Long Distance Lines Must Be Kept Clear Christmas and New Year's Day

Our Government is Depending Upon These Lines for Urgent Communication Needs

The immediate availability of Long Distance telephone facilities is vital to the communication needs of our government. We urge everyone who plans to exchange the season's greetings by Long Distance telephone, to please refrain from making these calls on Christmas or New Year's Day. The Long Distance telephone is already playing a major role in America's all-out war effort. Government Long Distance telephone requirements, both civilian and military, have stepped up sharply. Industrial plants engaged in defense production, radio networks and news services are relying more and more upon the speedy contacts made possible by the Long Distance telephone.

Therefore we urgently appeal to you to help keep Long Distance lines clear, on Christmas and New Year's Day, that we may efficiently serve our Nation, unhampered by calls of a non-essential character.
