Woman's Club Hears Reports by Committees

Due to bad weather, the regular monthly luncheon meeting of the Calvert City Woman's Club was called off in its place, a business meeting was held in the home of Mrs. Vernon Duckett last Thursday, Jan. 26, at 10 a. m.

Mrs. John Whitney, president, presided and called for special committee reports. Mrs. Duckett gave a report on the Community Development contest, sponsored by the Kentucky Chamber of Commerce, which the club is entering. A scrap book is being compiled showing various data concerning community development within the last year.

Mrs. Lee Keeling reported final arrangements on the Square Dance to be given Friday, Feb. 3, at 8 p. m. at Ky. Dam Auditorium. Tickets are on sale by club members and will be sold at the door that evening. Mrs. Robert Van Ness, chairman of the Watkins Style Show,

Catholic Pastor at Calvert Visits Pope In Vatican Palace

The greatest event in the 41 years of his life as a priest came last Dec. 18 to the Rev. Albert J. Thompson -- a private audience with Pope Plus XII at the Vatican palace.

Father Thompson who is pastor of St. Francis de Sales in Paducah and St. Plus the Tenth Church in Calvert City, received permission from the Pope to give parishioners of these churches his papal blessing. This blessing may only be given one time and cannot be repeated.

Although the private audience with the Pope lasted only eight minutes, these minutes were filled with a spiritual uplifting for Father Thompson and Father Spaulding, who accompanied Father Thompson, in being with someone in whom the "charity of Christ" was so powerful.

FELLOWSHIP SUNDAY IS HELD BY PRESBYTERIANS

Last Sunday, Jan. 29, the Calvert City Presbyterians observed Westminister Fellowship Sunday. In observance of the occasion, the young people of the congregation assisted with the morning worship.

Church members extended their appreciation to all members of the Junior Choir and the others participating in the Fellowship service. Ushers for the service were Gerald W. Powell and William T. Hoskinson.

GILBERTSVILLE LEGION TO MEET ON FRIDAY NIGHT

The February meeting of the Harrison Vickers Post No. 144, American Legion, will be held in the school auditorium at Gilbertsville Friday night, Feb. 3. The meeting will start promptly at 7 o'clock.

The post is short a few members of its 1956 quota and this problem, plus a brief discussion concerning the organization's annual breakfast, will be discussed.

A ladies quartet from the Grand Rivers Methodist Church will sing at the Friday night meeting. Members of Gilbertsville Post extend a cordial invitation to the veterans of Lyon County to meet with them Friday night.

Mrs. Edward McCormick entertained members of the Junior Choir of the First Presbyterian Church at her home Friday afternoon, January 27th.

Mrs. Carl E. McKim who entered Riverside Hospital January 22, for treatment is still there. Her mother, Mrs. Snow Halley of Madisonville, is taking care of Mr. and Mrs. McKim's daughter, Holly Jean, while her mother is hospitalized. An executive meeting of the Women's Association of the First Presbyterian Church was held in the Powell, Jan. 22. The purpose to inform their duties. Mr. and Mrs. McKim left last night for West Virginia who has been for West Virginia.

Roe Thomas has returned from a buying trip to Chicago, where he also attended a convention of the National Builders Association.
The convention was held Monday through Thursday of last week.
Mr. Thomas attended several workshops at the convention, where he learned many new ideas in the building trades. He also heard several noted speakers, including John Sparkman and Clayton Rand.
Mr. Thomas' picture appeared in the American Builder magazine as a visitor to the convention, which was held at the Hilton Hotel.
Mrs. R. A. Foust of Route 6 was a visitor here Saturday.

Cope are their leaders.
A training school for clothing leaders of Homemakers clubs will be Friday, Feb. 10, at the Community Building in Benton. Miss Dorothy Threlkeld, clothing specialist from the University of Kentucky, will give the first lesson in tailoring. Two leaders from each club may attend.

Ten leaders and the two agents attended a district 4-H leaders meeting in Paducah Leaders attending were:
Mr. and Mrs. George Little, Sharpe; Mrs. Albert Harrell, Calvert City; Mrs. Carl Siris, Aurora; Mrs. Glen Rudolph, Aurora; Mrs. Solon Hendricks, Brewster; Homer Chester, Brewster; Mrs. J. D. Gammet, Benton; Mrs. W. L. Frazier, North Marshall.

County Soil Notes

BY HERBERT ANDERSON
Price lists and order blanks for trees to be used in reforestation and wildlife planting are now available. Ralph Nelson, district forester, of the Kentucky Division of Forestry has announced.
Although there still are several months before planting time, landowners who delay placing their orders may be disappointed in the spring. Mr. Nelson pointed out that frequently in past years, late orders were returned because the supply of desirable trees was exhausted.
Farmers and others who are cooperating with the Marshall County Soil Conservation District will plant about 50,000 trees and shrubs in 1956. Last year, as part of their soil conserving program, they planted 40,000. These, plus the many thousands

established since the soil conservation district was organized in 1946 are covering up bare, eroded soil, growing into useful products furnishing valuable habitat for wildlife and are improving the general appearance of the landscape in Marshall County.
Black locust, white oak, yellow poplar, black walnut, loblolly pine, shortleaf pine, and white pine seedlings are available for seven dollars per thousand. Orders will not be accepted for less than 100 trees.
Order blanks can be obtained in the Soil Conservation Service office in Benton.
Ollie J. Cox came by the office the other day and placed his order for 1200 loblolly pine seedlings. These trees should be set four by four feet apart each way when set on badly gullied land. A better stand can be ob-

Miss Eunice Dawes And Henry Modglin Wed in Mississippi

Miss Eunice Dawes of Benton Route 6 and Henry Modglin of Calvert City were united in marriage in Corinth, Miss., on Friday, Jan. 13.
Mrs. Modglin is the daughter of H. L. Dawes of Route 6.
Mr. Modglin is employed by the TVA at Gilbertsville.
They will reside at the Dawes home on Route 6.

Deadline Feb. 15 For Application on Cotton Allotment

The closing date for filing application for new grower cotton allotments is Feb. 15. Farm eligibility, each farm on which cotton was NOT planted during any of the years 1953, 1954, and 1955, but on which the operator intends to plant cotton in 1956, shall be considered by the county committee for an allotment if the following conditions are met:

The farm operator must file application not later than Feb. 15. He must be largely dependent on the farm for his livelihood, and the farm shall be the only farm in the county which is owned or operated by the farm operator or farm owner for which a cotton acre allotment is established for 1956.

Rotary Club Hears Appeal for Help on Library Project

Benton Rotary Club, in session last Friday night, heard an appeal for help on the Senior Woman's Club project of establishing a Marshall County Public Library.

Representing the Woman's Club were Mrs. James Elkins and Mrs. Zelma Creason. Mrs. Elkins was the speaker.

Mrs. Elkins pointed out that the library was about to be established in the Benton City Hall and that books were needed, carpentry, painting and other repairs necessary to make the library room usable.

She asked the aid of the Rotarians. Rotary President Thomas Morison appointed Harris Chambers and Woodson Cross on a committee to work with the Woman's Club on the project.

Other Clubs have appointed committees and promised to help on the project, Mrs. Elkins said.

Main speaker at the Rotary meeting was Dr. Walter Blackburn, head of the physical science department at Murray State College. He spoke on the development of the chemical industry, particularly as it involves Marshall County.

Oil Stove Explodes; Sam Farmer Home On Rt. 6 Damaged

The interior of the house of Sam H. Farmer on Route 6 was badly damaged by fire Saturday morning after a living room oil heater exploded.

The Farmers were not at home but neighbors saw smoke coming from doors and windows and with the help of the Rescue Squad the fire was extinguished. The outside of the house did not burn.

Besides the walls and furniture in the living room being badly damaged, the bedroom furniture was blistered and the bedding partially burned. Kitchen appliances were ruined by intense heat.

The damage was partly covered by insurance.

Mr. and Mrs. Farmer moved to the home of his parents in Benton until the interior can be redecorated and the furnishings replaced.

Ex-Missionary Talks To Methodist Women

The Benton Methodist WSCS met at the church Tuesday for the final lesson on the mission study, "Combining Our Efforts for a Lasting Peace."

The meeting began at 11 o'clock, with Mrs. William Watts presenting the lesson study on the "Specialized Agencies Within the United Nations."

The lesson was followed by the devotional by Mrs. George Long.

At noon, dinner was served.

In the afternoon Mrs. George F. McKelvey, a former missionary who had spent some time in Bolivia, was the guest speaker, bringing the message, "How the Missionary Cooperates with the Specialized Agencies in Other Countries."

Rev. and Mrs. George F. McKelvey and their daughter were dinner guests.

Mrs. Holley Hostess To Clark Homemakers

The Clark Homemakers met Jan. 26 at the home of Mrs. Ethel Holley.

The lesson on etiquette was given by Mrs. Lora Devor and Mrs. Barbara McDermott. Mrs. Devor was selected as delegate to Farm and Home Week at Lexington.

A special meal was served at noon.

Members present were: Mes-

dames Patsy Miller, Lorena Bryant, Charlene Lamb, Sally Brooks, Montie Collier, Grace Wyatt, Maxine Wyatt, Rowetta Turner, Frances Henson, Katie Richardson, Hattie Frizzell and Ackie Ruth Gibson.

Visitors present were Mesdames Alice Fay Bryant, Sarah Johnston, Neil Holley and Miss Sunshine Colley.

CLUB PRESENTS SANDER TO YOUNG POLIO VICTIM

Bobby Pitt, polio victim, received a sander as a Christmas gift from the Clark Homemakers Club. Bobby is the son of Mr. and Mrs. Solon Pitt and was stricken with polio in 1954. He has not fully recovered yet.

The Clark Homemakers was proud to present Bobby with the sander, which the club feels will be of great help to him in his work as a model craftsman.

THE OLD TIMER

"It's a wise man who won't let yesterday's mistakes up too much of his today."

Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God.—(1 John 3,1.)

Each of us came into this world filled with the love, the good, of our Heavenly Father. We depart from them through our own willfulness, selfishness. But even then God continues to love us as His children, ever ready, through our prayers, to forgive and help us.

Mark Clayton Heads County Heart Drive

Appointment of Mark C. Clayton, Benton, as 1956 Heart Fund drive chairman for Marshall County during the annual campaign in February has been announced by Robert H. Allphin, Frankfort, state campaign chair man.

Kentucky's 1956 Heart Fund goal is \$225,000, Allphin announced. "Heart Sunday", the two-hour, house to house solicitation which climaxes the month-long drive will be conducted in most Kentucky counties on Feb. 26.

Allphin's announcement called attention to the sponsorship by the Kentucky Heart Association, its local chapters and committees of a year-around program of research, health education and community service. The program, he said, "spears the fight against the nation's number one killer and crippling heart disease".

The activities include clinic and surgery facilities for indigent children and adults; support of a Chair of Heart Research and five separate projects at the University of Louisville School of Medicine; teaching institutes for doctors, nurses and technicians; support of

MARK CLAYTON

the Rehabilitation Center in Louisville where crippled heart patients are taught to lead useful lives; a State-wide Artery Bank where live arteries are preserved for use during heart operations to replace damaged or diseased arteries; and an intensive lay educational program that reaches a great majority of Kentuckians.

Col. C. P. Borders Will Return Soon From Indo-China

Mrs. Velma Borders of Rest Haven Farm, Benton Route 2, recently had a letter from her son, Col. Coleman P. Borders, stating that he will be returning from Indo-China and will be stationed at Joliet, Ill.

Col. Borders' wife and three daughters will join him there. They have been living in Camp Carson, Colo., for the past three years.

Col. Borders is a Marshall County native but moved with his mother to California in 1927. He attended UC College and went into the U. S. Army Engineer Corps in 1942. He saw service in Japan and then was sent to Germany in 1949. He spent three years in Europe.

He plans to retire with 20 years' service in 1962 and hopes to settle down and "raise Christmas trees and cattle."

Clay Henson of Route 4 was a business visitor in Benton on Tuesday of this week.

Mr. and Mrs. Ernest Bohannon of Brewers were shoppers in Benton Saturday.

S. P. Johnston of Route 1 was in town Saturday on business.

"Fasten your safety belt, Horace!"

Retired Railroad Worker's Funeral Is Held at Dexter

Funeral services were held last Saturday afternoon at the Dexter Methodist Church for Herman Jones, 73, who died Jan. 27 at his home in Dexter. He was a retired N. C. & St. L. Railway employee.

Rev. Bill Baldwin officiated at the services and burial, by Linn, was in the Stewart Cemetery.

Mr. Jones is survived by his wife, Mrs. Elma Jones; a daughter, Mrs. C. H. Mason of Nashville; a son, Burnett Jones of Dexter; a sister, Mrs. Wilson Starks of Memphis, and a brother, Burnett Jones of Benton.

District Farm Bureau Session Feb. 6 at Lake

Leaders of county Farm Bureaus in the First and Second Districts will assemble at Kentucky Dam Village State Park Feb. 6 in their annual county Captains' Jamboree meeting to kick off their county membership drives.

The membership drive will start on Feb. 7 and end on Feb. 11, announces I. S. Wood, director of organization of the Kentucky Farm Bureau Federation.

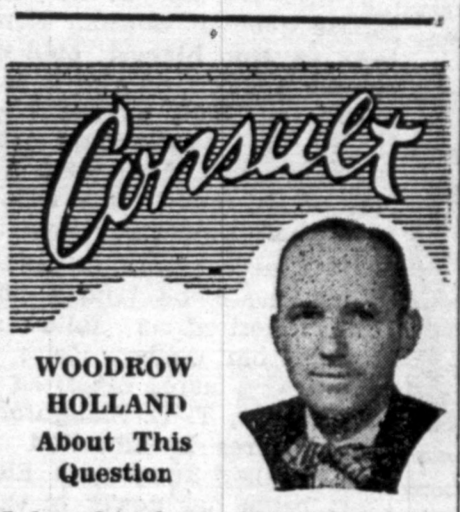

Last year the two districts, located in the Western part of Kentucky, had a combined membership of 17,721 members. This year a goal of 18,500 members has been set by John Newman, district organizer. That would be about one-fourth of the total Kentucky membership of 75,386 in 1955.

John W. Koon, executive secretary of the Kentucky Farm Bureau Federation, will discuss state issues affecting the Farm Bureau during the meeting.

Burl S. St. Clair, president of the Kentucky Farm Bureau, will talk about national issues.

Woodrow Luttrell, assistant to the president of Tennessee Farm Bureau, and Paul Norris, director of organization for the Indiana Farm Bureau, will be

on the program.
Ten county Farm Bureau leaders from each county are scheduled to attend the meeting.

WE KNEW IT WAS GOOD -but oh, brother!

1956 Buick Roadmaster
6-Passenger, 4-Door Riviera,
Model 73

It started right on announcement day. On that day, we made bold to call this the Best Buick Yet. (A pretty big statement, we're sure you'll agree.) But, in the scant three months since then, we've had ample proof of how more-than-right we were—

Not just from the tremendous initial interest shown in the new 1956 Buicks—

Not alone from the way our sales have zoomed past all expectations—

But more especially and more clearly and more positively from the enthusiastic "play back" that's coming from happy new-Buick owners.

So, if you'd like the story firsthand—see if you can get a '56 Buick owner to stand still long enough to tell it to you.

For it's a real news story you'll hear about:

You'll hear about a walloping-big new 322-cubic-inch V8 engine that delivers its record-high power with the obedience of a bird dog.

You'll hear about a terrific new Variable Pitch Dynaflo* that gives double-action take-off and instant acceleration right in the driving range—along with a thrifty boost in gas-saving mileage. Yet, when you do floor the pedal to switch the pitch—you get an extra abundance of safety-surge power to pull out of tight spots on the highway.

You'll hear about a new "sweetness" of ride made even more buoyant by deep-oil cushioning and all-coil springing—and about a new ease of handling and steering—and a new four-footed sureness when taking the turns.

So what's left to be told?

Except the news of brilliant new Buick styling inside and out—which you can see for yourself. And the question, "How much?"—which only you can answer.

For, you can go all the way from the bedrock-priced SPECIAL—to the high-stepping CENTURY—to the outstanding SUPER—and on to the custom-built ROADMASTER.

Why not come in—right soon? Learn how easy we'll make it for you to step into the '56 Buick circle—without busting out of your budget.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Gratitude

Lesson for February 5, 1956

GRATITUDE is not a lost art; but it is a rare one. Ten men were cured of the same disease at the same time, but only one took time off to be thankful. When you hear people complaining about other people, one of the most frequent complaints is that so-and-so was not grateful. "He never said thank you..." She took it for granted... They never wrote me... After all I'd done for them, they left me alone... With him it's all take and no give... Many of these complaints are true, although (to be honest about it) many of them come from people who aren't too grateful themselves.

Dr. Foreman

Why Don't They Come Back?

When Jesus cured those ten lepers, even he seems to have been surprised that only one of them came back to thank him. We don't know, but perhaps we can venture a guess, as to why nine-tenths of those men who had felt the miracle-working power of God, went their unthankful ways in silence. Once man may have thought: "Who knows? This cure may not be permanent. Better not rush around shouting Hallelujah till I see whether this cure is going to stick." Another perhaps said to himself, "Yes, I'm cured. But I'm sorry it had to be that Jesus from Nazareth. He doesn't have too good a reputation with the authorities—it isn't healthy to be known as one of his friends. I'll play safe..." Another one maybe really meant to thank Jesus; but he "lost his address" as we would say. He kept on meaning to, some day—but he never did. And perhaps still another fully intended to express his thanks, but he said to himself, "Just an ordinary hasty 'Thank-you' won't do. I'll wait till I can do something really big for him, something that will repay him, perhaps with interest, for what he has done..." But the time never came. Aren't these some of the very reasons you and I give for not being grateful to God or man?

Cause for Rejoicing

Curing leprosy the way Jesus cured it is a miracle in anybody's language. Most of us think we would be grateful for miracles, if and when—; but for ordinary days, the usual course of events, we don't see God's hand and we do not feel any call to be thankful. As a matter of fact, God's mercies surround us on every side. We owe him life to begin with; it was God's creative power that brought life into being, in a universe hitherto lifeless. It is God's providence that has kept the stream of life flowing down the ages; his providence that gave you the ancestors without whom you could not be what you are. When you think of the enormous number of accidents (to call them that) which might easily have prevented your being born at all, and the "accidents" without which you would never have been born on this planet, you begin to see how grateful you should be. Most people, probably, if saved from sudden death, especially if others have been killed right beside them, will breathe a trembling "Thank-you" to God.

Gratitude and Happiness

When Jesus said to the one grateful man, "Your faith has saved you," he was using a word that means to restore to full life. There is a hint here that gratitude is a flower whose root is faith. Also there is a hint that the thankful mind is the happy mind. People who go through the world convinced that the world owes them a living, people whose prayers are mostly "Gimme," are likely to be a little sour. The world does not give them the lush living they want. God does not answer their prayers when and as they fancy he should. So a seed of unhappiness festers in their minds. But if a man will think every day what he owes to God and to man, if it really dawns on him what a debtor he is, his mind will be bright. All this—for me? he will think; and the thought will be a seed of happiness blossoming under sun and cloud. Time spent in being grateful—in living-out gratitude, is never wasted. It is a mark of the healthy mind and spirit.

COME TAX FACTS No. 3 Don't Pay Tax on Wrong Income

(This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Accountants and the Kentucky Society of Certified Public Accountants.)

You may think that listing your income is the easiest part of tax filing. Actually, according to the Internal Revenue Service, this is where taxpayers make the greatest number of errors.

Not all the money that may have come to you during 1955 needs to be reported on your tax form.

For example you may have received "dividends" on an insurance policy. Don't list them as dividends, because they are considered merely a refund of part of the premium you paid.

Don't include Social Security benefits, Railroad Retirement Act benefits, or payments received under Workmen's Compensation laws.

Don't list gifts you received, although the giver may have to pay a gift tax. However, tips and other compensation for services must be reported.

Do not report inheritances and bequests. The estate may be taxed but not the recipient.

Personal Damages Not Taxed
Damages received for personal injuries are not considered taxable income, whether awarded by a court or settled out of court.

When listing your income you can also forget about government benefits to veterans and their families, except non-disability retirement pay and the interest on terminal leave bonds.

The interest on state and municipal bonds is also tax exempt.

Although compensation for services is generally taxable, whether paid in money or otherwise, the law specifically exempts the rental value of a parsonage furnished to a minister or the rental allowance expended by him for this purpose.

The official tax instructions contain a list of the types of income which should or should not be included in your tax return. It is important to check this carefully.

Prizes and Awards
There is an interesting rule on prizes — they are only taxable if you worked for them. Even the slightest action on your part to earn the prize — such as appearing on a quiz program or writing a slogan — makes it taxable income.

But prizes awarded for scientific, literary or other achievements without any action by you to bring about your selection would be regarded as gifts to you rather than taxable income.

Some income, such as limited amounts of "sick pay" and the first \$50 of certain dividends, must be explained in the tax return but are not taxed.

The instructions that come with your tax forms give further information. Help is also available from the Internal Revenue Service, which urges you to consult a properly qualified advisor if you need outside assistance.

County's Legislators are Active

EDITOR'S NOTE—The following article was written for the Courier by Rayburn Watkins, former Benton newspaperman. Mr. Watkins now lives in Louisville.

A total of 18 bills at Frankfort have been introduced or co-sponsored by Senator Wayne W. Freeman and State Representative Shelby McCallum. Two of the measures sponsored by McCallum have already passed the House and one sponsored by Freeman has been passed by the Senate.

Both McCallum and Freeman were co-signers of the lien law repealer which has already been passed by both houses, which would permit people with property to draw old age benefits without having their property stand as security to the state.

A McCallum bill (H.B. 71) to place radio and television stations on a similar status with newspapers in connection with libel suits has passed the House by a vote of 78-2.

Another McCallum bill (H.B.

133) would transfer Benton from a fifth to a fourth-class city.

Senator Freeman's S.B. 59 is to accomplish the same purpose. Both bills were passed. Senator Freeman introduced a bill which would simplify the collection of gasoline refunds by farmers. This bill (S.B. 8) is in the Senate Revenue and Taxation Committee.

Senator Freeman also was one of the co-signers of the controversial cigarette tax repealer, which was tabled in the Senate January 18. A 16-16 tie vote was broken by a switchover vote at the last minute by a Louisville Senator, Leon Shalkun.

Other Freeman bills are as follows:

S.B. 20, repealing the requirement that the sheriff or tax collector mail to each taxpayer a notice of taxes due after equalization of assessments.

S.B. 27, which would revoke the Kentucky Tax Commission's authority to equalize assessments. This bill is before the Revenue and Taxation Committee.

S.B. 43, providing for non-partisan election of county school superintendents and establishing a minimum salary of \$5,000 a year. This bill was reported unfavorably by the Senate Education Committee January 18.

S.B. 44, which would amend the constitution to require that candidates for election for county judge in counties containing cities of the first three classes must have been licensed practicing lawyers for at least two years. This is before the Suffrage and Elections Committee.

S.B. 52, which would authorize all cities to sell any real estate owned by them when the property is no longer used for public purposes to which it was dedicated. The bill has been reported favorably by the State and County Government Committee and will shortly be on the orders of the day for Senate action.

S.B. 71, would provide that circuit judges be allowed expenses incurred in discharging

their duties in counties in their district other than their county of residence. Similar allowances are granted state officers and employees. This bill is before the Senate Judiciary Committee.

Other bills sponsored or co-sponsored by Representative McCallum are these:

H.B. 134, which would allow a married woman to contract to be liable for the debt of another, including her husband, except that her estate shall not be subject to liability upon a contract made after marriage unless set aside for that purpose.

H.B. 151, which would establish a nursery for the propagation of blight-resistant chestnut tree seedlings in the Division of Forestry, and appropriating \$30,000 for the balance of the 1955-56 fiscal year.

H.B. 174, which would provide that rates for intrastate telephone service may not exceed the rates for interstate service under substantially similar conditions, by more than 10 per cent. This bill is before the Public Utilities Committee.

Benton Beautiful

By BEATRICE BREEZE
"God Almighty first planted a garden. And indeed it is the parent of human pleasures."

With his pattern before us, as it should be in all things we do, if our bent runs to gardening, we can plant for beauty, for bounty, and for the sheer joy such activity brings. A beautiful flower, a shrub, or tree will arrest even the least appreciative eye; this we not only give to others but we feast upon it ourselves. Baskets laden with fruits and vegetables fresh from one's own garden furnish a bounty that cannot be surpassed for our own use or for a gift to be shared with our friends. Then, too, some garden for the pleasure of seeing plants grow.

With some it is a means of recreation. As one man philosophically puts it, "It is a good way to stay out of trouble." In integrating family life one person recommends, "Garden not only for the beauty of it, but make it a family project." A dear lady of this town, known to many for her unceasing effort to do kind deeds, seems to live

to raise flowers that she might bring joy and beauty into the lives of others.

Last week we mentioned one use we can make of winter is "to plan to refurbish our surroundings." When the bridal wreath or spirea blossoms begin to appear, as a few tiny ones did before the snowfall, if we hadn't thought of it before, we perhaps began to ponder about the pattern our flower or vegetable garden would take this year. Since "roses continue unchanged as tops among garden flowers," we may be poring over catalogs and may again be trying to decide on a new hybrid tea, climber or floribunda since March planting time is in the offing. February "Better Homes and Gardens" contains an interesting article on planting. Or we might be considering a new evergreen that will give year-round beauty. Could be that we are planning to try a new annual. Whatever it be we hope it will fit into our landscaping attractively and suitably.

Our thoughts could be turning to the South as we read of the coming Azalea Festival in

Mobile or see Bellingrath Gardens prominently advertised. Perhaps some of our citizens are planning a vacation trip thru the Mobile or Gulf area or will want to in the not too distant future. February issue of "Better Homes and Gardens" also provides a colorful article, "Gardens Along the Gulf," which I know you won't want to miss. It features "Bellingrath" scenes of the beautiful camellias and azaleas. When one sees them in reality he gets the urge to make azaleas a part of his own setting.

In the heart of Bellingrath Gardens amidst a setting of all most horticultural perfection we find this inscription in bronze.

"The Lord God planted a garden, In the first white days of the world, And there set an angel warden, In a garment of light enflured, So near to the peace of heaven, The hawk might nest with the wren; For there in the cool of the even, God walked with the first of men. And I dream that these garden closes, With their shade and their sun-flecked sod,

With their hills and frames of roses Where laid by the hand of God The idea of the sun for pardon, The song of the birds for mirth— One is nearer God's heart in a garden.

Then anywhere else on earth," Dorothy Frances Gurney

We don't have to go south, however, to find floral beauty for it is here in our midst. A number of our citizens are well versed in flower culture as shown by the handwork of their yards and gardens and are seeking to learn more. There has been some interest manifest in creating a garden department in one of our clubs. Another has landscaping and kindred subjects as a part of their annual study program. There are many opportunities for some organized group to contribute to a "city beautiful." For example: The editor of this paper has long been interested in seeing the "gateways" to our city properly planted, that would make it more attractive to visitors. This would be a splendid project for some group.

A few years ago this Collect was adopted by the Garden Club of Kentucky: As we lift our eyes unto the hills Clothed in Nature's beauty, May we, O Lord, learn the art of living,

Working, and gardening together.

Help us to realize that in so doing

We cultivate patience, faith and hope.

In weeding our gardens of thorns and brambles

May we also weed our lives of all

Actions and thoughts that are destructive to our fellow men.

Create in us a spirit of humility and

An appreciation of Thy handiwork.

And as we listen to the song of the cardinal,

Or gaze upon the first violet, May we be filled with the desire to

Cheerfully and willingly perform our daily tasks, Amen."

Mrs. O. E. Hoffman

Singly or collectively we can make Benton Beautiful.
