.

Referendum on Cotton To be Held Dec. 13

The Secretary of Agriculture has announced that a referendum on the cotton marketing quota will be held on Dec. 13. At least two-thirds of the cotton farmers voting in the referendum must approve marketing quotas if they are to be effective.

According to the latest available statistics, the total supply of upland cotton for 1955-56 is estimated about 8.8 million bales above the "normal supply."

Agricultural Stabilization and Conservation State and County Committees are now compiling acreage data on which to base 1956 farm acreage allotments.

If growers approve quotas in the referendum, price support on the 1956 upland cotton crop will be made available to eligible growers at the full level of the effective supports. If quotas are turned down, support to eligible growers will drop to 50 percent of parity.

Growers who exceed their farm acreage allotments under an upland cotton quota program will be subject to penalties of 50 percent of parity on the farms excess production. In addition, all the upland cotton produced on the farm will be ineligible for price support. In general, the farm marketing quota—which is the amount that may be marketed free from penalty—is the production from the farm's acreage allotment.

In the referendum held last December on marketing quotas for the 1955 upland cotton crop, 92 percent of the growers voting approved quotas.

## Speaking Is Scheduled to Start at 3:30

A. B. "Happy" Chandler, Democratic candidate for governor of Kentucky, will address the voters of Marshall County Saturday afternoon from the Court Square of Benton.

Chandler is climaxing his campaign with a whirlwind tour of the Purchase area Friday and Saturday, Nov. 4 and 5.

With Chandler on the tour are U. S. Senator Alben W. Barkley, Harry Lee Waterfield, candidate for lieutenant governor, and other Kentucky Democratic Party leaders.

The two-day tour will start Friday morning at 9 o'clock at Smithland, where Mr. Barkley will be the featured speaker. Other towns to be visited Friday are Marion, Kuttawa, Eddyville, Princeton, Hopkinsville and Cadiz.

On Saturday, the tour will start with a rally in Wickliffe at 9 o'clock in the morning. Other towns to be visited are Bardwell, Clinton, Hickman, Fulton, Mayfield, Murray, Benton and Paducah.

The political motorcade will arrive in Benton at 3:30 p.m. and, after preliminaries, Chandler will speak at 3:55.

The tour ends Saturday night in Paducah with a big rally at the courthouse, where Barkley will speak.

Mrs. James Elkins Entertains Grade Teachers of Benton

Mrs. James Elkins entertained the grade teachers of the Benton School with a potluck supper Tuesday night at her home on East 11th Street.

The house was decorated with yellow and bronze mums. The dining table, from which the food was served buffet style, was centered with an arrangement of the mums in a green pottery bowl flanked by brass candlesticks holding lighted candles. Other lighted candles were in branched crystal candelabra on the sideboard.

The following guests enjoyed the delicious food and the conversation: Georgia Brandon, Beatrice Cole, Clara Hicks, Mae Ferguson, Helen Nimmo, Vivian Watkins, Helen McNeal, Thelma Thomas, Madge Lester, Vida Edwards, Irene Johnson, Jean Downs, Alice Duke.

Margaret Heath and Daisy Houser were unable to be present because of other engagements.

## THE MINUET

Heavy hangs the heavens on this stormy night. As the lightning flashes with thunderous might. The path is flooded up to the door, And the lights in the house gleam no more.

The eaves of the house are ugly claws Where shadows dance at the lightning's pause. The windows in front are dreadful eyes Telling their story to ungrateful skies.

There danced in these halls centuries ago Gay young people with hearts aglow, Laughing and loving to the Minuet. To which stately tones echo yet.

Essence of excitement filled the air, With beautiful faces in powdered hair. A gentleman bowed to the girl of his choice, And they chatted together with youth in their voice.

Gone are the scenes of this era once gay, But the house still stands in its sinister way. Though the storm continues, I can't forget For the rain plays the tune of the Minuet.

Mrs. Albert Lee became ill last week and was taken to a Memphis hospital for a diagnosis. She is now at home and is better.

Mr. and Mrs. Bobby Lee Puckett visited Mr. and Mrs. Kelly Hughes of Mayfield Sunday.

Mr. and Mrs. Will Norwood of Hardin, Mr. and Mrs. Cecil Wall and children of Benton, while driving below Paducah Sunday afternoon, encountered trouble on the highway. Their car was struck by another car but no serious damage was done.

It seems that when the gubernatorial candidates are arguing their side, A. B. Chandler's argument always preponderates over that of Denney's.

Mr. and Mrs. Grundy Holland, teachers in the Lone Oak school, spent last weekend at their home in Hardin.

O. E. Henson of Hardin Route 1 was a business visitor in Benton Saturday.

# VETERANS LOOK AT THE RECORD!

## THE POSITIVE RECORD OF A. B. CHANDLER

(U. S. Senate, 1939-1945)

1. VOTED FOR S. 1767, which was the G.I. Bill of Rights for World War II Veterans.

2. VOTED FOR STEWART AMENDMENT to H. R. 2025, which required a serviceman to have 6 months training before assignment to combat duty.

3. VOTED FOR S. 2208, which provided for free postage privileges to all military and naval personnel.

4. VOTED FOR S. 2025, which increased pay and allowances of military and naval personnel.

5. VOTED FOR JOHNSON AMENDMENT to S. 763, which increased amounts allowed under Servicemen's Dependents Allowance Act of 1942.

## THE NEGATIVE RECORD OF ED DENNEY

(Kentucky Legislature, 1946)

1. VOTED AGAINST S.B.18, which gave returning veterans the right to return to their jobs with the state. (The bill passed 73 to 4.)

2. VOTED AGAINST H.B.180, which kept county purgation boards from striking the names of servicemen who hadn't voted for two years. (The bill passed 61 to 19.)

3. VOTED AGAINST H.B.260, which required police and fire departments of second and third class cities to re-employ returning veterans with full benefits. (The bill passed 62 to 1.)

4. VOTED AGAINST OVER-RIDING the veto of H.B.187, which made a direct appropriation to the Kentucky Disabled Ex-Servicemen's Board. (The bill passed 76 to 3.)

## THE DEMOCRATIC NOMINEES PLEDGE TO THE VETERANS OF KENTUCKY

1. Free matriculation and tuition fees at higher state educational institutions for children of servicemen who lost their lives in time of war, or veterans who died as a result of service-connected disabilities.

2. Veterans preference in state employment, similar to Federal Civil Service veterans preference.

3. Expansion of facilities of Disabled Ex-Servicemen's Board to provide continuing opportunity for filing and prosecuting claims of all veterans.

4. An administration sympathetic to the problems of veterans and their dependents.

## 4-H Club News

BY PAUL MILLS  
Thursday afternoon and night, Nov. 17, there will be a 4-H officers' training school at the Community Building in Benton. Mr. Holland Rose, county school superintendent, has given the officers of each 4-H club in the county permission to be absent from school Thursday afternoon, Nov. 17. All parents, 4-H leaders, and club members are urged to attend the recreational party Thursday night, Nov. 17. A pot-luck supper will be served. The extension agents are in the process of organizing 4-H Clubs. There have been 18 clubs organized so far. There has been

one club organized at Aurora, one club at Breezel, five at Calvert City, two at Fairdealing, four at Hardin, three at Brewers, two at Gilbertsville. The 4-H clubs at Briensburg and Sharpe will be organized at a later date. The total enrollment of the 4-H clubs so far is 467 members.  
We plan to have around 25 4-H clubs in Marshall County in 1956. If there is any community that would like to have a 4-H club, you can do so by calling the extension office, 6602. To have a 4-H club in your community you will have to have at least 10 members that are interested.

## Christmas Mail Is Likely To Set New Record This Year

An all-time record of Christmas mail is predicted this year. You are exhorted to mail your cards and packages now.

The Association of American Railroads reports plans already have been made with the Post Office Department to promptly transport the greatest volume of Christmas mail ever moved. Under the most favorable conditions, all facilities of the railroads, the Depot companies, and the Post Office Department will be taxed.

You can help get the job done, and help yourself, too, by taking these simple steps:  
Wrap your packages securely. Print addresses plainly. Mail early. . . Now!  
Beginning the first of December, the railroads will carry daily hundreds of millions of parcels and cards, increasing as Christmas Day approaches. To move this mountain of mail requires huge facilities . . . and much hard work. The Postoffice Railroad team needs your help this year to insure your Christmas gifts and cards go through on time. MAIL EARLY.

## Ruffin in New York To Attend Dinner Of Film Pioneers

W. F. Ruffin, Sr., president of the Ruffin Amusement Co., Inc., and Mrs. W. F. Ruffin Sr., secretary-treasurer of the company, of Covington, Tenn., left by plane Nov. 1 for New York City on a business and pleasure trip. They will return home on Nov. 9.

While in New York, Mr. Ruffin will attend the 17th annual showmanship dinner of the Motion Picture Pioneers on Friday evening, Nov. 4, at the Waldorf-Astoria Hotel. Mr. Ruffin has been a member of the Motion Picture Pioneers for the past three years.

The Ruffin Amusement Co. owns and operates the Benton Theatre.

Mrs. Ruby Cope and Miss Jessie Crosby of Hardin were shoppers in Benton Saturday afternoon.

## The Farm Front - -

BY J. HOMER MILLER

Mason Dotson has been busy harvesting a part of his crop this fall. He has a number of hives of bees and has been getting quite a quantity of excellent honey. Bees could be used on many farms as a cash crop. They do not take up much space on the farm. You may want to try a few hives.

The Marshall County Extension Advisory Committee will hold its fall planning meeting Friday night, Nov. 4, at the courthouse. The purpose of the meeting is to plan the 1956 program of work.

Mrs. Ray Schmaus has a beautiful collection of chrysanthemums. There are many colors. Pink seems to predominate; however, they run from white to deep bronze. They add much to the color of lawns in the fall. Ollie Mason has constructed a new corn crib from concrete blocks and native lumber. The crib is 10 feet by 30 feet by 3 feet with a 10 foot driveway on one side. The crib will hold about 800 bushels of corn.

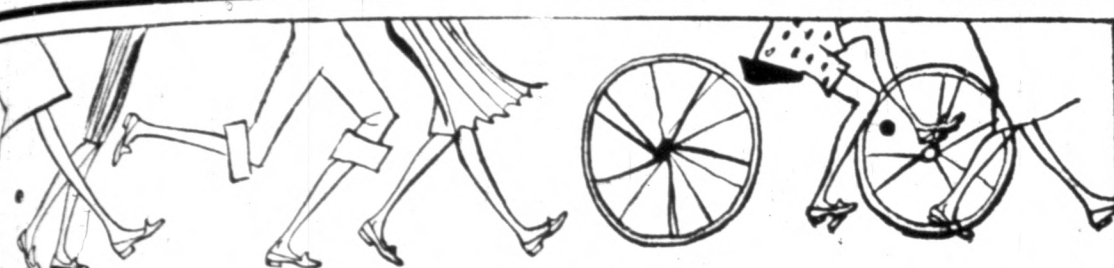

Fertilize your bluegrass now.

### Burglars Get \$130 From The Residence Of Hawley Henson

Burglars entered the home of Hawley Henson on Elm Street in Benton Wednesday night of last week and took \$130 in cash from his billfold.

Mr. Henson discovered the loss when he awoke Thursday morning. His trousers were lying at the front door and the billfold was lying on the trousers.

The burglars were not very thorough, however. They overlooked \$50 in another section of the billfold.

Mr. Henson had no idea how the burglars entered the house without waking the family.

Charlie Franklin of Route 7 was in town Saturday on business.

Mr. and Mrs. S. P. Johnston of Route 1 were shoppers in town Saturday.

Mr. and Mrs. Elbert Edwards of Route 1 were Saturday visitors in town.

### Senior Woman's Club Witnesses Films Taken on Tour of Europe

The Benton Woman's Club held its regular monthly meeting with Mrs. Fred Filbeck and Mrs. Otto Cann Thursday night at 7:30 o'clock.

The meeting was opened with a devotional and prayer by Mrs. Paul Dailey in the chapel.

Mrs. Joe Brandon, president of the club, who presided during the business session, gave a report of her recent trip to Beaver Dam, Ky., where the district meeting was held.

Bill Havel then talked to the club about the need of a sponsor for the local orchestra and it was decided by the club to sponsor it.

The club also voted to continue

sponsoring the courtesy campaign.

Mrs. Martha Elkins gave a splendid outline of plans to establish a city library in Benton which was met favorably by the members of the club. The place for the library will have to be found.

Plans have been made to organize a garden club and persons interested are asked to contact Mrs. W. H. Lovett Jr.

Mrs. Martha Elkins introduced Mrs. Vernon Pace of Paducah, who spoke briefly of her trip through European countries and then announced that Dr. Pace would show the pictures.

Many interesting pictures taken by them in England, France, Italy, and Switzerland were shown and discussed by Dr. Pace.

Decorations carried out the Halloween motif, as did the refreshments.

Mrs. Earl St. Marie presided at the refreshment table, which was covered with a lace cloth and centered with a large horn of plenty. Pretty fall flowers were placed about the home in bouquets.

The hostesses were Mesdames Genoa Gregory, Thomas Morgan, Wayne Powell, Wayne Morgan, Viola Fields, St. Marie, Cann and Filbeck.

**SOCIAL SECURITY  
FOR FARMERS OF  
AREA EXPLAINED**

By L. R. HALL  
Field Representative, Paducah  
Social Security Office  
(This is the first in a series)  
of articles on social security  
for farm operators, answering  
new questions which have just  
been settled.)  
Today... and every day...  
more and more farmers and  
farm hands and people who earn  
a living in other kinds of agri-  
cultural activity are asking us  
whether they will get social se-  
curity credits for their work.  
In farming, just as in most  
other kinds of work, earnings can  
count toward old-age and sur-  
vivors insurance benefits only  
if you are "employed" or "self  
employed."

Most persons whose living is  
derived from some kind of agri-  
cultural work are now covered  
by social security. They may be  
covered as "employed" or "self-  
employed" people. While it is  
fairly easy to tell whether a  
person engaged in commerce or  
industry is a self-employed per-  
son or a wage earner, the ar-  
rangements under which farm-  
ing is done are often more com-  
plicated.

A person who is HIRED to do  
farm or other agricultural work  
can generally tell whether his  
cash wages count toward his so-  
cial security. However, a farm  
owner has several things to con-  
sider before he can tell whether  
his earnings can be counted.

For instance, the mere owner-  
ship of farm property does not  
mean that your net earnings  
from the property can be cred-  
ited to your social security ac-  
count. It is necessary that you  
actually engage in the operation  
of the farm.

If, as an owner, lessee, or  
share-cropper, you actually en-  
gage in the operation of the  
farm, you are a self-employed  
farmer for social security pur-  
poses and, if your net earn-  
ings are \$400 or more in a year  
for any year after 1954, the  
earnings can be credited to your  
social security account.

On the other hand, if you own  
a farm but rent it out on a cash  
or share-crop arrangement, your  
income from that source cannot  
be counted for social security  
purposes. This income is con-  
sidered to be rentals from real  
estate. This is so, whether the  
rental is paid to the farm owner  
in cash or in a share of the  
crop. Earnings from the rental  
of real estate of any kind are  
not creditable toward social se-  
curity coverage (unless you are  
a real estate dealer).

Of course, you may rent part  
of your farm lands and actually  
operate other parts of them  
yourself. Your income from that  
part which you yourself operate  
will count as earnings from self-  
employment for social security  
purposes.

A farm operator does not have  
to be a farm owner. He may be  
a lessee or a renter on either a  
cash or share-crop basis. In my  
next article I shall discuss the  
share-cropper as a self-employed  
farmer under social security.

**Tuberculosis  
X-Ray Unit To  
Be Here Nov. 8**

"Are your lungs healthy? Do  
you know for sure?"  
Dr. S. L. Henson, of the Mar-  
shall County Health Depart-  
ment wants you to ask yourself  
these questions.

You will have an opportunity  
to get the answer to these ques-  
tions soon. You can get the an-  
swer to these questions while the  
mobile unit is in our county by  
having a chest X-ray. Then you  
will know for sure if your lungs  
are healthy.

The mobile unit will be in  
Marshall County, observing the  
following schedule:  
Tuesday, Nov. 8, Benton.  
Wednesday, Nov. 9, Calvert  
City.

The hours of operation are 9  
a.m. to 12 noon and 1 p.m. to  
3 p.m.  
Tuberculosis is still a big prob-  
lem in Kentucky. During 1954,  
there were 2,445 people who  
learned for the first time they  
had tuberculosis. There were 520  
who died of tuberculosis in Ken-  
tucky during 1954.

Once again, Dr. Henson asks  
you, "Are your lungs healthy?"  
Get your free chest X-ray when  
the Mobile Unit comes to Mar-  
shall County.

## 1,600 Farm Bureau Members To Meet In Louisville Nov. 13

More than 1,600 farmers will stream into Louisville for the 36th annual Farm Bureau convention on Nov. 13.

During the three-day convention delegates from each of the 114 county Farm Bureaus will vote on resolutions, discuss farm commodities, listen to speakers and participate in entertainment.

The meeting is held yearly to elect new officers, replace retiring directors and to decide upon the Kentucky Farm Bureau's program of work for the coming year.

A series of meetings to discuss farm commodities will be held on Nov. 14.

Four outstanding speakers will appear on the program.

They are Dr. Clifton L. Ganus, Jr., dean of the School of American Studies, Harding College, Searcy, Ark.; Frank Woolley, legislative counsel for the American Farm Bureau Federation;

Dr. Frank J. Welch, dean and director of the University of Kentucky College of Agriculture and Home Economics; and

Mrs. Charles DeShazo, Paul's Cross Roads, Va., former president of the Associated Women of the American Farm Bureau.

The king and queen contest, conducted by the KFB Women's department, will be another feature of the program for Nov. 14.

The Rural Youth Talk Meet winner will be selected on the night of Nov. 15.

## KY. DIABETIC DETECTION WEEK SET FOR NOV. 13-19

Over 700 previously unknown diabetics have been discovered through the diabetes detection drives sponsored each year by the Kentucky State Medical Association.

KSMA Diabetes Chairman, Carlisle Morse, M. D., of Louisville, said in announcing that the 1955 state-wide drive will be held the week of November 13-19.

The American Diabetes Association estimates there are approximately 1,000,000 persons in the United States who have diabetes and are unaware of their condition.

The KSMA, working in cooperation with the ADA, estimates that 15,000 of these are Kentuckians.

## Anna Lou Green And Harold Miller Will Be Wed Soon

Mr. and Mrs. Alva C. Green of Benton Route 1 announce the engagement and approaching marriage of their daughter Anna Lou, to Harold Miller, son of Mr. and Mrs. Leemon Owen Miller of Hardin.

Miss Green is now employed by the Magnovox Co. of Paducah. Mr. Miller is an employee of the state, now working at Kenlake Hotel in Marshall

County.  
A December wedding is planned.

### CARD OF THANKS

We wish to express our thanks to all our friends, neighbors and relatives for expressions of sympathy and deeds of kindness when Lee Lovett died. We thank Mrs. Miller and McClain for faithful services; the words of comfort said by the Rev. Alexander and the Linn Funeral Home for the service they rendered.  
May God bless you all.  
The Lee Lovett family and grandchildren.

### CARD OF THANKS

We wish to thank our many friends and good neighbors, the Baptist Hospital nurses and Doctors McClain and Eugene Sloan for their many acts of kindness and tender words extended us during the very short illness and death of our dear wife, mother and grandmother, Mrs. Nacy L. Scott.  
Especially do we thank Bro. Holt and Bro. Dooms, Filbeck & Cann and the quartet.  
May God's richest blessings rest upon all of these dear people.  
Milburn Scott, Children and Grandchildren.

### ROYAL ARCH MEETING

Royal Arch Chapter No. 167 will hold a special meeting on Friday night, Nov. 4, at 7 o'clock in the Benton Masonic Hall. Purpose of the meeting is to confer the Most Excellent and Royal Arch degrees. All officers and companions are urged to be present. Refreshments will be served.

Mr. and Mrs. P. E. Staples of Route 3 were shoppers in Benton Saturday and renewed their subscription to the Courier while here.

## Lions Club to Hold Turkey Shoot at Park This Weekend

The Benton Lions Club is sponsoring its annual turkey shoot this weekend. The shoot will start at 2 p.m. Friday and will continue through all day Saturday. Many turkeys are available for that Thanksgiving dinner if you are a good marksman. The shoot will be held in the City Park. Everybody is invited to participate.

Burd Darnell of Route 1 was a business visitor in Benton Friday. He had made arrangements to enter Riverside Hospital Saturday for surgery later. Stephen Halton, son of Mr. and Mrs. Joe Tom Halton, underwent surgery on his eyes Friday morning at the Baptist Hospital in Paducah.

## County Telephone Numbers To be Changed on Dec. 3

Telephone numbers in Benton and Gilbertsville will be changed Dec. 3 to the "2-5" numbering plan, according to Doug Brown, Southern Bell manager. Mr. Brown gave two reasons for the changes. 1. To improve long distance service by standardizing office names and numbers, as is being done throughout the country. 2. To prepare Benton and Gilbertsville for the day when the customer will dial his own long distance calls. The two-letter, five digit numbering plan is necessary for this future service. Under the "2-5" plan, each telephone number consists of an office name followed by 5 numbers.

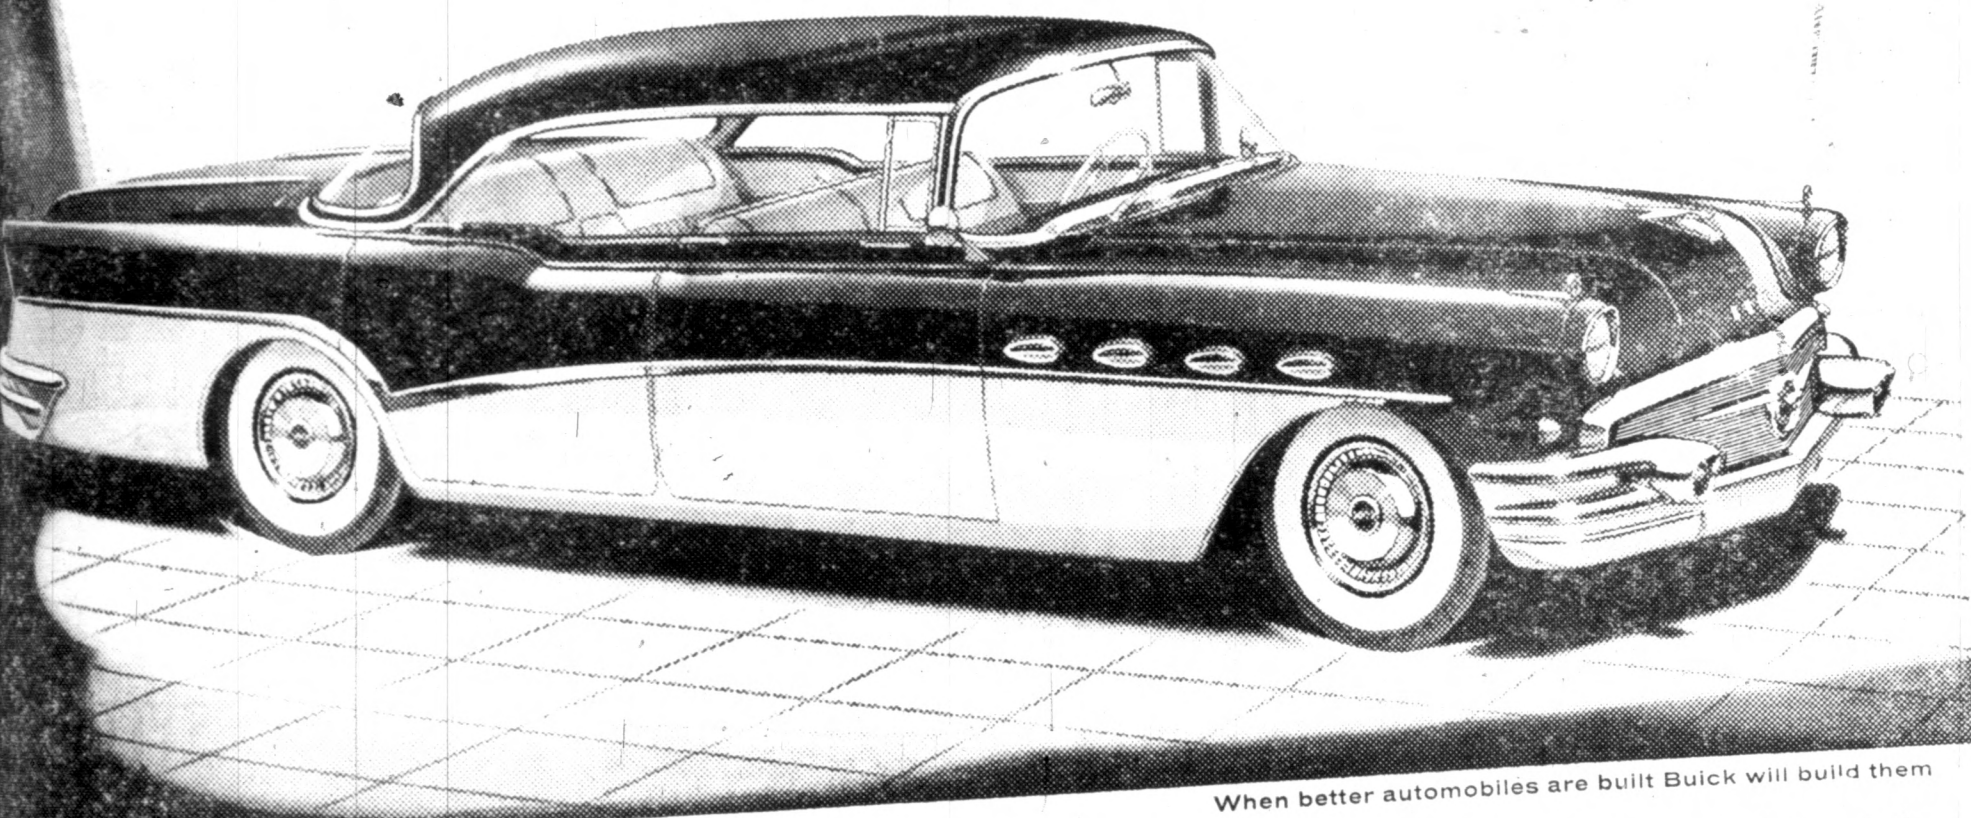

merals. All Benton telephone numbers will be composed of the name LAkeside and five numerals. All Gilbertsville telephone numbers will be composed of the name FOrest and five numerals. A typical number in Benton might be LAkeside 7-7199; in Gilbertsville, FOrest 2-4399. Telephone subscribers in the two exchanges will be notified of their new numbers and the date they will become effective. A new directory listing the new numbers will be issued prior to the adoption of the new numbering plan. Some Kentucky cities served by Southern Bell which have already adopted the new numbering system are Louisville, Owensboro and Hopkinsville.

### PERSONALS

Mrs. Jack Henson left last (Thursday) for South Bend, Ind., to visit the family of her step-daughter, Viola. After returning a short while to her home on Route 5 she plans to spend some time with her mother in Detroit. T. D. Gregory of Route 5 was a business visitor in Benton on Friday. J. L. Cotham was in Benton several days last week serving on the petit jury.

# Best Buick yet

When better automobiles are built Buick will build them

comes upon the heels of the most successful Buick in history—and beats it on every score. In shimmering steel and solid sinew, it's Buick 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in the sweep-ahead styling of it—from the air-splitting prow of its V-front grille to the robust rake of its canted rear profile. You get an even better hint when you open the doors and see the dazzle there—in the decorator fabrics and décors—in the jewel-like finish of the fittings—in the precisely shaped steering wheel and controls—in the rich new instrument panel with soft-padded top and glowing dials that detail your progress in changing colors. But it's when you put this beauty to the city

streets and the open highways that you learn the best of it.

### Performance Without Parallel

A new advance in Variable Pitch Dynaflo\* goes airplanes one better—steps up your getaway in normal driving without switching the pitch. But when you need that extra surge, it's there, instantly—and in extra abundance.

The might of big 322-cubic-inch V8 engines in every Series brings new record high power to all Buicks—ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. Yet this is such high-compression power, such dynamic driving power, such completely usable power at the rear wheels—the whole rear end has been endowed with extra brawn and heft and solidity to handle it.

We could spread before you an acre of blue-

prints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

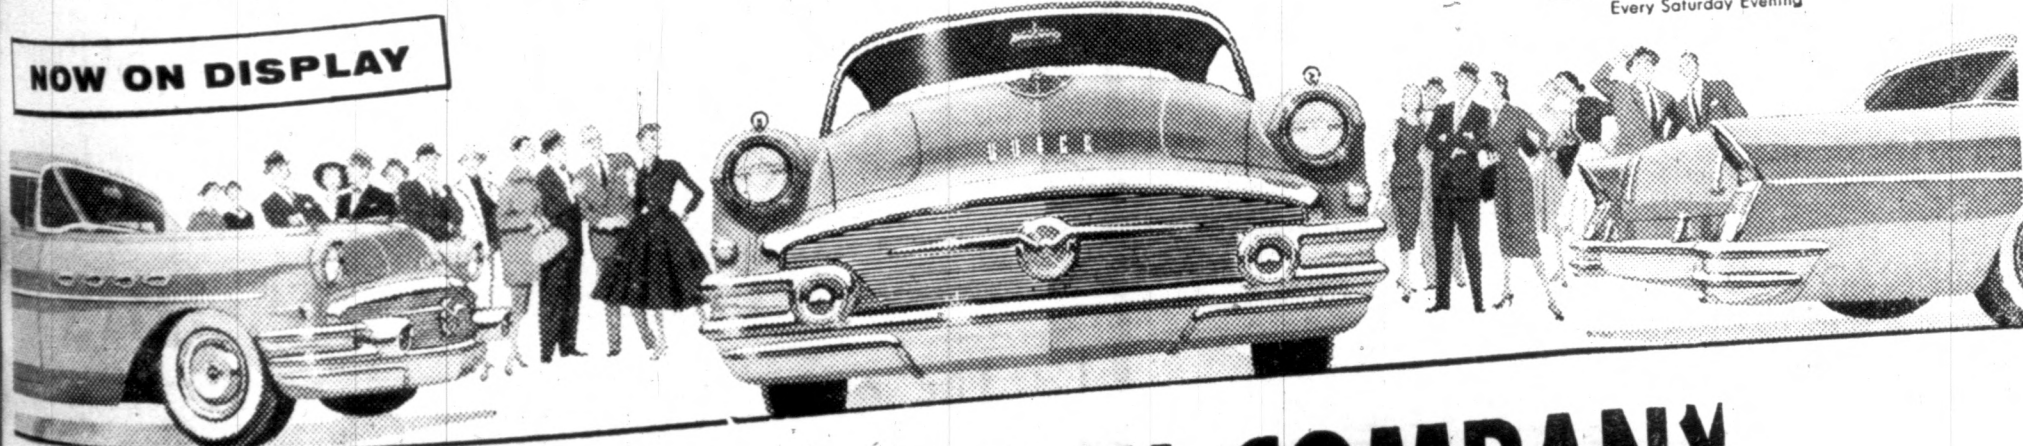

We could tell you about a new double-Y manifold of the engine for more usable power. And about a brilliant new front-end geometry that adds a whole new "sense of direction" to the car's travel. And about massive new direct-action shock absorbers that move three times more oil to cushion your all-coil-spring ride that much more buoyantly.

But you can get the full story right now, at our showroom, in a face-to-face meeting with the best Buicks yet—now on display, and setting a dazzling new pattern for 1956.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## County Soil Notes

BY HERBERT ANDERSON

The following farmers cooperating with the Marshall County Soil Conservation District, have dug farm ponds recently: Ishmael Reed, Loyd Collier, and Tom Collier, Fairdeal; Carmel Byers, east of Hardin; George Siris, Robert Turner and Aubrey Washburn, near Hamlet Baptist Church; H. C. Weatherford and Boone Duke, south of Benton; Ira Byerley and Turner Thompson, north of Castleberry's Store; Fred Hunt and Jack Harrison, near Breezel School; Raymond Powell, Charlie Walters, and Revel Powell near New Harmony Baptist Church; Horace Smith, north of Oak Level; Barkley Thomas, west of Briensburg; Otis Wyatt, and Lillie W. Henderson, east of Briensburg; T. C. Smith, south of Calvert City; Hulen Washam, north of Hardin; Robert Howard and Hud Phillips, west of Benton; Louie C. Massey, south of Sharpe; Lex Riley and A. A. Oakley, north of Palma; and Eukley Harrell, east of Brewers.

These ponds were staked by the Soil Conservation Service. The A.S.C. Committee shared the cost at the rate of 12 cents a cubic yard.

W. A. Doyle, Calvert City, dug 2290 linear feet of open drainage ditches the first of October. They were "V type" ditches.

The soil was spread sufficiently on the sides so that water could get into them.

Roy Barlow, near Lakeview Baptist Church, dug 1300 "V type" open drainage ditch last September. It will carry water from a large watershed into Littlejohn Creek. The ditch will prevent the flooding of five acres of good bottom land.

Archie Story, south of Griggs School dug a 1000 foot open drainage ditch in September. When completed, the bottom width was 12 feet. He has already had to do some maintenance work. A big rain came and washed in a lot of gravel. He is removing this with his tractor and scoop.

The soil conservation district supervisors placed a projectograph in the Bank of Marshall County for one week during October and for one week in the Bank of Benton. This automatic machine showed pictures of local conservation needs and accomplishments.
