For Fulton First and Always

Established 1881.
While war rages in the far Pacific and the Iron Curtain is drawn over the United States, news and tidings give hope for the future of the free world. It is to be inferred that the United States has put over the border. It is therefore to be inferred that the French possession of the Stettin harbor is to be removed.

Some 50 American planes are expected today to spend the day in the vicinity of the border. It is estimated that they are bound for France, where they will be used in the field. A quantity of gold from the United States was being brought to force France to agree to the terms of the agreement that extends from Iceland to the East Indies. The agreement was reached with the United States, the United Kingdom, and France. The United States agrees not to attack the United States is known to have signed a secret accord with the United States Navy for the protection of the Western Hemisphere.

The exact nature of the accord is to be kept secret. It is known that the United States will agree to defend the Western Hemisphere. It is also agreed to continue its food shipments to the now orphaned States and holidays. At 400 Main Post Office as mail matter of the United States. To be spent in the United States.

Merry Christmas to all the staff of the Leader.

Uncertain World Conditions Make Systematic Saving Wise.

It is not a time to rush the boat—but all of us know that the best of conditions today systematic saving is wise. We know, too, that nothing is as safe as real estate.

The Building and Loan Association is based on the solidity of property. Our homes are made on us and our deposits are insured by the Federal Government. We offer the best method of real, systematic saving that is now available. We also are in position to help any frugal person own a home.

We will be glad to talk over these things with any one who wishes to provide for the future at any time.

Mr. and Mrs. Trevor Whayne Honored With Surprise Reception On Anniversary

The home of Mr. and Mrs. Trevor Whayne was the scene of a surprise celebration December 12, by Miss Elizabeth Butt, who presided at the register, and Mrs. E. M. Jenkins assisted in receiving the guests. Assisting the hostesses in serving were Mrs. Bertie Pigg and Mrs. Felix Ciossum.

United States Seek To Merge All Joint Agencies In States

Washington, D.C. — President Roosevelt, speaking yesterday at the State, War, and Navy Department, proposed merging all joint agencies in the eastern and western states into one system.

The President said his cabinet had considered the problem of joint agencies and had decided that the system was not working as well as it should be. He said that the government should try to establish one system in each state, with headquarters in the state capital and with the agencies working together under the supervision of a state agency.

The President also said that the government should try to establish one system in each state, with headquarters in the state capital and with the agencies working together under the supervision of a state agency.

The President also said that the government should try to establish one system in each state, with headquarters in the state capital and with the agencies working together under the supervision of a state agency.

SPORT TALK

The Red Devils of South Fulton have invaded their pre-Christmas schedule and have no games for this week. However, they will start the season on January 2 when they take on Dixie in Dixie. They will play their first game of the season on the night of January 2. Despite their pre-Christmas schedule, the Red Devils have been playing good basketball for the past two weeks and show no signs of slowing down.

The Red Devils have been playing good basketball for the past two weeks and show no signs of slowing down. They have been playing well despite being on a short schedule. Their next game is against the Bulldogs on January 2. The Bulldogs have been playing good basketball as well and are looking forward to facing the Red Devils.

The immediate availability of Long Distance telephone facilities is vital to the communication needs of our government. We urge everyone who plans to exchange the season's greetings by Long Distance telephone, please refrain from making these calls on Christmas or New Year's Day. The Long Distance telephone is already playing a major role in America's all-out war effort. Government Long Distance telephone requirements, both civilian and military, have stepped up sharply. Industrial plants engaged in defense production, radio networks and news services are relying more and more upon the speed contacts made possible by the Long Distance telephone. Therefore we urgently appeal to you to help keep Long Distance lines clear, on Christmas and New Year's Day, that we may efficiently serve our Nation, unhampered by calls of a non-essential character.
