Rotary Banquet Brilliant Success

A Beautiful Compliment in Honor of the Rotary-Ann

One of the most enjoyable events of the Rotary Year in Fulto
was the Rotarian's Banquet which was held Tuesday evening.

The Rotarian's Banquet was held at the Masonic Temple, where the
Rotarians gathered to enjoy a delightful dinner and to hear the speech of
Mr. W. T. Brown, who was introduced by Mr. C. C. Brown, the toastmaster.

Mr. Brown delivered a speech on the theme of "The Rotary Ideal," in which he
emphasized the importance of service to others and the benefits of co-opera-
tion. He spoke of the role of the Rotarian in the community and how each
Rotarian can make a difference in their own way.

The banquet was followed by the annual meeting of the Rotary Club, where
the officers for the coming year were elected. Mr. W. T. Brown was re-elected
president, Mr. C. C. Brown vice-president, and Mr. J. H. Brown secretary-
treasurer.

The evening concluded with a social hour, during which the Rotarians
enjoyed each other's company and discussed various issues.

THE NEW FORD

Everything you want or need in a motor car

The more you see of the New Ford, the more you realize that it brings you everything you want or need in a motor car... And at an unusually low price.

Its substantial beauty of line and color is apparent at a glance. Long, continuous service emphasizes the value of its simplicity of design and the high quality that has been built into every part.

The new Ford accelerates quickly and it will do 55 to 60 miles an hour. It is an easy-riding car because of its specially designed springs and four Homadsle doubleacting hydraulic shock absorbers. It has fully enclosed four-wheel brakes and the added safety of a Triplex shatterproof glass windshield. Operation and upkeep costs are low and it has the stamina and reliability that mean thousands of miles of uninterrupted service.

See the nearest dealer and have him give you a demonstration ride in the new Ford. Check up every point that goes to make a good automobile and you will know it is a value far above the price.

S. WILLIAMS

Published Weekly at Fulton, Ky., by the Fulton Advertiser

Entered as second class matter Dec. 28, 1876, at the Post Office at Fulton, Kentucky, under the Act of March 3, 1879.

ARE TOWNS CHANGING?

One knows a good deal these days about the small towns and the changes taking place within them. Everyone knows they are undergoing a change, but few know what the changes are and for the towns? And is the small town going to have to fight to stay on the map?

We believe Fulton residents will agree with us when we say conditions are much better now than here in the city. We do not mean to say that things are perfect, but there is a job to be done, and we are here to help you.

A key factor in the change of conditions is the educational advantage. The educational advantage is much higher and morality is much higher in the small towns than in the city. Boys and girls are reared and educated in the rural community, and it is a pleasure to go to this safe place for a lunch or a meal.

BILL BOOSTER SAYS

THE FARMER'S HEALTH

Our rural friends around are not going to be on the list of the future. They will be equal to the city, and the health of the small towns will increase. Schools and churches, too, are being improved in the small towns, and the condition of mortality is much better than in the city.

A new member of the state board is there to be found in the small towns, and a new member of the state board has been elected in the small towns. We are proud of the city, but we are proud of the countryside, too.

Old World Recipes

T

hese are recipes of the family line of
which I am part and proud. They are
authentic recipes of German and French
ancestors. Over the years, they have
been handed down from generation to
generation. The recipes are simple and
easy to prepare. They are a blend of
traditional flavors and ingredients.

To make the borscht soup, start by
sauting the vegetables in a large pot
with oil. Add the beef stock and bring
the mixture to a boil. Then, add the
carrots, potatoes, and sour cream. Let
the soup simmer for about 30 minutes,
until the vegetables are tender.

For the pork knuckle, place the
pork knuckle in a large pot with
water and bring to a boil. Then, add
the ingredients for the seasoning
mixture. Let the pork simmer for
about 2 hours, until tender. Serve
hot with mashed potatoes.

These recipes are a taste of the
past, but they are still enjoyed today.
They are a reminder of the
heritage and traditions that have
shaped our family.
